Declaration by Authors of Arguments and / or Rebuttals

THE UNDERSIGNED AUTHOR(S) of this REBUTTAL BALLOT ARGUMENT X FOR or AGAINST PROPOSITION B FOR THE ELECTION TO BE HELD IN SAN FRANCISCO ON NOVEMBER 6, 2001 HEREBY STATE THAT SUCH ARGUMENT IS TRUE AND CORRECT TO THE BEST OF HIS/HER/THEIR KNOWLEDGE AND BELIEF. ALL SIGNERS OF THIS ARGUMENT MUST BE REGISTERED TO VOTE IN SAN FRANCISCO.

Style Notes B, I, or BI	KEEP TEXT WITHIN THESE VERTICAL LINES	# of words in each line	
B	The opponent is clearly confused. Proposition B, the San Francisco Solar Revenue Bond, will provide a tax free source of clean energy for the City of San Francisco. This measure, when approved by the voters, will set San Francisco on the road to energy independence, paid for by energy savings, not taxes.	11 15 14 9	
	A YES vote on Proposition B will:	7	
	◆ Provide clean, renewable energy by financing facilities on city property to either generate or save approximately 25% of city government's total energy needs.	12 11	
	◆ Lower our dependence on PG&E and out of state energy corporations who have already gouged the city out of over \$30 million dollars in increased energy costs this past year.	13 14 3	
	◆ Save taxpayers the expense of paying for these new energy facilities. By using revenue bonds instead of the traditional general obligation bonds, all bond repayments will be paid from the energy savings, not from taxpayers.	13 11 11	
	If passed, Proposition B will NOT be a blank check, but will instead be a voter approved measure for a specific amount of funds for a specific purpose: to cut down on the City of San Francisco's mounting energy costs by using renewable power instead of PG&E power.	16 15 12 4	
	Join the Sierra Club, San Francisco Planning and Urban Research, the American Lung Association, Greenpeace, the San Francisco Democratic Party and many others in supporting Proposition B.	12 10 3	
	Vote for a cleaner environment and energy independence at no cost to taxpayers. Vote Yes on B.	13 4
