Management and Protection of Wetlands. The proposed action involves a one

of Wētlands. The proposed action involves a one-building property acquisition located at 111 Quint Street, San Francisco, CA 94124 by Friends of the Children-SF Bay Area ("Friends-SF") who are the grant recipients. The property is a 2-story business condominum. The ground floor is currently open space. The second floor has 2 bathrooms, 2 offices, a small room with telephone cables, an open kitchen, and an open area for activities and staff. There are three primary purposes for this notice. First, people who may be affected by activities in the floodplain and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Public comment is encouraged to offer alternative sites outside of the floodplain alternative methods to serve the same project purpose, and methods to minimize and mitigate impacts. Second, an adequate public notice and methods to immige a mitigate impacts. Second, an adequate public notice program can be an important public educational tool. The dissemination of information and request for public comment about floodplains can facilitate and enhance Federal efforts to reduce the risks and impacts associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in the floodplain, it must inform those who may be put at greater or continued risk Both email or writ Both email or written comments must be received by MOHCD to attention Lorena Guadiana @stgov.org Lorena.
