WHEREAS, The Planning Commission has approved a Final Mitigated Negative Declaration (FMND) under the California Environmental Quality Act (CEQA), the CEQA Guidelines, and San Francisco Administrative Code Chapter 31 for a project located at 248-252 9th Street. The project would include: merger of two lots, totaling 5,000 square feet (sf); demolition of two existing one-story, approximately 15-foot-tall buildings currently used for storage; and construction of a five-story, 55-foot-tall, 18,697-sf, mixed-use building containing 15 dwelling units and approximately 2,858 sf of ground-floor commercial space. The proposed project would include no off-street parking spaces; and

On March 18, 2014, the Department of Building Inspection issued permits for the proposed project, which constituted the approval actions; and

WHEREAS, On May 20, 2014, this Board held a duly noticed public hearing to consider the appeal of the FMND filed by Appellant and, following the public hearing, reversed the Planning Commission's approval of the FMND; and

Department prepared, the other written records before the Board of Supervisors and all of the public testimony made in support of and opposed to the FMND appeal. Following the conclusion of the public hearing, the Board of Supervisors affirmed the Planning Commission's approval of the FMND for the project based on the written record before the Board of Supervisors as well as all of the testimony at the public hearing in support of and opposed to the appeal. The written record and oral testimony in support of and opposed to the appeal and deliberation of the oral and written testimony at the public hearing before the Board of Supervisors by all parties and the public in support of and opposed to the appeal of the FMND is in the Clerk of the Board of Supervisors File No. 131168 and is incorporated in this motion as though set forth in its entirety; now therefore be it

MOVED, That the Board of Supervisors of the City and County of San Francisco hereby adopts as its own and incorporates by reference in this motion, as though fully set forth, the FMND; and be it

FURTHER MOVED, That the Board of Supervisors finds that based on the whole record before it there are no substantial project changes, no substantial changes in project circumstances, and no new information of substantial importance that would change the conclusions set forth in the FMND; and be it

FURTHER MOVED, That after carefully considering the appeal of the FMND, including the written information submitted to the Board of Supervisors and the public testimony presented to the Board of Supervisors at the hearing on the FMND, this Board concludes that the project qualifies for a FMND and that no fair argument supported by substantial evidence in the record has been presented that the project as proposed would result in any significant impact on the environment.
