Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Administrative Code is hereby amended by adding Section 21.25-x, to read as follows:

Sec. 21.25-x. PREVAILING RATE OF WAGES REQUIRED IN CONTRACTS FOR MOVING SERVICES; NONPROFIT ORGANIZATIONS EXCLUSION.

Every Contract issued by the City and County of San Francisco for Moving Services to be performed at any facility owned or leased by the City and County of San Francisco, where such work is to be done directly under the contract awarded (a "prime contract") must require that any individual performing Moving Services thereunder be paid not less than the Prevailing Rate of Wages, including fringe benefits or the matching equivalents thereof, paid in private employment for similar work in the area in which the Contract is being performed.

(a) Exclusions. This Section shall not apply to the following:

(1) Non-Profits. This Section shall not apply to a Contract where the Moving Services are to be performed by a non-profit organization that provides job training and work experience for disadvantaged individuals in need of such training.

(7) "Prevailing Rate of Wages" shall mean that rate of compensation, including fringe benefits or the
matching equivalents thereof, being paid to a majority of workers performing moving services, if a
majority of such workers be paid at a single rate; if there be no single rate being paid to a majority,
then the prevailing rate shall be that single rate being paid the greatest number of workers.
(c) Determination of Prevailing Rate of Wage. It shall be the duty of the Board of Supervisors, from
time to time and at least once during each calendar year, to fix and determine the Prevailing Rate of
Wages paid in private employment in the City and County of San Francisco for Moving Services,
including such rate of wages paid for overtime and holiday work, which said Prevailing Rate of Wages
shall be fixed and determined as follows:
The Civil Service Commission shall furnish to the Board of Supervisors, on or before the first Monday
in November of each year, data as to the Prevailing Rate of Wages for Moving Services as paid in
private employment in the City and County of San Francisco, including wages for overtime and holiday
work. The Board of Supervisors shall, upon receipt of such data, fix and determine the Prevailing Rate
of Wages for Moving Services, including such rate of wages paid for overtime and holiday work, as
paid for similar work in the City and County of San Francisco in private employment. Such Prevailing
Rate of Wages as so fixed and determined by the Board of Supervisors shall remain in force and shall
be deemed to be the Prevailing Rate of Wages paid in private employment for similar work, until the
same is changed by the Board of Supervisors.
In determining the Prevailing Rate of Wages, as provided for in this Section, the Board of Supervisors
shall not be limited to the consideration of data furnished by the Civil Service Commission, but may
consider such other evidence upon the subject as the Board of Supervisors shall deem proper and
thereupon base its determination upon any or all of the data or evidence considered.
(d) Noncompliance with Wage Provisions; Termination; Penalty. Where the Contracting Officer or the
City's Labor Standards Enforcement Officer determines that a Contractor for Moving Services may
have violated the prevailing wage requirements of this Section, the Contracting Officer or the City's

Labor Standards Enforcement Officer shall send written notice to the Contractor of the possible violation (a "violation notice"). In addition to and without prejudice to any other remedy available, the Contracting Officer may terminate the contract, in which case the Contractor shall not be entitled to any additional payment thereon unless within 30 days of receipt of the violation notice the Contractor has either (i) cured the violation or (ii) has established by documentary evidence, including but not limited to payroll records, the truth and accuracy of which is attested to by affidavit, proof of compliance with the provisions of this Section. For purposes of this Section, where a Contractor fails to pay at least the Prevailing Rate of Wages to individuals performing Moving Services under a Contract for Moving Services, the Contractor shall have "cured the violation" once the Contractor reimburses such individuals by paying each individual the balance of what he or she should have earned in accordance with the requirements of this Section. In addition to, or instead of terminating the Contract for Moving Services, where the Contracting Officer or the Office of Labor Standards Enforcement finds that the Contractor has willfully violated the requirements of this Section, the Contracting Officer or the City's Labor Standards Enforcement Officer shall assess a penalty (a "willful violation penalty") in the sum of \$50 per day for each Employee for each day the Contractor or Subcontractor fails to pay the Prevailing Rate of Wages, such sums to be deposited in the fund out of which Contract is awarded. The Contracting Officer or the City's Labor Standards Enforcement Officer shall impose such willful violation penalty regardless of whether the Contractor has cured the violation. (e) Verification. The Contractor must provide verification of compliance with the provisions of this Ordinance upon request by the Contracting Officer or the City's Labor Standards Enforcement Officer. (f) Collective Bargaining Agreements. Notwithstanding anything to the contrary in this Section, if a Contract conflicts with an existing collective bargaining agreement to which a Contractor is a party, the collective bargaining agreement shall prevail. However, the Contractor will be obligated to make good faith efforts to comply with the requirements of its Contract that do not conflict with the collective bargaining agreement.

(g) Preemption. Nothing in this Section shall be interpreted or applied so as to create any power or
duty in conflict with any federal or state law.
(h) Effective Date and Application. This Section shall become effective 30 days after it is enacted
This Section is intended to have prospective effect only, and shall not be interpreted to impair the
obligations of any pre-existing agreement to which the City is a party, unless such pre-existing
agreement has been amended after the effective date of this Section.
(i) Severability. If any part or provision of this Section, or the application thereof to any Person or
circumstance, is held invalid, the remainder of this Section, including the application of such part of
provisions to other Persons or circumstances, shall not be affected thereby and shall continue in ful
force and effect. To this end, the provisions of this Section are severable.
