EXM-374219#

The following resolution for a two-year Refuse Rate Order was passed by the San Francisco Refuse Rate Board on August 31, 2023: **Refuse Rate Board resolution modifying and adopting the Refuse Rates Administrator's proposal for a refuse rate adjustment for rate years 2024 and 2025; finding that the adjusted refuse rates are just and reasonable; memorialize the required service levels for refuse collection; and affirming the Planning Department's determination that the proposed adoption of the rate order is exempt from the California Environmental Quality Act.** Approval of this proposed action is the **Approval Action as defined by San Francisco Administrative Code Chapter 31. WHEREAS,** In June 2022, the voters adopted Proposition F, which amended the City's Refuse Collection and Disposal Ordinance to reform and modernize the City's process for setting residential refuse rates to be more fair, transparent, and accountable. Among other things, Proposition F restructured the rate process to require the Comptroller, as Refuse Rates Administrator, to monitor and propose adjustments to refuse rates for adoption by the Refuse Rate Board; and **WHEREAS,** Consistent with Proposition F, the Refuse Rates Administrator has been monitoring the refuse rates. On March 7, 2023, the Refuse Rates Administrator received a written request from Recology Sunset Scavenger, Recology Golden Gate, and Recology San Francisco (collectively, "Recology") to increase the rates. The Refuse Rates Administrator reviewed the request and conducted a series of public hearings on the matter, including before the Commission on the Environment and the Sanitation and Streets Commission, and provided notice of all such hearings as required by law. On June 20, 2023, based on its review and financial analysis of Recology's request and after considering all information received from the public, the Refuse Rates Administrator submitted a recommendation to the Refuse Rate Board to adjust the rates. The proposal is on file with the Refuse Rate Board and is available on the Refuse Rates Administrator's website; and **WHEREAS,** In its June 20, 2023 recommendation, the Refuse Rates Administrator proposed a lower cumulative rate increase than what Recology requested: a 0.00% increase in Rate Year 2024, and a 3.92% increase in Rate Year 2025, for a cumulative 2-year increase of 3.92%. The proposal was intended to authorize a just and reasonable refuse rate that

would enable Recology, based on current and projected costs, to sustain existing service levels as well as to enhance certain services as set forth in the proposal. The proposal included but is not limited to the following components: 1. Additional staff and resources to improve pickup and service related to abandoned materials, public receptacles, cardboard, relief and safe service drivers, and rate analysts to improve and comply with the City's refuse-related reporting requirements. (RRA Proposal at p.35.) 2. Investments in organics pre-processing to help reduce the high level of contamination in organics feedstock; a trash processing pilot to study the impact of trash processing on diversion and inform future capital investments for increasing diversion; and improved outreach to further Zero-Waste goals. (Id. p.39.) 3. Establishing selected two-person routes where needed, and to add training opportunities. (Id. p.19.) 4. Establishing Service Level Agreements to memorialize existing refuse service commitments such as Abandoned Materials Collections, Public Receptacles Collections and Repair, and Disposal of Street Sweeping and Abandoned Waste (Id. p.52), and establishing a Programmatic Reserve that would provide compensation to Recology for requests for additional refuse service made by the City as needed (Id. p.6). These requests would be accompanied by budget proposals and be subject to approval by the Refuse Rates Administrator. (Id. p.76.) 5. Suspending the funding of the Zero Waste Incentive Account, which has not correlated with diversion, and in its place order to publish the Refuse Rate Zero Waste Capital Reserve Fund that would be used to help mitigate the impact of future capital expenditures on future rates. (Id. p.46.) 6. Spreading pension funding over a longer timeframe to limit the financial burden that could otherwise be passed on to ratepayers. (Id. p.43.) 7. 5% cut in projected corporate allocations, which are costs allocated from Recology's corporate entity to its San Francisco Subsidiaries, Recology San Francisco, Recology Golden Gate, and Recology Sunset Scavenger, resulting in a savings of \$761K in Rate Year 2024 and \$781K in Rate Year 2025. (Id. p.44.) 8. Balancing Account to ensure that any unanticipated savings or surplus revenues are used to offset subsequent year costs, and that unanticipated expenditures or revenue shortfalls are smoothed over time to mitigate rate shocks. This balancing account will have a 50% adjustment of Over/(Under) target profit. (Id. p.49.) **WHEREAS,** the Refuse Rates Administrator's proposal also funded the cost of certain City programs related to refuse service, such as public education regarding waste disposal methods, litter pickup, and efforts reduce waste generation and reduce disposal costs to meet Zero Waste Goals. (Id. p.29.) The Refuse Rates Administrator reviewed these proposals and determined that the costs are just and reasonable and fairly allocated among the ratepayers; and **WHEREAS,** The Refuse Rate Board held hearings on the Refuse Rates Administrator's proposal, consistent with Proposition F and with notice to the public as required by law. The Refuse Rate Board allowed members of the public, including Recology, to submit information and be heard, and considered and addressed all objections. The Board generally concurred with the Refuse Rates Administrator's proposal, subject to certain

modifications which include the following: 1. Contamination Enhancement: There should be new investments in the waste contamination program, in the form of funding to replace six onboard cameras and to fund one new Waste Zero Specialist to support additional outreach for low-diversion accounts and to monitor and study the impact of new camera technology in identifying contamination. This enhancement is estimated to generate additional contamination fee revenue. The net impact is a net operating income increase of \$22K in Rate Year 2024 and \$18K in Rate Year 2025. (Exhibit B: Report re Refuse Rate Order for Rate Year 2024 and Rate Year 2025 pp.44.) 2. Weekend Cleanups: The rate should fund enhanced weekend cleanups including 3-bin refuse source separation at each event. But instead of 22 events (2 events per District) as originally proposed, there should be just 11 events per year (1 event per District). This results in a net savings of \$194K in Rate Year 2024 and \$201K in Rate Year 2025. (Id. p.43.) 3. Rate-Setting Delay Trigger: If the next rate-setting process is not initiated by February 1, 2025, the Refuse Rates Administrator should request the Refuse Rate Board to convene to consider an October 1, 2025, cost-of-living adjustment. (Id. p.60.) 4. Zero Waste Capital Reserve Fund: The Zero Waste Capital Reserve Fund should support future capital infrastructure investments. The Capital Reserve Fund would be funded at 1% of projected net revenue in Rate Year 2024, which would amount to \$3,522,325. (Id. p.56.) Rate Stabilization Fund: The rate should consider the fact that since the Refuse Rates Administrator's Proposed Rate Order was published, the Rate Stabilization Fund 2022 balance was updated and increased by \$230K from \$4.25 million to \$4.48 million. This \$230K balance increase will offset the rate increase for Rate Year 2025. (Id. p.56.) Programmatic Reserve Fund: The Programmatic Reserve should be augmented to include \$750K in additional funding in Rate Year 2025 to bring the total from \$784K to \$1.53 million. These additional funds can be used for additional requests beyond what is established in this Rate Order, such as addressing needs for street cleanliness or outreach related to contamination mitigation. (Id. p.56.) **WHEREAS,** the Refuse Rates Administrator has conducted further analysis and has determined that anticipated cost of needed services summarized above and detailed in its proposal support a cumulative increase at the same amount as the original Refuse Rates Administrator proposal: no rate increase on October 1, 2023, but an increase of 1.33% on January 1, 2024 (three months into Rate Year 2024) and 2.55% in Rate Year 2025, for a cumulative 2-year increase of 3.92%. The Refuse Rates Administrator has also prepared a rate schedule to summarize these changes for the public, which is attached as "Exhibit A" as well as a report detailing the Rate Order, which is attached as "Exhibit B." The Refuse Rate Board finds that these increases will result in a just and reasonable rate, as required by Proposition F; and **WHEREAS,** The Refuse Rate Board has heard and considered all objections and protests to the proposed adjustment to the refuse rates. In addition, the Refuse Rate Board held a hearing pursuant to notice on July 24, 2023 at 12:30 p.m. in Room 408 at City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California. At said public

hearing, the Refuse Rate Board considered testimony of all interested persons for or against the rate adjustment. In addition, the Refuse Rates Administrator tabulated all protests received and determined that a majority protest does not exist as defined in Section 6(a) of Article XIII.D of the California Constitution and Section 53755 of the California Government Code with respect to the adoption of this rate order. The Refuse Rate Board affirms this determination; and **WHEREAS,** The Planning Department has determined that the actions contemplated in this Resolution (Case No. 2023-005364ENV) are exempt from the California Environmental Quality Act ("CEQA"), under California Public Resources Code Section 21080(b)(8) and CEQA Guidelines Section 15273. This determination is on file with the Refuse Rates Administrator and is incorporated herein by reference. The Refuse Rate Board affirms this determination; now, therefore, be it

RESOLVED, That this rate order is adopted, effective October 1, 2023; and, be it **FURTHER RESOLVED,** That the Refuse Rates Administrator shall publish this order in an official newspaper of the City and County of San Francisco, and shall provide notice to all who shall have filed written requests for notice as set forth in Proposition F; and be it **FURTHER RESOLVED,** That the Refuse Rate Board urges the following order to prepare for the next rate cycle and effectuate the recommendations of the Refuse Rates Administrator: **Reporting Requirements:** This Rate Order memorializes existing reporting requirements and past agreements. This Rate Order requires Recology to produce additional reports with the goals of greater financial transparency, better tracking of operational performance, tracking of customer service performance, and tracking of performance towards meeting environmental goals. These additional reporting requirements include additional pension reporting, supplemental schedules in Rate Reports for various accounts, additional operations reports, additional processing and disposal reporting, delinquent account reports and new program metrics related to existing programs to help track the performance of service level agreements in this Rate Order. (Ex. B at p.65.) **Planned Work:** This rate-setting process highlighted several areas that need further study to help inform future investments and rate setting, particularly in areas of infrastructure needs, cost allocations between residential and commercial services, contamination mitigation and diversion, etc. The Refuse Rates Administrator, Recology, Department of Public Works, and the Environment Department to begin this work before the next rate cycle. (Id. p.75.) Adopted by the following vote: Ayes: 2

I certify that the foregoing resolution was adopted at the meeting of the Refuse Rate Board held on August 31, 2023. Claire Stone, Controller's Office. **Exhibit A – Rate Order Schedules and Exhibit B – Rate Order Report can be found at https://sfbos.org/meeting/august-31-2023/rescheduled-refuse-rate-board-meeting-5**

NOTICE INVITING BIDS FOR BAYSHORE COMMUNITY CENTER GENERATOR REPLACEMENT IN AND FOR THE CITY OF DALY CITY, SAN MATEO COUNTY, CALIFORNIA
Sealed proposals, submitted only upon the bid proposal forms furnished by the City will be received by the City of Daly City at the City Clerk's Office, City Hall, 333 - 90th Street, Daly City, California 94015 at 2:00 p.m. on Tuesday, October 24, 2023, at which time they will be publicly opened and read. A mandatory site walk and pre-bid conference is scheduled for Thursday, October 19, 2023 at 10:00 AM at the Daly City Bayshore Community

Center at 450 Martin Street, Daly City, California 94015. Contractors shall personally examine the project site prior to bidding. Primary bidders who fail to attend the mandatory site walk and pre-bid conference are disqualified from submitting a bid. The project will include removal of a 160KW emergency generator and replace with a 150 KW emergency generator. The work involves updating the load shed scheme with new load controller device. Bidders may obtain Bidding Documents at a cost from Barker Blue Digital Imaging starting October 3, 2023 by calling (650) 696-2100, toll free 1-866-347-1011, faxing at (650) 696-2199, or emailing plans@barkerblue.com. Please present a hard copy of pages 00300(1) through 00490, with original wet signatures, to the City Clerk's office if you will be submitting a bid. Copies of the 2004 edition with 2008 amendments of the "City of Daly City General Conditions, Standard Specifications and Drawings" will be available to intending bidders at the City of Daly City Public Works Department Engineering Division, 333-90th Street, Daly City, CA 94015 for the price of \$65.00, if obtained at that office, and \$70.00, if requested by mail. You may leave a bid and download this document from the City's website: http://www.dalycity.org/City_Hall/Departments/public_works/For_Contractors/standards2008.htm Bids shall be accompanied by a bid bond, a certified cashier's check payable to City of Daly City, in an amount not less than 10% of the aggregate bid. A valid Class C-10 license with State certification must be in the possession of the successful bidder at the time the bid is submitted. The time limit for the completion of work is two-hundred (200) working days. The first day of this time period will be no later than the 28th day after the contract award. In accordance with the California Labor Code, general prevailing hourly rates of per diem wages shall be paid on this project. Copies of applicable prevailing hourly rates of per diem wages are available on request to the City Engineer. Due to the passage of Senate Bill 854, several additions and revisions were made to the California Labor Code. The addition of Labor Code 1725.5 requires all contractors and subcontractors to register with the Department of Industrial Relations (DIR) to be eligible to work on public works projects. At the time the bid is submitted the Contractor and all subcontractors must be registered with the DIR in accordance with the California Labor Code to be eligible for the project. The project is subject to compliance monitoring and enforcement by the DIR. More information about DIR registration can be viewed on the DIR's website: <http://www.dir.ca.gov/PublicWorks/PublicWorks.html> California Labor Code Section 1771.1. (a) A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant

to Section 1725.5 at the time the contract is awarded. Pursuant to the California Public Contract Code, securities may be substituted for money withheld to insure contract performance. The City reserves the right to reject any or all bids and to waive any informality in such bids and, if awarded, to award the contract in the best interest of the City. Questions should be directed to the office of the City Engineer, attention Roland Yip, Project Engineer, 333-90th Street, Daly City, California 94015, telephone (650) 991-8064, Fax (650) 991-8243.

Ad Description:
BJJ - Budget & Finance Committee Meeting - 9/27/23

I am a citizen of the United States and a resident of the State of California; I am over the age of eighteen years, and not a party to or interested in the above entitled matter. I am the principal clerk of the printer and publisher of the SAN FRANCISCO EXAMINER, a newspaper published in the English language in the city of SAN FRANCISCO, county of SAN FRANCISCO, and adjudged a newspaper of general circulation as defined by the laws of the State of California by the Superior Court of the County of SAN FRANCISCO, State of California, under date 10/18/1951, Case No. 410667. That the notice, of which the annexed is a printed copy, has been published in each regular and entire issue of said newspaper and not in any supplement thereof on the following dates, to-wit:

09/24/2023

Executed on: 09/25/2023
At Los Angeles, California

I certify (or declare) under penalty of perjury that the foregoing is true and correct.
