Meeting Procedures

The Board of Supervisors is the legislative body of the City and County of San Francisco. The Board has several standing committees where ordinances and resolutions are the subject of hearings at which members of the public are urged to testify. The full Board does not hold a second public hearing on measures which have been heard in committee.

Board procedures do not permit: 1) persons in the audience to vocally express support or opposition to statements by Supervisors or by other persons testifying; 2) ringing and use of cell phones, pagers, and similar sound-producing electronic devices; 3) bringing in or displaying signs in the meeting room; and 4) standing in the meeting room.

Each member of the public will be allotted the same maximum number of minutes to speak as set by the President or Chair at the beginning of each item or public comment, excluding City representatives, except that public speakers using translation assistance will be allowed to testify for twice the amount of the public testimony time limit. If simultaneous translation services are used, speakers will be governed by the public testimony time limit applied to speakers not requesting translation assistance. Members of the public who want a document placed on the overhead for display should clearly state such and subsequently remove the document when they want the screen to return to live coverage of the meeting.

IMPORTANT INFORMATION: The public is encouraged to testify at Committee meetings. Persons unable to attend the meeting may submit to the City, by the time the proceedings begin, written comments regarding the agenda items above. These comments will be made a part of the official public record and shall be brought to the attention of the Board of Supervisors. COMMUNICATIONS

SPECIAL ORDER 2:00 P.M. - Mayor's Appearance Before The Board

(This item will be read at the Board Meeting on the second Tuesday of each month, unless rescheduled by the Mayor and the Board President. The Mayor and the Board may not discuss matters that have already been considered in Committee and that are on the Board's Agenda as an action item.

By supermajority vote of the Board of Supervisors (8 votes), the Board may, by oral motion, allow an eligible District Supervisor to ask a question that was not previously posed if the question relates to a sudden or unexpected incident or occurrence raising formal, time-sensitive policy questions that were not anticipated prior to the posting of this agenda. Public comment for this item will take place during general public comment.)

1. 121122 [Formal Policy Discussions - November 20, 2012]

Pursuant to Charter Sections 2.103 and 3.100(7), and Administrative Code Section 2.11, the Mayor shall answer the following eligible questions submitted by the Supervisors representing Districts 6 and 10. The Mayor may address the Board initially for up to five minutes. Discussion shall not exceed five minutes per Supervisor.

1. What are the current procedures for recouping cost incurred through street closures for major conventions like Salesforce's Dreamforce and Oracle's Open World? Specifically, what costs are being reimbursed to the City beyond permitting fees? What costs incurred by Departments other than Municipal Transportation Agency and San Francisco Police Department is being recouped? In addition to the required traffic control plan, how else is the City ensuring that major corporations allow pedestrian and cyclist access in case of street closures? And finally does the City evaluate increased traffic congestion in downtown areas when permitting street closures on major arterials like Howard Street between 3rd and 4th Streets and do we evaluate the cost of that congestion and recoup that cost? (Supervisor Kim, District 6)

2. With the November election behind us, our Federal delegation is contending with potentially significant budget cuts as a result of sequestration. Have you examined what some of the potential impacts of these cuts may be to City programs and services, particularly those who serve the poor and those in federally subsidized housing? (Supervisor Cohen, District 10)

Question: Shall this Hearing be HEARD AND FILED?
