21 Be it ordained by the People of the City and County of San Francisco:

22 Section 1. General Findings.

23 (a) The Planning Department has determined that the actions contemplated in this
24 ordinance comply with the California Environmental Quality Act (California Public Resources
25 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of

1 Supervisors in File No. 150805 and is incorporated herein by reference. The Board affirms
2 this determination

3 (b) On July 16, 2015, the Planning Commission, in Resolution No. 19419, adopted
4 findings that the actions contemplated in this ordinance are consistent, on balance, with the
5 City's General Plan and eight priority policies of Planning Code Section 101.1. The Board
6 adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the
7 Board of Supervisors in File No. 150805, and is incorporated herein by reference.

8 (c) Pursuant to Planning Code Section 302, this Board finds that this Planning Code
9 amendment will serve the public necessity, convenience, and welfare for the reasons set forth
10 in Planning Commission Resolution No. 19419 and the Board incorporates such reasons
11 herein by reference. A copy of Planning Commission Resolution No. 19419 is on file with the
12 Clerk of the Board of Supervisors in File No. 150805.

13
14 Section 2. Specific Findings.

15 (a) San Francisco has long had a housing shortage. The housing market
16 continues to be tight and housing costs are beyond the reach of many households.

17 (b) Policy 1.5 of the City's 2014 Housing Element, which is a required element
18 of the City's General Plan, states that adding new units in existing residential buildings
19 represents a simple and cost-effective method of expanding the City's housing supply.

20 (c) In Section 65852.150 of the California Government Code, the State
21 Legislature finds and declares that adding an additional unit to existing single-family homes is
22 a valuable form of housing in California. Permitting the creation of accessory dwelling units in
23 existing residential buildings in established, already dense, and transit-rich neighborhoods will
24 provide additional housing without changing the built character of these areas. It also will
25

1 “green” San Francisco by efficiently using existing buildings and allowing more residents to
2 live within walking distance of transit, shopping, and services.

3 (d) Nothing in this ordinance is intended to change the personal obligations of
4 property owners under existing private agreements.

5
6 Section 3. The Planning Code is hereby amended by revising Sections 102, 207 and
7 307, to read as follows:

8 **SEC. 102. DEFINITIONS.**

9 * * * *

10 *Dwelling Unit, Accessory. Also known as a Secondary Unit or In-Law Unit, is a Dwelling Unit added*
11 *to an existing residential property and constructed with a complete or partial waiver from the Zoning*
12 *Administrator of the density limits and/or the parking, rear yard, exposure, or open space standards of*
13 *this Code pursuant to the provisions of Sections 207(c)(4) and 307(i).*

14 **SEC. 207. DWELLING UNIT DENSITY LIMITS.**

15 * * * *

16 (c) **Exceptions to Dwelling Unit Density Limits.**

17 (1) **Affordable Units in Projects with 20 percent or more Affordable**
18 **Units.** For projects that are not located in any RH-1 or RH-2 zoning district, or are not seeking
19 and receiving a density bonus under the provisions of California Government Code Section
20 65915, where 20 percent or more of the Dwelling Units on-site are “Affordable Units,” the on-
21 site Affordable Units shall not count towards the calculation of dwelling unit density. This
22 Planning Code Section does not provide exceptions to any other Planning Code requirements
23 such as height or bulk. For purposes of this Section 207, “Affordable Units” shall be defined as
24 meeting ~~(1)~~ (A) the criteria of Section 406(b); ~~(2)~~ (B) the requirements of Section 415 et seq.
25 for on-site units; or ~~(3)~~ (C) restricted units in a project using California Debt Limit Allocation

1 Committee (CDLAC) tax-exempt bond financing and 4 percent tax credits under the Tax
2 Credit Allocation Committee (TCAC). If a project sponsor proposes to provide “Affordable
3 Units” that are not restricted by any other program, in order to receive the benefit of the
4 additional density permitted under this Subsection (c)(1) or Subsection (c)(2), the project
5 sponsor shall elect and the Planning Department and MOHCD shall be authorized to enforce,
6 restricting the units as affordable under Planning Code Section 415.6 up to a maximum of 20
7 percent of the units in the principal project. The project sponsor shall make such election
8 through the procedures described in Section 415.5(g) including submitting an Affidavit of
9 Compliance indicating the project sponsor’s election to pursue the benefits of Subsection
10 (c)(1) or (c)(2) and committing to 20% percent on-site units restricted under Section 415.6 prior
11 to approval by the Planning Commission or Planning Department staff. If a project sponsor
12 obtains the exemption from the density calculation for Affordable Units provided in this
13 subsection, the exemption shall be recorded against the property. Any later request to
14 decrease the number of Affordable Units shall require the project to go back to the Planning
15 Commission or Planning Department, whichever entity approved the project as a whole.

16 * * * *

17 **(4) Accessory Dwelling Units.**

18 (A) **Definition.** An “Accessory Dwelling Unit,” *also known as a Secondary*
19 *Unit or In-Law Unit,* is defined *in Section 102 for purposes of this Subsection 207(c)(4) as an*
20 *additional Dwelling Unit that:*

21 *(i) is constructed entirely within the existing built envelope of an existing*
22 *building zoned for Residential use or within the envelope of an existing and authorized auxiliary*
23 *structure on the same lot; and*

1 (ii) will be constructed with a complete or partial waiver from the Zoning
2 Administrator of the density limits and/or the parking, rear yard, exposure, or open space standards of
3 this Code pursuant to the provisions of this Section 207(c)(4) and Section 307(l) of this Code.

4 As used in this Section 207, the term Accessory Dwelling Unit is separate and distinct from the
5 term “dwelling units accessory to other uses” in Section 204.4.

6 **(B) Applicability.** The exceptions permitted by this Subsection 207(c)(4)
7 shall apply only to:

8 (i) lots within the Castro Street Neighborhood Commercial District
9 (NCD) or within 1,750 feet of the Castro Street NCD boundaries, excluding any lot within 500
10 feet of Block 2623 Lots 116 through 154;

11 (ii) lots within the boundaries of Board of Supervisors District 3 extant
12 on July 1, 2015.

13 ~~(ii)~~ (iii) lots ~~located in~~ with a building undergoing mandatory seismic
14 retrofitting in compliance with Section 34B of the Building Code or voluntary seismic
15 retrofitting in compliance with the Department of Building Inspection’s Administrative Bulletin
16 094.

17 **(C) Controls.** An Accessory Dwelling Unit is permitted to be constructed
18 under the following conditions:

19 (i) An Accessory Dwelling Unit shall not be constructed using
20 space from an existing Dwelling Unit.

21 (ii) The Accessory Dwelling Unit is subject to the provisions of the San
22 Francisco Rent Stabilization and Arbitration Ordinance (Chapter 37 of the Administrative Code) if the
23 existing building or any existing Dwelling Unit within the building is subject to the Rent Stabilization
24 and Arbitration Ordinance.

1 (iii) The Accessory Dwelling Unit shall not be used for short-term
 2 rental under Chapter 41A of the Administrative Code. The Department shall require the
 3 applicant to disclose on any application for construction of an Accessory Dwelling Unit
 4 whether the applicant intends to use, or authorize the use of, the Accessory Dwelling Unit for
 5 Short-Term Residential Rentals. The Department shall not approve an application for
 6 construction of an Accessory Dwelling Unit unless the applicant has provided the information
 7 required by this subsection.

8 ~~(iv) The Department shall not approve an application for~~
 9 ~~construction of an Accessory Dwelling Unit in any building where a tenant has been evicted~~
 10 ~~pursuant to Section 37.9(a)(10) of the Administrative Code within ten years prior to filing the~~
 11 ~~application for construction of an Accessory Dwelling Unit.~~

12 ~~(ii) (v) (iv)~~ **Castro Street NCD and Surrounding Area.** For
 13 Accessory Dwelling Units on lots covered by Subsection 207(c)(4)(B)(i):

14 a. An Accessory Dwelling Unit shall not be permitted in any
 15 RH-1(D) zoning district.

16 b. An Accessory Dwelling Unit shall be constructed entirely
 17 within the existing building envelope or auxiliary structure, as it existed three (3) years prior to
 18 the time of the application *for a building permit.*

19 c. For buildings that have no more than 10 existing dwelling
 20 units, one Accessory Dwelling Unit is permitted; for buildings that have more than 10 existing
 21 dwelling units, two Accessory Dwelling Units are permitted.

22 ~~(vi) (v) Board of Supervisors District 3. For Accessory Dwelling Units~~
 23 ~~on lots covered by Subsection 207(c)(4)(B)(ii):~~

24 a. An Accessory Dwelling Unit shall not be permitted in any RH-
 25 1(D) zoning district.

1 b. An Accessory Dwelling Unit shall be constructed entirely
2 within the existing building envelope or auxiliary structure, as it existed three (3) years prior to the
3 time of the application for a building permit.

4 c. For buildings that have four existing dwelling units or fewer,
5 one Accessory Dwelling Unit is permitted; for buildings that have more than four existing dwelling
6 units, there is no limit on the number of Accessory Dwelling Units permitted by this Section 207(c)(4).

7 **(~~ii~~ vii) Buildings Undergoing Seismic Retrofitting.** For
8 Accessory Dwelling Units on lots covered by Subsection 207(c)(4)(B)(~~iii~~ ii):

9 a. An Accessory Dwelling Unit shall not be permitted in any
10 RH-1 or RH-1(D) zoning district.

11 b. If ~~allowed~~ permitted by the Building Code, a building in
12 which an Accessory Dwelling Unit is constructed may be raised up to three ~~additional~~ feet in
13 height to create ground-floor ceiling heights suitable for residential use on lower floors. Such a
14 raise in height shall be:

15 1) exempt from the notification requirements of Sections
16 311 and 312 of this Code; and

17 2) permitted to expand a noncomplying structure, as
18 defined in Section 180(a)(2) of this Code and further regulated in Sections 172, 180 and 188, without
19 obtaining a variance for increasing the discrepancy between existing conditions on the lot and the
20 required standards of this Code.

21 (~~viii~~ viii) a Pursuant to the provisions of Section 307(l) of this Code, ~~the~~
22 Zoning Administrator may grant an Accessory Dwelling Unit ~~may receive~~ a complete or partial
23 waiver of the density limits and parking, rear yard, exposure, or open space standards of this
24 Code. ~~from the Zoning Administrator; provided, h~~However, ~~that~~ if the existing building or any
25 existing dwelling unit within the building is subject to the provisions of the San Francisco

1 Residential Rent Stabilization and Arbitration Ordinance (Chapter 37 of the Administrative
2 Code), the property owner shall submit the following to the Department:

3 a. (AA) a proposed agreement demonstrating that the
4 Accessory Dwelling Unit(s) are not subject to the Costa Hawkins Rental Housing Act
5 (California Civil Code Section 1954.50) because, under Section 1954.52(b), the owner has
6 entered into this agreement with the City in consideration for a direct financial contribution or
7 any other form of assistance specified in California Government Code Sections 65915 et seq.
8 ("Agreement") and

9 b. (BB) if the Planning Director determines necessary, an
10 Affidavit containing information about the direct financial contribution or other form of
11 assistance provided to the property owner. The property owner and the Planning Director (or
12 his designee), on behalf of the City, will execute the Agreement, which shall be reviewed and
13 approved by the City Attorney's Office. The Agreement shall be approved prior to the City's
14 issuance of the First Construction Document, as defined in Section 107A.13.1 of the San
15 Francisco Building Code.

16 (D) **Monitoring Program.**

17 (i) **Monitoring of Affordability.** The Department shall establish a
18 system to monitor the affordability of the Accessory Dwelling Units authorized to be
19 constructed by this Subsection 207(c)(4). Property owners shall provide the Department with
20 rent information as requested by the Department. The Board of Supervisors recognizes that
21 property owners and tenants generally consider rental information sensitive and do not want it
22 publicly disclosed. The intent of the Board is for the Department to obtain the information so
23 that it can be used by the Department in aggregate form, not in a manner that would be linked
24 to specific individuals or units. The Department shall only request rental information from
25 property owners if the notice includes the statement that the Department is acquiring it in

1 confidence and will publicly disclose it only in aggregate form. The Department shall not ask
2 property owners to provide rental information if it determines, after consulting with the City
3 Attorney's Office, that the information would be publicly disclosable under federal, state, or
4 local law in nonaggregated form.

5 (ii) Monitoring of use as Short Term Rentals. The Department
6 shall collect data on the use of Accessory Dwelling Units authorized to be constructed by this
7 Subsection (c)(4) as Short-Term Residential Rentals, as that term is defined in Administrative
8 Code Section 41A.4, and shall use such data to evaluate and enforce the requirements of
9 Administrative Code Chapter 41A.

10 (iii) **Department Report.** The Department shall publish a report
11 by April 1, 2016, that describes and evaluates the types of units being developed and their
12 affordability rates, as well as their use as Short-Term Residential Rentals. The report shall
13 contain such additional information as the Director determines would inform decision makers
14 and the public on the effectiveness and implementation of the this Subsection (c)(4) and make
15 recommendations for any amendments or expansion of areas where Accessory Dwelling
16 Units should be constructed. In subsequent years, this information on Accessory Dwelling
17 Units shall be included in the Housing Inventory.

18
19 **SEC. 307. OTHER POWERS AND DUTIES OF THE ZONING ADMINISTRATOR.**

20 In addition to those specified in Sections 302 through 306, and Sections 316 through
21 316.6 of this Code, the Zoning Administrator shall have the following powers and duties in
22 administration and enforcement of this Code. The duties described in this Section shall be
23 performed under the general supervision of the Director of Planning, who shall be kept
24 informed of the actions of the Zoning Administrator.

25 * * * *

1 (l) **Exceptions from Certain Specific Code Standards through Administrative**
 2 **Review for Accessory Dwelling Units Constructed Pursuant to Section 207.4(c) of this Code in**
 3 ***the Castro Street Neighborhood Commercial District and within 1,750 feet of the District***
 4 ***boundaries, excluding any lot within 500 feet of Block 2623, Lots 116 through 154.***

5 The Zoning Administrator may allow complete or partial relief from the density limits
 6 and from the parking, rear yard, exposure, or open space requirements of this Code when
 7 modification of the requirement would facilitate the construction of an Accessory Dwelling
 8 Unit, as defined in Section 102 and meeting the requirements of Section 207(c)(4) 715.1 of this
 9 Code. The exposure requirements of Section 140 apply, except that subsection (a)(2) may be
 10 satisfied through windows facing an open area that is at least 15 feet in every horizontal
 11 direction that is not required to expand on subsequent floors. In considering any request for
 12 complete or partial relief from these Code requirements, the Zoning Administrator shall
 13 facilitate the construction of such Accessory Dwelling Units to the extent feasible and shall
 14 consider any criteria elsewhere in this Section 307 that he or she determines to be applicable.

15
 16 Section 4. The Planning Code is hereby amended by revising the Zoning Control
 17 Tables of Sections 209.1, 209.2, 209.3, 209.4, 210.1 and 210.2, to read as follows:

1 Section 5. The Planning Code is hereby amended by revising Sections 714, 722, 723,
2 732 and the corresponding Zoning Control Tables, to read as follows:

3 **SEC. 714. BROADWAY NEIGHBORHOOD COMMERCIAL DISTRICT.**

4 The Broadway Neighborhood Commercial District, located in the northeast quadrant of
5 San Francisco, extends along Broadway from east of Columbus Avenue to Osgood Place. It
6 is part of a larger commercial area which includes North Beach to the north, Chinatown to the
7 south and west, and Jackson Square to the southeast. Broadway's fame and popularity as a
8 Citywide and regional entertainment district is derived from a concentration of nightclubs,
9 music halls, adult theaters, bars, and restaurants between Grant Avenue and Montgomery
10 Street. These places attract locals and visitors alike, mainly in the evening and late-night
11 hours. In addition to the entertainment and some retail businesses, Broadway contains many
12 upper-story residential hotels. Due to its proximity to downtown, there is strong pressure to
13 develop upper-story offices.

14 The Broadway District controls are designed to encourage development that is
15 compatible with the existing moderate building scale and mixed-use character, and maintain
16 the district's balance of entertainment uses, restaurants, and small-scale retail stores. New
17 buildings exceeding 40 feet in height will be carefully reviewed and rear yards at residential
18 levels are protected. Most commercial uses in new buildings are permitted at the first two
19 stories. Neighborhood-serving businesses are strongly encouraged. In order to protect the
20 livability of the area, limitations apply to new fast-food restaurants and adult entertainment
21 uses at the first and second stories, as well as late-night activity. Financial services are
22 allowed on the ground story subject to certain limitations. Nonretail offices are prohibited in
23 order to prevent encroachment of the adjoining downtown office uses. Due to the high traffic
24 volume on Broadway, most automobile and drive-up uses are prohibited in order to prevent
25

further traffic congestion. Parking garages are permitted if their ingress and egress do not disrupt the traffic flow on Broadway.

Housing development in new buildings is encouraged above the second story. Existing housing is protected by limitations on demolitions and upper-story conversions. *Accessory dwelling units are permitted within the district pursuant to Subsection 207(c)(4) of this Code.*

7 **SEC. 722. NORTH BEACH NEIGHBORHOOD COMMERCIAL DISTRICT.**

8 The North Beach Neighborhood Commercial District is a nonlinear district centered on
9 Columbus Avenue, located in the valley between Telegraph Hill and Russian Hill north of
10 Broadway. North Beach functions as a neighborhood-serving marketplace, citywide specialty
11 shopping, and dining district, and a tourist attraction, as well as an apartment and residential
12 hotel zone. Traditionally, the district has provided most convenience goods and services for
13 residents of North Beach and portions of Telegraph and Russian Hills. North Beach's eating,
14 drinking, and entertainment establishments remain open into the evening to serve a much
15 wider trade area and attract many tourists. The balance between neighborhood-serving
16 convenience stores and Citywide specialty businesses has shifted, as convenience stores
17 have been replaced by restaurants and bars. The proliferation of financial services, limited
18 financial services, and business and professional services has also upset the district's
19 balance of uses. The relocation of business and professional offices from downtown to North
20 Beach threatens the loss of upper-story residential units.

21 The North Beach District controls are designed to ensure the livability and
22 attractiveness of North Beach. Building standards limit new development to a small to
23 moderate scale. Rear yards are protected above the ground story and at residential levels.
24 Most new commercial development is permitted at the first two stories. Small-scale,
25 neighborhood-serving businesses are strongly encouraged and formula retail uses are

1 prohibited. Use sizes are controlled to limit future consolidation of spaces and to encourage
 2 conversion back to the traditional small-scale commercial spaces. Special controls are
 3 necessary because an over-concentration of food and beverage service establishments limits
 4 neighborhood-serving retail sales and personal services in an area that needs them to thrive
 5 as a neighborhood. In order to maintain neighborhood-serving retail sales and personal
 6 services and to protect residential livability, additional eating and drinking establishments are
 7 prohibited in spaces that have been occupied by neighborhood-serving retail sales and
 8 personal services. Special controls limit additional ground-story entertainment uses and
 9 prohibit new walk-up automated bank teller machines (ATMs). Financial services, limited
 10 financial services, and ground-story business and professional office uses are prohibited from
 11 locating in the portion of the district south of Greenwich Street, while new financial services
 12 locating in the portion of the district north of Greenwich Street are limited. Restrictions on
 13 automobile and drive-up uses are intended to promote continuous retail frontage and maintain
 14 residential livability.

15 In keeping with the district's existing mixed-use character, housing development in new
 16 buildings is encouraged above the second story. Existing residential units are protected by
 17 prohibitions of upper-story conversions and limitations on demolitions. *Accessory dwelling units*
 18 *are permitted within the district pursuant to Subsection 207(c)(4) of this Code.*

SEC. 723. POLK STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

Sitting in the gulch between Nob and Russian Hills and Pacific Heights, the Polk Street Neighborhood Commercial District extends for a mile as a north-south linear strip, and includes a portion of Larkin Street between Post and California Streets. Polk Street's dense mixed-use character consists of buildings with residential units above ground-story commercial use. The district has an active and continuous commercial frontage along Polk

Street for almost all of its length. Larkin Street and side streets in the district have a greater proportion of residences than Polk Street itself. The district provides convenience goods and services to the residential communities in the Polk Gulch neighborhood and to the residents on the west slopes of Nob and Russian Hills. It has many apparel and specialty stores, as well as some automobile uses, which serve a broader trade area. Commercial uses also include offices, as well as movie theaters, restaurants, and bars which keep the district active into the evening.

The Polk Street District controls are designed to encourage and promote development which is compatible with the surrounding neighborhood. The building standards monitor large-scale development and protect rear yards at residential levels. Consistent with Polk Street's existing mixed-use character, new buildings may contain most commercial uses at the first two stories. The controls encourage neighborhood-serving businesses, but limit new eating, drinking, other entertainment, and financial service uses, which can produce parking congestion, noise and other nuisances or displace other types of local-serving convenience goods and services. They also prohibit new adult entertainment uses. Restrictions on drive-up and most automobile uses protect the district's continuous retail frontage and prevent further traffic congestion.

Housing developed in new buildings is encouraged above the second story, especially in the less intensely developed portions of the district along Larkin Street. Existing housing units are protected by limitations on demolitions and upper-story conversions. *Accessory dwelling units are permitted within the district pursuant to Subsection 207(c)(4) of this Code.*

SEC. 732. PACIFIC AVENUE NEIGHBORHOOD COMMERCIAL DISTRICT.

Located in the Presidio Heights neighborhood in north-central San Francisco, the Sacramento Street Neighborhood Commercial District functions as a small-scale linear shopping area. It extends along Sacramento Street between Lyon and Spruce. Interspersed among residential buildings and garages, the district's daytime-oriented retail stores provide a limited array of convenience goods to the immediate neighborhood. Sacramento Street also has many elegant clothing, accessory, and antique stores and services, such as hair salons, which attract customers from a wider trade area. Its numerous medical and business offices draw clients from throughout the City. Evening activity in the district is limited to one movie theater, a few restaurants, and some stores near Presidio Avenue.

The Sacramento Street District controls are designed to promote adequate growth opportunities for development that is compatible with the surrounding low-density residential neighborhood. The building standards monitor large-scale development and protect rear yards at the grade level and above. Most new commercial development is permitted at the first

1 story; general retail uses are permitted at the second story only if such use would not involve
 2 conversion of any existing housing units. Special controls are designed to protect existing
 3 neighborhood-serving ground-story retail uses. New medical service uses are prohibited at all
 4 stories except a change of use is permitted on the first story or below from a business or
 5 professional service use to medical service use under certain circumstances. Personal and
 6 business services are restricted at the ground story and prohibited on upper stories. Limits on
 7 new ground-story eating and drinking uses, as well as new entertainment and financial service
 8 uses, are intended to minimize the environmental impacts generated by the growth of such
 9 uses. The daytime orientation of the district is encouraged by prohibiting bars and restricting
 10 late-night commercial activity. New hotels and parking facilities are limited in scale and
 11 operation to minimize disruption to the neighborhood. Most new automobile and drive-up uses
 12 are prohibited to promote continuous retail frontage.

13 Housing development in new buildings is encouraged above the second story. Existing
 14 residential units are protected by limitations on demolitions and prohibitions of upper-story
 15 conversions. Accessory dwelling units are permitted within the district pursuant to Subsection
 16 207(c)(4) of this Code.

Section 6. The Planning Code is hereby amended by revising Sections 810, 811, 812 and the corresponding Zoning Control Tables, to read as follows:

SEC. 810.I. CHINATOWN COMMUNITY BUSINESS DISTRICT.

The Chinatown Community Business District, located in the northeast quadrant of San Francisco, extends along Broadway from the eastern portal of the Broadway Tunnel to Columbus Avenue and along Kearny Street from Columbus to Sacramento Street. This district

1 also includes portions of Commercial Street between Montgomery Street and Grant Avenue
 2 and portions of Grant Avenue between Bush and California Streets. It is part of the larger core
 3 area of Chinatown.

4 The portions of Broadway, Kearny and Commercial Streets and Grant Avenue in this
 5 district are transitional edges or entries to Chinatown. North and east of the two blocks of
 6 Broadway contained in this district are North Beach and the Broadway Entertainment Districts.
 7 Kearny and Columbus Streets are close to intensive office development in the Downtown
 8 Financial District. Both Grant Avenue and Commercial Street provide important pedestrian
 9 entries to Chinatown. Generally, this district has more potential for added retail and
 10 commercial development than other parts of Chinatown.

11 This zoning district is intended to protect existing housing, encourage new housing and
 12 to accommodate modest expansion of Chinatown business activities as well as street-level
 13 retail uses. The size of individual professional or business office use is limited in order to
 14 prevent these areas from being used to accommodate larger office uses spilling over from the
 15 financial district.

16 Housing development in new buildings is encouraged at upper stories. Existing housing is
 17 protected by limitations on demolitions and upper-story conversions. Accessory dwelling units
 18 are permitted within the district pursuant to Subsection 207(c)(4) of this Code.

SEC. 811.I. CHINATOWN VISITOR RETAIL DISTRICT.

The Chinatown Visitor Retail Neighborhood Commercial District extends along Grant Avenue between California and Jackson Streets. This district contains a concentration of shopping bazaars, art goods stores and restaurants which attract visitors and shoppers and

1 contribute to the City's visual and economic diversity. Grant Avenue provides an important link
 2 between Downtown retail shopping and the Broadway, North Beach and Fisherman's Wharf
 3 areas.

4 This district is intended to preserve the street's present character and scale and to
 5 accommodate uses primarily appealing to visitors (e.g. tourist gifts shops, jewelry stores, art
 6 goods, large restaurants. In order to promote continuous retail frontage, entertainment,
 7 financial services, medical service, automotive and drive-up uses are restricted. Most
 8 commercial uses, except financial services are permitted on the first two stories.

9 Administrative services, (those not serving the public) are prohibited in order to prevent
 10 encroachment from downtown office uses. There are also special controls on fast-food
 11 restaurants and tourist hotels. Building standards protect and complement the existing small-
 12 scale development and the historic character of the area.

13 The height limit applicable to the district will accommodate two floors of housing or institutional
 14 use above two floors of retail use. Existing residential units are protected by prohibition of
 15 upper-story conversions and limitation on demolition. Accessory dwelling units are permitted
 16 within the district pursuant to Subsection 207(c)(4) of this Code.

SEC. 812.1. CHINATOWN RESIDENTIAL NEIGHBORHOOD COMMERCIAL DISTRICT.

The Chinatown Residential Neighborhood Commercial District extends along Stockton Street between Sacramento and Broadway and along Powell Street between Washington Street and Broadway. It is generally west and uphill from Grant Avenue and is close to the relatively intensely developed residential areas of lower Nob and Russian Hills. Stockton Street is a major transit corridor which serves as "Main Street" for the Chinatown

neighborhood. Both Stockton and Powell Streets contain a significant amount of housing as well as major community institutions supportive to Chinatown and the larger Chinese community. This daytime-oriented district provides local and regional specialty food shopping for fresh vegetables, poultry, fish and meat. Weekends are this area's busiest shopping days.

Because Stockton Street is intended to remain principally in its present character, the Stockton Street controls are designed to preserve neighborhood-serving uses and protect the residential livability of the area. The controls promote new residential development compatible with existing small-scale mixed-use character of the area. Consistent with the residential character of the area, commercial development is directed to the ground story. Daytime-oriented use is protected and tourist-related uses, fast-food restaurants and financial services are limited.

Housing development in new and existing buildings is encouraged above the ground floor. Institutional uses are also encouraged. Existing residential units are protected by limits on demolition and conversion. *Accessory dwelling units are permitted within the district pursuant to Subsection 207(c)(4) of this Code.*

Section 7. The Administrative Code is hereby amended by revising Section 37.2, to read as follows:

1 (r) **Rental Units.** All residential dwelling units in the City and County of San Francisco
2 together with the land and appurtenant buildings thereto, and all housing services, privileges,
3 furnishings and facilities supplied in connection with the use or occupancy thereof, including
4 garage and parking facilities.

5 Garage facilities, parking facilities, driveways, storage spaces, laundry rooms, decks,
6 patios, or gardens on the same lot, or kitchen facilities or lobbies in single room occupancy
7 (SRO) hotels, supplied in connection with the use or occupancy of a unit, may not be severed
8 from the tenancy by the landlord without just cause as required by Section 37.9(a). Any
9 severance, reduction or removal permitted under this Section 37.2(r) shall be offset by a
10 corresponding reduction in rent. Either a landlord or a tenant may file a petition with the Rent
11 Board to determine the amount of the rent reduction.

12 The term "rental units" shall not include:

13 * * * *

14 (4) Except as provided in Subsections (A), (B) and (C), dwelling units whose
15 rents are controlled or regulated by any government unit, agency or authority, excepting those
16 unsubsidized and/or unassisted units which are insured by the United States Department of
17 Housing and Urban Development; provided, however, that units in unreinforced masonry
18 buildings which have undergone seismic strengthening in accordance with Building Code
19 Chapters 16B and 16C shall remain subject to the Rent Ordinances to the extent that the
20 ordinance is not in conflict with the seismic strengthening bond program or with the program's
21 loan agreements or with any regulations promulgated thereunder;

22 * * * *

23 (D) The term "rental units" shall include *In-Law Accessory Dwelling Units*
24 constructed pursuant to Section 207(c)(4) 715.1 of the Planning Code *and the Section 715 Zoning*
25 *Control Table* and that have received a complete or partial waiver of the density limits and/or

1 the parking, rear yard, exposure, and or open space standards from the Zoning Administrator
2 pursuant to Planning Code Section 307(l), provided that the building containing the *In-Law*
3 Accessory Dwelling Unit(s) or any unit within the building is already subject to this Chapter.

4 * * * *

5 Section 8. Effective Date. This ordinance shall become effective 30 days after
6 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
7 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
8 of Supervisors overrides the Mayor's veto of the ordinance.

9
10 Section 9. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors
11 intends to amend only those words, phrases, paragraphs, subsections, sections, articles,
12 numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal
13 Code that are explicitly shown in this ordinance as additions, deletions, Board amendment
14 additions, and Board amendment deletions in accordance with the "Note" that appears under
15 the official title of the ordinance.

16 Specifically, the Board of Supervisors recognizes that a pending ordinance in Board of
17 Supervisors File No. 1500365 that authorizes the construction of Accessory Dwelling Units
18 within the boundaries of Board of Supervisors District 8 amends some of the same sections of
19 the Planning Code. The Board intends that, if adopted, the additions and deletions shown in
20 both ordinances be given effect so that the substance of each ordinance be given full force
21 and effect. To this end, the Board directs the City Attorney's Office and the publisher to
22 harmonize the provisions of each ordinance.

23
24 Section 10. Severability. If any section, subsection, sentence, clause, phrase, or word
25 of this Section is for any reason held to be invalid or unconstitutional by a decision of any

1 court of competent jurisdiction, such decision shall not affect the validity of the remaining
2 portions of the Section. The Board of Supervisors hereby declares that it would have passed
3 this Section and each and every section, subsection, sentence, clause, phrase, and word not
4 declared invalid or unconstitutional without regard to whether any other portion of this Section
5 would be subsequently declared invalid or unconstitutional.

6
7 Section 11. Directions to Clerk. The Clerk of the Board of Supervisors is hereby
8 directed to submit a copy of this ordinance to the California Department of Housing and
9 Community Development within 60 days following adoption pursuant to Section 65852.2(h) of
10 the California Government Code.
