Section 1. The San Francisco 2002-2003 Annual Salary Ordinance is hereby amended by adding to Section (2) (Compensation Provisions) a new Sub-Section (4) (Supplementation of Military Pay) to read as follows:

4. Supplementation of Military Pay

(a) In accordance with Charter Section A8.400 (h) and in addition to the benefits provided pursuant to Section 395.01 and 395.02 of the California Military and Veterans Code and the Civil Service Rules, any City officer or employee who is a member of the reserve corps of the United States Armed Forces, National Guard or other uniformed service organization of the United States and is called into active military service on or after September 11th, 2001 in response to the September 11th, 2001 terrorist attacks, international terrorism or related extraordinary circumstances shall have the benefits provided for in subdivision (b).

(b) Any officer or employee to whom subdivision (a) applies, while on military leave shall receive from the City, for a period not to exceed 180 calendar days from the effective date of this ordinance, the following supplement to their military pay and benefits:
(1) The difference between the amount of the individual's gross military pay and the amount of
gross pay the individual would have received as a city officer or employee, had the officer or employee
worked his or her normal work schedule.

(2) Retirement service credit consistent with section A8.520 of the Charter. The City shall pay
the full employee contributions required by the Charter to the extent employer paid employee
contributions are required under the memorandum of understanding covering the employee.

(3) All other benefits to which the individual would have been entitled had the individual not
been called to active duty, except as limited under state law or the Charter.

(c) As set forth in Charter Section A8.400 (h), this ordinance shall be subject to the following
limitations and conditions:

(1) The individual must have been called into active service for a period greater than 30
consecutive days.

(2) The purpose for such call to active service shall have been to respond to the September 11th,
2001 terrorist attacks, international terrorism or related extraordinary circumstances and shall not
include scheduled training, drills, unit training assemblies or similar events.

(3) The amounts authorized pursuant to this ordinance shall be offset by amounts required to
be paid pursuant to any other law in order that there be no double payments.

(4) Any individual receiving compensation pursuant to this ordinance shall execute an
agreement providing that if the individual does not return to City service within 60 days of release from
active duty (or if the individual is not fit for employment at that time, within 60 days of a determination
that the employee is fit for employment), then that compensation described in Sections (b)(1) through
(b)(3) shall be treated as a loan payable with interest at a rate equal to the greater of (i) the rate
received for the concurrent period by the Treasurer's Pooled Cash Account or (ii) the minimum amount
necessary to avoid imputed income under the Internal Revenue Code of 1986, as amended from time to
time, and any successor statute. Such loan shall be payable in equal monthly installments over a
period not to exceed 5 years, commencing 90 days after the individual’s release from active service or return to fitness for employment, as the case may be.

(5) This ordinance shall not apply to any active duty served voluntarily after the time that the individual is called to active service.

(6) This ordinance shall not be retroactive.
