24 25 Resolution imposing interim zoning controls for an 18-month period to clarify the definition of a Business Sign in Planning Code, Section 602.3, affirming the Planning Department's environmental determination; and making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.

WHEREAS, Planning Code, Section 306.7, permits the imposition of interim zoning controls that promote the public interest, including but not limited to (a) development and conservation of the City's commerce and industry to maintain the City's economic vitality and maintain adequate services for its residents, visitors, businesses and institutions, and (b) preservation of neighborhoods and areas of mixed residential and commercial uses and their existing character; and

WHEREAS, Section 601 of the Planning Code recognizes the important function of signs as well as the need to regulate them in order to, among other things, (1) protect the distinctive appearance of San Francisco, (2) provide an environment which will promote the development of business in the City, and (3) encourage sound practices and lessen the objectionable effects of competition in respect to size and placement of signs, and thereby to promote the public health, safety, and welfare; and

WHEREAS, Section 602.3 of the Planning Code defines a "Business Sign" as "a sign which directs attention to a business, commodity, service, industry or other activity which is sold, offered, or conducted, other than incidentally, on the premises upon which such sign is located, or to which it is affixed"; and

WHEREAS. In circumstances where a number of commodities are sold with different brand names or symbols on the premises, Section 602.3 allows advertising for such

commodities to occupy up to one-third of the area of a business sign, or 25 square feet of sign area, whichever is the lesser, as "an accessory function of the business sign," provided that such advertising is integrated with the remainder of the business sign; and

WHEREAS, Section 602.7 of the Planning Code defines a "General Advertising Sign" as "a sign which directs attention to a business, commodity, industry or other activity which is sold, offered or conducted elsewhere than on the premises upon which the sign is located, or to which it is affixed, and which is sold, offered or conducted on such premises only incidentally if at all"; and

WHEREAS, Planning Code, Section 602.3 was enacted in 1965 and never subsequently amended, and therefore does not reflect current marketing conditions; and

WHEREAS, Planning Code, Section 602.7 was enacted in 1965, but amended in 2002 by a vote of the People to prohibit new general advertising signs; and

WHEREAS, The 2002 prohibition against new "General Advertising Signs" has, over time, demonstrated the need to clarify and to update the limitations intended in the 1965 definition of "Business Sign"; and

WHEREAS, These proposed interim controls will allow time for the orderly completion of a planning study and for the adoption of appropriate legislation; and

WHEREAS, These interim zoning controls further the City's interests set forth in Planning Code, Section 601; and

WHEREAS, The Board of Supervisors ("Board") has considered the impact on the public health, safety, peace and general welfare if the interim controls proposed herein are not imposed; and

WHEREAS, The Board has determined that the public interest will best be served by imposition of these interim controls in order to ensure that the comprehensive legislative

scheme that may be ultimately adopted is not undermined during the planning and legislative process for permanent controls; and

WHEREAS, By adding additional criteria to the definition of "Business Sign" in Section 602.3 of the Planning Code, these interim controls advance Priority Policy 1, that existing neighborhood-serving retail uses be preserved and enhanced, and Policy 2, that existing neighborhood character be conserved and protected in order to preserve the economic diversity of our neighborhoods, in Section 101.1 of the Planning Code and do not conflict with Priority Policies 3 through 8 or with the City's General Plan; and

WHEREAS, The Planning Department has determined that the actions contemplated in this Resolution are in compliance with the California Environmental Quality Act (California Public Resources Code, Sections 21000 et seq.) and the Board hereby affirms that determination. Said determination is on file with the Clerk of the Board of Supervisors in File No. 140821 and is incorporated herein by reference; now, therefore, be it

RESOLVED, That the definition of a "Business Sign" in Planning Code, Section 602.3 is hereby amended to read as follows:
