

1 [Pesticide Product Labels.]

2
3 Resolution urging the United States Environmental Protection Agency (US EPA) to
4 require that manufacturers and registrants of pesticide products fully disclose all inert
5 ingredients on pesticide product labels.

6
7 WHEREAS, In 1996, the City and County of San Francisco adopted an Integrated Pest
8 Management (IPM) Ordinance mandating that San Francisco minimize its pesticide use and
9 reduce the negative impact of pesticides on people and the environment; and,

10 WHEREAS, San Francisco's IPM Ordinance requires that the Commission on the
11 Environment maintain a list of reduced-risk pesticides which are exempt from the IMP
12 Ordinance; and,

13 WHEREAS, The ingredients of a pesticide product be carefully examined in order to
14 determine whether the product is a reduced-risk pesticide; and,

15 WHEREAS, the United States Environmental Protection Agency requires
16 manufacturers of pesticide products to label active ingredients in the products and does not
17 require the labeling of inert ingredients; and,

18 WHEREAS, the US EPA states that in inert ingredient is "any ingredient in the product
19 that is not intended to affect a target pest"; and,

20 WHEREAS, Pesticide products can contain up to 99.9% inert ingredients; and,

21 WHEREAS, Most of the chemicals used as inert ingredients are labeled by EPA as
22 having "unknown toxicity" because they have not yet been evaluated by EPA for toxicity to
23 humans of health and the environment; and,

24 WHEREAS, There may be detrimental synergistic effects between active and inert
25 ingredients; and,

1 WHEREAS, The public has a right to know the full list of product ingredients in order to
2 make informed purchasing decisions about acceptable risks to human health and the
3 environment; and,

4 WHEREAS, The inert ingredients *xylene* and *toluene* are considered toxic to the fetus
5 and nervous system respectively by the U.S. Department of Health and Human Services; and,

6 WHEREAS, The lack of labeling of inert ingredients on pesticide products could result
7 in delayed or improper treatment of patients suffering from pesticide exposure, particularly
8 those farm workers who come into contact with said pesticides on a daily basis and have little
9 to no access of medical care; and,

10 WHEREAS, Requiring manufacturers to list hazardous ingredients on product labels
11 has resulted in the reformulation of products, eliminating the use of these toxic ingredients

12 WHEREAS, The IPM Ordinance is on file with the Clerk of the Board of Supervisors in
13 File No. , which is hereby declared to be a part of this resolution as if set forth fully herein;
14 now, therefore, be it

15 RESOLVED, That City and County of San Francisco of San Francisco Board of
16 Supervisors directs the Clerk of the Board to write a letter to the Administrator of the US EPA,
17 and send copies to the U.S. Surgeon General, to California's U.S. Senators and to U.S.
18 Representatives elected from San Francisco, urging the US EPA to require manufacturers
19 and registrants of pesticide products to fully disclose all inert ingredients on pesticide product
20 labels.
