The San Francisco Port Commission (Port) coordinates with the Office of the Controller's City Services Auditor Division (CSA) to conduct periodic concession or compliance audits of the Port’s tenants. CSA engaged KPMG LLP to audit tenants at the Port of San Francisco to determine whether they complied with the reporting, payment, and selected other provisions of their agreements with the Port.

CSA presents the reports of KPMG’s audits of Fishermen’s Grotto, Java House, LLC, JMA Waterfront Properties, LLC, and Tarantino’s Inc. The audit period for these audits was January 1, 2009, to December 31, 2011.

To view the full reports, please visit our website at:

Fishermen’s Grotto underreported its gross revenues by incorrectly excluding complimentary meals from its gross receipts to the Port, resulting in an underpayment of $130 of rent. During the audit period Fisherman’s Grotto reported $16,727,542 in gross revenue and paid $1,126,368 in rent due to the Port.

Java House, LLC, (Java House) lacks adequate controls over reporting the completeness of its gross revenues and needs to improve its internal controls to ensure that it reports all gross revenues as required by its lease with the Port. During the audit period Java House reported $497,132 in gross revenue and paid $86,962 in rent due to the Port.

JMA Waterfront Properties, LLC, (JMA Waterfront) correctly reported $3,313,530 in gross revenues and correctly paid $300,000 in rent due to the Port. However, JMA Waterfront did not obtain sales tax returns from its subtenant to verify the accuracy of its reported gross receipts.

Tarantino’s Inc. -- http://co.sfgov.org/webreports/details.aspx?id=1550

Tarantino’s Inc., correctly reported $8,586,182 in gross revenues and correctly paid $565,789 in rent due to the Port.

This is a send-only e-mail address.

For questions about any of these reports, please contact Director of City Audits Tonia Lediju at Tonia.Lediju@sfgov.org or 415-554-5393, or the CSA Audits Unit at 415-554-7469.

Re: Marriage Equality

At Issue: Fourteenth Amendment to the United States Constitution

Dear Honorable Members of the City and County of San Francisco Board of Supervisors:

Marriage is our fundamental constitutional right as United States Citizens.

As Madam Secretary Hillary Clinton stated (soon to be Madam POTUS), 'LGBT Americans are full and equal citizens and deserve the fundamental rights of citizenship, marriage included.'

The failure of the federal government to recognize "Marriage Equality" (LGBT Civil Rights) is not only costing us thousands in Social Security survivor benefits, it's costing us thousands in estate tax, and it's unconstitutional under the law!
As long as Social Security benefits continue to be denied to same-sex couples, we are being treated as though we are second-class citizens, but we are not second-class citizens and this is all about our fundamental rights as U.S. Citizen's and we ought not to allow others to define it as anything else.

We ask you to stand with LGBT Citizens of the United States for us for Marriage Equality..

May God bless you and may God bless these United States of America.

Sincerely,

Paul T. Diaz

Marriage Equality Advocate

Re: Marriage Equality

At Issue: Fourteenth Amendment to the United States Constitution

Dear Honorable Members of the City and County of San Francisco Board of Supervisors:

Marriage is our fundamental constitutional right as United States Citizens.

As Madam Secretary Hillary Clinton stated (soon to be Madam POTUS), 'LGBT Americans are full and equal citizens and deserve the fundamental rights of citizenship, marriage included.'

With all due respect, it appears the federal government has erred in its decision not to recognize "Marriage Equality" (LBGT Civil Rights). It is costing us thousands in social security survivor benefits, and it is costing us thousands in estate taxes, and it is unconstitutional under the law.

As long as Social Security benefits continue to be denied to married couples, we are being treated as though we are second-class citizens, and we are not second-class citizens. This is about our fundamental rights as U.S. Citizen's, and we ought not to allow others to define it as anything else.

We ask you to stand with us, LGBT U.S. Citizens in favor of Marriage Equality.

May God bless you and may God bless these United States of America.

Sincerely,

Paul T. Diaz

MEMORANDUM

Date: March 25, 2013
To: Honorable Members, Board of Supervisors
From: Angela Calvillo, Clerk of the Board
Subject: APPOINTMENT BY THE MAYOR

The Mayor has submitted an appointment to the following body:

- David J. Sanchez, Jr., Health Commission, term ending January 15, 2017

Under the Board's Rules of Order, Section 2.18.3, a Supervisor may request a hearing on an appointment by notifying the Clerk in writing.

Upon receipt of such notice, the Clerk shall refer the appointment to the Rules Committee so that the Board may consider the appointment and act within 30 days of the appointment as provided in Charter, Section 3.100(18).

Please notify me in writing by 12:00 p.m., Thursday, March 28, 2013, if you would like to request a hearing on the above appointment.

Notice of Appointment

March 19, 2013

San Francisco Board of Supervisors
City Hall, Room 244
1 Carlton B. Goodlett Place
San Francisco, California 94102

Honorable Board of Supervisors:

Pursuant to Section 3.100 (18) of the Charter of the City and County of San Francisco, I hereby make the following appointment:

    David J. Sánchez, Jr., to the Health Commission for a term ending January 15, 2017

I am confident that Mr. Sánchez, an elector of the City and County, will continue to serve our community well. Attached are his qualifications to serve, which will demonstrate how this appointment represent the communities of interest, neighborhoods and diverse populations of the City and County of San Francisco.

Should you have any questions related to this appointment, please contact my Director of Appointments, Nicole Wheaton, at (415) 554-7940.

Sincerely,

Edwin M. Lee
Mayor

Mayor
DAVID J. SANCHEZ, JR., PH.D.

Professional Background
Dr. David J. Sanchez, Jr., is faculty associate for Academic and Student Outreach, and professor in the Department of Family and Community Medicine at the University of California, San Francisco (UCSF). He joined the UCSF faculty in 1969 after receiving the Ph.D. from the University of California, Berkeley.

His research on access to and delivery of health care among urban minority populations, as well as intervention strategies to ensure access to quality health care, has resulted in numerous publications. In addition, he has been the principal investigator on research projects concerning the access of minority students to education in the health sciences. He presently serves as chair of the UCSF Policy Board on Student Outreach, Recruitment, Retention, and Academic Enrichment, and as co-chair of the Science and Health Education Partnership Faculty Advisory Committee.

Dr. Sánchez's research interests have led to his participation in a number of University of California activities related to international affairs and minority populations. He has chaired the advisory committee of the University of California Institute for Mexico and the United States (UC MEXUS), and the search committees for a UC MEXUS director in 1988, and 1996. He serves on the editorial board of the journal, Mexican Studies/Estudios Mexicanos, published by the University of California Press. He is faculty director of the UCSF Education Abroad Program office as well as former chair of the University Committee of the Education Abroad Program. In addition, he is the Chair for both the UCSF Fulbright Program and National Security Education Program.

He serves on the UC Outreach Evaluation Advisory Panel, the Universitywide Committee on Linguistic Minority Research, and is a member of the UC Committee on Latino Research. He served on the UC SCR-43 Executive Committee, which was charged by the California Senate to research the role of Latinos in California, and he represents UCSF to the California Border Area Health Education Centers. He served on the Universitywide Affirmative Action Program Review Group. In addition, he participated in the National Institute of Health’s Minority Biomedical Research Program at UCSF.

Dr. Sánchez's other University of California commitments include serving as the Assistant Vice Chancellor for Academic Affairs with oversight on academic searches and new academic programs, (1988-1996) and the UCSF School of Medicine Admissions Committee for twenty-seven years. He also has been a member of the Dean’s Executive Board and serves on the faculty of the UCSF School of Medicine Post Baccalaureate Program. He was a member of the Academic Planning
Committee for the UC Tenth Campus. In addition, he has represented UCSF to the Tripartite Council of the San Francisco Consortium.

Participation in National Projects
A veteran of the United States Naval Air Reserve, Dr. Sánchez has been involved in a number of projects having a national scope. He has been a member of the Institute of Medicine’s Primary Care Committee and a special consultant to the Assistant Secretary of Health, Education, and Welfare. He has served on the National Commission of Health and Vital Statistics and was a participant on the panel, Delivery of Health Care, for the White House Conference on Children. Dr. Sánchez has acted in the capacity of consultant on Migrant Health Clinics and education programs in the Southwest to both the Robert Wood Johnson Foundation and the U.S. Office of Health and Human Services.

Presently, he is a member of the American Association of Medical Colleges for Graduate Education and Minority Affairs, and a member of the board of advisors to the National Hispanic Mentor Recruitment Network, sponsored by the Inter-American College of Physicians and Surgeons and the United States Public Health Service. He recently completed his appointment to the National Academy of Sciences Institute of Medicine’s Committee on Increasing Minority Participation in the Health Professions, which produced the 1994 report, Balancing the Scales of Opportunity: Ensuring Racial and Ethnic Diversity in the Health Professions. He also completed service on the California Advisory Committee for Planning Professional Programs in Education, which produced the 1994 report, Educational Initiatives for Troubled Times: A Call to Action. Recently he served as a reviewer for the Institute of Medicine report, “The Changing Market, Managed Care, and the Future Viability of Safety Net Providers” (1999).

From 1974 to 1975 Dr. Sánchez served as the first Robert Wood Johnson Health Policy Fellow from the University of California at the Institute of Medicine of the National Academy of Sciences. His key assignments were with the U.S. Senate Appropriations Committee and the House Appropriations Committee. Also, in 1986 he held a visiting fellowship at the University of North Carolina at Chapel Hill’s Institute on Child Development and Social Policy.

Honors
He was awarded the Robert Wood Johnson Service Medal for his role on the Board of Advisors of the Municipal Health Services Program, sponsored by the American Medical Association, the Robert Wood Johnson Foundation, and the U.S. Conference of Mayors. Other honors Dr. Sánchez has received include the UCSF Chancellor’s
Public Service Award, given for community service reflecting commitment to social justice and equal educational opportunities, and, in 1991, the Academic Excellence Award of the Chicano/Latino Medical Association of California. He was awarded The National Hispanic Medical Association Award for his “Leadership in improving the Health of Hispanics” in March, 2004 at the 8th National Conference in Washington D.C.

Community Service  
A native of San Francisco, Dr. Sánchez has been extremely involved in the Bay Area community. In 1997 Mayor Brown appointed him to the San Francisco Health Commission; and again in 2001 for an additional term. The late George Moscone appointed Dr. Sanchez to the Police Commission in 1977 and he was asked to continue his service as President of the Commission by Mayor Dianne Feinstein until 1988. He was president of the San Francisco Board of Education and the San Francisco Community College Board of Trustees from 1968 to 1974, appointed by the late Mayor Joseph Alioto. He is a Trustee Emeritus of the San Francisco Foundation, and a member of the Council of Foundations as well as Hispanics in Philanthropy, member of Grantmakers in Health, and a Trustee of the San Francisco General Hospital Foundation.

He has served on the National School Boards Association, the Council of Great City Schools, and the Association of Mexican-American Educators. In addition, he has served in many volunteer organizations such as the Board of Directors of the Catholic Youth Organization, the Columbia Park Boys Club, the Recreation Center for the Handicapped, and the Centro Latino de San Francisco. He presently serves as a Trustee of the San Francisco Education Fund, and the San Francisco Maritime National Park Association.

FAMILY  
David and his wife, Barbara, who graduated from the University of California, Berkeley, reside in San Francisco’s Mission District. Their eldest son, Francisco, attended the University of California, Santa Barbara and is the Distribution Manager for Toráni and their two other children are graduates of the University of California, Berkeley. Laura, is a Kindergarten teacher in the San Francisco public schools and Juan, a former Chemistry teacher in the public schools, is now completing his Ph.D. at U.C. Berkeley. In addition, their grandchildren, Sophia, age 2 and Samantha, age 6 months are native San Franciscans.

Re: Fiscal Years 2011-12 Surplus Transfers Report

Dear Mayor Lee, Ladies and Gentlemen:

According to Section 3.18 of the San Francisco Administrative Code, “the Controller shall notify the Mayor and the Board of Supervisors of any transfer of funds made pursuant to this section which exceeds 10 percent of the original appropriation to which the transfer is made.” With that in mind, I have attached schedules of operating and project transfers that have exceeded 10 percent for Fiscal Year 2011-12.

Please feel free to contact me at 554-7500 if you would like to discuss this report in further detail.

Sincerely,

Ben Rosenfield
Controller

CALIFORNIA FISH AND GAME COMMISSION
NOTICE OF FINDINGS

Clear Lake Hitch
(Lavinia exilicauda chi)

NOTICE IS HEREBY GIVEN that, pursuant to the provisions of Section 2074.2 of the Fish and Game Code, the California Fish and Game Commission, at its March 6, 2013, meeting in Mount Shasta, California, accepted for consideration the petition submitted to list the Clear Lake hitch as a threatened species. Pursuant to subdivision (a)(2) of Section 2074.2 of the Fish and Game Code, the aforementioned species is hereby declared a candidate species as defined by Section 2068 of the Fish and Game Code.

Within one year of the date of publication of this notice of findings, the Department of Fish and Wildlife shall submit a written report, pursuant to Section 2074.6 of the Fish and Game Code, indicating whether the petitioned action is warranted. Copies of the petition, as well as minutes of the March 6, 2013, Commission meeting, are on file and available for public review from Sonke Mastrup, Executive Director, Fish and Game Commission, 1416 Ninth Street, Box 944209, Sacramento, California 94244-2090, phone (916) 653-4899. Written comments or data related to the petitioned action should be directed to the Commission at the aforementioned address.

CALIFORNIA FISH AND GAME COMMISSION
NOTICE OF FINDINGS

Pacific Fisher
(Martes pennanti)

NOTICE IS HEREBY GIVEN that, the California Fish and Game Commission, at its November 7, 2012, meeting in Los Angeles, met in Executive Session and pursuant to Court Order voted to set aside its September 15, 2010, findings rejecting the petition filed by the Center for Biological Diversity to list the Pacific fisher (Martes pennanti) as a threatened or endangered species under the California Endangered Species Act (CESA) (Fish & G. Code, § 2050 et seq.). With Commission action setting aside its prior decision and findings, the Pacific fisher is a candidate species for purposes of CESA.

The Commission will reconsider the status of the species under CESA when the California Department of Fish and Wildlife completes and submits its status review as required by Fish and Game Code section 2074.6.

RE: INDEMNIFICATION QUARTERLY REPORT
OCTOBER - DECEMBER 2012

This report is submitted to the Board of Supervisors as per Administrative Code Section 1.24, wherein the Risk Manager is required to maintain a record of all indemnification agreements approved under the authority granted to the Risk Manager by said Code and to submit quarterly reports of such approvals.

There were no indemnification agreements approved by this office for the period of October through December 2012.

Copy of this report will be furnished to the City Attorney and City Controller as per ordinance, and forwarded to the San Francisco Main Library for filing.

APPROVAL OF INDEMNITY PROVISIONS
JULY – SEPTEMBER 2012

Agreement between San Francisco Public Utilities Commission (Joseph L. Ortiz) and St. Matthias Church in Redwood City - August 17, 2012

The San Francisco Utilities Commission (SFPUC) is currently constructing the Cordilleras Microtunnel project WD-2666 as part of the larger Bay Division Pipeline No. 5 Project. Because of the confined space of the construction site, City’s contractor and SFPUC staff park in the neighboring residents. In an effort to address these complaints, the SFPUC has negotiated a Revocable License and Release Agreement (parking Permit) with the adjacent Saint Matthias church and the Archdiocese of San Francisco to provide parking for contractor and SFPUC staff free of charge. The SFPUC must hold the church harmless in order to obtain a permit for this project.

San Francisco Public Utilities Commission (Saed Toloui) - Sutro Reservoir Rehabilitation Project - Permit to Enter and Use of Property granted by St. John’s Apostolic Armenian Church, San Francisco - September 7, 2012

The San Francisco Public Utilities Commission (SFPUC) is instituting construction of the Sutro Reservoir Rehabilitation Project. Because of the confined space of the construction, the SFPUC has negotiated a Permit To Enter and Use Property (parking permit) with the adjacent St. John’s Apostolic Armenian Church (Church) to provide for placement of a construction trailer in the church’s parking lot, installation of a generator, water hookups and telephone connections. The SFPUC must hold the church harmless in order to obtain a permit for this project.

APPROVAL OF INDEMNITY PROVISIONS

APRIL – JUNE 2012

San Francisco Police Department, Lt. Arthur Stellini - Agreement with Silicon Valley Internet Crimes Against Children (SVICAC). June 6, 2012

Participating in the SVICAC Task Force is a prudent decision in light of the fact that this agency has access to grant funds which can be utilized for training and equipment for members. SVICAC also has access to resources that would be available to SFPD during the course of business. There is no additional cost to the department for the hold harmless agreement. The SVICAC Task Force is partially funded by the Department of Justice, and is comprised of officers from different agencies. Therefore, they require to be indemnified by each agency in order to disburse funds, training and equipment.

Department of the Environment, Robert Hayden, Manager of Transportation Programs - Bay Area Electric EV (Electric Vehicles) Corridor Sub Recipient Agreement, June 13, 2012

The California Energy Commission has awarded a grant to ABAG for installation of electric vehicle chargers by a number of jurisdictions and other parties in the Bay Area. This Sub Recipient Agreement is for some of the State funds to be awarded to San Francisco to pay for a portion of the costs associated with installation of EV chargers in several City owned public garages. City electricians will perform the work. The City would not be able to access these funds without the indemnification provision.

APPROVAL OF INDEMNITY PROVISIONS

JANUARY – MARCH 2012

Under federal law, the San Francisco International Airport is required to contract with ESCO for the design of its Engineered Materials Arrestor System (EMAS). The Airport is required to install an EMAS system by 2015 to continue consistent air transportation services. The airport must have the system designed by the sole FAA approved designer, ESCO. The negotiated indemnification agreement sufficiently protects the City from ESCO’s negligence, recklessness, or willful misconduct. It is a necessary part of the Agreement.

Port Security Grant Program (PSGP) sub-grantee agreements between the San Francisco Police Department and the Marine Exchange of the San Francisco Bay Region. January 10, 2012

The Marine Exchange’s Executive Director has been selected by the Federal Emergency Management Agency (FEMA) as their Fiduciary Agent (FA) for the San Francisco Bay Region and as such has been authorized to disburse Federal Port Security Grant funds beginning with the 2007 supplement grant cycle to recipients approved by FEMA. The funding will allow recipients to complete projects to improve safety and security throughout the San Francisco waterfront. The Marine Exchange is a 501(c) (1) nonprofit entity, they require a hold harmless agreement with each sub-grantee in order to disburse grant funds. Without the sub-grantee agreement and its hold harmless clause, the San Francisco Police Department would not be able to access these funds.
March 22, 2013

Angela Calvillo
Clerk of the Board of Supervisors
City and County of San Francisco Board of Supervisors
1 Carlton B. Goodlett Place, Room 244
San Francisco, CA 94102-4604

Dear Ms. Calvillo,

This is to notify you that pursuant to Senate Bill 375, Chapter 728, Statutes of 2008 (SB 375), the Association of Bay Area Governments (ABAG) and the Metropolitan Transportation Commission (MTC) will present a Regional Transportation Plan and Sustainable Communities Strategy — together known as Plan Bay Area — in draft form to elected officials in each county, including city council members and members of the board of supervisors. SB 375 requires ABAG and MTC to notify all city clerks and clerks of the board of supervisors in the region of this meeting, which will take place on:

**Tuesday, April 23rd at 11:00 a.m.**
San Francisco Transportation Authority
City Hall Legislative Chamber, Room 250
1 Dr. Carlton B. Goodlett Pl.
San Francisco, CA 94102

The purpose of this meeting is to present a draft of Plan Bay Area and to solicit and consider input and recommendations from elected officials. Staff from ABAG and MTC will be present to make the presentation and receive comments. We respectfully request and encourage all members of your city council and board of supervisors to attend, and would appreciate your help in notifying them of this presentation and comment opportunity. For more information on Plan Bay Area, visit OneBayArea.org. Should you have questions concerning this notice, please contact Ms. Kathleen Cha, ABAG Senior Communications Officer, at (510) 464-7922.

Sincerely,

Ezra Rapport
Executive Director, ABAG

MEMORANDUM

Date: March 26, 2013
To: Honorable Members, Board of Supervisors
From: Angela Calvillo, Clerk of the Board
Subject: APPOINTMENTS BY THE MAYOR

The Mayor has submitted appointments to the following bodies:

- Annie Wong, Juvenile Probation Commission, term ending January 15, 2017
- Simon J. Frankel, Arts Commission, term ending September 1, 2014
- Marcus Shelby, Arts Commission, term ending September 14, 2016

Under the Board's Rules of Order, Section 2.18.3, a Supervisor may request a hearing on an appointment by notifying the Clerk in writing.

Upon receipt of such notice, the Clerk shall refer the appointment to the Rules Committee so that the Board may consider the appointment and act within 30 days of the appointment as provided in Charter, Section 3.100(18).

Please notify me in writing by 12:00 p.m., Monday, April 1, 2013, if you would like to request a hearing on any of the above appointments.

San Francisco Board of Supervisors
City Hall, Room 244
1 Carlton B. Goodlett Place
San Francisco, California 94102

Honorable Board of Supervisors:

Pursuant to Section 3.100 (18) of the Charter of the City and County of San Francisco, I hereby make the following appointments:

   Annie Wong to the Juvenile Probation Commission, assuming the seat formerly held by Katharine Albright, for a term ending January 15, 2017

   Simon J. Frankel to the Arts Commission, assuming the seat formerly held by Patrick Johnston, for a term ending September 1, 2014

   Marcus Shelby to the Arts Commission, assuming the seat formerly held by Mark Breitenberg, for a term ending September 14, 2016

I am confident that Mrs. Wong, Mr. Frankel, and Mr. Shelby, electors of the City and County, will continue to serve our community well. Attached are their qualifications to serve, which will demonstrate how these appointments represent the communities of interest, neighborhoods and diverse populations of the City and County of San Francisco.

Should you have any questions related to these appointments, please contact my Director of Appointments, Nicole Wheaton, at (415) 554-7940.

Sincerely,

[Signature]

- Born and raised in San Francisco, California.
- Married to San Francisco native Courtney Weaver, a freelance writer, with three children.
Marcus Shelby

Marcus Anthony Shelby is an accomplished teacher, composer, arranger, and bassist who currently lives in San Francisco, California. Over the past 20 years, he has built a diverse biography. From 1990-1996, Shelby was bandleader of Columbia Records and GRP Impulse! Recording Artists Black/Note and is currently the Artistic Director and leader of The Marcus Shelby Orchestra, The Marcus Shelby Hot 7, and the The Marcus Shelby Trio. Shelby was awarded a 2009 Black Metropolis Research Consortium Fellowship in Chicago for summer 2009 to conduct research for his commission to compose “Soul of the Movement”. Shelby was also a 2006 Fellow in the Resident Dialogues Program of the Committee for Black Performing Arts at Stanford University to conduct research for his commission to compose “Harriet Tubman”. Shelby also has had the honor of arranging for and conducting the Count Basie Orchestra featuring Ledisi, performing and recording with Tom Waits, and receiving the City Flight Magazine 2005 award as one of the “Top Ten Most Influential African Americans in the Bay Area”. As the 1991 winner of the Charles Mingus Scholarship, Shelby’s studies include work under the tutelage of composer James Newton and legendary bassist Charlie Haden. Shelby is also very active in music education and currently teaches at Rooftop Alternative School in San Francisco, the Stanford Jazz Workshop at Stanford University, and also the Oakland Public Conservatory.

TO: Angela Calvillo
    Clerk of the Board of Supervisors

FROM: Supervisor Scott Wiener

RE: Land Use and Economic Development Committee
    COMMITTEE REPORT

Pursuant to Board Rule 4.20, as Chair of the Land Use and Economic Development Committee, I have deemed the following matter is of an urgent nature and request it be considered by the full Board on April 2, 2013, as a Committee Report:

130018 Planning Code - Deleting the Sunset Provision of the Excelsior Alcohol Restricted Use District

Ordinance amending the Planning Code, Section 785, to delete the sunset provision of the Excelsior Alcohol Restricted Use District; and making findings, including environmental findings, and findings of consistency with the General Plan and the Priority Policies of Planning Code, Section 101.1.

This matter will be heard in the Land Use and Economic Development Committee on April 1, 2013, at 1:30 p.m.
MEMORANDUM

DATE: March 15, 2013
TO: Angela Calvillo, Clerk of the San Francisco Board of Supervisors
THROUGH: Aging and Adult Services Commission
FROM: E. Anne Hinton, Executive Director, Dept. of Aging and Adult Services
        Linda Edelstein, Long Term Care Operations Director
SUBJECT: Community Living Fund (CLF): Program for Case Management and
         Purchase of Resources and Services. Six Month Report:
         July - December, 2012

OVERVIEW

The San Francisco Administrative Code, Section 10.100-12, created the Community
Living Fund (CLF) to support aging in place and community placement alternatives for
individuals who may otherwise require care within an institution. This report fulfills the
Administrative Code requirement that the Department of Aging and Adult Services
(DAAS) report to the Board of Supervisors every six months detailing the level of
service provided and costs incurred in connection with the duties and services
associated with this fund.

The CLF provides for home and community-based services, or a combination of
equipment and services, that will help individuals who are currently, or at risk of being,
institutionalized to continue living independently in their homes, or to return to
community living. This program, using a two-pronged approach of coordinated case
management and purchased services, provides the needed resources, not available
through any other mechanism, to vulnerable older adults and younger adults with
disabilities.

The CLF Six-Month Report provides an overview of trends. The attached data
tables and charts show key program trends for each six month period, along with project-to-
date figures where appropriate.

KEY FINDINGS

Referrals & Service Levels

❖ The CLF received 117 total new referrals, of which most (76%) were eligible. 467
   clients received service, continuing to climb from 301 served during the same period a
   year ago.

❖ Enrollments in the core services provided by the Institute on Aging (IOA) peaked at
   369 during July - December 2009 and are now at 284.

❖ Sixty-one percent of program enrollees in the last six months were in the IOA's CLF
   program, 40% of whom received service purchases. The remaining were in San

Community Living Fund
Six-Month Report
Francisco Senior Center's (SFSC) Homecoming transitional care and Meals on Wheels (MOW) emergency home-delivered meal programs.

Demographics

Trends in CLF referrals are shifting over time:

- Referrals for younger adult consumers continue to represent approximately half of all referrals (47%) over the last three years, a larger proportion than they were in the first few years of the program;
- Referrals for White consumers are up to 30%, while referrals for African Americans returned to 20%; Chinese referrals remained low compared to citywide demographics. Referred consumers not reporting ethnicity data are declining due to program staff efforts to improve data collection, though they still represent 28% of all referrals.
- Referrals for English-speaking clients continue to dominate (84%); and
- Referrals for consumers living in 94116, home to Laguna Honda Hospital, continue to be high (currently 34%). Referrals from the Inner Mission/Bernal Heights (94110), the OMI (94112) and Visitacion Valley (94134) have increased markedly over the trends from the last two years;
- Referrals from Laguna Honda Hospital and Targeted Case Management showed a major spike to 47% of all referrals during the last six months.

Service Requests

- Case management, in-home support, and housing-related services remain among the most commonly-requested services at intake. Money management and mental health/substance abuse services were also highly requested from referrals in the last six months.

Program Costs

- Total program expenditures peaked during January – June 2010 at $2.8 million, exhausting prior year carry-forward funding. Expenditures in the first half of FY12-13 are nearly $1.8M, close to the program budget.
- CLF Purchase of Service costs have decreased to approximately half the level they were during peak spending in January – June 2010 as the budget has returned to base level. With FY 11-12 yielding a surplus, plans have been implemented to expand case management capacity and associated purchased services in the current year. The IOA succeeded in expanding that capacity through additional hiring as of December 2012. Home care and board and care costs remain the largest categories for purchased services.
- Costs per client are as follows:
Total monthly program costs per client averaged $635 per month in the latest six-month period. This figure has shown a fairly steady downward trend since the high of $1,067 in January – June 2009. Declining average costs have been due, in part, to the program’s increased capacity to leverage outside funding such as the NF/AH waiver and the CCT Money Follows the Person Demonstration Project.

Average monthly purchase of service costs for CLF clients who received any purchased services has settled at approximately $1,100 - 1,200 per month.

Excluding costs for home care and rental subsidies, average monthly purchase of service costs for CLF clients who received any purchased services was $92 per month in the latest reporting period, compared to $116 per month in the previous six-month period.

Performance Measures

- The program performance measures showed 82% and 80% of clients formerly institutionalized and those at imminent risk of institutionalization continuing community living for a period of at least six months, respectively. The performance measures target was raised in FY 2011/2012 from 75% to 80%.

Systemic changes / Trends affecting CLF

- The conversion of the Medi-Cal ADHC benefit to CBAS continues. Medi-Cal has completed moving eligible San Francisco CBAS participants into one of two SF managed care plans: SF Health Plan and Anthem Blue Cross. As of February 1, 2013, all 81 clients for whom CLF has been purchasing CBAS services have received a State Fair Hearing determination or withdrew from the appeal process. The majority were deemed eligible. It is expected that CLF will recoup $379,920 of the $455,354 spent on purchasing ADHC/CBAS services.

SF Health Plan will contract with DAAS to provide assessment and case management services for CBAS participants enrolled in their health plan. DAAS will provide these services through CLF infrastructure. The expectation is a census of 400 or more.

- The CLF program is growing and becoming more efficient, but there are still a number of unmet needs. In an effort to address the growing community waitlist, the program increased its total capacity by 20% over the past six months, though full capacity was not achieved until December. The CLF waitlist, which peaked near 80 individuals last summer, is now down below 40. Laguna Honda discharges continue to make up the bulk of the CLF caseload, however, and the prevalence of mental health

---

\(^1\) This calculation = [Grand Total of CLF expenditures (from Section 3-1)] / [All Active Cases (from Section 1-1)] / 6.

Community Living Fund
Six-Month Report
and substance abuse issues in this population continues to demand an intensive case management model.

- Through its work with the Medi-Cal waiver programs and California Community Transitions project, CLF continues to transition a small number of individuals home from other non-Laguna Honda long term SNF beds in San Francisco. Housing for these non-DCIP SNF residents continues to be the primary barrier.

**Addressing Mental Health Needs of CLF Consumers.**

CLF has modified its assessment tool to include more robust substance abuse and mental health screening tools and is conducting biannual reviews of every active client's mental health treatment plan. In December 2012, 52% of CLF clients with an identified mental health diagnosis had been engaged in a formal mental health treatment (up from 46% in December 2011). Over the past six months, case managers have also made notable progress in connecting clients to mental health treatment within CBHS clinics and primary care clinics. The mental health profile of CLF clients is shown in the following charts.
Mental Health Diagnoses
(December 2012)

- Depression: 71%
- Anxiety: 28%
- Schizophrenia and other Psychotic Disorders: 17%
- Bipolar: 8%
- PTSD: 7%
- Hoarding: 5%

37% of clients have co-occurring disorders.

The December 2012 review also looked more closely at CLF clients' substance abuse population. (Note that Medical marijuana used by CLF clients was not counted amongst those using substances.)

- 16% of CLF clients report that they are actively abusing substances
- 21% of CLF clients have a recent or remote history of substance abuse

Of CLF clients who currently use substances, what substances do they use?

- Alcohol: 21%
- Crack/Cocaine: 20%
- Methamphetamine: 6%
- Heroin: 3%

12% are reporting polysubstance abuse and are therefore showing up in multiple categories.
Multiple adverse events related to substance abuse / relapse within the past few months has also prompted the need for increased training of CLF case managers in relapse prevention. CLF case managers completed two sessions of Substance Abuse training in fall of 2011. Additional trainings will be identified for 2013.
Community Living Fund Six-Month Report

Community Living Fund
Cumulative Referrals and Clients

2,709 Total IOA Referrals
1,906 All Clients
1,846 Eligible IOA Referrals
420 Ineligible IOA Referrals

Notes: Referrals are all referrals to the primary CLF program, operated by the Institute on Aging (IOA). Referrals are counted by month of referral. Clients served include those served by the IOA, as well as those receiving transitional care (Homecoming @ SFSC) and emergency meals. Clients served are counted based on program contact date.

San Francisco Board of Supervisors
1 Dr. Carlton B. Goodlett Place, Room 244
San Francisco, CA 94102

Dear Ms. Calvillo,

Pursuant to Charter Section 3.100, I hereby designate Supervisor Norman Yee as Acting-Mayor from Thursday, April 4, 2013 at 12:00 a.m., until I return on Tuesday, April 9 at 11:40 a.m.

In the event I am delayed, I designate Supervisor Yee to continue to be the Acting-Mayor until my return to California.

Sincerely,

Edwin M. Lee
Mayor

cc: Mr. Dennis Herrera, City Attorney
Dear Board of Supervisors

As a supporter of SAVE THE FROGS! (www.savethefrogs.com), I am writing to urge you to support Supervisor John Avalos' proposed legislation that would re-purpose the Sharp Park Golf Course to a new public park managed by the National Park Service that all can enjoy. The Sharp Park Wetlands provide critical habitat for the endangered California Red-Legged Frog and a variety of other wildlife. Both frogs and wetlands are rapidly disappearing in California and worldwide, so it is disconcerting that the City of San Francisco is currently using taxpayer dollars to pump the Sharp Park Wetlands dry, killing endangered frogs in the process, and violating state and federal laws.

The Sharp Park Golf Course has a long history of environmental and economic troubles, and the time has clearly come for the City of San Francisco to change course. By closing the golf course and handing the management of the land over to the National Park Service, the City of San Francisco would relieve itself of its current financial, legal and environmental burden, and it would also clearly mark itself as a world leader in environmental protection efforts.

The restored Sharp Park Wetlands would be a safe haven for threatened wildlife and would provide valuable recreational opportunities to San Francisco residents and tourists alike. This would not only improve the quality of life for San Francisco’s residents, it would increase the long-term economic value of the property.

Frogs already face an array of threats from climate change to habitat destruction; pesticide use; over-collection for frog legs and dissections; invasive species; and infectious diseases spread by human activity. Frogs eat mosquitoes, provide us with medical advances, serve as food for birds and fish, and their tadpoles filter our drinking water. Plus kids love frogs, and it is our obligation to them to leave this planet in better shape than when we arrived here.

On behalf of all those who enjoy nature and wildlife, thanks for your consideration.

BLUE FOG MARKET
1552 POLK STREET
PUBLIC CONVENIENCE AND NECESSITY

Dear San Francisco Board of Supervisors:

This letter describes the operations of Blue Fog Market and shows Public Convenience and Necessity. Although our store, at 1552 Polk Street, is located in what the ABC deems an over-concentrated area for alcohol establishments, we feel that our specialty-food market qualifies for Public Convenience and Necessity.

1. I’ve been in close contact with the Dawn Trennert and Frank Cannata of the Middle Polk Neighborhood Association while planning the renovation and opening of the store. I’ve presented to the members of the association and they support my ABC application. See enclosed letter.

2. Our hours of operation are 7:00AM – 9:00PM Sunday through Thursday. On Friday and Saturday nights we stay open later, but I’ve agreed with the Middle Polk Neighborhood Association to stop selling alcohol at 10:00PM. We will lock the coolers at that time.

3. The premises are located in the Middle Polk corridor, below Nob Hill one block north of California Street. Customers are drawn from the many residents, shop employees and office workers in this residential and commercial business-friendly area.

3. Blue Fog Market (www.bluefogmarket.com) is a gourmet deli and upscale café, with deli sandwiches, custom salads, espresso coffee, pastry, grab & go dinners, cheese and hors d’oeuvres sold for carry-out.

4. The management of Blue Fog Markets has experience with alcohol sales. We currently have a Type 21 license at our other store located in Pacific Heights/Cow Hollow at 2567 Gough Street. Less than 10% of Blue Fog’s sales come from wine and beer sales.
5. At 1552 Polk Street, as at Gough Street, we’ll carry predominantly boutique wines and specialty micro-brew beers for single-bottle purchase, and stock simply a single cooler of each, red wine, white wine and beer.

6. Employees will go to ABC LEAD training, so they will serve customers responsibly.

The license we are applying for and transferring is a Type 20, off-sale beer & wine license. It is being transferred from 5621 Geary Blvd 94121 (Israel’s Kosher Meat & Poultry) to 1552 Polk Street 94109.

I’m very happy to meet with members of the Board of Supervisors to discuss any concerns they may have.

Sincerely,

Frank Slacik
Managing Member
Blue Fog Markets, LLC

    Dawn Trennert, MPNA
November 16, 2012

Mr. Frank Slacik
Blue Fog Market
1552 Polk Street
San Francisco, CA 94109

Dear Frank:

The Middle Polk Neighborhood Association is excited about the upcoming opening of the Blue Fog Market on Polk and Sacramento. We thank you for presenting to our members at our September Middle Polk meeting and being available for questions at our October meeting. As you know, you have great support for your business within the neighborhood.

We appreciate the keen eye you are paying that corner in keeping it spotless, even before your official opening. We believe the neighborhood will greatly benefit from your business which will offer gourmet coffee service and pastries, prepared artisan foods for take-out, and a limited off-sale wine and beer selection to compliment the prepared take-out food (note: wine and beer shall be locked in the display cases after 10:00PM every night and will not be sold after that time). Our neighborhood is in the process of working on legislation to address the proliferation of alcohol sales within Middle Polk. We believe your business will be neighborhood-serving and will be fully in line with this forward-looking legislation.

We look forward to Blue Fog Market being a great addition to our neighborhood. Please let us know if we can be of any assistance to you. Thank you.

Kindest regards,

Dawn S. Trennert
Dawn Trennert
Chair

dawn@middlepolk.org  415.314.0772
www.middlepolk.org
March 28, 2013

Dear Neighbors,

I’ve applied for an ABC Type 20 license for the off-sale of beer and wine by Blue Fog Market here at 1552 Polk Street.

Naturally, I’ve spoken with the Middle Polk Neighborhood Association. They support my ABC application, and I’ve assured them that I will cease all sales of beer and wine by 10PM each night.

I understand the current environment along Polk Street and the sentiments that many people have towards liquor sales in the area. Blue Fog Market is not a destination spot for alcohol, and I will not allow it to become one.

I assure you that beer and wine sales are a minor part of Blue Fog Market’s business, amounting to less than 10% of sales. However, craft beer and boutique wine are natural compliments to the artisan sandwiches, gourmet dinners, cheese and hors d’heuerves we provide, and so while minor, they are an important and sophisticated part of our product offering. I invite you to visit our other store at 2567 Gough Street to better understand this aspect of Blue Fog’s business.

Thank you for the friendly welcome we received when we opened this store in January. We look forward to a long relationship with the Polk neighborhood. Please contact me if I can answer any questions for you or assist you in any manner.

Best regards,

Frank Slacik

Re: Land Use Calendar - April 1, 2013  

Item #3 - Case #120474  

Because I have a standing, all-day appointment on the first Monday of the month, I cannot attend today's hearing. Therefore, various items on the Transfer of Development Rights (March 19, 2013 agenda)  

1.) Re: Admin. Code Sec. 10 E: 1:  
   Page 21 - D: Language is insufficiently specific to be meaningful.  
   Page 21 - F: NE TDR's - The report should include how many statements of eligibility, cancelled, of same and certificates of transfer were received and processed. For each, include the address, block and lot and name of building.  

2.) Planning Code Section 128  
   Subsection 9 - p. 8 - lines 7-13: I would like to discuss amendments here with you.
Dear Supervisor Mark Farrell:

As a Marina District resident, I am writing to you to request your support in stopping commercial development on the Marina Green. We already have plenty of restaurants and shops on Chestnut, Lombard, and Union Streets. Please help us preserve the natural beauty of our waterfront.

**NO RESTAURANT ON MARINA GREEN**

File # 120987 (Marina Degaussing Station Restaurant Proposal)

Thank you.

Sincerely,

Karyn Okazaki

Dear San Francisco Board of Supervisors,

I just signed Dylan MacNiven's petition "Yes to Woodhouse on Marina Green! " on Change.org.

Here's why I signed:

Woodhouse is delicious, and the residents of the Marina who oppose it do so because they dislike sharing their neighborhood. Excluding people is never permissible in a city like San Francisco.

Sincerely,
Kathryn Speraw
San Francisco, California

There are now 606 signatures on this petition. Read reasons why people are signing, and respond to Dylan MacNiven by clicking here:

Supervisors,

If the Central Subway Project is completed in 2019, most of you will be out of office---“immune” from any fiscal crisis left behind. The Board and staff of the San Francisco Municipal Transportation Agency (SFMTA) will avert personal liability. Legally-crafted construction specifications will shift blame to general contractors, subcontractors and suppliers---and cost overruns will fall to taxpayers. However, in matters of life-safety, political immunity from construction failures should not be so easily granted, particularly when basic engineering and physics have known consequences.

In the Federal Transit Administration (FTA) letter of 1-10-10 to the SFMTA: “The Central Subway Project is a high risk project located in a densely populated urban center. It is the largest, most complex project ever undertaken by SFMTA.” The FTA has knowledge of past construction accidents (See “History of Accidents” below) and risky excavation in older areas of Downtown, Chinatown and North Beach. Unlike Hollywood Boulevard’s sinkhole or Cologne’s building collapse, the Central Subway is digging in narrower streets and in closer proximity to old buildings and shallow foundations---exacerbated by hilly terrain, underground water and saturated/ inconsistent soils.

In the SF Weekly, 2-27-13, “Central Subway: Muni’s Drilling Plan Strains Credulity”
“An audit by the firm CGR Management Consultants pegged the likelihood of the Central Subway coming in on budget at 30 percent.” Even highly-developed countries with the best engineers have been stunned by construction accidents involving deep excavations and tunneling (See “History of Accidents” below). If the Central Subway goes over budget, the additional dollars will be taken from local Muni sources.

Like the proposed Pagoda Theater excavation (See “A Case in Point” below), rudimentary assumptions have been made regarding geotechnical and building conditions. Nearby buildings have not had full structural analysis---only condition assessments. More pre-testing would reveal hidden aboveground and underground conditions. Standard construction procedures are insufficient, given the inconsistent soil conditions.

- For excavations underneath 100-year old buildings, into inconsistent soils with high water tables, basic physics can predict the immense forces that can stress structures, streets and utilities.
- The excavations’ lateral proximity to existing structures increases the odds of soil subsidence and cavity formations, especially with sloping hills, intervening alluvial-filled valleys and fractured rock.
- Excavating to depths from 40-120 feet, the structural loading of saturated soils, combined with the dead loads of buildings and their contents, is large---prone to increased hydrostatic pressures, collapse of voids and soil subsidence.
- The 1906 Earthquake and Fire affected the narrow streets along the route of the Central Subway, leaving remnants of rushed demolitions, underground rubble, artificial fill and voids.
Hilly terrain and alluvial valleys propel rainfall and underground water, saturating sandy soils, creating instability, vertical displacement.

Inconsistent soils are difficult to stabilize by compensation grouting alone, likely requiring expensive shoring, underpinning, slurry piles, tremie concrete construction.

Even in recent American tunneling projects, property owners have complained of noise, sewage floods cracked foundations.

The Central Subway’s soft costs are over 23% of the project budget. While SFMTA staff use project funds for wages, a parallel consultant has been retained for project management (PM)---further shielding the City from liability. The PM consultant’s contract minimizes its own liability. In a crisis, the City and its PM consultant will shift blame to design professionals and construction contractors.

The City’s construction specifications, general conditions and contracts are crafted by City Attorneys to absolve the City of liability---loading liability on design professionals, general contractors, subcontractors and suppliers. Taxpayers will pay for cost overruns, resulting in decreased Muni operating budgets and transit service.

The SFMTA recently proposed extraction of Tunnel Boring Machines (TBMs) at the Pagoda Theater site. The Pagoda Project’s public process and fragile geotechnical conditions are systemic of the Central Subway’s overall approach. Much of hilly San Francisco has underground water/streams, subsurface voids, rubble and inconsistent geological conditions---in addition to older buildings, brick foundations, shallow footings, seismic vulnerabilities and hidden conditions. Not all conditions have been studied.

Merchants and property owners, adjacent to the Pagoda, have not been consulted on engineering plans---in order for their vetting of design adequacy, risks, rights and compensation for damages (operational and structural).

The SFMTA’s initial design includes an approximately 50’x50’x46’ deep concrete TBM Retrieval Box, with 66’ deep perimeter secant pile walls. The concrete box is within 18’-7” of the adjacent 1907 brick warehouse building.

An independent geotechnical engineer submitted three letters, questioning the design’s efficacy and warning of likely damage to adjacent buildings due to subsidence.

In a Fee Proposal, the SFMTA’s own engineering consultant confirmed that potentially adverse effects to adjacent structures, historic buildings and park properties due to ground movement, groundwater inflows, ground loss and settlement had not yet been analyzed---necessitating new geotechnical investigations.

No nearby building has foundations or basements deeper than 10 feet below grade.

No part of the 46-foot excavation will likely be in competent bedrock, digging 36 feet below the groundwater table.

There are inadequate geological/structural studies of adjacent properties and historical studies of the region.

Underground springs flow from Russian Hill under the Pagoda Theater and adjacent buildings. Before 1906, on Filbert near Columbus, there once stood the “Palace Baths”, which tapped into underground springs. In the past, neighbors could hear rushing water underground.

The previous Muriel’s Theater project at the Pagoda encountered underground water, increasing construction costs. Also, removal of gas tanks at the old corner gas station hit underground water.

On Stockton Street at Washington Square, construction for Moose’s Restaurant encountered underground springs from Telegraph Hill, which flooded neighborhood basements periodically. A workman in the dark basement dropped a tool and heard a splash. His light revealed that he had just missed falling 20 feet into a well.

The nearby North Beach Pool subsided because of an underground stream, leading to a 2005 structural retrofit.

Relative to other construction techniques, deep excavation and tunneling have extensive failures---especially at sites with older buildings, fragile geological conditions, soil inconsistency, underground water and seismic vulnerabilities. As required by the Federal Transit Administration, all cost overruns are the responsibility of the City & County of San Francisco and its contractors and subcontractors.
Taxpayers, designers and builders need to assure due diligence to protect their own interests. Existing and hidden conditions require thorough analysis. Project contingencies must cover cost overruns. The City’s underlying politics is to construct 2,000 foot tunnels for the northerly subway extension----without environmental reviews. Business associations and real estate interests want to escalate land values and large development prospects. But fiscally prudent alternatives exist to conserve funds. The SFMTA plans to spend $9.15 million from its operating funds for the Pagoda Theater Project, in order to retrieve two TBMs valued at $4.4 million. Moreover, the twin 2,000 foot tunnels from Chinatown to North Beach will cost up to $70 million. If the TBMs are extracted or buried at the Chinatown Station, SFMTA can save $79 million---better spent on construction contingency and Muni service enhancements.

Supervisors, you have been informed.
