SEC. 303. CONDITIONAL USES.

(*t*<u>v</u>) Affordable Housing Bonus Projects. The purpose of this Section is to ensure that all HOME-SF Projects under Section 206.3 and all Analyzed State Density Bonus Program Projects under Section 206.5 are reviewed in coordination with priority processing available for certain projects with greater levels of affordable housing. While most projects in the Program will likely be somewhat larger than their surroundings in order to facilitate higher levels of affordable housing, the Planning Commission and Department shall ensure that each project is consistent with the Affordable Housing Bonus Design Guidelines and any other applicable design guidelines, as adopted and periodically amended by the Planning Commission, so that projects respond to their surrounding context, while still meeting the City's affordable housing goals.

* * * *

(2) Exceptions. This subsection $(\underline{v}_{t})(2)$ shall not apply to State Analyzed projects. As a component of the review process under this Section $303(\underline{v}_{t})$, the Planning Commission may grant minor exceptions to the provisions of this Code as provided for below, in addition to the development bonuses granted to the project in Section 206.3(d). Such exceptions, however, should only be granted to allow building mass to appropriately shift to respond to surrounding context, and only when the Planning Commission finds that

such modifications: (1) do not substantially reduce or increase the overall building envelope permitted by the Program under Sections 206.3; and (2) are consistent with the Affordable Housing Bonus Design Guidelines. These exceptions may include:

(F) Where not specified elsewhere in this subsection $(\underline{v}_{t})(2)$, modification of other Code requirements that could otherwise be modified as a Planned Unit Development (as set forth in Section 304), irrespective of the zoning district in which the property is located.

SEC. 739. NORIEGA STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

—The Noriega Street Neighborhood Commercial District is located in the Outer Sunset neighborhood and includes the non-residential currently-zoned NC-2 properties fronting both sides of Noriega Street between 19th and 27th and 30th through 33rd Avenues.

—The District provides a selection of convenience goods and services for the residents of the Outer Sunset District. There are a high concentration of restaurants, drawing customers from throughout the City and the region. There are also a significant number of professional, realty, and business offices as well as financial institutions.

8The Noriega Street Neighborhood Commercial District controls are designed to promote9development that is consistent with its existing land use patterns and to maintain a harmony of uses0that support the District's vitality. The building standards allow small-scale buildings and uses,1protecting rear yards above the ground story and at residential levels. In new development, most2commercial uses are permitted at the first two stories, although certain limitations apply to uses at3the second story. Special controls are necessary to preserve the equilibrium of neighborhood-serving4convenience and comparison shopping businesses and to protect adjacent residential livability. To5protect continuous frontage, drive-up uses are prohibited and active, pedestrian-oriented ground6floor uses generally must be provided, unless such uses are authorized by Conditional Use. These7controls are designed to encourage the street's active retail frontage, and local fabrication and8production of goods.

Accessory Dwelling Units are permitted within the district pursuant to subsection 207(c)(4) of this Code.

SEC. 748. JAPANTOWN NEIGHBORHOOD COMMERCIAL DISTRICT.

-The Japantown Neighborhood Commercial District extends between Geary Boulevard and Post Street from Fillmore Street to Laguna Street, the north side of Post Street from Webster Street to Laguna Street, and Buchanan Street from Post Street to midway between Sutter Street and Bush Street. The character of these streets is largely commercial, including large malls, although there are some residential units above the ground story. Buildings are typically two- to four-stories, although there are two taller hotels. Geary Boulevard, Fillmore Street, and Sutter Street are important public transit corridors. The commercial district provides convenience goods and services to the

surrounding neighborhoods as well as shopping, cultural, and entertainment uses that attract visitors from near and far.

—The Japantown Neighborhood Commercial District controls are designed to encourage and promote development that enhances the walkable, commercial character of this area and to support its local and regional role. New commercial development is required on the ground floor and permitted above. Most neighborhood- and visitor-serving businesses are strongly encouraged, including eating, drinking, and retail uses, as long as they do not create a nuisance. Less active commercial uses are encouraged above the ground floor, along with housing and institutional uses. Accessory Dwelling Units are permitted within the district pursuant to subsection 207(c)(4) of this Code.

(1) **Permitted Uses.** All permitted uses in Chinatown Mixed Use Districts shall be conducted within an enclosed building, unless otherwise specifically allowed in this Code. Exceptions from this requirement are: accessory off-street parking and loading; uses which, when located outside of a building, qualify as an outdoor activity area, as defined in Section 890.71 of this Code; Neighborhood Agriculture, as defined in Section 102 of this Code; Wireless Telecommunications Services Facility, as defined in Section 102 of this Code; and uses which by their nature are to be conducted in an open lot or outside a building, as described in Sections 890 through 890.140 of this Code. If there are two or more uses in a structure and none is classified under Section 803.2(b)(1)(C) of this Code as accessory, then each of these uses will be considered separately as an independent permitted, conditional, temporary_ or not permitted use.
