(3) "Sponsor" means that organization responsible for organizing a street fair and authorized to represent the street fair before City agencies and officials.

(4) A "street fair" means a social or community event, not including an athletic event or parade, in which any group of persons convene to celebrate their community or neighborhood on any street in the City and County of San Francisco which event obstructs or interferes with the normal flow of vehicular traffic.
(b) **Applying for Temporary Use of Street for Street Fair.** Notwithstanding any other provisions of the Administrative Code of the City and County of San Francisco, the regulation of street fairs, including the processes for obtaining permits from the City for conducting these street fairs and the payment of associated fees to the City, shall be governed by Section 806. In order to provide for the safe, orderly and cost-effective conduct of street fairs, any organization seeking permission for the temporary use of a street for the purpose of conducting a street fair shall file an application with the Director no later than 90 days prior to the proposed date for the event. Applications shall be submitted on forms prepared by the Director after conferring with the appropriate representatives from the Police Department, Fire Department, Department of Public Health, the Municipal Railway, the Department of Public Works and the Department of Parking and Traffic. At the time of filing an application under this Section, the sponsoring organization shall also file a $80 application fee.

(c) **Timeliness of Applications.** No person submitting an application after the deadlines set forth in this ordinance shall be granted permission to conduct a street fair in the corresponding period unless the person demonstrates to the satisfaction of the Director that the failure to submit a timely application was justified by extraordinary circumstances; provided, however, that in no event shall an applicant be permitted to file an application less than 60 days prior to the proposed date for the event. A late fee of $80 shall be assessed for untimely filed applications.

(d) **Review of Application.**

(1) Upon receiving an application for permission for the temporary use of a street for purposes of conducting a street fair, the Director shall review the application to determine whether the information required in the application has been provided. If the Director determines that the applicant has failed to provide the information required, the Director shall,
within five business days of receiving the application, notify the applicant of what additional information is required. If the applicant fails to provide the additional information required within five business days of notification by the Director, the applicant's application shall be deemed to be untimely filed; provided, however, that upon good cause shown the Director may extend this five-day period. Except as provided in Subsection (2) of this Section, the Director shall transmit the completed application to ISCOTT.

(2) If, upon reviewing the application, the Director determines that the proposed street fair will be contained within one block in such a manner that no intersections will be closed, and that the proposed street fair will not require the rerouting of Municipal Railway vehicles, the Director may grant the street fair permit without referring the application to ISCOTT, provided however that the Director shall transmit copies of the applications to the constituent members of ISCOTT for informational purposes. The Director will calculate the fee to be charged to the sponsor using the same schedule and in the same manner as prescribed in Subsection (f) of this Section. If such a street fair will include the sale of food or beverages, the appropriate permits shall be obtained from the Department of Public Health no later than 14 days prior to the date of the event. The Director may accept or reject the recommendation of ISCOTT, and may grant, deny or grant with conditions the application for a permit. Upon granting permission to conduct a street fair, the Director shall cause all necessary permits to
be issued to the sponsor of the street fair. If the Director denies permission to conduct the
street fair, the Director shall state in writing his or her reasons for the denial.

(f) **Fee.** No later than 60 days prior to the proposed date of the street fair and in

the permit pursuant to the schedule below. No other fee for conducting a street fair shall be

Such appeal shall be made by filing with the Clerk of the Board, on a form provided by the Clerk of the Board, within 10 days of the Director's approval or disapproval or the determination or refund of fees. The Board may establish a fee to be imposed upon the filing of any such appeal. Upon receipt, the Clerk shall set a time and place for hearing such appeal by the Board of Supervisors, which shall be at its next regular meeting in conformance with public notice requirements.

At the appeal hearing, the appellant and Director shall have an opportunity to present oral testimony and written materials in support of their positions. Upon hearing the appeal,
and after any further investigation which the Board may request, the Board may affirm, reverse, or modify the Director's decision on the issue appealed.

Individuals seeking to sell goods or merchandise in a street that has been closed for the purpose of a street fair without the authorization of a sponsor may be cited for violating San Francisco Police Code Section 869 (peddling without a permit). Nothing in this Section shall be construed to deprive the Department of Public Health of its authority to determine that foods or beverages may be sold.

(l) Refund of Fees. If for any reason a sponsor cancels a proposed street fair, the sponsor shall be entitled to a refund of that portion of the fees paid, other than application fees, representing the costs saved by City departments by reason of the cancellation of the street fair.

(m) Annual Reports. No later than December 1st of each year, the Chief of Police and the Director or their designees shall provide to the Board of Supervisors written reports setting forth in detail the Police Department and Parking and Traffic Department costs, respectively, associated with street fairs for that year.
(n) City Undertaking Limited to Promotion of General Welfare. In undertaking the adoption and enforcement of this Section, the City is assuming an undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its officers or employees, an obligation for breach of which the City is liable in money damages to any person who claims that such breach proximately caused injury.

(o) Annual Adjustment of Fees. Beginning with fiscal year 2003-2004, fees set in this Section, including the caps on fees for police services, may be adjusted each year, without further action by the Board of Supervisors, to reflect changes in the relevant Consumer Price Index, as determined by the Controller.

No later than April 15th of each year, the officer, department, or agency administering the fees shall submit its current fee schedule to the Controller, who shall apply the price index adjustment to produce a new fee schedule for the following year.

No later than May 15th of each year, the Controller shall file a report with the Board of Supervisors reporting the fee new schedule and certifying that: (a) the fees produce sufficient revenue to support the costs of providing the services for which each fee is assessed, and (b) the fees do not produce revenue which is significantly more than the costs of providing the services for which each fee is assessed.
Severability. If any part of this Section, or the application thereof, is held to be invalid, the remainder of this ordinance shall not be affected thereby, and this ordinance shall otherwise continue in full force and effect. To this end, the provisions of this ordinance, and each of them, is severable.
