Subject: File No. 220494. Ordinance amending the Administrative Code to adjust existing surcharges on permit fees, license fees, permit review fees, and permit and license renewal fees for permits and licenses issued by the Planning Department, Department of Building Inspection, Department of Public Works, Department of Public Health, Police Department, and the Entertainment Commission that may be appealed to the Board of Appeals; and affirming the Planning Department's determination under the California Environmental Quality Act.

If this legislation passes, amendments to the Administrative Code would adjust existing surcharges on permit, license, permit review and renewal fees imposed in connection with permits and licenses issued, approved or renewed by the designated City departments, based on each department's history of appeals filed with the Board of Appeals and consistent with the fiscal year 2022-2023 budget for the Board of Appeals. The surcharges reflected in the Administrative Code have been adjusted annually to reflect changes in the consumer price index pursuant to Section 10G.2 of the Administrative Code: the current surcharges as adjusted since the last ordinance that updated the surcharges are as follows: Planning Department, \$22.50; Department of Building Inspection, \$22.50; Department of Public Works, \$9.00; Police Department, \$6.00; Entertainment Commission, \$4.00; Department of Public Health, \$50.50. These amendments updates the references for surcharges applicable to the Planning Department, Department of Building Inspection, Department of Public Works, Police Department, Entertainment Commission, and the Department of Public Health. The proposed ordinance will adjust the surcharges in Section 10G.1 in the Administrative Code as follows: Planning Department, increased from \$18.50 to \$37.00; Department of Building Inspection, increased from \$18.50 to \$37.00; Department of Public Works, increased from \$6.50 to \$9.00: Police Department, reduced from \$6:00 to \$3.00. Entertainment Commission, reduced from \$4.00 to \$2.00; Department of Public Health, increased from \$3.00 to \$45.00.

In accordance with Administrative Code, Section 67.7-1, persons who are unable to attend the hearing on this matter may submit written comments prior to the time the hearing begins. These comments will be made as part of the official public record in this matter and shall be brought to the attention of the Board of Supervisors.
