

1 [Extends the due dates for a Community Choice Aggregation draft implementation plan and  
2 Request for Proposal to the Board of Supervisor by four months each.]

3  
4 **Motion approving the extension of the due dates for a Community Choice Aggregation**  
5 **draft implementation plan and a Request for Proposal to the Board of Supervisors as**  
6 **required under Ordinance No. 86-04 by four months each.**

7  
8 WHEREAS, The Board of Supervisors passed Ordinance 86-04, on file with the Clerk  
9 of the Board of Supervisors in File No. 040236, that required the City to take certain steps to  
10 aggregate the electrical load of electricity consumers in San Francisco, known as a  
11 Community Choice Aggregation (CCA) program under state law; and,

12 WHEREAS, State law requires that the California Public Utilities Commission (CPUC)  
13 establish rules by which any government entity can seek to provide electricity aggregation  
14 services to its citizens; and,

15 WHEREAS, The development of rules by the CPUC has taken longer than anticipated  
16 and will not be completed until the first or second quarter of 2005; and,

17 WHEREAS, The City is an active participant in a proceeding at the CPUC to establish  
18 such rules; and,

19 WHEREAS, Ordinance 86-04 requires, among other things, that the San Francisco  
20 Public Utilities Commission and the San Francisco Department of the Environment  
21 (collectively, "Departments") provide to the Board of Supervisors a Draft Implementation Plan  
22 for Community Choice Aggregation (CCA) within 6 month of the effective date of the  
23 ordinance, or by December 27, 2004; and,

24 WHEREAS, Ordinance 86-04 also requires that the Departments present to the Board  
25 of Supervisors a Draft Request for Proposal (RFP) to be used by potential electric service

1 providers in submitting proposals to implement the City's adopted Implementation Plan. The  
2 Draft RFP is due to the Board of Supervisors by March 27, 2005; and,

3 WHEREAS, Without more certainty on what rules and costs the City will have to  
4 undertake to establish a CCA program under state law, the Departments cannot develop a  
5 accurate and reliable draft Implementation Plan; and,

6 WHEREAS, Without an accurate and reliable draft Implementation Plan it is difficult to  
7 develop a draft RFP to implement the plan; and,

8 WHEREAS, Ordinance 86-04 allows for the Board of Supervisors to extend the due  
9 dates of the draft Implementation Plan and the draft RFP by motion; now, therefore, be it

10 MOVED, That the Board of Supervisors extends the date by which the Departments  
11 must present a draft CCA Implementation Plan to the Board of Supervisors by 4 months, to  
12 April 27, 2005; and be it

13 FURTHER MOVED, That the Board of Supervisors extends the date by which the  
14 Departments must present a draft RFP to the Board of Supervisors by 4 months, to July 27,  
15 2005.
