6 Be it ordained by the People of the City and County of San Francisco:

7 Section 1. The Board of Supervisors of the City and County of San Francisco hereby
8 finds that:

9 a) The Department of Telecommunications and Information Services ("DTIS") has
10 negotiated amendments to a contract with Pacific Bell, its subsidiaries and affiliates, under
11 which the City will purchase a full bundle of telecommunications services
12 ("Telecommunications Contract"). The principal components of the Telecommunications
13 Contract include a Master Agreement for Provision, Installation, and Maintenance of
14 Telecommunications Service ("Master Agreement"), and several individual Addenda and
15 Authorizations to Order (ATOs) which provide for purchase of particular services. Pursuant to
16 the Charter and the Administrative Code, the Telecommunications Contract, as amended,
17 now requires Board approval.

18 b) Amendment No. 2 to the Master Agreement and Amendment No. 3 to Exhibit C of
19 the Master Agreement, which would be newly incorporated into the Telecommunications
20 Contract, each update the contract to include current standard City contract terms and other
21 general terms.

22 c) Addenda 12 through 14 would be newly incorporated in the Telecommunications
23 Contract. Addendum 12 provides for the non-exclusive purchase of PBX Trunk Service,
24 Advanced Digital Network Service, High Capacity Service, Super Trunk Service and Primary
25 Rate Integrated Service for a period of 3 years. Addendum 13 provides for the non-exclusive

1 purchase of Voicemail and Call Management Services for a period of 3 years. Addendum 14
2 provides for the non-exclusive purchase of Internet Access Service for a period of 3 years.

3 d) The ATOs, which would be newly incorporated in the Telecommunications Contract,
4 provide for the exclusive purchase of Frame Relay Service, Business Access Lines, Local
5 Usage, Zone 3 and Local Toll Service and Centrex Service for a period of five years under a
6 contract between the State of California, Pacific Bell, and MCI/Worldcom ("CalNet Contract").
7 Local agencies may sign on to the CalNet Contract without any minimum commitment for
8 revenue or quantity of services in order to benefit from the lower prices associated with the
9 contract.

10 e) The full text of the Master Agreement, Addenda, and ATOs may be found on file
11 with the Clerk of the Board of Supervisors in File No. 002066.

12 Section 2. Pursuant to Section 9.118 of the Charter and Chapter 21 of the
13 Administrative Code, the Board hereby approves the Telecommunications Contract described
14 above and on file with the Clerk in File No. 002066 and authorizes the Director of
15 Purchasing and the Director of the Department of Telecommunications and Information
16 Services to execute the Telecommunications Contract and to take all steps appropriate to
17 implement the Telecommunications Contract.
