similar work in the City and County of San Francisco in private employment. Such Prevailing Rate of

but may consider such other evidence upon the subject as the Board of Supervisors shall deem proper
and thereupon base its determination upon any or all of the data or evidence considered.

(c) Transition Employment Period. All Contracts, Leases, Franchises, Permits, or
Other Agreements covered by this Section shall impose the following obligations on the
Contractor:

(1) Where the awarding authority Contracting Officer has given notice that a
Contract, Lease, Franchise, Permit or Other Agreement has been terminated or ended, or
where a Contractor has given notice of such termination, upon giving or receiving such notice,
as the case may be, the terminated or ending Contractor shall, within ten days thereafter,
provide to the successor Contractor, the name, date of hire, and employment occupation
classification of each employee employed at the site or sites covered by the prospective
Contractor at the time of the Contract, Lease, Franchise, Permit or Other Agreement
termination. This provision shall also apply to the subcontractors of the terminated
Contractor.

If the terminated Contractor has not learned the identity of the successor Contractor, if
any, by the time that notice was given of the Contract, Lease, Franchise, Permit, or Other
Agreement termination, the terminated Contractor shall obtain such information from the
Contracting Officer. If a successor Contract Contractor has not been awarded by the end of
the 10-day period, the employment information referred to earlier in this subsection shall be
provided to the Contractor Contracting Officer at such time. Where a subcontractor has been
terminated prior to the termination of the Contract, the terminated Subcontractor shall for the
purposes of this Section be deemed a terminated Contractor.

(2) A successor Contractor shall retain, for a 90 day transition employment period of
the original Contract, Lease, Franchise, Permit, or Other Agreement, employees who have
been employed by the terminated Contractor or its subcontractors, if any, for the preceding
eight months or longer at the site or sites covered by the Contract, Lease, Franchise, Permit,
or Other Agreement, providing that just cause does not exist to terminate such employee.

The predecessor contractor's employees shall be employed in order of their seniority with the
predecessor. This requirement shall be stated by the City in all initial bid packages involving a
Contract, Lease, Franchise, Permit, or Other Agreements governed by this section.

(3) If at any time a successor Contractor determines that fewer employees are
required to perform the new Contract than were required by the terminated Contractor (and
subcontractors, if any), the successor Contractor shall retain employees by seniority within job
classification.

(4) During such 90 day period, the successor Contractor (or subcontractor, where
applicable) shall maintain a preferential hiring list of eligible covered employees not retained
by the successor Contractor (or subcontractor) from which the successor Contractor (or
subcontractor) shall hire additional employees.

(5) Except as provided in Subsection (3) of above, during such 90 day period, the
successor Contractor (or subcontractor, where applicable) shall not discharge without cause
an employee retained pursuant to this Section. "Cause," for this purpose, shall include, but
not be limited to, the employee's conduct while in the employ of the terminated Contractor or
subcontractor that contributed to any decision to terminate the Contract or subcontract for
fraud or poor performance, excluding permissible union-related activity.
(6) At the end of such 90 day period, a successor Contractor (or subcontractor, where applicable) shall perform a written performance evaluation for each employee retained pursuant to this Section. If the employee's performance during such 90 day period is satisfactory, the successor Contractor (or subcontractor) shall offer the employee continued employment under the terms and conditions established by the successor Contractor (or subcontractor) or as required by law.

(7) All contracts subject to this Section include a provision in which the contractor agrees to require subcontractor to comply with, the obligation imposed by this Section.

(d) Enforcement.

(1) An Employee who has not been hired or has been discharged in violation of this Section Article by a successor Contractor or its subcontractor may bring an action in the Superior Court of the State of California, as appropriate, against the successor Contractor and, where applicable, its subcontractor, and shall be awarded back pay, including the value of benefits for each day during which the violation continues, which shall be calculated at a rate of compensation not less than the higher of:

(i) The average regular rate of pay received by the Employee during the last three years of the employee's employment in the same occupation classification; or

(ii) The final regular rate received by the Employee.

(2) If the Employee is the prevailing party in any such legal action, the Court shall award reasonable attorney's fees and costs as part of the costs recoverable.

(3) This Section Article is not intended to create a private right of action against the City and County of San Francisco.

(4) Successor's Prior Employees. Notwithstanding the provisions of Subsection (c) above, a successor Contractor or subcontractor may replace an Employee otherwise entitled to be retained pursuant to this Section with a person employed by the Contractor or
subcontractor continuously for eight months prior to the commencement of the successor
Contract or subcontract in a capacity similar to that proposed under the successor Contract or
subcontract. This Section shall apply only where the existing Employee of the successor
Contract or subcontract would otherwise be laid off work as a result of the award of the
successor Contract.

(c) (e) Noncompliance with Wage Provisions; Termination; Penalty. Where the Contracting
Officer determines that a Contractor for use of property owned by the City and County of San
Francisco, or a subcontractor, may have violated the prevailing wage requirements of this Section,
the Contracting Officer shall send written notice to the Contractor of the possible violation (a
"violation notice"). In addition to and without prejudice to any other remedy available, the
Contracting Officer may terminate the Contract, Lease, Franchise, Permit, or Other Agreement, in
which case the Contractor shall not be entitled to any additional payment thereon unless within 30 days
of receipt of the violation notice the Contractor has either (i) cured the violation or (ii) has established
by documentary evidence, including but not limited to payroll records, the truth and accuracy of which
is attested to by affidavit, proof of compliance with the provisions of this Section. For purposes of this
Section, where a Contractor or Subcontractor fails to pay at least the Prevailing Rate of Wages to
Employees as required by this Section to individuals working in public off-street parking lots or
garages, the Contractor shall have "cured the violation" once the Contractor or Subcontractor
reimburses such individuals by paying each individual the balance of what he or she should have
earned in accordance with the requirements of this Section. In addition to, or instead of terminating
the Contract, Lease, Management Contract, Lease, Franchise, Permit, or Other Agreement, where
the Contracting Officer finds that the Contractor has willfully violated the requirements of this Section,
the Contracting Officer or the Labor Standards Enforcement Officer of the Office of Contract
Administration may assess a penalty (a "willful violation penalty") in an amount of not more than 10
percent of the dollar amount of the Contract, Lease, Franchise, Permit, or Other Agreement, such
sums to be deposited in the fund out of which the Contract, Lease, Franchise, Permit, or Other Agreement is awarded or, if none exists, the General Fund. The Contracting Officer or Labor Standards Enforcement Officer may impose such willful violation penalty regardless of whether the Contractor has cured the violation.

(d) Collective Bargaining Agreements. Notwithstanding anything to the contrary in this Section, if a Contract, Lease, Franchise, Permit, or Other Agreement conflicts with an existing collective bargaining agreement to which a Contractor or Subcontractor is a party, the collective bargaining agreement shall prevail. However, the Contractor or Subcontractor will be obligated to make good faith efforts to comply with the requirements of its Contract, Lease, Franchise, Permit, or Other Agreement that do not conflict with the collective bargaining agreement.

(e) Preemption. Nothing in this Section shall be interpreted or applied so as to create any power or duty in conflict with any federal or state law.

(f) Effective Date and Application. This Section shall become effective 30 days after it is enacted, is intended to have prospective effect only, and shall not be interpreted to impair the obligations of any pre-existing Contract, Lease, Franchise, Permit, or Other Agreement issued or entered into by which the City and County of San Francisco.

(g) Applicability to Existing Contracts, Leases, Franchises, Permits, or Other Agreements. This Section Article shall only apply to Contracts, Leases, Franchises, Permits, or Other Agreements entered into on or after the effective date of this Section Article.
(h) (4) Severability. If any severable provision or provisions of this Section Article or any application thereof is held invalid, such invalidity shall not affect any other provisions or applications of the Section Article.
