Be it ordained by the People of the City and County of San Francisco: Section. 1. **General Findings.** 

Supervisor Mar, Avalos BOARD OF SUPERVISORS (a) The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Section 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 110592 and is incorporated herein by reference.

(b) Pursuant to Planning Code Section 302, this Board finds that these Planning Code amendments will serve the public necessity, convenience, and welfare for the reasons set forth in Planning Commission Resolution No. 18409 and the Board incorporates such reasons herein by reference. A copy of Planning Commission Resolution No. 18409 is on file with the Board of Supervisors in File No. 110592.

(c) This Board finds that these Planning Code amendments are consistent with the General Plan and with the Priority Policies of Planning Code Section 101.1 for the reasons set forth in Planning Commission Resolution No. 18409, and the Board hereby incorporates such reasons herein by reference.

Section 2. Specific Findings.

(a) As the main commercial corridors of the Richmond District, Geary Boulevard and Clement Street support a diverse and vibrant neighborhood with businesses that provide a mix and variety of goods and services to the Richmond neighborhood and City residents, including many small, locally owned businesses.

(b) Small, locally owned businesses provide a majority of jobs to San Francisco residents.

(c) Fostering, promoting and retaining small businesses is a policy priority of the City of San Francisco, as evidenced by the approval in November 1986 by the voters of Proposition M, now codified as Planning Code Section 101.1 and known as the City's Priority Policies, which call, inter alia, for the preservation of existing neighborhood serving retail.

Supervisor Mar BOARD OF SUPERVISORS (d) The approval, in November 2003 by the voters of Proposition D, which created a Chartered Small Business Commission (SBC) to oversee the Office of Small Business (OSB), also demonstrates the City's interest in preserving and promoting small, neighborhood serving businesses.

(e) There are four small, locally owned neighborhood serving pet supply stores within easy walking distance of the <u>area of</u> Geary Boulevard between 14th Avenue and 28th Avenue, constituting a local neighborhood serving industry.

(f) There are many well established, locally owned neighborhood serving eating and drinking establishments which help define the unique character of the Richmond District.

(g) The proliferation of formula retail uses, including eating and drinking uses and pet supply stores, aggravates parking and traffic congestion in this District by promoting car trips from outside the District to destination retail locations.

(h) An increase in the height limits along Geary Boulevard would be consistent with development patterns in other commercial corridors of the City, and would create incentives to use space more efficiently, particularly commercial space on the ground floor.

Section 3. The San Francisco Planning Code is hereby amended by amending Section 263.20, to read as follows:

SEC. 263.20. SPECIAL HEIGHT EXCEPTION: ADDITIONAL FIVE FEET HEIGHT FOR GROUND FLOOR USES IN NCT 40-X AND 50-X HEIGHT AND BULK DISTRICTS, IN NCT DISTRICTS NC-2 AND NC-3 DESIGNATED PARCELS FRONTING MISSION STREET, FROM SILVER AVENUE TO THE DALY CITY BORDER, AND IN SPECIFIED NC-1 DESIGNATED PARCELS AND IN SPECIFIED NC DISTRICTS.

(a) **Intent.** In order to encourage generous ground floor ceiling heights for commercial and other active uses, encourage additional light and air into ground floor spaces, allow for walk-up ground floor residential uses to be raised slightly from sidewalk level for privacy and

Page 3 7/19/2011 n:\land\as2011\1100346\00713767.doc usability of front stoops, and create better building frontage on the public street, up to an additional 5' of height is allowed along major streets in NCT districts, or in specific NC-3, NC-2, or NC-1 districts listed below, for buildings that feature either higher ground floor ceilings for non-residential uses or ground floor residential units (that have direct walk-up access from the sidewalk) raised up from sidewalk level.

(b) **Applicability.** The special height exception described in this section shall only apply to projects that meet all of the following criteria:

(1) project is located in a 40-X or 50-X Height and Bulk District as designated on the Zoning Map;

(2) project is located:

(A) in an NCT district as designated on the Zoning Map;

(B) in the Upper Market Street NCD;

(C) in on a NC-2 or NC-3 designated parcel fronting Mission Street, from Silver

Avenue to the Daly City border; or

(D) on a NC-3 designated parcel fronting on Geary Boulevard from Scott Street to 28th Avenue; or

(E) on a NC-1 designated parcel with a commercial use on the ground floor within the boundaries of Sargent Street to Orizaba Avenue to Lobos Street to Plymouth Avenue to Farallones Street to San Jose Avenue to Alemany Boulevard to 19th Avenue to Randolph Street to Monticello Street and back to Sargent Street.

(3) project features ground floor commercial space or other active use as defined by Section 145.1(b)(2) with clear ceiling heights in excess of ten feet from sidewalk grade, or in the case of residential uses, such walk-up residential units are raised up from sidewalk level;

(4) said ground floor commercial space, active use, or walk-up residential use is primarily oriented along a right-of-way wider than 40 feet;

1.

(5) said ground floor commercial space or active use occupies at least 50% of the project's ground floor area; and

(6) except for projects located in NCT districts, the project sponsor has conclusively demonstrated that the additional 5' increment allowed through Section 263.20 would not add new shadow to any public open spaces.

(c) One additional foot of height, up to a total of five feet, shall be permitted above the designated height limit for each additional foot of ground floor clear ceiling height in excess of 10 feet from sidewalk grade, or in the case of residential units, for each foot the unit is raised above sidewalk grade.

Section 4. The San Francisco Planning Code is hereby amended by amending Section 712, to read as follows:

Section 5. The San Francisco Planning Code is hereby amended by amending Section 716.1, to read as follows:

### SEC. 716.1. INNER CLEMENT STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Inner Clement Street Commercial District is located on Clement Street between Arguello Boulevard and Funston Avenue in the eastern portion of the Richmond District of northwest San Francisco. The district provides a wide selection of convenience goods and services for the residents of the Inner Richmond neighborhood. Inner Clement Street has one of the greatest concentrations of restaurants of any commercial street in San Francisco, drawing customers from throughout the City and region. There are also a significant number of professional, realty, and business offices as well as financial institutions. The pleasant pedestrian character of the district is derived directly from the intensely active retail frontage on Clement Street.

The Inner Clement Street District controls are designed to promote development that is consistent with its existing land use patterns and to maintain a harmony of uses that supports the district's vitality. The building standards allow small-scale buildings and uses, protecting rear yards above the ground story and at residential levels. In new development, most commercial uses are permitted at the first two stories, although certain limitations apply to

Page 16 7/19/2011 n:\land\as2011\1100346\00713767.doc uses at the second story. Special controls are necessary to preserve the equilibrium of neighborhood-serving convenience and comparison shopping businesses and protect adjacent residential livability. These controls prohibit additional financial service and limit additional eating and drinking establishments, late-night commercial uses and ground-story entertainment uses. In order to maintain the street's active retail frontage, controls also prohibit most new automobile and drive-up uses.

Housing development is encouraged in new buildings above the ground story. Existing residential units are protected by prohibitions on upper-story conversions and limitations on demolitions.

## SEC. 717.1. OUTER CLEMENT STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Outer Clement Street Neighborhood Commercial District is located on Clement Street between 19th Avenue and 27th Avenue in the western portion of the Richmond District. The shopping area contains small-scale convenience businesses, as well as many restaurants and a movie theater. The district's restaurants serve a neighborhood and Citywide clientele during the evening hours, while convenience shopping uses cater for the most part to daytime neighborhood shoppers. Outer Clement Street contains many mixeduse buildings with some fully commercial and fully residential buildings interspersed between them.

The Outer Clement Street District controls are designed to promote development that is in keeping with the district's existing small-scale, mixed-use character. The building standards monitor large-scale development and protect rear yards at all levels. Future commercial growth is directed to the ground story in order to promote more continuous and active retail frontage. Additional eating and drinking establishments are <u>regulated to prevent</u> <u>over-concentration</u>, prohibited, while ground-story entertainment and financial service uses are monitored in order to limit the problems of traffic, congestion, noise and late-night activity associated with such uses and to protect existing neighborhood-serving businesses. Other controls restricting late-night activity, hotels, automobile uses, and drive-up facilities are designed to preserve the low-intensity character of the district.

Housing development in new buildings is encouraged above the ground story. Existing residential units are protected by prohibitions of upper-story conversions and limitations on demolitions.
