SEC. 313.2. FINDINGS. The Board hereby finds and declares as follows.

Large-scale entertainment, hotel, office, research and development, and retail developments in the City and County of San Francisco (hereinafter "City") have attracted and continue to attract additional employees to the City, and there is a causal connection between such developments and the need for additional housing in the City, particularly housing affordable to households of lower and moderate income. Such commercial uses in the City (are benefited by) benefit from the availability of housing close by for (persons employed in

BOARD OF SUPERVISORS
such offices close to their place of employment)) their employees. However, the supply of housing units in the City has not kept pace with the demand for housing created by these new employees. Due to this shortage of housing, employers will have difficulty in securing a labor force, and employees, unable to find decent and affordable housing, will be forced to commute long distances, having a negative impact on quality of life, limited energy resources, air quality, social equity, and already overcrowded highways and public transport.

There is a low vacancy rate for housing affordable to persons of lower and moderate income. In part, this low vacancy rate is due to factors unrelated to large-scale commercial ((office)) development, such as high interest rates, high land costs in the City, immigration from abroad, demographic changes such as the reduction in the number of persons per household, and personal, subjective choices by households that San Francisco is a desirable place to live. This low vacancy rate is also due in part to large-scale ((office)) commercial developments which have attracted and will continue to attract additional employees and residents to the City. Consequently, some of the employees attracted to these ((large office)) developments are competing with present residents for scarce, vacant affordable housing units in the City. Competition for housing generates the greatest pressure on the supply of housing affordable to households of lower and moderate income. In San Francisco, office or retail uses of land generally yield higher income to the owner than housing. Because of these market forces, the supply of these affordable housing units will not be expanded. Furthermore, Federal and State housing finance and subsidy programs are not sufficient by themselves to satisfy the lower and moderate income housing requirements of the City.

As demonstrated in the “((Analysis of the OAHPP Formula prepared by the Department of City Planning in November 1994)) Jobs Housing Nexus Analysis” prepared by Keyser Marston Associates, Inc. in June 1997,” construction of new housing units in the City

SUPERVISOR AMMIANO
BOARD OF SUPERVISORS
((has)) decreased to a low of ((500)) 288 units in 1993 compared to an average annual production of ((1,600)) 1,330 units ((over the previous ten)) during the years 1980 through 1995. Overall housing production in the City should average ((2,300)) approximately 2,200 units a year to keep up with the City's share of regional housing demand.

There is a continuing shortage of low- and moderate-income housing in San Francisco. Affordable housing production in the City ((has)) averaged approximately ((350)) 340 units per year during the ((past 10)) years 1980 through 1995. However, the demand for new affordable housing ((is)) will be approximately 1,300 units per year for the years 2000 through 2015. ((The City needs 64,000 new housing units to relieve the City's existing housing shortage of units affordable to low-income households, to reduce overcrowding and unfair costs, and to accommodate persons with special housing needs.))

Objective 1, Policy 7 of the Residence Element of the San Francisco Master Plan calls for the provision of additional housing to accommodate the demands of new residents attracted ((here)) to the City by expanding employment opportunities caused by the growth of large-scale commercial activities in the City. ((The City should impose requirements on developers of office projects designed to mitigate the adverse effects of the expanded employment facilitated by such projects.)) Such development projects should assist in meeting the City's housing needs by contributing to the provision of housing. ((To that end, the City Planning Commission is authorized affirmatively to promote the policies of the Residence Element of the San Francisco Master Plan through the imposition of special housing development requirements.))

It is desirable to impose the cost of the increased burden of providing housing necessitated by ((such office)) large-scale commercial development projects directly upon the sponsors of the development projects ((generating the need through a requirement that the)) by requiring that the project sponsors contribute land or money to a housing

BOARD OF SUPERVISORS
developer (construct housing) or pay a fee to the City to subsidize housing development as a condition of the privilege of development and to assist the community in solving those of its housing problems generated by the development.

The required housing exaction shall be based upon formula((e))s derived in the report entitled "((The Economic Basis for an Office Housing Production Program in San Francisco," prepared by Recht, Hausrath & Associates, dated July 19, 1984)) Jobs Housing Nexus Analysis" prepared by Keyser Marston Associates, Inc., dated June, 1997. ((The housing exaction shall also be based on the “Analysis of the OAHPP Formula” prepared by the Department of City Planning dated November 1994, which confirms the present validity of the conclusions reached in the Recht Hausrath report.)) The "Analysis of the OAHPP Formula" also) "Jobs Housing Nexus Analysis" demonstrates the validity of (((1))) the nexus between new, large-scale entertainment, hotel, office, research and development, and retail development and the increased demand for housing in the City, and (((2))) the numerical relationship between ((new office)) such development projects and the formulas for provision of housing set forth in this ordinance.

In-lieu fees for new office construction to the City’s Office Affordable Housing Production Program were last increased in 1994 to $7.05 per square foot, based on the “Analysis of the OAHPP Formula prepared by the Department of City Planning in November 1994.” Existing law provides for potential increases to such fees up to 20% annually based on increases to the Average Area Purchase Price Safe Harbor Limitations for New Single-Family Residences for the San Francisco Primary Metropolitan Statistical Area (“PMSA”) published by the Internal Revenue Service.

The Internal Revenue Service last published its Average Area Purchase Price Safe Harbor Limitations for New Single-Family Residences for the San Francisco PMSA in 1994. In 1998 and again in 2000, the City contracted for an analysis of average area purchase price for

SUPERVISOR AMMIANO
BOARD OF SUPERVISORS
the San Francisco PMSA, in lieu of IRS publication of the index. The 2000 report prepared by Vernazza Wolfe Associates for mortgage purposes, which was certified by Orrick, Herrington & Sutcliffe, indicates that the 1999 updated purchase price figures for new construction are $431,568, a 73.3% increase over the 1994 purchase price of $248,969.

If OAHPP fees had been increased consistent with these increases in the Average Area Purchase Price Safe Harbor Limitations for New Single-Family Residences for the San Francisco PMSA, the OAHPP in-lieu fee for net new office construction would be $12.22 per square foot, or approximately 54% of the maximum derived by the "Jobs Housing Nexus Analysis" prepared by Keyser Marston Associates, Inc. in June 1997.

Since preparation of the Keyser Marston "Jobs Housing Nexus Analysis," the Bay Area has seen dramatic increases in land acquisition costs for housing, the cost of new housing development and the affordability gap for low to moderate income workers seeking housing. Commute patterns for the region have also changed, with more workers who work outside of San Francisco seeking to live in the City, thus increasing demand for housing and decreasing housing availability.

Because the shortage of affordable housing created by large-scale commercial development in the City can be expected to continue for many years, it is necessary to maintain the affordability of the housing units constructed by developers of such projects under this program. In order to maintain the long-term affordability of such housing, the City is authorized to enforce affordability requirements through mechanisms such as shared appreciation mortgages, deed restrictions, enforcement instruments, and rights of first refusal exercisable by the City at the time of resale of housing units built under the program.

Objective 8, Policy 2 of the Residence Element of the San Francisco Master Plan encourages the Planning Commission to periodically reassess requirements placed on
large-scale commercial development under the Office Affordable Housing Production Program ("OAHPP"), predecessor to the Jobs-Housing Linkage Program. To that end, within 18 months following the effective date of this ordinance, the Director of Planning shall report to the Commission, the Board of Supervisors, and the Mayor on the current supply and demand of affordable housing in the City, the status of compliance with this ordinance, and the efficacy of this ordinance in mitigating the City's shortage of affordable housing available to employees working in development projects subject to this ordinance. Thereafter, if in the discretion of the Director of Planning there has been a substantial change in the San Francisco and/or regional economies since the effective date of this ordinance, the Director of Planning may recommend to the Commission, the Board of Supervisors, and the Mayor that this ordinance be amended or rescinded to alleviate any undue burden on commercial development in the City that the ordinance may impose.

SEC. 313.3. APPLICATION. (a) Where an environmental evaluation application for the development project is filed on or after January 1, 1999, this ordinance shall apply to:

SEC. 313.4. IMPOSITION OF HOUSING REQUIREMENT. (a) The ((City)) Planning Department or the ((City)) Planning Commission shall impose a condition((s)) on the approval of an application((s)) for ((office)) a development project((s covered by)) subject to this ordinance in order to mitigate the impact on the availability of housing which will be caused by the employment facilitated by ((the proposed office development)) that project. If the initial determination is not appealed within the time allotted, the initial determination shall become a final determination. If the initial determination is appealed, the Commission shall schedule a public hearing prior to the approval of the development project by the Department or the Commission to determine the net addition of gross square feet of (office space) each type of space subject to this ordinance. The public hearing may be scheduled separately or simultaneously with a hearing under (City) Planning Code Sections 306.2, 309(h), 314.5, or a Discretionary Review hearing under San Francisco Municipal Code Part III, Section 26. The Commission shall make a final determination of the net addition of gross square feet of each type of space subject to this ordinance at the hearing.

(d) The final determination of the net addition of gross square feet of (office space) each type of space subject to this ordinance shall be set forth in the conditions of approval of any building or site permit application approved by the Department or the Commission. The Director of Planning shall notify the (Superintendent) Director of Building Inspection and the Director of the Mayor’s Office of Housing that a(n office) development project is subject to this ordinance at the time the Department or the Commission approves the building or site permit for the (office) development project.

(e) In the event that the Department or the Commission takes action affecting any (office) development project subject to this ordinance and such action is thereafter
modified, superseded, vacated, or reversed by the Board of ((Permit)) Appeals, the Board of Supervisors, or by court action, the permit application for such ((office)) development project shall be remanded to the Commission to determine whether the proposed project has been changed in a manner which affects the calculation of the amount of housing required under this ordinance and, if so, the Commission shall revise the housing requirement imposed on the permit application in compliance with this ordinance within 60 days of such remand and notify the sponsor in writing of such revision or that a revision is not required.

(f) The sponsor shall supply all information to the Department and the Commission necessary to make a determination as to the applicability of this ordinance and the number of gross square feet of ((office space)) each type of space subject to this ordinance.

(g) The sponsor of any ((office)) development project subject to this ordinance shall have the option of:

(1) Contributing a sum or land of value at least equivalent ((equal)) to ((or greater than)) the in-lieu fee according to the formulas set forth in Section 313.6 to one or more housing developers who will use the funds or land to construct housing units pursuant to Section 313.5 for each type of space subject to this ordinance; or

(2) Paying an in-lieu fee to the Controller according to the formula set forth in Section 313.6 for each type of space subject to this ordinance; or

(3) Combining the above options pursuant to Section 313.7 for each type of space subject to this ordinance.

SEC. 313.5. COMPLIANCE THROUGH PAYMENT TO HOUSING DEVELOPER.

(a) If the sponsor elects to pay a sum or contribute land of value at least equivalent to the in-
lieu fee to one or more housing developers to meet the requirements of this ordinance, the
housing developer((s))) or developers shall be required to construct at least the number of
housing units determined by the following formulas for each type of space proposed as part of
the development project and subject to this ordinance:

(Sixty-two percent of those) The housing units required to be constructed under the
above formula must be affordable to qualifying households continuously for 50 years. If the
sponsor elects to contribute to more than one distinct housing development under this
Section, the sponsor shall not receive credit for its monetary contribution to any one
development in excess of the amount of the in-lieu fee, as adjusted under Section 313.6,
multiplied by the number of units in such housing development.

(b) Within one year of the final determination under Section 313.4(c) or a
revised final determination under Section 313.4(e), or prior to the issuance by the
((Superintendent)) Director of Building Inspection of the first site or building permit for a((n
office)) development project subject to this ordinance, whichever occurs first, the sponsor
shall submit to the Director of Planning, with a copy to the Director of the Mayor's Office of
Housing:

(1) A written housing development plan identifying the housing project((s)))
or projects to receive funds or land from the sponsor and the proposed mechanism for
enforcing the requirement that ((62 percent of)) the housing units constructed will be
affordable to qualifying households for 50 years; and

(2) A certification that the sponsor has made a binding commitment to
contribute an amount of money or land of value at least ((to one or more housing
developers))) equivalent to ((or greater than)) the amount of the in-lieu fee that would
otherwise be required under Section 313.6 to one or more housing developers and that the
housing developer(((s))) or developers shall use such funds or land to develop the housing
subject to this Section.

(3) A self-contained appraisal report as defined by the Uniform Standards of
Professional Appraisal Practice prepared by an M.A.I. appraiser of the fair market value of any
land to be contributed by the sponsor to a housing developer. The date of value of the
appraisal shall be the date on which the sponsor submits the housing development plan and
certification to the Director of Planning.

If the sponsor fails to comply with these requirements within one year of the final
determination or revised final determination, it shall be deemed to have elected to pay the in-
lieu fee under Section 313.6 to comply with this ordinance. In the event that the sponsor fails
to pay the in-lieu fee within the time required by Section 313.6, the ((Superintendent)) Director
of Building Inspection shall deny any and all site or building permits or certificates of
occupancy for the ((office)) development project until the Director of Planning notifies the
((Superintendent)) Director of Building Inspection and the Director of the Mayor’s Office of
Housing that such payment has been made or land contributed, and the Director of Planning
shall immediately initiate lien proceedings against the sponsor’s property pursuant to Section
313.9 to recover the fee.

(c) Within 30 days after the sponsor has submitted a written housing
development project plan and, if necessary, an appraisal to the Director of Planning and the

Director of the Mayor's Office of Housing under ((Part)) subsection (b) of this Section, the Director of Planning shall notify the sponsor in writing of his or her initial determination as to whether the plan and appraisal are ((is)) in compliance with this Section, publish the initial determination in the next Planning Commission calendar, and cause a public notice to be published in an official newspaper of general circulation stating that such housing development plan has been received and stating the Director of Planning's initial determination. In making the initial determination for an application where the sponsor elects to contribute land to a housing developer, the Director of Planning shall consult with the Director of Property and include within his or her initial determination a finding as to the fair market value of the land proposed for contribution to a housing developer. Within 10 days after such written notification and published notice, the sponsor or any other person may request a hearing before the Commission to contest such initial determination. If the Director of Planning receives no request for a hearing within such 10-day period, the determination of the Director of Planning shall become a final determination. Upon receipt of any timely request for hearing, the Director of Planning shall schedule a hearing before the Commission within 30 days. The scope of the hearing shall be limited to the compliance of the housing development plan and appraisal with this Section, and shall not include a challenge to the amount of the housing requirement imposed on the ((office)) development project by the Department or the Commission. At the hearing, the Commission may either make such revisions ((of)) to the Director of Planning's initial determination as it may deem just, or confirm the Director of Planning's initial determination. The Commission's determination shall then become a final determination, and the Director of Planning shall provide written notice of the final determination to the sponsor, the Director of the Mayor's Office of Housing, and to any person who timely requested a hearing of the Director of Planning's determination. The Director of Planning shall also provide written notice to the ((Superintendent)) Director of Planning.
Building Inspection and the Director of the Mayor's Office of Housing that the housing units to be constructed pursuant to such plan are subject to this ordinance.

(d) In making a determination as to whether a sponsor's housing development plan complies with this Section, the Director of Planning and the Commission shall credit to the sponsor any excess Interim Guideline credits or excess credits (which) that the sponsor elects to apply against its housing requirement. The remaining housing units required shall be subject to the requirements of ((Part)) subsection (a) of this Section.

(e) ((With respect to office development projects receiving a project authorization from the Commission under Planning Code Section 322 after January 1, 1990, Prior to the issuance by the ((Superintendent)) Director of Building Inspection of the first site or building permit for a((n office)) development project subject to this Section, the sponsor must:

(1) Provide evidence to the Director of Planning in writing that it has paid in full the sum or transferred title of the land required by ((Part)) subsection (a) of this Section to one or more housing developers;

(2) Notify the Director of Planning that construction of the housing units has commenced, evidenced by:

(A) The City's issuance of site and building permits for the entire housing development project,

(B) Written authorization from the housing developer and the construction lender that construction may proceed,

(C) An executed construction contract between the housing developer and a general contractor, and

((With respect to office development projects receiving a project authorization before January 1, 1990, the sponsor shall be required to comply with conditions (1) through (3) above prior to the issuance by the Superintendent of the first certificate of occupancy for the office development project.)) The ((Superintendent)) Director of Building Inspection shall provide notice in writing to the Director of Planning and the Director of the Mayor's Office of Housing at least five business days prior to issuance of the first site or building permit((, or, in the case of projects approved before January 1, 1990, the first certificate of occupancy,)) for any ((office)) development project for which the sponsor elects to pay a sum or contribute land to one or more housing developers. If the Director of Planning notifies the ((Superintendent)) Director of Building Inspection within the five business days that the conditions of (1) through (3) of this subsection have not been met, the ((Superintendent)) Director of Building Inspection shall refuse any and all site or building permits or certificates of occupancy for the ((office)) development project. If the Director of Planning notifies the ((Superintendent)) Director of Building Inspection that the sponsor has complied with these conditions or fails to respond within five business days, the ((Superintendent)) Director of Building Inspection shall not disapprove a site or building permit or certificate of occupancy pursuant to this Section. Any failure of the ((Superintendent)) Director of Building Inspection or the Director of Planning to give any notice under this Section shall not relieve a sponsor from compliance with this Section. (2) A mechanism has been approved by the Director of Planning to enforce the requirement that ((62 percent of)) the housing units constructed will be affordable to qualifying households continuously for 50 years.

SEC. 313.6. COMPLIANCE THROUGH PAYMENT OF IN-LIEU FEE.

(a) Commencing on ((January 1, 1995)) March 11, 1999, the amount of the fee which may be paid by the sponsor of a((n office)) development project subject to this ordinance in lieu of developing and providing the housing required by Section 313.5 shall be ((computed as follows)) determined by the following formulas for each type of space proposed as part of the development project and subject to this ordinance:

Net Addition Gross Sq. Ft. Entertainment Space × $10.57 = Total Fee

Net Addition Gross Sq. Ft. Hotel Space × $8.50 = Total Fee
Net Addition Gross Sq. Ft. Office Space × (($7.05)) $11.34 = Total Fee
Net Addition Gross Sq. Ft. Research and development × $7.55 = Total Fee
Net Addition Gross Sq. Ft. Retail Space × $10.57 = Total Fee

(b) Commencing on January 1, 2002, the amount of the fee which may be paid by the sponsor of a development project subject to this ordinance in lieu of developing and providing the housing required by Section 313.5 shall be determined by the following formulas for each type of space proposed as part of the development project and subject to this ordinance:

Net Addition Gross Sq. Ft. Entertainment Space × $13.95 = Total Fee
Net Addition Gross Sq. Ft. Hotel Space × $11.21 = Total Fee
Net Addition Gross Sq. Ft. Office Space × $14.96 = Total Fee
Net Addition Gross Sq. Ft. R & D space × $9.97 = Total Fee
Net Addition Gross Sq. Ft. Retail Space × $13.95 = Total Fee

Such in-lieu fee shall be revised effective January 1st of each year thereafter, ((commencing on January 1, 1996,)) by the percentage increase or decrease in the Average Area Purchase Price Safe Harbor Limitations for New Single-Family Residences for the San Francisco Primary Metropolitan Statistical Area ("PMSA") established by the Internal Revenue Service ("IRS") since January 1st of the previous year; provided, however, that in the event that said percentage increase exceeds 20 percent, the in-lieu fee shall be increased by 20 percent, and the difference between the percentage increase in the Average Area Purchase Price and 20 percent shall be carried over and added to the in-lieu fee adjustment for the following calendar year. In the event that the IRS does not adjust the above figure within a 14-month period, the Commission ((may)) shall authorize and certify a study for adjusting the last published IRS figure, to be effective until the IRS revises the figure. In making a
determination as to the amount of the fee to be paid, the Director of Planning shall credit to
the sponsor any excess Interim Guideline credits or excess credits which the sponsor elects
to apply against its housing requirement.

(ii) paid in full the sum required by this Section to the Controller. ((With respect to office
development projects approved before January 1, 1990, if the sponsor has not satisfied
conditions (1) through (3) of Section 313.5(e), the sponsor shall be required to notify the
Director in writing that it has paid in full the sum required by this Section prior to the issuance
by the Superintendent of the first certificate of occupancy for the office development project.))
If the sponsor fails by the applicable date to demonstrate to the Director of Planning that the
sponsor ((payment)) has satisfied the conditions of Section 313.5(e) or paid the applicable
sum in full to the Controller, the Director of Building Inspection ((been made in full, the
Superintendent)) shall deny any and all site or building permits or certificates of occupancy for
the ((office)) development project until the Director of Planning notifies the ((Superintendent))
Director of Building Inspection and the Director of the Mayor's Office of Housing that such
payment has been made, and the Director of Planning shall immediately initiate lien
proceedings against the sponsor's property pursuant to Section 313.9 to recover the fee.

((c))) (d)  Upon payment of the fee in full to the Controller and upon request

Inspection of the first site or building permit or certificate of occupancy for the ((office)) development project. The ((Superintendent)) Director of Building Inspection shall provide notice in writing to the Director of Planning and the Director of the Mayor’s Office of Housing at least five business days prior to issuing the first site or building permit or certificate of occupancy for any ((office)) development project subject to this Section. If the Director of Planning notifies the ((Superintendent)) Director of Building Inspection and the Director of the Mayor’s Office of Housing within such time that the sponsor has not complied with the provisions of this Section, the ((Superintendent)) Director of Building Inspection shall deny any and all site or building permits or certificates of occupancy. If the Director of Planning notifies the ((Superintendent)) Director of Building Inspection and the Director of the Mayor’s Office of Housing that the sponsor has complied with this Section, or fails to respond within five business days, a site or building permit or certificate of occupancy shall not be disapproved pursuant to this Section. Any failure of the ((Superintendent)) Director of Building Inspection or the Director of Planning to give any notice under this Section shall not relieve a sponsor from compliance with this Section. Where the ((Superintendent)) Director of Building Inspection issues any site or building permit or certificate of occupancy for the ((office)) development project in error, or where a sponsor fails for any reason to pay the in-lieu fee to the Controller in compliance with this Section prior to the ((Superintendent)) Director of Building Inspection’s issuance of the first site or building permit or certificate of occupancy for the ((office)) development project, the Director of Planning shall immediately initiate lien proceedings against the ((office)) development project under Section 313.9 to recover the fee, and the ((Superintendent)) Director of Building Inspection shall revoke any permit or certificate issued in error and refuse any site or building permit or certificate of occupancy until the sponsor has complied with this Section.
SEC. 313.7. COMPLIANCE THROUGH COMBINATION OF PAYMENT TO HOUSING DEVELOPER AND PAYMENT OF IN-LIEU FEE. The sponsor of a((n office)) development project subject to this ordinance may elect to satisfy its housing requirement by a combination of paying money or contributing land to one or more housing developers under Section 313.5 and paying a partial amount of the in-lieu fee to the Controller under Section 313.6. In the case of such election, the sponsor must pay a sum such that each gross square foot of net addition of ((office space)) each type of space subject to this ordinance is accounted for in either the payment of a sum or contribution of land to one or more housing developers or the payment of a fee to the Controller. The housing units constructed by a housing developer must conform to all requirements of this ordinance, including, but not limited to, the proportion that must be affordable to qualifying households as set forth in Section 313.5. All of the requirements of Sections 313.5 and 313.6 shall apply, including the requirements with respect to the timing of issuance of site and building permits and certificates of occupancy for the ((office)) development project and payment of the in-lieu fee.

SEC. 313.8. TRANSFER OF HOUSING CREDITS. (a) In determining whether a sponsor is in compliance with this ordinance, the Director of Planning or the Commission shall credit against all or part of a housing requirement for any sponsor of any ((office)) development project credits, which shall be denominated “excess Interim Guidelines credits,” obtained by the sponsor which:

(1) Have received final approval under the Interim Guidelines as of August 18, 1985, but which have not been applied to a((n office)) development project because the ((office)) development project has not been approved by the Director of Planning or the Commission or which are in excess of those credits required to satisfy the housing requirement under the Interim Guidelines; or
(2) Have received preliminary approval prior to August 18, 1985, received final approval within six months of August 18, 1985, and are in excess of those credits required to satisfy the housing requirement under the Interim Guidelines or this ordinance. This six-month period may be extended for a maximum of two six-month periods where, based upon evidence submitted by the sponsor, the Director of Planning or Planning Commission determine within six months of August 18, 1985, or within a six-month extension, that (1) there is good cause for an extension or an additional extension, (2) the failure to obtain final approval of credits is beyond the sponsor’s immediate control, and (3) the sponsor has made a reasonable effort to obtain final approval of credits.

Excess Interim Guideline credits may be applied against a sponsor’s housing requirement under this ordinance on the basis of two and three tenths (2.3) excess Interim Guideline credits against one housing unit required to be provided under Section 313.5. Excess Interim Guideline Credits may be applied against a sponsor's housing requirement under this ordinance only for those projects obtaining project authorizations as defined in Planning Code Section 320(h) on or before February 28, 1999 ((in the approval period ending within 34 months following the effective date of this ordinance)). No excess Interim Guideline Credits may be applied against a sponsor’s housing requirement for any project authorization issued after that date. The Director of Planning shall notify the Director of the Mayor’s Office of Housing of credits applied to the sponsor’s housing requirement under this Section 313.8(a).

(b) In making their determination as to whether a sponsor’s housing development plan complies with Sections 313.5, 313.6, and 313.7, the Director of Planning or the Commission shall credit to the sponsor any housing units constructed or in-lieu fee paid in excess of that required to satisfy the housing unit requirement under this ordinance, which shall be denominated “excess credits.” The Director of Planning or the Commission shall
permit the transfer of any excess credits received under this ordinance to be applied to satisfy all or part of a housing requirement for any other ((office)) development project that is subject to the provisions of this ordinance, and shall notify the Director of the Mayor's Office of Housing of such permitted transfer. Each excess credit shall be equivalent to one housing unit as computed under Section 313.5(, or a payment of $18,264.25 if the sponsor elects to pay a sum to a housing developer under Section 313.5 or an in-lieu fee under Section 313.6. The sum of $18,264.25 shall be revised effective January 1st of each year concurrently and in accordance with the same procedures used for the revision of the in-lieu fee in Section 313.6)). Excess credits may be obtained only under Section 313.11 or if:

(1) They have been obtained after the commencement of construction of housing in compliance with all of the requirements of Section 313.5, the payment of a sum or contribution of land to one or more housing developers in compliance with all of the requirements of Section 313.5, or payment of an in-lieu fee to the Controller in compliance with all of the requirements of Section 313.6 or a combination of the above under Section 313.7. Compliance with these sections requires construction of the total number of housing units required, the percentage of such units which must be affordable to qualifying households, and the establishment of a mechanism approved by the Director of Planning to enforce the requirement that ((62 percent of)) the units constructed will be affordable for 50 years to qualifying households; and

(2) The excess credits result from either:

(A) Abandonment of the ((office)) development project that received approval by the Commission as evidenced by cancellation of the site or building permit or the site or building permit application; or
(B) A decrease in the net addition of gross square feet of (office space) each type of space subject to this ordinance as a result of Commission, Board of (Permit) Appeals, Board of Supervisors, or court action taken after:

(i) The amount of such net addition of gross square feet of each type of space subject to this ordinance has been determined by the Commission under Section 313.4; and

(ii) The sponsor has paid a sum to one or more housing developers and construction of the housing units has commenced under Section 313.5, or the sponsor has paid an in-lieu fee under Section 313.6, or a combination of the above under Section 313.7.

Excess credits may be applied against a sponsor's housing requirement under this ordinance only for those applications for a building or site permit filed within three years of the date on which the excess credits are issued. The date on which such excess credits are issued shall be the earlier of the sponsor's abandonment of the (office) development project under which the credits were obtained as evidenced by the cancellation of the site or building permit or the site or building permit application, the commencement of construction of each of the housing units under Section 313.5, or the payment of the in-lieu fee under Section 313.6 with respect to such credits. No excess credits may be applied against a sponsor's housing requirement for any application for a building or site permit filed after that date.

(c) If the number of excess credits or excess Interim Guidelines credits held by a sponsor is not sufficient to satisfy the entire housing requirement of that sponsor's (office) development project subject to the provisions of this ordinance, including, but not limited to the requirement that a percentage of the housing units must be affordable to qualifying households, then the balance of the housing requirement shall be satisfied in accordance with the provisions of this ordinance, including the requirement set forth in Section 313.5 that (62 percent of) the units constructed must be affordable to qualifying households.
(d) Excess credits and excess Interim Guideline credits may be transferred from one sponsor to another only if:

(1) The Director of Planning has been notified in writing of the proposed transfer of the credits;

(2) The Director of Planning has determined that the transfer or sponsor has obtained the credits through meeting the requirements of either ((Part)) subsection (a) or (b) of this Section; and

(3) The transfer is made in writing, a true copy of which is provided to the Director of Planning.

(e) The City makes no warranties that any excess credits or excess Interim Guidelines credits will be marketable during the period in which this ordinance is in effect or thereafter. The City makes no warranties that an applicant possessing excess credits or excess Interim Guidelines credits is entitled to Commission approval of a((n office)) development project subject to this ordinance.

SEC. 313.9. LIEN PROCEEDINGS. (a) A sponsor's failure to comply with the requirements of Sections 313.5, 313.6 and 313.7 shall constitute cause for the City to record a special assessment lien against the ((office)) development project in the sum of (($18,264.25 for each housing unit)) the in-lieu fee required under this ordinance, as adjusted under Section 313.6. ((The amount of the lien per unit shall be revised annually according to the formula in Section 313.6.))

(b) The Director of Planning shall initiate proceedings to impose the special assessment lien by preparing a preliminary report notifying the sponsor of a special assessment hearing to confirm such report by the Board of Supervisors at least 10 days before the date of the hearing. The report to the sponsor shall contain the sponsor's name, a
description of the sponsor's ((office)) development project, a description of the parcels of real
property to be encumbered as set forth in the Assessor’s Map Books for the current year, a
description of the alleged violation of this ordinance, and shall fix a time, date, and place for
hearing. The Director of Planning shall cause this report to be mailed to each owner of record
of the parcels of real property to be assessed.

(c) At the hearing fixed for consideration of the report, the Board of
Supervisors shall hear the report with any objections of the owners of the parcels liable to be
assessed. The Board of Supervisors may make such revisions, corrections or modifications
of the report as it may deem just. In the event that the Board of Supervisors is satisfied with
the correctness of the report as submitted or as revised, corrected or modified, it shall ((be))
confirm((ed)) it as a final report. Any delinquent account may be removed from the report by
payment in full at any time prior to confirmation of a final report. The Director of Planning shall
cause the confirmed report to be verified in form sufficient to meet recording requirements.

(d) Upon confirmation of the report by the Board of Supervisors, the
delinquent charges contained therein shall constitute a special assessment against the parcel
or parcels used in the ((office)) development project. Each such assessment shall be
subordinate to all existing special assessment liens previously imposed upon such parcels
and paramount to all other liens except those for State, County, and municipal taxes with
which it shall be upon parity. The lien shall continue until the assessment and all interest due
and payable thereon are paid to the Tax Collector of the City. All laws applicable to the levy,
collection, and enforcement of municipal taxes shall be applicable to said special assessment.

(e) The Director of Planning shall cause the confirmed and verified report to
be recorded in the County Recorder’s Office and the special assessment lien on each parcel
of property described in said report shall carry additional charges for administrative expenses
of $50 or 10 percent of the amount of the unpaid balance, whichever is greater, plus interest
at a rate of 1-½ percent per full month compounded monthly from the date of the recordation of the lien on all charges due.

(f) The Director of Planning shall file a certified copy of each confirmed final report with the Controller and Tax Collector within 10 days after confirmation of the report, whereupon it shall be the duty of said officers to add the amount of said assessment to the next regular bill for taxes levied against said parcel or parcels of land for municipal purposes, and thereafter said amount shall be collected at the same time and in the same manner as the City’s taxes are collected, and shall be subject to the same procedure under foreclosure and sale in case of delinquency as provided for property taxes of the City. Except for the release of lien recording fee authorized below, all sums collected by the Tax Collector pursuant to this ordinance shall be held in trust by the Treasurer and deposited in the Citywide Affordable Housing Fund established in Section 313.12.

(g) On payment to the Tax Collector of the special assessment, the Tax Collector shall cause to be recorded a release of lien with the County Recorder, and from the sum collected pursuant to subsection (a) of this Section, shall pay to the county recorder a recording fee of $11.00.

(h) Any notice required to be given to a sponsor or owner shall be sufficiently given or served upon the sponsor or owner for all purposes hereunder if personally served upon the sponsor or owner or if deposited, postage prepaid, in a post office letterbox addressed in the name of the sponsor or owner at the official address of the sponsor or owner maintained by the Tax Collector for the mailing of tax bills or, if no such address is available, to the sponsor at the address of the development project.

SEC. 313.10. IN-LIEU FEE REFUND WHEN BUILDING PERMIT EXPIRES PRIOR TO COMPLETION OF WORK AND COMMENCEMENT OF OCCUPANCY. In the event a building permit expires prior to completion of the work on and commencement of occupancy of a(n office) development project so that it will be necessary to obtain a new permit to carry out any development, the obligation to comply with this ordinance shall be cancelled, and any in-lieu fee previously paid to the Controller shall be refunded. If and when the sponsor applies for a new permit, the procedures set forth in this ordinance regarding construction of housing or payment of the in-lieu fee shall be followed.

SEC. 313.11. ONE-TIME FEE PAYMENT. In the event that a(n office) development project for which housing units have been constructed or an in-lieu fee has been fully paid is demolished or converted to (non-office) uses not subject to this ordinance prior to the expiration of its estimated useful life, the City shall either grant to the sponsor excess credits transferable under Section 313.8 for a portion of any housing units actually constructed and for which a certificate of occupancy has been issued, or refund to the sponsor a portion of the amount of an in-lieu fee paid. The portion of excess credits granted or the fee refunded shall be determined on a pro rata basis according to the ratio of the remaining useful life of the project at the time of demolition or conversion in relation to its total useful life. For purposes of this ordinance, the useful life of a(n office) development project shall be 50 years.
