2 No.SUR-999, dated December, 1999 and are more particularly described in the legal
3 description attached to such map. A copy of such map and accompanying legal description is
4 on file with the Clerk of the Board of Supervisors in File No. 001101.

5 C. Section 8334 of the California Streets and Highways Code provides that the
6 legislative body of a local agency may summarily vacate an excess right-of-way of a street or
7 highway not required for street or highway purposes under certain circumstances. In
8 particular, Section 8334 provides that the legislative body of a local agency may summarily

12 there are no in-place public utility facilities that are in use and would be affected by the
13 vacation.

14 D. The Board of Supervisors finds that the Street Areas are excess rights-of-way of
15 a street or highway which are not required for street or highway purposes, subject to the
16 conditions described in this Ordinance. Furthermore, from and after the date this Ordinance is
17 recorded, the Street Areas will no longer constitute streets or highways.

19 one ownership, and (b) do not continue through such ownership or end touching the property
20 of another.

21 F. The Board of Supervisors finds that there are no in-place public utility facilities
22 that are in use and would be affected by the vacation of the Street Areas.

23 G. The vacation of the Street Areas is necessary in connection with the
24 development of the First and Howard Project. The City proposes to sell and convey the Street
25 Areas to the Developer concurrently with the satisfaction of the conditions to the effectiveness

1 of the vacation contemplated hereby (and subject to certain other conditions set forth or to be
2 set forth in an Agreement for the Sale of Real Estate between the City and Developer a copy
3 of which is on file with the Clerk of the Board of Supervisors under File No. 001101
4 (the "Sale Agreement")).

5 H. On January 13, 2000, the City Planning Commission, by Motion No. 14957,
6 certified the Final Supplemental Environmental Impact Report for the First and Howard Project
7 ("Final EIR") as accurate, adequate and objective and in compliance with the California
8 Environmental Quality Act ("CEQA") and the regulations adopted thereunder.

9 I. This Board of Supervisors has reviewed and considered the information
10 contained in the Final EIR.

11 J. For purposes of compliance with CEQA, the vacation of the Street Areas is part
12 of the First and Howard Project examined in the Final EIR for which the Planning
13 Commission, by Motion Nos. 15005 and 15006, dated March 2, 2000, has adopted findings
14 with respect to the Final EIR as required by CEQA, which findings are on file with the Clerk of
15 the Board of Supervisors under File No. 001101, and which findings are incorporated
16 herein by this reference.

17 K. The Director of Planning, by letter dated April 14, 2000, found that the vacation
18 of the Street Areas is consistent with the City's General Plan, including the street vacation
19 criteria set forth in the Urban Design Element, and with the Eight Priority Policies of City
20 Planning Code Section 101.1, which letter is on file with the Clerk of the Board of Supervisors
21 under File No. 001101, and which letter is incorporated herein by this reference.

22 Section 2. The public convenience and necessity require that no easements or other
23 rights be reserved for any public utility facilities that are in place in the Street Areas and that
24 any rights based upon any such public utility facilities shall be extinguished automatically upon
25 the effectiveness of the vacation hereunder.

1 Section 3. The public interest and convenience require that the vacation be done as
2 declared in this Ordinance.

3 Section 4. The Board of Supervisors hereby finds that the vacation of the Street Areas
4 is in conformity with the General Plan and is consistent with the Eight Priority Policies of
5 Planning Code Section 101.1 for the same reasons as set forth in the letter of the Director of
6 Planning dated April 14, 2000, and hereby incorporates such findings by reference as though
7 fully set forth in this Ordinance.

8 Section 5. The Board of Supervisors finds that the vacation of the Street Areas under
9 this Ordinance is part of the First and Howard Project described in the Final EIR and hereby
10 adopts and incorporates the findings under CEQA contained in Planning Commission Motion
11 Nos. 15005 and 15006 by this reference thereto as though such findings were fully set forth in
12 this Ordinance.

13 Section 6. The Board of Supervisors hereby finds that there is no need to prepare a
14 subsequent EIR because there have been no substantial project changes, no substantial
15 changes to project circumstances and no new information of substantial importance that
16 would change the conclusions set forth in the Final EIR.

17 Section 7. The Board of Supervisors has acquired jurisdiction to order such vacation.
