[Administrative Code - Local Hiring Policy - Extending the Periodic Review and Mandatory Participation Level]

Resolution amending the Administrative Code, to extend the periodic review of the City's Local Hiring Policy and to determine the mandatory participation level for the policy.

WHEREAS, The Local Hiring Policy for Construction ("Policy") requires that contracts issued by the City for construction contain mandatory participation levels of San Francisco residents; and

WHEREAS, The Policy requires that the Office of Economic and Workforce

Development (OEWD) in coordination with the Controller's Office, evaluate the impact of
existing mandatory participation levels to (i) determine whether there is a sufficient supply of
qualified unemployed resident workers to meet the escalation rate set forth in the Policy; (ii)
assess the length of time required for each trade to develop a pool of qualified resident
workers sufficient to support a 50% mandatory participation target; and (iii) make relevant
findings in support of those determinations, and, if necessary, propose amendments to the
mandatory participation level by trade; and

WHEREAS, OEWD issued Local Hiring Policy for Construction Annual Reports for the years 2011-2012, and 2012-2013, on file with the Clerk of the Board of Supervisors in File No. 140091, which are hereby declared to be a part of this resolution as if set forth fully herein; and

WHEREAS, To facilitate that review the Mayor conveyed the Mayor's Construction Workforce Advisory Committee consisting of the City Administrator, Department Heads, representatives of the construction industry, representative of the trades, and representatives

of community organizations. The Advisory Committee met on seven occasions, including two subcommittee meetings, and reviewed and considered information and presentations of data, including the Labor Market Analysis of San Francisco Construction Industry Final Report, dated October 15, 2013, on file with the Clerk of the Board of Supervisors in File No. 140091, which is hereby declared to be a part of this resolution as if set forth fully herein; and

WHEREAS, The Advisory Committee issued recommendations for City Construction Policies, which included the recommendation that the City extend the Policy review period for an additional 12 months to conduct further retrieval and analysis of payroll data collected through the City's project reporting system, and that the City maintain the current mandatory local hire percentage at 30% during the extended Policy review period; and

WHEREAS, The Policy provides that the Board of Supervisors may reset the mandatory participation level by resolution; now, therefore, be it

RESOLVED, That Administrative Code Section 6.22(G) is amended as follows:

SEC. 6.22. PUBLIC WORK CONSTRUCTION CONTRACT TERMS AND WORKING CONDITIONS.

(G) **Short Title.** This subsection 6.22(G) shall be known as and may be cited as the San Francisco Local Hiring Policy for Construction ("Policy").

## (4) Local Hiring Requirements.

(a) For each covered project, the following requirements shall apply to each prime contractor and subcontractor that performs project work in excess of the Threshold Amount set forth in section 6.1 of this Chapter, as that amount may be amended, with regard to project work actually performed by the prime contractor and work included under any subcontract,

including all work performed by a subcontractor and all lower-tier subcontractors under the subcontract:

(i) The initial mandatory participation level is 20% of all project work hours within each trade performed by local residents, with no less than 10% of all project work hours within each trade performed by disadvantaged workers. Subject to the periodic review process set forth in subsection 6.22(G)(4)(b), below, the mandatory participation level for project work hours shall increase annually *over seven years* up to a mandatory participation level of 50% of project work hours within each trade performed by local residents, with no less than 25% of all project work hours within each trade performed by disadvantaged workers. For each mandatory participation percentage specified below, one-half of the specified percentage of project work hours within each trade shall be performed by disadvantaged workers.

(ii) At least 50% of the project work hours performed by apprentices within each trade shall be performed by local residents, with no less than 25% of project work hours performed by apprentices within each trade to be performed by disadvantaged workers.

(b) Periodic Review By OEWD and Controller, OEWD, in coordination with the Controller's Office, shall every three years from the end of the prior Periodic Revieweffective date of this Policy, evaluate the impact of existing mandatory participation levels and the continued need for financial incentives as set forth in subsection 6.22(G)(5). The OEWD/Controller review shall (i) determine whether there is a sufficient supply of qualified unemployed resident workers to meet the escalation rate set forth in subsection 6.22(G)(4)(a)(i), above: (ii) assess the length of time required for each trade to develop a pool of qualified resident workers sufficient to support a 50% mandatory participation target; and (iii) make relevant findings in support of those determinations, and, if necessary, propose amendments to the mandatory participation level by trade. OEWD and the Controller's Office shall further report on the financial incentive program and make relevant findings and, if necessary, propose reducing or eliminating financial incentives. During the periodic review process, OEWD and the Controller's Office shall consult with a broad spectrum of relevant stakeholders (including the community, the California Department of Industrial Relations Division of Apprenticeship Standards, contractors, building trades, and City departments and agencies). Promptly upon completion of a periodic review, OEWD and the Controller's Office shall furnish to the Board of Supervisors a report setting forth their findings, determinations and proposed amendments to the mandatory participation level by trade and/or the financial incentive program, if any. The Board shall, by resolution, fix and determine the mandatory participation levels by trade and available financial incentives, if any. The mandatory participation levels by trade and financial incentives as so fixed and determined by the Board shall supplant the mandatory participation levels and financial incentives that this Policy sets and shall remain in force until the same are changed by the Board. In determining the mandatory participation levels by trade and available financial incentives, as so provided for in this subsection, the Board shall not be limited to consideration of the periodic review report furnished by OEWD and the Controller's

Office, but may consider other such evidence upon the subject as the Board shall deem proper and base its determination upon any or all of the evidence considered.
