9
10 *Section 1. Findings and Intent.*

11 *The Board of Supervisors of the City and County of San Francisco finds and determines that:*

12 (a) *As an essential element of the local agency home rule guaranteed by the California*
13 *Constitution, property taxes collected in a county have always been intended for use in that county.*

14 (b) *Proposition 13, as adopted in June of 1978 and amended thereafter, allows the*
15 *Legislature to specify how the property taxes collected in a county are to be apportioned among the*
16 *county and the cities and districts therein, but did not contemplate that property taxes would be taken*
17 *for State purposes or would be apportioned in a manner inconsistent with the home rule provisions of*
18 *the Constitution of California.*

19 (c) *Proposition 98, as adopted in November of 1988 and amended by Proposition 111 in*
20 *June of 1990, provides that a county's portion of school funding is the amount of property taxes*
21 *provided to the schools in the county for fiscal 1987-88, adjusted annually for cost of living increases.*
22 *Pursuant to Proposition 98, the State's portion of school funding is the amount that, when added to the*
23 *counties' portion, will bring total school funding up to the level specified in the Proposition.*

24 (d) *The Legislature of California has expressed its intent to take approximately*
25 *\$2,600,000,000 of the property taxes collected in California counties in fiscal 1993-94 and use those*

1 *funds to pay a substantial part of the State's portion of school funding or to pay other States expenses,*
2 *in clear violation of the letter and intent of Proposition 98 and of Articles XIII A and XIII B of the*
3 *California Constitution.*

4 (e) *For fiscal 1992-93, available revenues have fallen far short of the expenditures*
5 *necessary to meet the critical needs of the City and County of San Francisco, requiring that essential*
6 *City and County services be cut substantially.*

7 (f) *If the gap between available revenues and necessary expenditures increases to any*
8 *significant extent for fiscal 1993-94, the City and County will not be able to fund State mandates and*
9 *provide for the essential health, safety and general welfare of its citizens that is requisite to meaningful*
10 *home rule.*

11 (g) *If the Legislature acts upon its expressed intent to take approximately \$2,600,000,000 of*
12 *the property taxes collected in California counties in fiscal 1993-94 and use those funds to pay a*
13 *substantial part of the State's portion of school funding or to pay other State expenses, this City and*
14 *County would lose a very significant part of the funding now used to provide critical City and County*
15 *services, would be prevented from providing for the essential health, safety and general welfare of its*
16 *citizens, and would be deprived of meaningful home rule in contravention of the Constitution of*
17 *California.*

18 (h) *The City and County of San Francisco Board of Supervisors hereby finds that the*
19 *aforesaid intended State action would constitute an illegal confiscation of the property taxes of this City*
20 *and County, in that such action would prevent the City and County from providing for the essential*
21 *health, safety and general welfare of its citizens, would prevent the meaningful home rule guaranteed*
22 *by the constitution of California, would violate the schools funding scheme of Proposition 98 by*
23 *requiring this City and County to pay a substantial part of the State portion of school funding, would*
24 *violate Section 6 of Article XIII B of the State Constitution by mandating increased local agency funding*
25 *of schools without State reimbursement, and would be in excess of the power given to the Legislature in*

1 *Section 1(a) of Article XIII A of the State Constitution lawfully to apportion property taxes among the*
2 *City and County therein.*

3 *(j) The City and County of San Francisco therefore, determines, that it is necessary to take*
4 *action to prevent the intended State confiscation of the property taxes to be collected in the City and*
5 *County of San Francisco for fiscal 1993-94 and to insure the preservation of the constitutionally*
6 *guaranteed powers of home rule, including the power to provide for the essential health, safety and*
7 *general welfare of the citizens of the City and County. This ordinance, therefore, provides for the lawful*
8 *apportionment among the City and County therein of the property taxes collected in this City and*
9 *County in fiscal 1993-94.*

10
11 *Section 2. Apportionment.*

12 *Notwithstanding any provisions of State law to the contrary, the apportionment of property*
13 *taxes among the City and County, school districts (including community college district) and other*
14 *districts therein shall be in the manner such apportionment was made for fiscal 1992-93 pursuant to*
15 *Chapter 6 of Part 0.5 of Division 1 of the Revenue and Taxation Code of California.*

16
17 *Section 3. Collection and Disbursement.*

18 *The Controller of the City and County of San Francisco shall collect, apportion and disburse*
19 *property taxes for fiscal 1993-94 in accordance with Section 2 unless and until the Board of*
20 *Supervisors by resolution directs another method.*

21
22 *Section 4. Circumstances Invoking Operation of this Ordinance.*

23 *In accordance with the findings and intent of Section 1, this ordinance will become operative,*
24 *and property taxes shall be collected, apportioned and disbursed in accordance herewith, in the event*
25

1 *the State enacts legislation that would result in the aforesaid confiscation of property taxes collected in*
2 *the City and County of San Francisco in fiscal 1993-94.*
