3 Section 2. The San Francisco Planning Code is hereby amended by amending Section  
4 312, to read as follows:

5 Sec. 312. Neighborhood Commercial Permit Review Procedures For All NC Districts.

6 (a) Purpose. The purpose of this Section is to establish procedures for  
7 reviewing building permit applications for lots in NC Districts in order to determine  
8 compatibility of the proposal with the neighborhood and for providing notice to property  
9 owners, occupants and residents neighboring the site of the proposed project and to  
10 interested neighborhood organizations, so that concerns about a project may be identified and  
11 resolved during the review of the permit.

12 (b) Applicability. Except as indicated herein, all building permit applications  
13 for demolition, new construction, alterations which expand the exterior dimensions of a  
14 building, ~~or~~ changes of use per the use categories of Article 7 or changes in use under Article 7  
15 to a retail coffee store, as defined in Planning Code Section 790.102(n), to a pharmaceutical and  
16 personal toiletries use, as defined in Planning Code Section 790.102(c), or the addition of a  
17 prescription drug service where none previously existed within 3 years of the application for the  
18 addition, shall be subject to the notification and review procedures required by this Section.  
19 Subsection 312(e) regarding demolition permits and approval of replacement structures shall  
20 apply to all NC Districts. For the purposes of this Section, addition to a building of the

5 application is determined to be in compliance, is disapproved or a recommendation for  
6 cancellation is sent to the Department of Building Inspection.

7 (1) Neighborhood Commercial Design Guidelines. The construction of new  
8 buildings and alteration of existing buildings in NC Districts shall be consistent with the design  
9 policies and guidelines of the General Plan as adopted and periodically amended for specific  
10 areas or conditions by the Planning Commission. The Director of Planning may require  
11 modifications to the exterior of a proposed new building or proposed alteration of an existing  
12 building in order to bring it into conformity with the General Plan. These modifications may  
13 include, but are not limited to, changes in siting, building envelope, scale texture and detailing,

4 Commission to exercise its discretionary review powers over a specific building permit  
5 application shall be considered by the Planning Commission if received by the Planning

20 Unless the building is determined to pose a serious and imminent hazard as defined in the  
21 Building Code an application authorizing demolition in any NC District of an historic or  
22 architecturally important building or of a dwelling shall not be approved and issued until the  
23 City has granted final approval of a building permit for construction of the replacement  
24 building. A building permit is finally approved if the Board of Appeals has taken final action for  
25

1 approval on an appeal of the issuance or denial of the permit or if the permit has been issued  
2 and the time for filing an appeal with the Board has lapsed with no appeal filed.

3 (1) The demolition of any building whether or not historically and  
4 architecturally important may be approved administratively where the Director of the  
5 Department of Building Inspection or the Chief of the Bureau of Fire Prevention and Public  
6 Safety determines, after consultation with the Zoning Administrator, that an imminent safety  
7 hazard exists, and the Director of the Department of Building Inspection determines that
