18 **Certify No Pay-Offs:** The producers should post a certificate in the credits at the end
19 of the movie declaring that nobody on the production received anything of value (cash money,
20 free cigarettes or other gifts, free publicity, interest-free loans or anything else) from anyone in
21 exchange for using or displaying tobacco.

22 **Require Strong Anti-Smoking Ads:** Studios and theaters should require a genuinely
23 strong anti-smoking ad (not one produced by a tobacco company) to run before any film with
24 any tobacco presence, regardless of its MPAA rating.
