15 Section 1. FINDINGS. The Board of Supervisors of the City and County of
16 San Francisco hereby finds, determines and declares, based on the record before it, including
17 but not limited to information contained in the Report on the Redevelopment Plan Amendment
18 (as hereafter defined), that:

19 A. On June 11, 1990, the Board of Supervisors approved and adopted a
20 Redevelopment Plan for the South of Market Earthquake Recovery Redevelopment Project
21 Area (as adopted and subsequently amended, the "Earthquake Recovery Redevelopment
22 Plan Project Area" or the "Redevelopment Plan") by Ordinance No. 234-90 pursuant to the
23 Community Redevelopment Disaster Project Law (Sections 34000 through 34014 of the
24 California Health and Safety Code, adopted in 1964, and, as subsequently amended, referred
25 to as the "CR Disaster Project Law"). On November 30, 1990, the Agency and the Planning

BOARD OF SUPERVISORS

1 Department entered into a Cooperation Agreement that implements the Earthquake Recovery
2 Redevelopment Plan by providing for the review and approval by the Planning Department
3 and the Planning Commission of the City and County of San Francisco (respectively,
4 "Planning Department" and "Planning Commission") as to use permits, building permits,
5 demolition permits and variances for Project Area developments, all in consultation with the
6 Agency.

7 B. Since then the Board has amended Ordinance No. 234-90, the ordinance
8 creating such the Earthquake Recovery Redevelopment Plan, three times: by Ordinance No.
9 431-94 on December 12, 1994, by Ordinance No. 364-95 on November 13, 1995, and by
10 Ordinance No. 388-97 on October 14, 1997. Ordinance No. 234-90, as it has been amended,
11 ~~(together, the "Earthquake Recovery Redevelopment Plan")~~ is, by this reference,
12 incorporated and made a part hereof as though fully set forth herein.

13 CB. The CR Disaster Project Law allows the Board of Supervisors to include all or a
14 portion of a project area created pursuant to the CR Disaster Project Law within a
15 separate traditional redevelopment project area through the adoption or amendment of a
16 redemption plan, so long as such ~~separate~~ redevelopment plan meets all the requirements
17 of the Community Redevelopment Law (Sections 33000 et seq. of the California Health and
18 Safety Code and referred to as the "Community Redevelopment Law").

19 DC. On January 16, 1997, the Planning Commission of the City and County of
20 San Francisco selected and designated the boundaries of a proposed amended South of
21 Market Redevelopment Project Area and approved a Preliminary Plan for the proposed
22 amended Project Area. On March 4, 1997, the Agency, by Resolution No. 32-97, requested
23 the Board to pass a resolution calling for the election of a Redevelopment Project Area
24 Committee for the South of Market Redevelopment Project Area and approving procedures

1 for the formation of the Project Area Committee. On March 28, 1997, the Board approved and
2 adopted "Articles of Formation for the Redevelopment Project Area Committee for the South
3 of Market Redevelopment Project" by Resolution No. 268-97. On April 24, 1997, an election
4 was held in the proposed amended South of Market Redevelopment Project Area for the
5 purposes of forming a Project Area Committee. On ~~May 27, June 9,~~ 1997, ~~the Board,~~ by
6 Resolution No. ~~575-97~~ _____, the Board of Supervisors found that the appropriate
7 election procedures were followed and that the members of the South of Market Project Area
8 Committee ("PAC") were duly elected.

9 ED. Working in conjunction with the PAC, the Redevelopment Agency of the City
10 and County of San Francisco (the "Agency") has prepared a proposed amendment to the
11 Earthquake Recovery Redevelopment Plan that converts it to a Redevelopment Plan that
12 meets all the requirements of the Community Redevelopment Law and contains other
13 changes (collectively the "South of Market Redevelopment Plan Amendment"). The principal
14 changes reflected in the South of Market Redevelopment Plan Amendment are: 1) revised
15 redevelopment goals and objectives and the expansion of redevelopment actions to address
16 all conditions of blight in the area; 2) the addition of the Western Expansion Area, bounded by
17 Folsom Street, Columbia Square, Harrison Street, and Seventh Street, to the project area
18 previously established by the South of Market Earthquake Recovery Redevelopment Project
19 Area (collectively, the "Amended Project Area"); 3) an increase in the aggregate amount of
20 tax increment the Agency may receive and the maximum amount of bond indebtedness the
21 Agency may have outstanding at any one time; 4) an extension of the Agency's ability to
22 incur and repay debt from tax increment proceeds by an additional ten years; 5) authorization
23 to acquire certain properties through eminent domain, subject to the limitations contained in

1 the Redevelopment Plan; and 6) the extension by ten years of the expiration date from June
2 11, 2010, to June 11, 2020.

3 EE. The PAC has reviewed and considered the South of Market Redevelopment
4 Plan Amendment on several occasions, including the PAC meetings held on April 21, 2003,
5 December 15, 2003 and March 28, 2005. Based on the PAC's recommendations adopted on
6 March 28, 2005, the South of Market Redevelopment Plan Amendment's eminent domain
7 policies were revised to address concerns of property owners in the Project Area, in
8 accordance with the PAC's recommendations. In addition, the PAC also met between June
9 and September 2005 to consider and comment on a proposed amendment of the Rules
10 Governing Participation by Property Owners and the Extension of Reasonable Preferences to
11 Business Occupants for the South of Market Earthquake Recovery Redevelopment Project
12 Area dated May 15, 1990 ("Owner Participation Rules"), which comments have been included
13 by the Agency in such amended Owner Participation Rules.

14 G. Pursuant to Section 33352 of the California Community Redevelopment Law,
15 the Agency has prepared a Report on the South of Market Redevelopment Plan Amendment
16 (the "Report on the Redevelopment Plan Amendment"), that has been made available for
17 public review before the date of the hearing on this Ordinance approving the South of Market
18 Redevelopment Plan Amendment.

19 F. H. On March 24, 2005, after a duly noticed public hearing, the
20 Planning Commission adopted Motion Nos. 16969 and 16970 as follows: Motion No. 16969
21 adopted the findings required by CEQA regarding alternatives to the proposed South of
22 Market Redevelopment Plan Amendment, a mitigation monitoring and reporting program and
23 a statement of overriding considerations (collectively the "CEQA Findings"), and Motion
24 No. 16970 finds the South of Market Redevelopment Plan Amendment to be generally

17 forth.

18 J. The Agency was not able to forward the South of Market Redevelopment Plan
19 Amendment to this Board of Supervisors before the close of Fiscal Year 2004-2005. .
20 (Therefore the Agency updated the fiscal analysis in its Report to designate Fiscal Year 2005-
21 2006 as the proposed base year for the Western Expansion Area and held a duly noticed
22 public hearing on October 4, 2005 to consider such revised Report and the South of Market
23 Redevelopment Plan Amendment. Following the close of such public hearing, the Agency

23 Mf. Pursuant to Sections 33205 and 33128 of the Community Redevelopment Law,

25
MAYOR GAVIN NEWSOM, SUPERVISOR DALY
BOARD OF SUPERVISORS

1 C. The Planning Department and Agency have undertaken a planning and
2 environmental review process for the proposed South of Market Redevelopment Plan
3 Amendment and provided for appropriate public hearings before the Planning Commission
4 and the Redevelopment Agency Commission.

5 D. The actions listed in Attachment A ~~hereto~~ (a copy of Attachment A together with
6 all exhibits thereto is on file with the Clerk of the Board of Supervisors in File No. 050871 and
7 is incorporated herein by reference as though fully set forth and is referred to as "Actions"),
8 are part of a series of considerations in connection with the adoption of the South of Market
9 Redevelopment Plan Amendment and various implementation actions ("Project"), as more
10 particularly defined in Attachment A ~~hereto~~.

11 E. The Planning Department prepared and the Planning Commission certified on
12 January 23, 1997, by Motion No. 14287, a Final Environmental Impact Report ("FEIR") for an
13 initial proposal to ~~amend~~ the Redevelopment Plan.

14 F. For various reasons, the Agency did not adopt the initially proposed amendment
15 to the Redevelopment Plan. Thereafter, the Agency proposed the revised South of Market
16 Redevelopment Plan Amendment.

17 G. The Planning Department and Agency, as co-lead agencies, determined that a
18 Supplement to the FEIR was appropriate for the proposed South of Market Redevelopment
19 Plan Amendment and on August 28, 2004, the Agency published the Draft Supplement to the
20 FEIR ("Draft Supplement"). The Draft Supplement was circulated for public review in
21 accordance with the California Environmental Quality Act, California Public Resources Code
22 section 21000 et seq., ("CEQA"), the State CEQA Guidelines, 14 California Code of
23 Regulations Sections 15000 et seq., (the "CEQA Guidelines"), and Chapter 31 of the San
24 Francisco Administrative Code ("Chapter 31"). The Redevelopment Agency Commission and
25

1 Planning Commission each held a public hearing on the Draft Supplement on October 5, 2004
2 and October 14, 2004, respectively.

3 H. The Agency, in consultation with the Planning Department, prepared responses
4 to comments on the Draft Supplement, which together with the Draft Supplement and
5 additional information that became available, constitute the Final Supplement to the FEIR
6 ("Final Supplement").

7 I. The Planning Commission, on January 13, 2005, by Motion No. 16927, and the
8 Redevelopment Agency Commission, on January 18, 2005, by Resolution 9-2005, reviewed
9 and considered the Final Supplement and found that the contents of said report and the
10 procedures through which the Final Supplement was prepared, publicized and reviewed
11 complied with the provisions of CEQA, the CEQA Guidelines and Chapter 31 of the San
12 Francisco Administrative Code.

13 J. Also by Motion No. 16927 and Resolution 9-2005, the Planning Commission and
14 Redevelopment Agency Commission, respectively, finding that the Final Supplement was
15 adequate, accurate and objective, reflected the independent judgment of each Commission
16 and that the Comments and Responses document contains no significant revisions to the
17 Draft Supplement, adopted findings of significant impacts associated with the Project and
18 certified the completion of the Final Supplement for the Project in compliance with CEQA and
19 the CEQA Guidelines.

20 K. The Planning Department and Agency have prepared proposed Findings, as
21 required by CEQA, regarding the alternatives, mitigation measures and significant
22 environmental impacts analyzed in the FEIR and Final Supplement, overriding considerations
23 for approving the Project, including all of the actions listed in Attachment A hereto, and a
24 proposed mitigation monitoring and reporting program, attached as Exhibit 1 to Attachment A,
25

1 which material was made available to the public and this Board of Supervisors for the Board
2 of Supervisors' review, consideration and actions.

3 L. The FEIR and the Final Supplement files and other project related Planning
4 Department and Agency files have been made available for review by this Board of
5 Supervisors and the public and those files are part of the record before this Board of
6 Supervisors.

7 M. The Board of Supervisors finds that (1) modifications incorporated into the
8 Project and reflected in the Actions will not require important revisions to the FEIR and the
9 Final Supplement due to the involvement of new significant environmental effects or a
10 substantial increase in the severity of previously identified significant effects; (2) no substantial
11 changes have occurred with respect to the circumstances under which the Project or the
12 Actions are undertaken which would require major revisions to the FEIR or the Final
13 Supplement due to the involvement of new significant environmental effects, or a substantial
14 increase in the severity of effects identified in the FEIR and the Final Supplement; and (3) no
15 new information of substantial importance to the Project or the Actions has become available
16 which would indicate (a) the Project or the Actions will have significant effects not discussed in
17 the FEIR and the Final Supplement, (b) significant environmental effects will be substantially
18 more severe, (c) mitigation measures or alternatives found not feasible which would reduce
19 one or more significant effects have become feasible, or (d) mitigation measures or
20 alternatives which are considerably different from those in the FEIR and the Final Supplement
21 would substantially reduce one or more significant effects on the environment.

22 N. The Board of Supervisors has reviewed and considered the FEIR and the Final
23 Supplement and hereby adopts the Project Findings ~~attached hereto as set forth in~~

3 Section 3. PURPOSES AND INTENT. The purposes and intent of the Board of
4 Supervisors with respect to this Ordinance are to adopt the South of Market Redevelopment
5 Plan Amendment in accordance with the Community Redevelopment Law and to achieve the
6 objectives for redevelopment of the Amended Project Area specified in the South of Market
7 Redevelopment Plan Amendment.

8 Section 4. INCORPORATION BY REFERENCE. By this reference, the South of
9 Market Redevelopment Plan Amendment, a copy of which is on file with the Clerk of the
10 Board of Supervisors under File No. 050871 _____, is incorporated in and made a
11 part of this Ordinance with the same force and effect as though set forth fully herein.

12 Section 5. FURTHER FINDINGS AND DETERMINATIONS UNDER THE
13 COMMUNITY REDEVELOPMENT LAW. The Board of Supervisors hereby further finds,
14 determines and declares, based on the record before it, including but not limited to information
15 contained in the Report on the Redevelopment Plan Amendment, that:

16 A. The Amended Project Area which is the subject of the South of Market
17 Redevelopment Plan Amendment is a blighted area (as described in the Report on the Plan
18 Amendment), the redevelopment of which is necessary to effectuate the public purposes
19 declared in the Community Redevelopment Law.

20 B. The South of Market Redevelopment Plan Amendment will redevelop the
21 Amended Project Area, as set forth in the Report on the Redevelopment Plan Amendment, in
22 conformity with the Community Redevelopment Law and is in the interests of the public
23 peace, health, safety, and welfare.

24

MAYOR GAVIN NEWSOM, SUPERVISOR DALY
BOARD OF SUPERVISORS

1 C. The adoption and carrying out of the South of Market Redevelopment Plan
2 Amendment is economically sound and feasible as described in the Report on the
3 Redevelopment Plan Amendment.

4 D. For the reasons referred to in Section 1HG of this Ordinance, the
5 Redevelopment Plan Amendment is consistent with the General Plan of the City and County
6 of San Francisco, including but not limited to the housing element of the General Plan, which
7 substantially complies with the requirements of Article 10.6 (commencing with Section 65580)
8 of Chapter 3 of Division 1 of Title 7 of the California Government Code and other applicable
9 requirements of law, and is consistent with the eight Priority Policies in Planning Code
10 Section 101.1.

11 E. The carrying out of the South of Market Redevelopment Plan Amendment will
12 promote the public peace, health, safety and welfare of the community and effectuate the
13 purposes and policies of the Community Redevelopment Law as generally described in the
14 Report on the Redevelopment Plan Amendment.

15 F. The condemnation of real property, to the extent provided for in the South of
16 Market Redevelopment Plan Amendment, may be necessary for the execution of such
17 Redevelopment Plan Amendment and adequate provisions have been made in such
18 Redevelopment Plan Amendment for payment for property to be so acquired in accordance
19 with law.

20 G. The implementation of the South of Market Redevelopment Plan Amendment
21 may result in the displacement of low- or moderate-income persons, however, the Agency
22 has a feasible method or plan for the relocation of families and persons displaced from the
23 Amended Project Area, if such implementation results in the temporary or permanent
24 displacement of any occupants of housing facilities in the Amended Project Area.

25
MAYOR GAVIN NEWSOM, SUPERVISOR DALY
BOARD OF SUPERVISORS

1 H. There are, or shall be provided, in the Amended Project Area or in other areas
2 not generally less desirable in regard to public utilities and public and commercial facilities and
3 at rents or prices within the financial means of the families and persons displaced from the
4 Amended Project Area, decent, safe, and sanitary dwellings equal in number to the number of
5 and available to the displaced families and persons and reasonably accessible to their places
6 of employment.

7 I. Families and persons shall not be displaced prior to the adoption of a relocation
8 plan pursuant to Sections 33411 and 33411.1 of the California Health and Safety Code and
9 dwelling units housing families and persons of low or moderate income shall not be removed
10 or destroyed prior to the adoption of a replacement housing plan pursuant to
11 Sections 33334.5, 33413, and 33413.5 of the California Health and Safety Code.

12 J. There are no non-contiguous areas in the Amended Project Area.

13 K. The Amended Project Area includes lands, buildings and improvements which
14 are not individually detrimental to the public health, safety or welfare but which are necessary
15 for the effective redevelopment of the Amended Project Area. All areas included in the
16 Amended Project Area are necessary for effective redevelopment of the Amended Project
17 Area, and no areas in the Amended Project Area are included solely for the purpose of
18 obtaining an allocation of tax increment revenues from the Amended Project Area pursuant to
19 California Health and Safety Code Section 33670 without other substantial justification for its
20 inclusion.

21 L. The elimination of blight and the redevelopment of the Amended Project Area
22 could not reasonably be expected to be accomplished by private enterprise acting alone
23 without the aid and assistance of the Agency.

1 M. The Amended Project Area is predominantly urbanized, as defined by California
2 Health and Safety Code Section 33320.1(b).

3 N. The time limitation and the limitation on the number of dollars to be allocated to
4 the Agency that are contained in the South of Market Redevelopment Plan Amendment are
5 reasonably related to the proposed projects to be implemented in the Amended Project Area
6 and to the ability of the Agency to eliminate blight within the Amended Project Area.

7 O. This Board of Supervisors is satisfied that permanent housing facilities will be
8 available within three (3) years from the time occupants of the Amended Project Area are
9 displaced and that, pending the development of the facilities, there will be available to the
10 displaced occupants adequate temporary housing facilities at rents comparable to those in the
11 community at the time of their displacement.

12 P. On March 28, 2005, the PAC recommended the approval of the South of Market
13 Redevelopment Plan Amendment.

14 Section 6. Pursuant to Section 33365 of the California Health and Safety Code, the
15 Board of Supervisors hereby amends Ordinance No. 234-90 by this Ordinance, and approves
16 and adopts the South of Market Redevelopment Plan Amendment as the official
17 Redevelopment Plan for the Amended Project Area.

18 Section 7. The Clerk of the Board of Supervisors shall without delay (1) transmit a
19 copy of this Ordinance to the Agency pursuant to California Health and Safety Code
20 Section 33372, whereupon the Agency shall be vested with the responsibility for carrying out
21 the Redevelopment Plan Amendment, (2) record or ensure that the Agency records a
22 description of the Amended Project Area and a certified copy of this Ordinance pursuant to
