K. CONFORMANCE REVIEW

K.1.1 Purpose. Conformance Review is the Precise Plan's ministerial, streamlined process to approve proposed projects "as-of-right" that demonstrate Plan Consistency with the Precise Plan and Entitlement Documents and Compliance with the Objective Development Standards of the Precise Plan, as defined below.

K.1.2 Plan Consistency. Plan Consistency is the review of project submittal documents for conformance to:

- 1. Serramonte Del Rey Precise Plan (Attachment "A") requirements for the scope and phasing of park, open space, street, accessways, storm water, water, wastewater, utility, emergency access, and on and off-site transportation improvements associated with each parcel per Precise Plan Figure 7.1 Phasing, Table 7.1 Development Phasing and Appendix C: Civil Engineering Exhibits, and
2. Entitlement Document requirements of the Development Agreement, Tentative Map, Conditions of Approval, Inclusionary Housing Agreement and the Mitigation and Monitoring Program.

K.1.3 Compliance with Objective Development Standards ("Compliance"). Compliance with objective development standards is the review of project submittal documents for conformance with the Precise Plan's Objective Development Standards as listed in Section II above.

K.1.4 Variance from Numerical Standards and Precise Plan.

Deviations from the numerical standards in Section II above may be permitted by up to 20 percent for any parcel, upon approval by the Planning Division. Deviations from the minimum and maximum densities prescribed in Table 3.3, the requisite amount of private open space (150 square feet per dwelling unit), and the quantity and general location of common open space shall not be permitted.

Modification or reconfiguration of the Precise Plan pattern of streets and blocks, shape of open space areas, site layout, orientation or location of buildings, architectural or landscape elements may be permitted provided all other Objective Design Standard can be met. Deviations from the approved roadway configurations, including lane provision and width, shall not be permitted unless approved by the Department of Public Works K.1.5

K.1.5 Submittal Requirements. Submittal requirements shall include documentation as set forth in the 2023 Daly City Municipal Code Section 17.28.030 C. 2. (a) - (f), Procedure for Application for Planned Development of the Daly City Zoning Ordinance, and shall include a completed Conformance Review Check List, as attached to the Precise Plan as Appendix A, and any additional information requested by the Planning Manager. Submittal requirements for minor modifications to approved and constructed projects to be per Planning Manager request.

K.1.6 Review Process and Timing.

- 1. Pre-submittal conference. Upon request of the Applicant, the Planning Manager shall convene a pre-submittal conference to review the scope of the project, submittal requirements, conformance review process, timeline, and staff availability. It is an opportunity for the Applicant and the design team to ask technical questions to prepare a submittal. The Planning Manager, City Engineer, and Development Coordinating Committee members shall attend upon request.
2. Submittal. The Applicant shall submit documentation as described under "Submittal Requirements" above.
3. Conformance Review. The Planning Manager, designated staff or third-party

consultants shall conduct the Conformance Review per the responsibilities described in Table 7.2. The Planning Manager shall coordinate reviewing comments and provide them to the Applicant no later than 45 business days after filing a project submittal.

- 4. Determination. The Planning Manager shall review the project submittal and reviewer comments to determine whether the submittal is plan consistent and standards compliant and therefore approved as-of-right.

If the Planning Manager deems a project application inconsistent with the Precise Plan or Entitlement Documents, and/or non-compliant with the Objective Development Standards in Section II, prior to a decision to deny approval of the proposed project, the Planning Manager

12 Notwithstanding anything in this chapter, to the extent the Permit Streamlining Act or other State Law applies for shorter deadlines, the regulations in such laws shall govern.

shall provide the Applicant with written documentation as to what elements of the submittal are not in conformance.

The Applicant can revise the submittal and resubmit. The Planning Manager, upon receipt of the re-submittal, shall make their determination. Total City Review Time from submittal to determination shall not exceed 90 business days.

If the City fails to complete Conformance Review per the above timing requirements, the submittal shall be deemed to be conforming with the Precise Plan and Entitlement Documents, planning review shall be complete, and requested permits shall be issued.

- 5. Notification of Determination. The Planning Manager shall communicate in writing to the Applicant the Planning Manager's determination.

- 6. Appeal. A Conformance Review determination may be appealed within 20 business days to the City Manager by the Applicant. City Manager shall make a determination within 20 business days of receipt of the appeal. The City Manager's decision on appeal shall be final and not appealable.

K.1.7 Review Criteria. The following criteria shall guide the determination of plan consistency and standards compliance:

- All Figures in the Precise Plan illustrate the general arrangement and relationships among parcels, buildings, streets, accessways, parks and open spaces, and exact compliance or conformance is not required so long as other objective criteria are met.
• The final configuration of parcels, buildings, streets, accessways, parks and open spaces are subject to refinement, and exact compliance or conformance is not required so long as other objective criteria are met.
• Consistency and conformance with the Precise Plan shall be construed rationally and shall accommodate unforeseen solutions or innovation that can occur over the extended build-out of the Precise Plan. Notwithstanding the above, no deviations are permitted to minimum residential densities and minimum open space area requirements.

K.1.8 Standards Interpretation. The nature of the Objective Standards is such that consistency determinations are ministerial, without the exercise of discretion. Accordingly, it is not anticipated there will be cause for interpretation of these standards by the City. In the unforeseen event that interpretation is required, the Planning Manager shall make any interpretation of the Precise Plan's development standards required to evaluate the proposed project and shall inform the reviewer of any interpretations as needed. The Planning Manager

13 This process is separate and independent from the Planning Manager's coordination and provision of any reviewer comments on the Applicant's initial project submittal, as required under the "Review Process and Timing" section of this Chapter.

14 For this paragraph, "City Review Time" shall mean the time, measured in business days, taken by the City to review a project submittal and provide comments to the applicant or render a Conformance Review decision. City Review Time does not include the Applicant's time from the date of receiving comments to the date of resubmitting a revised project submittal responsive to comments.

shall include any interpretations as part of its written determination of consistency with the objective development standards of the Precise Plan.

K.1.9 Staffing. The Planning Manager shall check on staff availability prior to the pre-submittal conference to meet the conformance review timeline. If staffing is not available, the City can designate a third-party consultant to be paid for by Applicant. Consultants shall have professional planning experience on similar projects. The Applicant shall pay all reasonable staff coordination and third-party consultant costs.

K.2.0 Staff or Consultant Review Responsibilities. Staff or consultant review responsibilities are per Table 7.2, Reviewer Responsibilities.

- The Planning Manager shall provide oversight and make all Conformance Review determinations.
• Staff of consultant shall compare the project submittal, Conformance Check List, and applicable plan elements, standards and requirements of the Precise Plan and the Entitlement Documents.
• Reviewers are to provide written comments on plan consistency to the Planning Manager. In the case where the reviewer concludes inconsistency with plan elements, or non-compliance to objective development standards, the reviewer shall identify specific objective standards to be addressed to achieve a consistency.
• If requested by the Applicant, the Planning Manager and any reviewers shall meet with the Applicant to discuss steps to resolve any comments.

The Planning Manager shall consider the recommendations of the reviewers, and shall make the final determination for approval, approval with conditions, or denial of the submittal based on objective criteria as set forth herein.

The Resolution of Intention was adopted pursuant to Chapter 2.99 of Part 1 of Division 2 of Title 5 of the California Government Code (commencing with section 53398.50) ("EIFD Law").

The EIFD is intended to provide financial assistance to a phased, mixed-use development project that is known as the Potrero Power Station.

The proposed EIFD is expected to use incremental property tax revenue generated within the boundary of the EIFD and allocated to it by the City to finance (i) the purchase, construction, expansion, improvement, seismic retrofit or rehabilitation of certain real or other tangible property with an estimated useful life of 15 years or longer that are projects of communitywide significance that provide significant benefits to the EIFD or the surrounding community, including any directly-related planning and design work, (ii) the costs described in California Government Code Sections 53398.56, 53398.57 and 53398.58 (as applicable) and (iii) the ongoing or capitalized costs to maintain public capital facilities financed in whole or in part by the EIFD.

On April 4, 2023, the Board of Supervisors adopted Ordinance No. 044-23 ("PFA Ordinance"), which was signed by the Mayor on April 7, 2023, pursuant to which the Board of Supervisors established the Enhanced Infrastructure Financing District Public Financing Authority No. 1 ("PFA") as the governing board of the EIFD.

On July 17, 2023, the PFA adopted a resolution directing the preparation of an Infrastructure Financing Plan ("IFP") for the EIFD, which describes in detail the public facilities and other specified projects of communitywide significance to be financed, a financing section specifying the incremental tax revenue of the City to be committed to the EIFD, and other such information and analyses required under the EIFD Law.

Pursuant to the EIFD Law, the PFA is required to consider adoption of the IFP at three public hearings, each of which shall take place at least 30 days apart. The PFA held the first public hearing on the adoption of the IFP on December 6, 2023. Subsequently, the PFA held the second public hearing on the adoption of the IFP on February 21, 2024. Upon completion of the second public hearing, the PFA approved by resolution certain modifications of the IFP.

The proposed commitment of incremental tax revenue is described in the draft IFP. The proposed boundaries of the EIFD are shown in a boundary map attached to the draft IFP as Exhibit B. A full list of the public facilities and projects of communitywide significance to be financed by the proposed EIFD is included in Exhibit C to the draft IFP.

On March 13, 2024, the Budget and Finance Committee of the Board of Supervisors of the City and County of San Francisco held a public hearing on the proposed IFP. The Board of Supervisors is expected to consider approval of the IFP on March 19, 2024.

### THIS NOTICE IS FOR THE THIRD PUBLIC HEARING ON THE ADOPTION OF THE IFP

The PFA will hold the third public hearing on the adoption of the IFP during its meeting on **Thursday, March 28, 2024, at 3:30 p.m.**, or as soon thereafter as possible, in City Hall, City & County of San Francisco, 1 Dr. Carlton B. Goodlett Place, Conference Room 278.

At the third public hearing, the PFA will conduct a protest proceeding to consider whether the landowners and residents within the EIFD wish to present oral or written protests against the adoption of the IFP. Each landowner and resident shall have the right to submit an oral or written protest before the close of the public hearing. The protest may state that the landowner or resident objects to the PFA taking action to implement the IFP.

At the third public hearing, the PFA shall consider all written and oral protests received before the close of the public hearing along with the recommendations, if any, of affected taxing entities. The PFA shall terminate the proceedings if there is a majority protest. A majority protest exists if protests have been filed representing over 50% of the combined number of landowners and residents in the area who are at least 18 years of age. An election shall be called if between 25% and 50% of the combined number of landowners and residents in the area who are at least 18 years of age file a protest. If less than 25% of the combined number of landowners and residents in the area who are at least 18 years of age file a protest at the third public hearing, the PFA may adopt the IFP and establish the EIFD by resolution. The resolution adopting the IFP shall be subject to referendum as prescribed by law.

The Resolution of Intention, the PFA Ordinance and the draft IFP (as modified at the second public hearing and subsequently revised to correct an error in the projection tables) are available on the PFA's website: <https://sf.gov/departments/eifd-public-financing-authority-no-1>.

At the public hearing, the PFA shall hear all oral comments and receive written comments. Any persons having any objections to the proposed IFP or the regularity of any of the prior proceedings related to the formation of the EIFD or the adoption of the IFP may appear before the PFA and object to the adoption of the proposed IFP by the PFA.
