Motion ordering submitted to the voters an ordinance amending Article I, Chapter 5 of the Campaign and Governmental Conduct Code to modify registration and disclosure requirements for campaign consultants at an election to be held on November 8, 2011.

MOVED, That the Board of Supervisors hereby submits the following ordinance to the voters of the City and County of San Francisco, at an election to be held on November 8, 2011.

Ordinance amending Article I, Chapter 5 of the Campaign and Governmental Conduct Code to modify registration and disclosure requirements for campaign consultants.

NOTE: Additions are single-underline italics Times New Roman; deletions are strike through italics Times New Roman.

Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Campaign and Governmental Conduct Code is hereby amended to read as follows:

Sec. 1.500. – Findings.

(a) The City and County of San Francisco has a paramount interest in protecting the integrity and credibility of its electoral and government institutions. Election campaigns are highly competitive in San Francisco, and candidates frequently contract for the services of professional campaign consultants who specialize in guiding and managing campaigns.

(b) Decisions by elected officials in the City and County of San Francisco should be based on the best interests of the people and should be free from the influence of electoral politics. Campaign
consultants play an influential role in local elections, and may use that influence to affect policy decisions of City officials. The regulation of campaign consultants protects the integrity of the City's decision making processes by informing the public about who is managing campaigns and what role those individuals have in decisions made by local elected officials.

(bc) It is the purpose and intent of the people of the City and County of San Francisco in enacting this Chapter to impose reasonable registration and disclosure requirements on campaign consultants. Required registration and disclosure of information by campaign consultants will assist the public in making informed decisions, and protect public confidence in the electoral and governmental processes.

(d) The important goals advanced by this Chapter will be best served if campaign consultants are encouraged to comply with registration and disclosure requirements through a user-friendly filing system, and interested members of the public can conveniently review those filings. The Ethics Commission should have the discretion to implement an electronic filing system for registered campaign consultants to achieve these ends.

Sec. 1.505. – Amendment or Repeal of Chapter.

The voters may amend or repeal this Chapter. The Board of Supervisors may amend this Chapter if all of the following conditions are met:

(a) The amendment furthers the purposes of this Chapter;

(b) The Ethics Commission approves the proposed amendment in advance by at least a four-fifths vote of all its members;

(c) The proposed amendment is available for public review at least 30 days before the amendment is considered by the Board of Supervisors or any committee of the Board of Supervisors;

and

(d) The Board of Supervisors approves the proposed amendment by at least a two-thirds vote of all its members.
