12 WHEREAS, the San Francisco Clean City Coalition, the San Francisco Chamber of
13 Commerce and the Department of Public Works (DPW) have partnered to improve the
14 cleanliness and safety of San Francisco streets with a performance evaluation demonstration
15 project called StreetFacts; and,

16 WHEREAS, StreetFacts is a street survey program based on best practices in
17 Washington, DC, Baltimore, MD, New York City, and Seattle, WA, as well as on the
18 technology of the Neighborhood Parks Council's ParkScan program; and,

19 WHEREAS, Volunteers from the city's established Neighborhood Beautification
20 Advisory Committees will use hand-held computers to perform weekly surveys of the condition
21 of San Francisco's streets, plazas, and rights of way, and will evaluate such street facets as:
22 litter, graffiti, public trash receptacles, lighting, tree boxes and planters, building façades,
23 sidewalks, roadways, and signage; and,

1 WHEREAS, Clean City will collect the electronic survey data, prepare survey reports,
2 identify trends, create analysis and improvement strategies, and forward the information to
3 DPW, other city agencies, and other appropriate venues; and,

4 WHEREAS, StreetFacts will aim to provide city leaders, DPW, and other agencies with
5 quantifiable data that will help to identify priority areas, track improvements over time, identify
6 sources of litter, develop strategies for remediation, and enhance current capabilities of
7 DPW's Adopt-a-Street program; and,

8 WHEREAS, By reporting results to city leaders and to the public via the Internet,
9 StreetFacts will improve public and private accountability for street safety and cleanliness;
