Center Project Area. Since then, the Board has amended such Redevelopment Plan nine
times: by Ordinance No. 201-71 on July 26, 1971, by Ordinance No. 393-73 on October 9,
1973, by Ordinance No. 386-76 on September 13, 1976, by Ordinance No. 367-77 on August
8, 1977, by Ordinance No. 420-79 on August 13, 1979, by Ordinance No. 538-81 on
November 2, 1981, by Ordinance No. 477-86 on December 1, 1986, by Ordinance No. 404-94
98-66, as it has been amended (the “Redevelopment Plan”), is by this reference incorporated
and made a part hereof as though fully set forth herein.

B. Working in conjunction with the City’s Planning Department, the Redevelopment
Agency of the City and County of San Francisco (the “Redevelopment Agency”) has proposed
an amendment to the Redevelopment Plan for the Yerba Buena Center Redevelopment
Project Area to expand the existing project area (the “YBC Project Area”) by adding a portion
of the block bounded by Market, Fourth, Mission and Fifth Streets (including the site of the
Emporium building and related buildings and a portion of Jessie Street) and a portion of
Mission Street between Fourth and Fifth Streets, specifically including Assessor’s Block 3705,
Lots 9, 10, 12, 13, 14, 15, 17, 18, 33, 38 and 43, as more particularly described in the
Redevelopment Plan Amendment referred to in paragraph C below (the “Emporium Site
Area”). The YBC Project Area, together with the Emporium Site Area, is sometimes referred
to herein as the “Amended Project Area.”

C. The Redevelopment Agency has transmitted to this Board of Supervisors
certified copies of its Resolution No. 144-2000, adopted following a duly noticed public
hearing held on August 15, 2000, attaching its report to the Board of Supervisors (the
“Report on the Plan Amendment”) and recommending the adoption of an amendment to the
Redevelopment Plan for the Yerba Buena Center Redevelopment Project Area to expand the
Project Area to include the Emporium Site Area (the “Redevelopment Plan Amendment”).

Copies of the Redevelopment Plan Amendment and of the Agency's Report on the Plan Amendment are on file with the Clerk of the Board of Supervisors in File No. 001257. The Report on the Plan Amendment was prepared pursuant to and in accordance with Sections 33457.1 and 33352 of the California Health and Safety Code and has been made available to the public before the date of the hearing on this Ordinance approving the Redevelopment Plan Amendment.

D. Pursuant to Sections 33220, 33343, 33344 and 33370 of the California Health and Safety Code, and in order to promote development in accordance with objectives and purposes of the Redevelopment Plan Amendment and documents relating to the Redevelopment Plan Amendment, the City intends to aid and cooperate with the Agency to undertake and complete proceedings and actions necessary to be carried out by the City under the provisions of the Redevelopment Plan Amendment and provide for the expenditure of monies by the community in carrying out the Redevelopment Plan Amendment.

E. The Planning Commission has reviewed the proposed Redevelopment Plan Amendment and has transmitted to this Board of Supervisors a certified copy of its Resolution No. 15947, 15948, adopted on August 17, 2000, in which the Planning Commission finds that the proposed Redevelopment Plan Amendment, when effective, will be consistent with the General Plan of the City and County of San Francisco, as amended, and consistent with the eight Priority Policies of City Planning Code Section 101.1, and recommends the adoption of the Redevelopment Plan Amendment to this Board of Supervisors. A copy of the Planning Commission Resolution referred to above together with related documents are on file with the Clerk of the Board of Supervisors in File No. 001257 and are hereby incorporated herein by reference.

F. In Resolution No. 812-00, a copy of which is on file with the

SUPERVISOR YAKI
BOARD OF SUPERVISORS
Clerk of the Board of Supervisors in File No. 001265, this Board of Supervisors affirmed the Planning Commission’s and Redevelopment Commission’s certification of the Final Supplemental Environmental Impact Report for the Yerba Buena Redevelopment Project Area Expansion/Emporium Site Development (SCH. No. 98072072) (the “FSEIR”) as adequate and complete pursuant to the California Environmental Quality Act (“CEQA”), the State CEQA Guidelines, and Chapter 31 of the San Francisco Administrative Code. In such Resolution, this Board also adopted findings in connection with the FSEIR, including an Addendum thereto, and its actions related to the Yerba Buena Redevelopment Project Area Expansion, including the actions contemplated herein, and adopted a mitigation monitoring and reporting program. This Board hereby incorporates by reference as if fully set forth herein such Resolution, including its findings and mitigation program, and relies on such Resolution as the CEQA basis for the actions proposed in this legislation.

G. On October 10, 2000, the Board of Supervisors held a public hearing on the Redevelopment Plan Amendment. The hearing has been closed. Notice of such hearing was published in accordance with Section 33452 of the California Health and Safety Code and Section 6063 of the California Government Code, in the San Francisco Independent, a newspaper of general circulation, printed, published and distributed in the City and County of San Francisco. At such hearing the Board considered the report and recommendations of the Redevelopment Agency and the Planning Commission, the FSEIR, including the Addendum thereto, and all evidence and testimony for and against the proposed Redevelopment Plan. The Board hereby adopts written findings to the extent required by the Community Redevelopment Law as set forth in this Ordinance.

H. Due to the great need for low and moderate income housing at affordable cost in all areas of the City as shown in the “Analysis of the OAHPP Formula prepared by the Department of City Planning in November 1994” (as identified in Section 313.2 of the Planning
Code) and in the Jobs Housing Nexus Analysis prepared by Keyser Marston Associates, Inc. in June 1999, and due to the lack of available sites for such housing in redevelopment project areas, the Agency's use of funds in the Low and Moderate Income Housing Fund created under Board of Supervisors' Resolution No. 489-89 both inside and outside of the Amended Project Area will benefit the Amended Project Area by helping to achieve the objectives of the Redevelopment Plan as modified by the Redevelopment Plan Amendment.

I. The Redevelopment Plan Amendment includes certain City development fees and exactions to development of a project within the Emporium Site Area ("Project"). Specifically, in the Redevelopment Plan Amendment, such fees and exactions are limited to those in effect as of January 13, 2000 (the date the FSEIR was certified) as to any development project for which the initial building or site permits are issued twenty-four (24) months after the effective date of the Redevelopment Plan Amendment, subject to limited extensions as provided in the Redevelopment Plan Amendment. Such limitation is appropriate in consideration of the public benefits from redevelopment of the Emporium Site Area (including the set aside of increment for affordable housing in excess of the minimum requirements under redevelopment law) and is, according to the facts and analyses set forth in the Report on the Plan Amendment and related documents, including but not limited to reports and analyses prepared by expert real estate consultants, necessary in order to make the project feasible and achieve the objectives of the Redevelopment Plan Amendment.

J. The Redevelopment Plan Amendment provides for the preservation of historically significant features of the Emporium Building (Lot 43 of Block 3705), as such features are generally described in the FSEIR.

K. Pursuant to Sections 33205 and 33128 of the Community Redevelopment Law, the Redevelopment Agency may delegate to the City's Planning Department certain

administration of the development controls over the Emporium Site Area set forth in the
Redevelopment Plan Amendment.

Section 2. PURPOSES AND INTENT. The purposes and intent of the Board of
Supervisors with respect to this Ordinance are to expand the YBC Project Area by adding the
Emporium Site Area in accordance with the Community Redevelopment Law of California
(California Health and Safety Code Sections 33000 et seq.) and to achieve the objectives for
redevelopment of the Emporium Site Area specified in the Redevelopment Plan Amendment.

Section 3. By this reference, the Redevelopment Plan Amendment, a copy of which
is on file with the Clerk of the Board of Supervisors under File No. 001257, is
incorporated in and made a part of this Ordinance with the same force and effect as though
set forth fully herein.

Section 4. FURTHER FINDINGS AND DETERMINATIONS UNDER THE
COMMUNITY REDEVELOPMENT LAW. The Board of Supervisors hereby further finds,
determines and declares, based on the the record before it, including but not limited to reports
and analyses prepared by expert real estate economics consultants and information
contained in the Report on the Plan Amendment, that:

A. The Emporium Site Area, which is the subject of the Redevelopment Plan
Amendment, is a blighted area (as described in the Report on the Plan Amendment), the
redevelopment of which is necessary to effectuate the public purposes declared in the
Community Redevelopment Law.

B. The Redevelopment Plan Amendment will redevelop the Emporium Site Area as
set forth in the Report on the Plan Amendment in conformity with the Community
Redevelopment Law and in the interests of the public peace, health, safety, and welfare.

C. The adoption and carrying out of the Redevelopment Plan Amendment is
economically sound and feasible as described in the Report on the Plan Amendment.
D. The Redevelopment Plan Amendment, once effective, will be consistent with the General Plan of the City and County of San Francisco, as amended, including, but not limited to, the housing element of the General Plan, which substantially complies with the requirements of Article 10.6 (commencing with Section 65580) of Chapter 3 of Division 1 of Title 7 of the California Government Code and other applicable requirements of law, and is consistent with the eight Priority Policies in City Planning Code Section 101.1 for the reasons set forth in City Planning Commission Resolution Nos. 15947, 15948, which findings are incorporated herein by reference as though fully set forth herein.

E. The carrying out of the Redevelopment Plan Amendment will promote the public peace, health, safety and welfare of the community and effectuate the purposes and policies of the Community Redevelopment Law as generally described in the Report on the Plan Amendment.

F. The condemnation of real property, to the extent provided for in the Redevelopment Plan Amendment is necessary to the execution of the Redevelopment Plan Amendment. No residential property is proposed to be the subject of any eminent domain action. Adequate provisions have been made for payment for property to be so acquired as provided by law.

G. According to the Report on the Plan Amendment, there are no persons living in housing facilities in the Emporium Site Area who will be displaced by the Redevelopment Plan Amendment. Accordingly, no residential relocation plan is required.

H. There are no non-contiguous areas in the Emporium Site Area.

I. The Emporium Site Area includes lands, buildings and improvements which are not individually detrimental to the public health, safety or welfare but which are necessary for the effective redevelopment of the Emporium Site Area. Any area included in the Emporium Site Area is necessary for effective redevelopment and is not included for the purpose of...
obtaining an allocation of tax increment revenues from the Emporium Site Area pursuant to Section 33670 of the California Health and Safety Code without other substantial justification for its inclusion.

J. The elimination of blight and the redevelopment of the Emporium Site Area could not reasonably be expected to be accomplished by private enterprise acting alone without the aid and assistance of the Redevelopment Agency.

K. The Emporium Site Area is predominantly urbanized, as defined by California Health and Safety Code Section 33320.1(b).

L. The time limitation and the limitation on the number of dollars to be allocated to the Redevelopment Agency that are contained in the Redevelopment Plan Amendment are reasonably related to the proposed projects to be implemented in the Emporium Site Area and to the ability of the Redevelopment Agency to eliminate blight within the Emporium Site Area.

M. The Agency’s expenditure of funds in the Low and Moderate Income Housing Fund created under Board of Supervisors’ Resolution No. 498-89 within the territorial limits of the City, whether within or outside the territorial limits of the Amended Project Area, will be of benefit to the Amended Project Area for the reasons set forth in Section 1.I above.

Section 5. Pursuant to Section 33450 of the California Health and Safety Code, the Board of Supervisors hereby approves and adopts the Redevelopment Plan Amendment, and Ordinance No. 98-66, as amended by Ordinance Nos. 201-71, 393-73, 386-76, 367-77, 420-79, 538-81, 477-86, 404-94, and 33-97, is hereby further amended by this Ordinance. The Redevelopment Plan, as amended by this Ordinance, will expand the YBC Project Area to include the Emporium Site Area as described in this Ordinance.

Section 6. The Clerk of the Board of Supervisors shall without delay (1) transmit a copy of this Ordinance to the Redevelopment Agency pursuant to California Health and Safety Code Section 33372, whereupon the Redevelopment Agency shall be vested with the
responsibility for carrying out the Redevelopment Plan Amendment, (2) record or ensure that the Redevelopment Agency records a description of the Emporium Site Area and a certified copy of this Ordinance pursuant to California Health and Safety Sections 33456, and (3) transmit, by certified mail, return receipt requested, a copy of this Ordinance, together with a copy of the Redevelopment Plan Amendment, which contains a legal description of the Project Area and a map indicating the boundaries of the Emporium Site Area, to the Controller, the Tax Assessor, the State Board of Equalization and the governing body of all taxing agencies in the Amended Project Area pursuant to California Health and Safety Code Sections 33457 and 33670.

Section 7. In accordance with Section 33220, 33343, 33344 and 33370 of the Community Redevelopment Law, the Board of Supervisors declares its intent to undertake and complete actions and proceedings necessary to be carried out by the City under the Redevelopment Plan Amendment and related Plan Documents and authorizes and urges the Mayor and other applicable officers, commissions and employees of the City to take any and all steps as they or any of them deem necessary or appropriate, in consultation with the City Attorney, to cooperate with the Agency in the implementation of the Redevelopment Plan Amendment and to effectuate the purposes and intent of this Ordinance, such determination to be conclusively evidenced by the execution and delivery by such person or persons of any such documents. Such steps shall include, but not limited to (i) the execution and delivery of any and all agreements, notices, consents and other instruments or documents (including, without limitation, execution by the Mayor, or the Mayor's designee, of any agreements to extend any applicable statutes of limitation) and (ii) the institution and completion of proceedings for the closing, vacating, opening, acceptance of dedication and other necessary modifications of public streets, sidewalks, street layout and other rights-of-way in the Emporium Site Area.
Section 8. The approval under this Ordinance shall take effect upon the effective date of the amendments to the General Plan approved under Board of Supervisors Ordinance No. 229-00, adopted on October 13, 2000.
