8 Be it ordained by the People of the City and County of San Francisco:

9 Section 1. CHAPTER 10B of the San Francisco Administrative Code is hereby
10 amended by amending Section 10B.2, to read as follows:

11 **SEC. 10B.2. PAYMENT FOR SERVICES.** (a) The person, corporation, firm or
12 organization desiring such services shall pay to the police department such sums of money as
13 may be necessary to pay for the additional services. The payment shall be computed based
14 upon the rate paid or payable to those uniformed officers of the Police Department actually
15 performing services at the time they are to perform such additional duties, and the cost of
16 additional equipment and materials expended, ((, plus 22.5 percent thereof for administrative
17 overhead.))

18 (b) The Police Department shall provide an estimate of the payment for such services to the
19 person, corporation, firm or organization desiring the service within a reasonable time prior to
20 the date service is to be rendered. The person, corporation, firm or organization shall deposit
21 the amount of estimated funds with the Police Department prior to the time that the Police
22 Department renders the requested service. The Police Department may waive the deposit
23 requirement if services are requested for 30 days or more, or if Department reasonably
24 believes that a waiver is justified.

25 (c) Within a reasonable time after the services are rendered, the Chief of Police shall
