20 San Francisco hereby finds, determines and declares, based on the record before it, including  
21 but not limited to reports and analyses prepared by expert real estate economics consultants  
22 and information contained in the Report on the Plan Amendment, that:

23 A. On April 25, 1966, the Board of Supervisors approved and adopted a  
24 Redevelopment Plan for the Yerba Buena Center Project Area by Ordinance No. 98-66 and  
25 designated such approved plan as the official Redevelopment Plan for the Yerba Buena

SUPERVISOR YAKI, BIERMAN  
BOARD OF SUPERVISORS

1 Center Project Area. Since then, the Board has amended such Redevelopment Plan nine  
2 times: by Ordinance No. 201-71 on July 26, 1971, by Ordinance No. 393-73 on October 9,  
3 1973, by Ordinance No. 386-76 on September 13, 1976, by Ordinance No. 367-77 on August  
4 8, 1977, by Ordinance No. 420-79 on August 13, 1979, by Ordinance No. 538-81 on  
5 November 2, 1981, by Ordinance No. 477-86 on December 1, 1986, by Ordinance No. 404-94  
6 on November 21, 1994, and by Ordinance No. 33-97 on January 27, 1997. Ordinance No.  
7 98-66, as it has been amended (the "Redevelopment Plan"), is by this reference incorporated  
8 and made a part hereof as though fully set forth herein.

9 B. Working in conjunction with the City's Planning Department, the Redevelopment  
10 Agency of the City and County of San Francisco (the "Redevelopment Agency") has proposed  
11 an amendment to the Redevelopment Plan for the Yerba Buena Center Redevelopment  
12 Project Area to expand the existing project area (the "YBC Project Area") by adding a portion  
13 of the block bounded by Market, Fourth, Mission and Fifth Streets (including the site of the  
14 Emporium building and related buildings and a portion of Jessie Street) and a portion of  
15 Mission Street between Fourth and Fifth Streets, specifically including Assessor's Block 3705,  
16 Lots 9, 10, 12, 13, 14, 15, 17, 18, 33, 38 and 43, as more particularly described in the  
17 Redevelopment Plan Amendment referred to in paragraph C below (the "Emporium Site  
18 Area"). The YBC Project Area, together with the Emporium Site Area, is sometimes referred  
19 to herein as the "Amended Project Area."

20 C. The Redevelopment Agency has transmitted to this Board of Supervisors  
21 certified copies of its Resolution No. 144-2000, adopted following a duly noticed public  
22 hearing held on August 15, 2000, attaching its report to the Board of Supervisors (the  
23 "Report on the Plan Amendment") and recommending the adoption of an amendment to the  
24 Redevelopment Plan for the Yerba Buena Center Redevelopment Project Area to expand the  
25 Project Area to include the Emporium Site Area (the "Redevelopment Plan Amendment").

2 Amendment are on file with the Clerk of the Board of Supervisors in File No. 001257

5 available to the public before the date of the hearing on this Ordinance approving the  
6 Redevelopment Plan Amendment.

7 D. Pursuant to Sections 33220, 33343, 33344 and 33370 of the California Health  
8 and Safety Code, and in order to promote development in accordance with objectives and  
9 purposes of the Redevelopment Plan Amendment and documents relating to the  
10 Redevelopment Plan Amendment, the City intends to aid and cooperate with the Agency to  
11 undertake and complete proceedings and actions necessary to be carried out by the City  
12 under the provisions of the Redevelopment Plan Amendment and provide for the expenditure  
13 of monies by the community in carrying out the Redevelopment Plan Amendment.

14 E. The Planning Commission has reviewed the proposed Redevelopment Plan  
15 Amendment and has transmitted to this Board of Supervisors <sup>copies</sup> a certified ~~copy~~ of its Resolution  
16 Nos. 15947, 15948, adopted on August 17, 2000, in which the Planning Commission  
17 finds that the proposed Redevelopment Plan Amendment, when effective, will be consistent  
18 with the General Plan of the City and County of San Francisco, as amended, and consistent  
19 with the eight Priority Policies of City Planning Code Section 101.1, and recommends the  
20 adoption of the Redevelopment Plan Amendment to this Board of Supervisors. A copy of the  
21 Planning Commission Resolution referred to above together with related documents are on

1 Clerk of the Board of Supervisors in File No. 001265, this Board of Supervisors  
2 affirmed the Planning Commission's and Redevelopment Commission's certification of the  
3 Final Supplemental Environmental Impact Report for the Yerba Buena Redevelopment  
4 Project Area Expansion/Emporium Site Development (SCH. No. 98072072) (the "FSEIR") as  
5 adequate and complete pursuant to the California Environmental Quality Act ("CEQA"), the  
6 State CEQA Guidelines, and Chapter 31 of the San Francisco Administrative Code. In such  
7 Resolution, this Board also adopted findings in connection with the FSEIR, including an  
8 Addendum thereto, and its actions related to the Yerba Buena Redevelopment Project Area  
9 Expansion, including the actions contemplated herein, and adopted a mitigation monitoring  
10 and reporting program. This Board hereby incorporates by reference as if fully set forth herein  
11 such Resolution, including its findings and mitigation program, and relies on such Resolution  
12 as the CEQA basis for the actions proposed in this legislation.

13 G. On October 10, 2000, the Board of Supervisors held a public hearing on  
14 the Redevelopment Plan Amendment. The hearing has been closed. Notice of such hearing  
15 was published in accordance with Section 33452 of the California Health and Safety Code  
16 and Section 6063 of the California Government Code, in the San Francisco Independent, a  
17 newspaper of general circulation, printed, published and distributed in the City and County of  
18 San Francisco. At such hearing the Board considered the report and recommendations of the  
19 Redevelopment Agency and the Planning Commission, the FSEIR, including the Addendum  
20 thereto, and all evidence and testimony for and against the proposed Redevelopment Plan.  
21 The Board hereby adopts written findings to the extent required by the Community  
22 Redevelopment Law as set forth in this Ordinance.

23 H. Due to the great need for low and moderate income housing at affordable cost in  
24 all areas of the City as shown in the "Analysis of the OAHPP Formula prepared by the  
25 Department of City Planning in November 1994" (as identified in Section 313.2 of the Planning

1 Code) and in the Jobs Housing Nexus Analysis prepared by Keyser Marston Associates, Inc.  
2 in June 1999, and due to the lack of available sites for such housing in redevelopment project  
3 areas, the Agency's use of funds in the Low and Moderate Income Housing Fund created  
4 under Board of Supervisors' Resolution No. 489-89 both inside and outside of the Amended  
5 Project Area will benefit the Amended Project Area by helping to achieve the objectives of the  
6 Redevelopment Plan as modified by the Redevelopment Plan Amendment.

7 I. The Redevelopment Plan Amendment includes certain City development fees  
8 and exactions to development of a project within the Emporium Site Area ("Project").  
9 Specifically, in the Redevelopment Plan Amendment, such fees and exactions are limited to  
10 those in effect as of January 13, 2000 (the date the FSEIR was certified) as to any  
11 development project for which the initial building or site permits are issued twenty-four (24)  
12 months after the effective date of the Redevelopment Plan Amendment, subject to limited  
13 extensions as provided in the Redevelopment Plan Amendment. Such limitation is  
14 appropriate in consideration of the public benefits from redevelopment of the Emporium Site  
15 Area (including the set aside of increment for affordable housing in excess of the minimum  
16 requirements under redevelopment law) and is, according to the facts and analyses set forth  
17 in the Report on the Plan Amendment and related documents, including but not limited to  
18 reports and analyses prepared by expert real estate consultants, necessary in order to make  
19 the project feasible and achieve the objectives of the Redevelopment Plan Amendment.

20 J. The Redevelopment Plan Amendment provides for the preservation of  
21 historically significant features of the Emporium Building (Lot 43 of Block 3705), as such  
22 features are generally described in the FSEIR.

23 K. Pursuant to Sections 33205 and 33128 of the Community Redevelopment Law,  
24 the Redevelopment Agency may delegate to the City's Planning Department certain

1 administration of the development controls over the Emporium Site Area set forth in the  
2 Redevelopment Plan Amendment.

3 Section 2. PURPOSES AND INTENT. The purposes and intent of the Board of  
4 Supervisors with respect to this Ordinance are to expand the YBC Project Area by adding the  
5 Emporium Site Area in accordance with the Community Redevelopment Law of California  
6 (California Health and Safety Code Sections 33000 *et seq.*) and to achieve the objectives for  
7 redevelopment of the Emporium Site Area specified in the Redevelopment Plan Amendment.

8 Section 3. By this reference, the Redevelopment Plan Amendment, a copy of which  
9 is on file with the Clerk of the Board of Supervisors under File No. 001257, is  
10 incorporated in and made a part of this Ordinance with the same force and effect as though  
11 set forth fully herein.

12 Section 4. FURTHER FINDINGS AND DETERMINATIONS UNDER THE  
13 COMMUNITY REDEVELOPMENT LAW. The Board of Supervisors hereby further finds,  
14 determines and declares, based on the the record before it, including but not limited to reports  
15 and analyses prepared by expert real estate economics consultants and information  
16 contained in the Report on the Plan Amendment, that:

17 A. The Emporium Site Area, which is the subject of the Redevelopment Plan  
18 Amendment, is a blighted area (as described in the Report on the Plan Amendment), the  
19 redevelopment of which is necessary to effectuate the public purposes declared in the  
20 Community Redevelopment Law.

21 B. The Redevelopment Plan Amendment will redevelop the Emporium Site Area as  
22 set forth in the Report on the Plan Amendment in conformity with the Community  
23 Redevelopment Law and in the interests of the public peace, health, safety, and welfare.

24 C. The adoption and carrying out of the Redevelopment Plan Amendment is  
25 economically sound and feasible as described in the Report on the Plan Amendment.

SUPERVISOR YAKI  
BOARD OF SUPERVISORS

1 D. The Redevelopment Plan Amendment, once effective, will be consistent with the  
2 General Plan of the City and County of San Francisco, as amended, including, but not limited  
3 to, the housing element of the General Plan, which substantially complies with the  
4 requirements of Article 10.6 (commencing with Section 65580) of Chapter 3 of Division 1 of  
5 Title 7 of the California Government Code and other applicable requirements of law, and is  
6 consistent with the eight Priority Policies in City Planning Code Section 101.1 for the reasons  
9/25/00  
rt 7 set forth in City Planning Commission Resolution Nos. 15947, 15948, which findings are  
8 incorporated herein by reference as though fully set forth herein.

9 E. The carrying out of the Redevelopment Plan Amendment will promote the public  
10 peace, health, safety and welfare of the community and effectuate the purposes and policies  
11 of the Community Redevelopment Law as generally described in the Report on the Plan  
12 Amendment.

13 F. The condemnation of real property, to the extent provided for in the  
14 Redevelopment Plan Amendment is necessary to the execution of the Redevelopment Plan  
15 Amendment. No residential property is proposed to be the subject of any eminent domain  
16 action. Adequate provisions have been made for payment for property to be so acquired as  
17 provided by law.

18 G. According to the Report on the Plan Amendment, there are no persons living in  
19 housing facilities in the Emporium Site Area who will be displaced by the Redevelopment Plan  
20 Amendment. Accordingly, no residential relocation plan is required.

21 H. There are no non-contiguous areas in the Emporium Site Area.

22 I. The Emporium Site Area includes lands, buildings and improvements which are  
23 not individually detrimental to the public health, safety or welfare but which are necessary for  
24 the effective redevelopment of the Emporium Site Area. Any area included in the Emporium  
25 Site Area is necessary for effective redevelopment and is not included for the purpose of

1 obtaining an allocation of tax increment revenues from the Emporium Site Area pursuant  
2 Section 33670 of the California Health and Safety Code without other substantial justification  
3 for its inclusion.

4 J. The elimination of blight and the redevelopment of the Emporium Site Area  
5 could not reasonably be expected to be accomplished by private enterprise acting alone  
6 without the aid and assistance of the Redevelopment Agency.

7 K. The Emporium Site Area is predominantly urbanized, as defined by California  
8 Health and Safety Code Section 33320.1(b).

9 L. The time limitation and the limitation on the number of dollars to be allocated to  
10 the Redevelopment Agency that are contained in the Redevelopment Plan Amendment are  
11 reasonably related to the proposed projects to be implemented in the Emporium Site Area and  
12 to the ability of the Redevelopment Agency to eliminate blight within the Emporium Site Area.

13 M. The Agency's expenditure of funds in the Low and Moderate Income Housing  
14 Fund created under Board of Supervisors' Resolution No. 498-89 within the territorial limits of  
15 the City, whether within or outside the territorial limits of the Amended Project Area, will be of  
16 benefit to the Amended Project Area for the reasons set forth in Section 1.I above.

17 Section 5. Pursuant to Section 33450 of the California Health and Safety Code, the  
18 Board of Supervisors hereby approves and adopts the Redevelopment Plan Amendment, and  
19 Ordinance No. 98-66, as amended by Ordinance Nos. 201-71, 393-73, 386-76, 367-77, 420-  
20 79, 538-81, 477-86, 404-94, and 33-97, is hereby further amended by this Ordinance. The  
21 Redevelopment Plan, as amended by this Ordinance, will expand the YBC Project Area to  
22 include the Emporium Site Area as described in this Ordinance.

23 Section 6. The Clerk of the Board of Supervisors shall without delay (1) transmit a  
24 copy of this Ordinance to the Redevelopment Agency pursuant to California Health and Safety  
25 Code Section 33372, whereupon the Redevelopment Agency shall be vested with the

1 responsibility for carrying out the Redevelopment Plan Amendment, (2) record or ensure that  
2 the Redevelopment Agency records a description of the Emporium Site Area and a certified  
3 copy of this Ordinance pursuant to California Health and Safety Sections 33456, and  
4 (3) transmit, by certified mail, return receipt requested, a copy of this Ordinance, together with  
5 a copy of the Redevelopment Plan Amendment, which contains a legal description of the  
6 Project Area and a map indicating the boundaries of the Emporium Site Area, to the  
7 Controller, the Tax Assessor, the State Board of Equalization and the governing body of all  
8 taxing agencies in the Amended Project Area pursuant to California Health and Safety Code  
9 Sections 33457 and 33670.

10 Section 7. In accordance with Section 33220, 33343, 33344 and 33370 of the  
11 Community Redevelopment Law, the Board of Supervisors declares its intent to undertake  
12 and complete actions and proceedings necessary to be carried out by the City under the  
13 Redevelopment Plan Amendment and related Plan Documents and authorizes and urges the  
14 Mayor and other applicable officers, commissions and employees of the City to take any and  
15 all steps as they or any of them deem necessary or appropriate, in consultation with the City  
16 Attorney, to cooperate with the Agency in the implementation of the Redevelopment Plan  
17 Amendment and to effectuate the purposes and intent of this Ordinance, such determination  
18 to be conclusively evidenced by the execution and delivery by such person or persons of any  
19 such documents. Such steps shall include, but not limited to (i) the execution and delivery of  
20 any and all agreements, notices, consents and other instruments or documents (including,  
21 without limitation, execution by the Mayor, or the Mayor's designee, of any agreements to  
22 extend any applicable statutes of limitation) and (ii) the institution and completion of  
23 proceedings for the closing, vacating, opening, acceptance of dedication and other necessary  
24 modifications of public streets, sidewalks, street layout and other rights-of-way in the
