14 Section 1 Findings.

15 (a) The Planning Department has determined that the actions contemplated in this
16 ordinance comply with the California Environmental Quality Act (California Public Resources
17 Code Section 21000 et seq.). Said determination is on file with the Clerk of the Board of
18 Supervisors in File No. 120880 and is incorporated herein by reference.

19 (b) Pursuant to Planning Code Section 302, this Board finds that these Planning Code
20 amendments will serve the public necessity, convenience and welfare for the reasons set forth
21 in Planning Commission Resolution No. 18749 and the Board hereby incorporates such
22 reasons herein by reference. A copy of Planning Commission Resolution No. 18749 is on file
23 with the Clerk of the Board of Supervisors in File No. 120880.

24 (c) This Board finds that these Planning Code amendments are consistent with the
25 General Plan and with the Priority Policies of Planning Code Section 101.1 for the reasons set

1 forth in Planning Commission Resolution No. 18749 and the Board hereby incorporates such
2 reasons herein by reference.

3 Section 2. The San Francisco Planning Code is hereby amended by amending Section
4 726.1, to read as follows:

5 **SEC. 726.1. VALENCIA STREET NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.**

6 The Valencia Street Commercial Transit District is located near the center of San
7 Francisco in the Mission District. It lies along Valencia Street between 14th and Cesar Chavez
8 (Army) Street, and includes a portion of 16th Street extending west toward Dolores Street.
9 The commercial area provides a limited selection of convenience goods for the residents of
10 sections of the Mission and Dolores Heights. Valencia Street also serves a wider trade area
11 with its retail and wholesale home furnishings and appliance outlets. The commercial district
12 also has several automobile-related businesses. Eating and drinking establishments
13 contribute to the street's mixed-use character and activity in the evening hours. A number of
14 upper-story professional and business offices are located in the district, some in converted
15 residential units.

16 The Valencia Street District has a pattern of large lots and businesses, as well as a
17 sizable number of upper-story residential units. Controls are designed to permit moderate-
18 scale buildings and uses, protecting rear yards above the ground story and at residential
19 levels. New neighborhood-serving commercial development is encouraged mainly at the
20 ground story. While offices and general retail sales uses may locate at the second story of
21 new buildings under certain circumstances, most commercial uses are prohibited above the
22 second story. In order to protect the balance and variety of retail uses and the livability of
23 adjacent uses and areas, most eating and drinking and entertainment uses at the ground
24 story are limited. Continuous retail frontage is promoted by prohibiting drive-up facilities, some
25 automobile uses, and new nonretail commercial uses. Parking is not required, and any new

1 parking is required to be set back or below ground. Active, pedestrian-oriented ground floor
2 uses are required.

3 Housing development in new buildings is encouraged above the ground story. Housing
4 density is not controlled by the size of the lot but by requirements to supply a high percentage
5 of larger units and by physical envelope controls. Existing residential units are protected by
6 prohibitions on upper-story conversions and limitations on demolitions, mergers, and
7 subdivisions. Given the area's central location and accessibility to the City's transit network,
8 accessory parking for residential uses is not required.
