ARTICLE V: PUBLIC UTILITIES COMMISSION SHORT-TERM INDEBTEDNESS

SEC. 43.5.1. DEFINITIONS. For purposes of this Article, the following terms shall have the meanings given below:

(a) The term “Board” shall mean the Board of Supervisors of the City.
(b) The term “Charter” shall mean the Charter of this City.

(d) The term “Commission” shall mean the Public Utilities Commission of the City.
(e) The term “Director” shall mean Director of the Mayor’s Office of Public Finance or any successor to that office.

SEC. 43.5.2. AUTHORIZATION OF SHORT-TERM INDEBTEDNESS. Following voter approval or Board approval, as the case may be, of the issuance of revenue bonds by the Commission pursuant to Section 9.107 of the Charter, the Commission, in anticipation of the issuance of such revenue bonds, may incur short-term indebtedness in the form of commercial paper, temporary notes or other forms of indebtedness subject to the limitations set forth below.

The issuance of such short-term indebtedness, and certain of the terms and conditions thereof, shall be subject to prior authorization by the Board.

Except as provided in Section 43.5.5, use of the proceeds of any such short-term indebtedness shall be limited to the purposes for which the applicable revenue bonds were approved by the voters or by the Board, as the case may be. Short-term indebtedness incurred pursuant to this Article shall not result in interest costs or a maturity date exceeding the limits, if any, fixed by the voters or the Board, as the case may be, with respect to the applicable revenue bond approval(s).

Such short-term indebtedness shall be payable solely from the proceeds of the applicable revenue bonds, or revenues of the Commission pledged, or to be pledged, to the payment of such revenue bonds. If any of the principal of such short-term indebtedness is paid from revenues of the Commission (other than revenues derived from grants) rather than from the proceeds of revenue bonds, the principal amount of revenue bonds the Commission is thereafter authorized to issue shall be reduced by the principal amount of short-term indebtedness paid from revenues (other than revenues derived from grants).
Any pledge of revenues by the Commission for the payment of short-term indebtedness may, in the sole discretion of the Director upon recommendation of the Commission, be subordinate to any pledge of the Commission for its revenue bonds.

All indebtedness incurred pursuant to this Article shall not constitute or evidence a debt of the City, nor a legal or equitable pledge, charge, lien or encumbrance upon any property of the City, or upon any income, receipt, revenue of the City, except the revenues or funds, if any, pledged by the Commission.

All short-term indebtedness incurred pursuant to this Article must additionally comply with each of the following provisions:

(a) Shall be evidenced by notes, warrants, commercial paper or other evidences of indebtedness maturing not later than five years from their issuance date; and

(b) Any draw on such short-term indebtedness shall be subject to approval by the Director.

Such short-term indebtedness may be sold at the discretion of the Director, upon recommendation of the Commission, by public or private sale. All other terms and conditions for such short-term indebtedness shall be determined by the Director, upon recommendation of the Commission.

SEC. 43.5.3. CREDIT OR LIQUIDITY SUPPORT. The Director, upon recommendation of the Commission, may arrange for credit or liquidity support for short-term indebtedness issued pursuant to this Article or may arrange for credit or liquidity support to provide an additional source of repayment for such short-term indebtedness.

Notwithstanding anything to the contrary in this Article, any monies paid by a financial institution under any agreement for credit or liquidity support (a "credit facility") shall:
(a) Be repaid over a period not exceeding the maximum maturity, if any, fixed by the
voters or the Board, as the case may be, with respect to the applicable revenue bond
approval;

(b) Bear interest at a rate that does not cause the aggregate average interest cost
to exceed the maximum approved interest cost on such short-term indebtedness over the
entire period such short-term indebtedness is outstanding; and

(c) Have such other terms and conditions as the Director, upon the
recommendation of the Commission, shall fix.

SEC. 43.5.4. MAXIMUM SHORT-TERM INDEBTEDNESS. The maximum principal
amount of all short-term indebtedness outstanding and incurred under this Article, including
any amounts outstanding under any credit facility, together with the outstanding principal
amount of related revenue bonds, shall not at any time exceed the maximum principal amount
of the applicable revenue bonds approved by the voters or the Board, as the case may be.

SEC. 43.5.5. REFUNDING SHORT-TERM INDEBTEDNESS. The Commission, with
the prior approval of the Director, may issue commercial paper, refunding notes, warrants, or
other evidences of short-term indebtedness, in anticipation of the issuance of revenue bonds,
for the purpose of paying and redeeming, at or prior to maturity, outstanding short-term
indebtedness issued in accordance with this Article. Notwithstanding the preceding sentence,
any short-term indebtedness issued to refund outstanding short-term indebtedness may not:

(a) Exceed the interest cost limitation set forth in Section 43.5.2; and

(b) Exceed the limitation on the maximum principal amount of short-term
indebtedness set forth in Section 43.5.4; and
(c) Mature more than five years from the original date of issuance of the original short-term indebtedness it is refunding.

Short-term indebtedness issued to refund outstanding short-term indebtedness may be refunded by the Commission in accordance with this Section 43.5.5.

ARTICLE VI: SAN FRANCISCO REFUNDING REVENUE BOND ACT

SEC. 43.6.1. DECLARATION OF POLICY. Reference is hereby made to three copies of said Revenue Bond Law of 1941 (as in effect on June 5, 1984), filed for convenience in the office of the Clerk of the Board of Supervisors on July 7, 1987 and all of the provisions of said Revenue Bond Law of 1941 (as in effect on June 5, 1984 except as in this Article otherwise expressly provided) are hereby incorporated in this Article by reference and made a part hereof. The legislative body may authorize the issuance of the refunding bonds by means of an indenture, resolution, ordinance, order, agreement or other instrument in writing and, if the legislative body establishes the minimum savings to be generated by the issuance of such refunding bonds, may delegate to appropriate officials or officers of the City or of the legislative body the authority to determine the final terms, amounts, maturities, interest rates and other provisions of said refunding bonds.

Subject to the foregoing limitation, the principal amount of the refunding bonds (in aggregate or with respect to any maturity) may be more than, less than or the same as the principal amount of the bonds to be refunded.

(b) Net debt service savings shall be calculated by comparing the present value of the aggregate debt service on the refunding bonds to that of the refunded bonds as of the dated date of the refunding bonds using an assumed rate of interest equal to the yield on the refunding bonds. To the extent required, the present value of any funds contributed to the refunding by the City shall be deducted from the savings calculation.
