10 Be it ordained by the People of the City and County of San Francisco:

11 Section 1. The San Francisco Police Code is hereby amended by amending Section  
12 1135.1, to read as follows:

13 Sec. 1135.1. GATE FEES.

14 (a) Cap on Gate Fees. The mean gate fee charged drivers by a taxicab company  
15 may not exceed \$85.00 for a shift of 10 hours or longer. The cap shall be prorated at \$8.50  
16 per hour for shifts shorter than 10 hours. The mean gate fee shall be determined by adding  
17 together the gate fees charged by the company for all available shifts during one week and  
18 dividing that total by the number of available shifts during the week. The aforementioned cap  
19 on gate fees and the higher cap on gate fees provided for in subsection (b) shall become  
20 operative on January 1, 2003 or, if the effective date of the Ordinance creating the higher cap  
21 on gate fees occurs thereafter, on the effective date of that Ordinance.

22 (b) Higher Cap on Gate Fees. Notwithstanding the provisions of subsection (a), the  
23 mean gate fee charged drivers by a taxicab company may not exceed \$91.50 for a shift of 10  
24 hours or longer and the cap shall be prorated at \$9.15 per hour for shifts shorter than 10  
25 hours, provided that the following conditions are met once they take effect:

1 (i) The taxicab company is in compliance with the rules and regulations established  
2 by the Controller of the City and County of San Francisco pursuant to Section 1095(b) of this  
3 Article. This condition shall take effect on January 1, 2003 or, if the effective date of the  
4 Ordinance creating the higher cap on gate fees occurs thereafter, on the effective date of that  
5 Ordinance. "Compliance" shall mean that by no later than January 1, 2003 or, if the effective  
6 date of the Ordinance creating the higher cup on gate fees occurs thereafter, by no later than  
7 the effective date of that Ordinance, the taxicab company has submitted the information  
8 required by the Controller's rules and regulations for the most recent year the information is  
9 required, and by no later than April 1, 2003 the taxicab company has submitted the  
10 information required by the Controller's rules and regulations for the three most recent years  
11 the information is required. The condition that the taxicab company be in compliance with the  
12 Controller's rules and regulations is ongoing; hence, the right to charge the higher mean gate  
13 fee authorized by this subsection is dependent on continued fulfillment of this condition.

14 (ii) All taxicabs operating under the taxicab company's color scheme are covered by  
15 workers' compensation insurance. This condition shall take effect on May 1, 2003. The  
16 taxicab company shall not be deemed to fulfill this condition until the taxicab company has  
17 submitted to the Taxi Commission proof that the condition is fulfilled. This condition is an  
18 ongoing condition, and the aforementioned requirement for proving that the condition is  
19 fulfilled is an ongoing requirement; hence, the right to charge the higher mean gate fee  
20 authorized by this subsection is dependent on continued fulfillment of the condition and  
21 continued compliance with the proof requirement.

22 (c) "Gate Fee" Defined. For the purposes of this Section, "gate fee" shall mean any  
23 monetary fee or other charge or consideration, or any combination thereof, required of a driver  
24 other than a permit holder for the privilege of driving a taxicab during a particular shift, or for  
25 any period of time, including receipt of all services provided in connection with such privilege,

1 whether said fee is set by contract, lease or other agreement, orally or in writing, and whether  
2 said fee is paid by the driver as a flat rate, as a commission on receipts from fares, or as a  
3 specified fee for any other purpose.

4 (d) Regulations; Penalties. The Taxi Commission may, from time to time and after  
5 a noticed public hearing, adopt regulations to carry out the purposes of this Section. Violation  
6 of any provision of this Section, or of any regulation adopted pursuant to this Section, may be  
7 cause for revocation or suspension of any permit granted to the violator by the City and  
8 County related to the operation of taxicabs or other motor vehicles for hire, or for the  
9 imposition of any other penalties authorized under this Article.

10 (e) Evaluation By Taxi Commission. The Taxi Commission shall evaluate the  
11 impact of this ordinance and any lease fee cap and report back to the Board of Supervisors  
12 within nine months of the final adoption of this ordinance.

13 (f) Operative Date. This Section shall only become operative on the date that the  
14 fare increases authorized in Ordinance No. 188-98 become operative.

15 (g) Sunset Provisions Pertaining to Higher Cap on Gate Fees. Subsection (b) shall  
16 expire by operation of law under either of the circumstances described below:

17 (i) By no later than May 1, 2003, the Controller shall submit a recommendation to  
18 the Board of Supervisors for a specific long-term lease fee cap covering all long-term lease  
19 drivers. If within 90 days of the Controller's submission of a recommendation, or, if the  
20 Controller fails to meet the deadline for submitting a recommendation, by no later than ~~August~~  
21 November 1, 2003, the City fails to enact into law an ordinance prescribing a specific long-term  
22 lease fee cap covering all long-term lease drivers, subsection (b) shall expire.

23 (ii) By no later than October 1, 2003, the Controller shall submit a recommendation  
24 to the Board of Supervisors for enactment of a program that would make a substantial and  
25 reasonable degree of health insurance or health benefits available to all taxi drivers. The

1 Controller's recommendation shall be based on his study of the health insurance/health  
2 benefits issue, which shall include consultation with City departments having expertise in one  
3 or more dimensions of the issue. If, within 90 days of the Controller's submission of a  
4 recommendation, or, if the Controller fails to meet the deadline for submitting a  
5 recommendation, by no later than January 1, 2004, the City fails to enact into law an  
6 ordinance that establishes a program that makes a substantial and reasonable degree of  
7 health insurance or health benefits available to all taxi drivers, subsection (b) shall expire,  
8 unless the Controller certifies that it is not feasible for the City to establish such a program.
