Each member of the public will be allotted the same maximum number of minutes to speak as set by the President or Chair at the beginning of each item or public comment, excluding City representatives, except that public speakers using translation assistance will be allowed to testify for twice the amount of the public testimony time limit. If simultaneous translation services are used, speakers will be governed by the public testimony time limit applied to speakers not requesting translation assistance. AGENDA CHANGES

COMMUNICATIONS

SPECIAL ORDER 2:00 P.M. - Mayor's Appearance Before The Board

(This item will be read at the Board Meeting on the second Tuesday of each month, unless rescheduled by the Mayor and the Board President. The Mayor and the Board may not discuss matters that have already been considered in Committee and that are on the Board's Agenda as an action item.)

By supermajority vote of the Board of Supervisors (8 votes), the Board may, by oral motion, allow an eligible District Supervisor to ask a question that was not previously posed if the question relates to a sudden or unexpected incident or occurrence raising formal, time-sensitive policy questions that were not anticipated prior to the posting of this agenda. Public comment for this item will take place during general public comment.)

1. 121000 [Formal Policy Discussions - October 16, 2012]

Pursuant to Charter Sections 2.103 and 3.100(7), and Administrative Code Section 2.11, the Mayor shall answer the following eligible questions submitted from Supervisors representing Districts 1, 3, and 9. The Mayor may address the Board initially for up to five minutes. Discussion shall not exceed five minutes per Supervisor.

1. I recently introduced legislation that will address the relative lack of access to fresh food in some of our neighborhoods, including the Outer Richmond, where many seniors do not have enough stores that can provide for their nutritional needs. The Healthy Food Retailer Incentives Program will coordinate the critically needed efforts of the Office of Economic and Workforce Development and the Department of Public Health that are already underway. These pilot programs in the Tenderloin and the Bayview are helping convenience and corner stores move away from a reliance on alcohol and tobacco products to be able to provide fresh produce and other healthy foods to those neighborhoods that need healthy options the most. My legislation will help to sustain and expand these efforts. I would like to know if you will support this effort and commit to helping us fund the OEWD staff position that will coordinate our new Fresh Food Retailer Incentives Program? (Supervisor Mar, District 1)

2. San Francisco is facing a \$4 billion retiree health care liability. What is your Administration doing to address this challenge? (Supervisor Chiu, District 3)

3. I believe that I am not alone among my colleagues on the Board of Supervisors when I respectfully submit that Mayoral Question Time is not as useful as it could be. I would appreciate the opportunity to engage with you about important policy issues facing my district and the City, but I do not believe that the current structure of Question Time allows for the kind of meaningful dialogue some of us would like to see. Would you support restructuring Mayoral Question Time in order to allow members of the Board of Supervisors to ask follow-up questions and engage in a dialogue with you about the critical issues facing our city and residents? (Supervisor Campos, District 9)

Discussion: The Mayor shall discuss eligible questions with the Board of Supervisors.

CONSENT AGENDA

All matters listed hereunder constitute a Consent Agenda, are considered to be routine by the Board of Supervisors and will be acted upon by a single roll call vote of the Board. There will be no separate discussion of these items unless a member of the Board so requests, in which event the matter shall be removed from the Consent Agenda and considered as a separate item.

Questions on the Consent Agenda are on final passage, first reading, adoption, or approved, as indicated.
