[SEC. 10.117-58. PUBLIC ADMINISTRATOR/PUBLIC GUARDIAN SUBSTITUTE PAYEE PROGRAM TRUST FUND.

(a) Findings. The Board of Supervisors finds that there are residents of the City and County of San Francisco who are recipients of Social Security Administration benefits, Veteran's Administration benefits, General Assistance, and income from public and private sources who are unable to manage such income to their best advantage.

There are also residents of the City and County of San Francisco who are denied the payment of Social Security Administration benefits, Veteran's Administration benefits, General Assistance, and income from public and private sources because of mental and/or physical disability who would benefit from assistance in applying for and managing funds.

Therefore, the Board of Supervisors authorizes the County Public Administrator/Public Guardian, pursuant to the permission of their client, to receive, manage, and disburse income and benefits from public and private sources for those persons who receive such aid, but are unable to manage their funds. The Department of Public Health and the Public Administrator/Public Guardian shall develop a Memorandum of Understanding delineating...
roles and responsibilities of each Department in relation to the Substitute Payee Program by June 30, 1991. The Public Administrator/Public Guardian shall submit to the Director of Public Health annually within 30 days of the close of each fiscal year a written report on the status of substitute payee services rendered to the mentally disabled clients of the Department of Public Health.

And, further, that the Public Administrator/Public Guardian is authorized, pursuant to the permission of their client, to provide assistance in applying for public and private resources to which the client may be entitled, but which are withheld or not paid because of a determination from the funding sources that the recipient is not mentally capable of managing such funds.

(b) Established. There shall be established a special fund to be known and designated as the Public Administrator/Public Guardian Substitute Payee Program Trust Fund, into which shall be placed deposits made by the Public Administrator/Public Guardian on behalf of individual clients.

(c) Public Administrator/Public Guardian Substitute Payee Program. Upon agreement with the client, PA/PG may provide the following services:

(1) Collect and deposit entitlement checks in the PA/PG Substitute Payee Trust Fund.

(2) Redirect client's rent and utility bills to the PA/PG Substitute Payee Program and pay these bills with the client's funds.

(3) Make disbursements from the client's share in the trust fund for the client's personal needs.

(d) Refunds. Upon discharge or withdrawal of a client from the Public Administrator/Public Guardian Program, any and all amounts on deposit in his/her name in the trust fund shall be paid to him/her.
(e) Revolving Fund. For the purposes of facilitating the withdrawal of money belonging to individual beneficiaries, the Public Administrator/Public Guardian may maintain, as part of the trust fund, a revolving fund in such amounts as shall be authorized by the Public Administrator/Public Guardian. Such revolving fund may be maintained in cash at the office of the Public Administrator/Public Guardian or may be deposited in such bank or banks as the Public Administrator/Public Guardian may direct. If the account accrues any interest it will first be used to offset the City's administrative costs of managing the Substitute Payee Trust Program. Any remaining interest will be prorated and credited to the individual beneficiaries on the basis of their share in the account.

(f) Records. The Public Administrator/Public Guardian shall cause full, true and correct records to be maintained, on a current basis, regarding the receipt and disbursement of all moneys belonging to any such client on deposit in the PA/PG Substitute Payee Program Trust Fund. Clear and current records must be maintained showing all credits to and debits from the account for each individual client, as well as each individual client's current share/balance in the account.
