C. Where the transit impact development fee, not payable in installments pursuant to
Section 38.4 hereof is not paid within 30 days of request for payment and where the transit

(1) The General Manager or his designee may cause the County Recorder to

Said notice shall include: (a) Description of the real property affected; (b) the book and page number of the county record wherein the notice of delinquency was recorded; (c) the date the notice of delinquency was recorded; (d) notification that the delinquency reflected on the notice of delinquency was cured and the date of cure; (e) the amount of the entire fee as reflected on the final determination; (f) if applicable, the amount of the fee paid to effect the cure; and (g) if applicable, a statement that the fee was payable in installments and specification of the delinquency installments cured; (h) if applicable, the amount of the fee paid to effect the cure.

(4) The General Manager shall serve or mail the notice that the transit impact development fee delinquency has been cured, referred to in Section 38.10B(3) of this ordinance, to the persons liable for the fee and to the owners of the real property described in such notice.

D. Where the transit impact development fee, not payable in installments pursuant to Section 38.4 hereof is not paid within 30 days of request for payment and where the transit impact development fee is payable in installments pursuant to Section 38.4 of this ordinance and the installment is not paid within 30 days of the date fixed for payment, the General Manager or his designee shall mail an additional request for payment and notice to the owner stating the following:

(1) If the amount due is not paid within 30 days of the date of mailing the additional request and notice, interest at the legal rate shall be assessed upon the fee or installment due.

(2) With respect to both noninstallment and installment fees, if the account is not current within 60 days of the date of mailing the additional request and notice, the General Manager shall institute proceedings to record a special assessment lien for the entire balance and any accrued interest against the property upon which the fee is owed.
E. Thirty days after mailing the additional request for payment the General Manager may assess interest as specified in paragraph 38.10(A)(C) (1) above. Sixty days after mailing the additional request for payment and notice the General Manager may institute lien proceedings as specified in Paragraph 38.104.C.(2) above Section 38.11.

SEC. 38.11. LIEN PROCEEDINGS; NOTICE. If payment of the fee not payable in installments is not received within 30 days following mailing of the additional request and notice or if with respect to installment payments the account is not brought current within 60 days of the mailing of the additional request and notice, the General Manager of the Public Utilities Commission shall initiate proceedings in accordance with Article XX of Chapter 10 of the San Francisco Administrative Code, by reporting the delinquency to the Board, to make the entire unpaid balance of the Transit Impact Development Fee, including interest on the unpaid fee or installments a special assessment lien against the property served. Such charges against delinquent accounts shall be reported to the Board at least once each year. Except for the release of lien recording fee authorized by Administrative Code Section 10.237, all sums collected by the Tax Collector pursuant to this ordinance shall be held in trust by the Treasurer and distributed as provided in Section 38.6 of this Chapter. Said report for each such delinquent account shall contain the owner's name, the amount due, including interest, amount of the unpaid balance, including interest on any delinquent installment, and the description of the parcel served. The General Manager of the Public Utilities Commission shall also recommend which of such delinquent accounts should be exempted from the lien procedure or other sanctions because of the small amounts involved, or because another debt collection procedure is more appropriate or for other appropriate reasons. The descriptions of the parcels shall be those used for the same parcels on the Assessor's map books for the current year. Upon receipt of such report the Board shall fix a time, date and place for hearing the report and any protest or objections thereto, and shall cause notice of the hearing to be mailed to each owner of the parcels of real property described in the report not less than 10 days prior to the date of
HEARING. At the time fixed for consideration of the report the Board shall hear it with any objections of the owners of the parcels liable to be assessed for delinquent accounts. The Board may make such revisions, corrections or modifications of the report as it may deem just; and in the event that the Board is satisfied with the correctness of the report (as submitted or as revised, corrected or modified), it shall be confirmed. The decision of the Board on the report and on all protests or objections thereto shall be final and conclusive; provided, however, any delinquent account may be removed from the report by payment in full at any time prior to confirmation of the report. The Clerk of the Board shall cause the confirmed report to be verified in form sufficient to meet recording requirements.

COLLECTION OF ASSESSMENT. Upon confirmation of the report by the Board, the delinquent charges contained therein shall constitute a special assessment against the parcels to which the services were rendered.

Each such assessment shall be subordinate to all existing special assessment liens previously imposed upon such parcels and paramount to all other liens except those for state, county and municipal taxes with which it shall be upon parity. The lien shall continue until the assessment and all interest and penalties due and payable thereon are paid. All laws applicable to the levy, collection and enforcement of municipal taxes shall be applicable to said special assessment.

RECORDATION; CHARGES. The Clerk of the Board shall cause the confirmed and verified report to be recorded in the County Recorder's office and the special assessment lien on each parcel of property described in said report shall carry additional charges for administrative expenses of $50 or 10 percent of the amount of the unpaid balance, including penalty, whichever is higher, and a rate of one and one-half percent per full-month compounded monthly from the date of the recordation of the lien on all charges due.

FILING WITH CONTROLLER AND TAX COLLECTOR; DISTRIBUTION.
OF PROCEEDS. The Clerk of the Board shall file a certified copy of each confirmed report with the
Controller and Tax Collector within 10 days after confirmation of the report, whereupon it shall be the
duty of said officers to add the amount of said assessment to the next regular bill for taxes levied
against said parcel or parcels of land for municipal purposes; and thereafter said amount shall be
collected at the same time and in the same manner as City and County taxes are collected, and shall be
subject to the same procedure under foreclosure and sale in case of delinquency as provided for
property taxes of the City and County of San Francisco.

Except for the release of the lien recording fee authorized in Section 38.16, all sums collected by the
Tax Collector pursuant to this ordinance shall be held in trust by the Treasurer and distributed as
provided in Section 38.6 of this Chapter.

SEC. 38.16. RELEASE OF LIEN, RECORDING FEE. On payment to the Tax Collector of
the special assessment, the Tax Collector shall cause to be recorded a release of lien with the County
Recorder, and from the sum collected pursuant to Section 38.15, shall pay to the County Recorder a
recording fee of $6.

SEC. 38.17 38.12. MANNER OF GIVING NOTICES. Any notice required to be given
hereunder by the Board of the Public Utilities Commission to an owner shall be sufficiently
given or served upon the owner for all purposes hereunder if personally served upon the
owner or if deposited, postage prepaid, in a post office letter box addressed in the name of the
owner at the official address of the owner maintained by the Tax Collector of the City and
County for the mailing of tax bills; or, if no such address is available, to the owner at the
address of the real property to which the public transit service was provided.

SEC. 38.18 38.13. SEVERABILITY. The provisions of this ordinance shall not apply to
any person, association, corporation or to any property as to whom or which it is beyond the
power of the City and County of San Francisco to impose the fee herein provided. If any
sentence, clause, section or part of this ordinance, or any fee imposed upon any person or
entity is found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality, or
invalidity shall affect only such clause, sentence, section or part of this ordinance, or person or
entity; and shall not affect or impair any of the remaining provisions, sentences, clauses,
sections or other parts of this ordinance, or its effect on other persons or entities. It is hereby
declared to be the intention of the Board of Supervisors of the City and County that this
ordinance would have been adopted had such unconstitutional, illegal or invalid sentence,
clause, section or part of this ordinance not been included herein; or had such person or entity
been expressly exempted from the application of this ordinance. To this end the provisions of
this ordinance are severable.

Section 3. Article 41 of the San Francisco Administrative Code is hereby amended by
amending Section 41.20, to read as follows:

SEC. 41.20. UNLAWFUL CONVERSION; REMEDIES; FINES. (a) Unlawful
Actions. It shall be unlawful to:

(2) Rent any residential unit for a term of tenancy less than seven days
except as permitted by Section 41.19 of this Chapter;

(3) Offer for rent for nonresidential use or tourist use a residential unit except

proving that a unit has been unlawfully converted. The hearing officer shall consider, among others, the following factors in determining whether a conversion has occurred:

(1) Shortening of the term of an existing tenancy without the prior approval of the permanent resident;

(2) Reduction of the basic services provided to a residential unit intended to lead to conversion. For the purpose of this section, basic services are defined as access to common areas and facilities, food service, housekeeping services and security;

(3) Repeated failure to comply with order of the Bureau of Building Inspection or the Department of Public Health to correct code violations with intent to cause the permanent residents to voluntarily vacate the premises;

(4) Repeated citations by the Superintendent of the Bureau of Building Inspection or the Department of Public Health for code violations;

(5) Offer of the residential units for nonresidential use or tourist use except as permitted in this Chapter;

(6) Eviction or attempts to evict a permanent resident from a residential hotel on grounds other than those specified in Sections 37.9(a)(1) through 37.9(a)(8) of the San Francisco Administrative Code except where a permit to convert has been issued;

(7) Repeated posting by the Superintendent of the Bureau of Building Inspection of notices of apparent violations of this Chapter pursuant to Section 41.11(c) above.

(c) **Civil Penalties.** Where the hearing officer finds that an unlawful conversion has occurred, the Superintendent shall impose a civil penalty of three times the daily rate per day for each unlawfully converted unit from the day the complaint is filed until such time as the unit reverts to its authorized use. The daily rate shall be the rate unlawfully charged by the hotel owner or operator to the occupants of the unlawfully converted unit. The Superintendent may
also impose penalties upon the owner or operator of the hotel to reimburse City or complainant for the costs of enforcement, including reasonable attorneys' fees, of this Chapter. The hearing officer's decision shall notify the parties of this penalty provision and shall state that the Superintendent of the Bureau of Building Inspection is authorized to impose the appropriate penalty by written notification to both the owner and operator, requesting payment within 30 days. If the penalty imposed is not paid, a lien to secure the amount of the penalty will be recorded against the real property pursuant to the provisions of Section 41.20(d) of this Chapter.

(d) **Lien Proceedings.**

(1) **Preparation of Delinquency Report.** If any penalty imposed pursuant to Sections 41.10(d), 41.10(f), 41.11(f) or 41.20(c) is not received within the required time period, the Superintendent of the Bureau of Building Inspection shall initiate proceedings under Article XX of Chapter 10 of the Administrative Code to make the penalty, plus accrued interest, a special assessment lien against the real property regulated under this Chapter. Except for the release of lien recording fee authorized by Administrative Code Section 10.237, all sums collected by the Tax Collector pursuant to this section shall be held in trust by the Treasurer and distributed as provided in Section 41.8(e) of this Chapter. The Superintendent shall prepare a delinquency report for the Board of Supervisors. For each delinquent account, the report shall contain the owner's name, the amount due, including interest, and a description of the real property. The report shall also indicate which of the delinquent accounts should be exempted from the lien procedure because of the small amounts involved, or because another debt collection procedure is more appropriate. The descriptions of the parcels shall be those used for the same parcels on the Assessor's map books for the current year.

(2) **Notice.** Five days prior to forwarding the delinquency report to the Board of Supervisors, the Superintendent shall mail a copy of the report to any affected owner and shall post the report at the affected properties. Upon receipt of the report, the Board of Supervisors shall fix a time.
date and place for hearing the report and any protest or objections thereto, and shall mail notice of the
hearing to each owner of real property described in the report not less than 10 days prior to the date of
hearing.

(3) Hearing and Confirmation. The Board of Supervisors shall hear the report with
opportunity for any protests or objections of the owners of the real property liable to be assessed for
delinquent accounts. The Board may make such revisions, corrections or modifications of the report as
it may deem just, after which, by motion or resolution, it shall be confirmed. The Board's decision on
the report on all protests or objections thereto shall be final and conclusive; provided, however, that
any delinquent account may be removed from the report by payment in full at any time prior to
confirmation of the report. The Clerk of the Board shall cause the confirmed report to be verified in
form sufficient to meet recording requirements.

(4) Collection of Assessment. Upon confirmation of the report by the Board, the
delinquent charges contained herein shall constitute a special assessment against the property listed in
the report. Each such assessment shall be subordinate to all existing special liens previously imposed
upon such property and paramount to all other liens except those for state, county and municipal taxes
with which it shall be in parity. The lien shall continue until the assessment and all interest due and
payable thereon are paid. All laws applicable to the levy, collection and enforcement of municipal taxes
shall be applicable to said special assessment.

(5) Recordation; Charges. The Clerk of the Board shall cause the confirmed and
verified report to be recorded in the County Recorder's Office within 10 days of its confirmation. The
special assessment lien on each parcel of property described in said report shall carry additional
charges for administrative expenses of $100 or 10 percent of the amount of the unpaid balance,
including interest, whichever is higher.

(6) Filing with Controller and Tax Collector: Distribution of Proceeds. After the
report is recorded, the Clerk of the Board shall file a certified copy with the Controller and Tax
Collector, whereupon it shall be the duty of said officers to add the amount of said assessment to the next regular bill for taxes levied against said parcel or parcels of land for municipal purposes, and thereafter said amount shall be collected at the same time and in the same manner as ordinary City and County taxes are collected, and shall be subject to the same penalties and the same procedure under foreclosure and sale in case of delinquency as provided for property taxes of the City and County of San Francisco. Except for the release of lien recording fee authorized in Subsection (7) below, all sums collected by the Tax Collector pursuant to this section shall be held in trust by the Treasurer and distributed as provided in Section 41.8(e) of this Chapter.

(7) Release of Lien; Recording Fee. Upon payment to the Tax Collector of the special assessment, the Tax Collector shall cause a Release Lien to be recorded with the County Recorder, and from the sum collected pursuant to Subsection (6) above, shall pay to the County Recorder a recording fee of $6.00.

(e) Civil Action. An interested party may institute a civil proceeding for injunctive relief and damages. The Superintendent of the Bureau of Building Inspection may institute a civil proceeding for injunctive relief. Counsel for the interested party shall notify the City Attorney's office of the City and County of San Francisco of any action filed pursuant to this section. In determining whether an unlawful conversion has occurred, the court may consider, among other factors, those enumerated in Section 41.20(b) of this Chapter. The interested party instituting a civil proceeding, or the City suing to enforce this Chapter, if prevailing parties, shall be entitled to the costs of enforcing this Chapter, including reasonable attorney's fees, pursuant to an order of the Court.

Section 4. Article 1 of the San Francisco Fire Code is hereby amended by amending Section 107.1, to read as follows:

/////
SECTION 107 [For SF] — LIENS AND PENALTIES

107.1 [For SF] Lien Proceedings. When required by this code, the chief shall initiate special assessment lien proceedings pursuant to the provisions of Article XX, of Chapter 10 of the San Francisco Administrative Code—by reporting the delinquency to the board of supervisors.

The entire unpaid balance of the costs, including any penalty and interest on the unpaid balance, shall be made a special assessment lien against the responsible party's property. Such charges against delinquent accounts shall be reported to the board at least once each year. The chief shall advise the board which of such delinquent accounts should be exempted from the lien procedure because of the small amounts involved, or because another procedure is more appropriate.

Section 5. Article 11 of the San Francisco Health Code is hereby amended by amending Section 609.3 to read as follows:

SEC. 609.3. LIEN PROCEDURES INITIATED UPON NONPAYMENT. If the property owner fails to pay any amount determined due following a hearing within the time required by Section 609.2, the Director of Public Health or a designee shall initiate a special assessment lien proceeding pursuant to the provisions of Article XX, of Chapter 10 (beginning with Section 10.230) of the San Francisco Administrative Code—by reporting the delinquency to the Board of Supervisors. Notwithstanding anything to the contrary in Article XX of Chapter 10, pursuant to Section 38773.5 of the California Government Code, the Board may order that the amount of the lien be specially assessed against the parcel. Upon such an order, the entire unpaid balance of the costs, including any penalty and interest payments on the unpaid balance to the date that the Department reports to the Board shall be included in the special assessment lien against the property. The Department shall report charges against delinquent accounts to the Board of Supervisors at least once each year. The Director shall also indicate which of such delinquent accounts should be exempted from the lien procedure because the lien procedure is inappropriate. At the time the special assessment is imposed, the Director shall

Supervisor Kaufman
BOARD OF SUPERVISORS
give notice to the property owner by certified mail, and shall inform the property owner that the
property may be sold by the Tax Collector for unpaid delinquent assessments after three years. The
assessment may be collected at the same time and in the same manner as ordinary municipal taxes are
collected, and shall be subject to the same penalties and procedure and sale in case of delinquency as
provided for ordinary municipal taxes. All laws applicable to the levy, collection and enforcement of
ordinary municipal taxes shall be applicable to the special assessment. However, if any real property
to which a cost of abatement relates has been transferred or conveyed to a bona fide purchaser for
value, or if a lien of a bona fide encumbrancer for value has been created and attaches thereon, prior
to the date on which the first installment of taxes would become delinquent, then the cost of abatement
shall not result in a lien against the real property but instead shall be transferred to the unsecured roll
for collection.

Section 6. Article 21 of the San Francisco Health Code is hereby amended by
amending Sections 1136 and 1175.1, to read as follows:

SEC. 1136. SPECIAL ASSESSMENT LIENS. (a) Cost and charges incurred by the
City by reason of the cleanup and abatement of an unauthorized release; abatement of any
violation of this Article, including but not limited to monitoring and inspection costs; a
delinquency in the payment of a bill for fees applicable under this section in excess of 30
days; and any final administrative civil penalties assessed against a person or business for
violations of this Article shall be an obligation owed to the City by the owner of the property
where the hazardous materials were handled or the person or business against whom the final
administrative civil penalty was assessed. Such obligation may be collected by means of the imposition
of a lien against the property of the owner of the property where the hazardous materials were handled

of the date of issuance of a notice of payment due. Delinquent fees shall be subject to a
penalty of 10 percent plus interest at the rate of one percent per month on the outstanding
balance which shall be added to the amount of the fee collected from the date that payment is
due. In addition, the City may impose a special-assessment lien against the property as
provided in Section 1136 Article XX of Chapter 10 of the San Francisco Administrative Code
(commencing with Section 10.230).

Section 7. Article 24 of the San Francisco Health Code is hereby amended by
amending Section 1412, to read as follows:

(1) $150 for processing permit applications and associated administration activities
undertaken by the Department; and

(2) $75 per hour or each portion thereof for inspections and associated

Said appeal must be filed in writing with the Department no later than 30 days after the date the notice of payment due is issued. The Director's decision on the appeal shall be final.

(c) If full payment of the costs is not received within 30 days after the notice of payment due was sent, a second notice of payment due shall be sent by the Department to the addressees of the previous notice. The second notice shall state that the generator and property owner are liable for the payment of the costs indicated on the notice.

(d) If full payment of the costs is not received within 30 days after the second notice of payment due was sent, a third (and final) notice of payment due shall be sent by the Department. (e) If payment is not received within 30 days after mailing the third notice, the Department shall initiate special assessment lien proceedings pursuant to the provisions of Article XX of Chapter 10 of the San Francisco Administrative Code, Chapter 10, Article XX.

immediately abate the threat without notice or a hearing. Any person subject to this Article
shall immediately cease any activity, or commence abatement or mitigation action upon verbal
or written notification by the Director that an imminent danger is presented by medical waste.

(h) **Special Assessment-Liens.** Costs and charges incurred by the City by reason of
the abatement of any violation of this Article, or abatement of any imminent danger, including
but not limited to monitoring and inspection costs, and any *administrative* civil penalties
assessed against any person for violations of this Article, shall be an obligation owed by the
owner of the property where the violation originated or by the person against whom the penalty
was assessed to the City. Such obligation may be collected by means of the imposition of a lien
against the property of the owner of the property where the violation originated or of the person
against whom the final *administrative* civil penalty was assessed. The City shall mail to the owner

(c) If full payment of the costs is not received within 30 days after the notice of payment due was sent, a second notice of payment due shall be sent by the Director to the generator and property owner. Each day that such violation continues shall constitute a separate violation.

(b) In determining civil penalties, the court shall consider the extent of harm caused by the violation(s) to the order, the nature and persistence of the violation(s), the length of time over which the violation(s) occur(s), the frequency of past violations, any action taken to mitigate the violation, and the financial burden to the violator. In addition to assessing a civil penalty, a court may order compliance with the order or such other relief as may be necessary to abate the nuisance.

(c) Any person who fails to comply with an order under Sections 1625 or 1628 may be assessed an administrative penalty by the Director. Assessment of an administrative civil penalty shall not be a prerequisite to abatement by the Director, or to the filing of a court action seeking penalties or injunctive relief.
(1) Upon receipt of information that a violation of an order has occurred, the Director shall serve the parties named in the order with a complaint specifying the violations, assessing a proposed administrative penalty, warning the parties that their violation will be reported to the Franchise Tax Board (explaining the consequences of such notification), and setting a hearing date no more than 30 days and no less than 10 from the date the complaint is mailed. If the hearing officer determines that a violation continues to occur, the compliance schedule shall be adjusted to allow a reasonable period of time, not to exceed 30 days, for completion of the requirements of the order. A penalty shall be assessed based on the factors in Subsection (b) above, which shall become due and payable to the City and County of San Francisco on the thirty-first day after the effective date of the hearing officer's determination if the Director determines, after inspection, that compliance has not been achieved.

(A) A record of the hearing shall be prepared which shall include a transcript, all written letters, pleadings, notices and orders, exhibits and any other papers in the case. The hearing officer's final written decision shall be included in the record.

(B) A final decision which finds a continuing violation shall instruct the Department of Public Health to notify the Franchise Tax Board of any violation which continues for six months beyond the original order as provided in Revenue and Taxation Code Sections 12724 and 24436.5.
(C) The final decision shall notify all parties that the time within which judicial review may be sought is governed by Section 1094.6 of the California Code of Civil Procedure.

(3) If a penalty is not timely paid the Director may take any action authorized by law, including commencement of a judicial action to seek the full amount of a civil penalty plus injunctive relief. The Director may initiate lien proceedings pursuant to Chapter 10, Article XX of the San Francisco Administrative Code to collect any unpaid assessments.

(4) Administrative penalties shall be assessed in amounts not to exceed $100 per day for a first violation, $200 per day for a second violation within one year, and $500 per day for each additional violation within one year.
