Sections 902.1, 902.2, 903, 903.1 and 906.1, as amended and added by this ordinance, shall read as follows:

SEC. 902.1. PAYROLL EXPENSE. (a) The term "Payroll Expense" means the compensation paid to, on behalf of, or for the benefit of an individual or pass-through entity, including salaries, wages, bonuses, commissions, property issued or transferred in exchange for the performance of services (including but not limited to stock options), compensation for services to owners of pass-through entities and any other form of compensation, who or that, during any tax year, performs work or renders services, in whole or in part in the City; and if more than one individual or pass-through entity during any tax year performs work or renders services in whole or in part in the City, the term "Payroll Expense" means the total compensation paid including salaries, wages, bonuses, commissions, property issued or transferred in exchange for the performance of services (including but not limited to stock...
options), compensation for services to owners of pass-through entities and any other form of compensation for services, to all such individuals and pass-through entities.

(b) Any person that grants a service provider a right to acquire an ownership interest in such person in exchange for the performance of services shall include in its payroll expense for the tax year in which such right is exercised an amount equal to the excess of (i) the fair market value of such ownership interest on the date such right is exercised over (ii) the price paid for such interest.

(c) Any individual compensated in his or her capacity as a real estate salesperson or mortgage processor shall be deemed an employee of the real estate broker or mortgage broker for or under whom such individual performs services, and any compensation received by such individual, including compensation by way of commissions, shall be included in the payroll expense of such broker. For purposes of this Section, “real estate broker” and “mortgage broker” refer to any individual licensed as such under the laws of the State of California who engages the services of salespersons or a salesperson, or of mortgage processors or a mortgage processor, to perform services in the business which such broker conducts under the authority of his or her license; a “salesperson” is an individual who is engaged by a real estate broker to perform services, which may be continuous in nature, as a real estate salesperson under an agreement with a real estate broker, regardless of whether the individual is licensed as a real estate broker under the laws of the State of California; a “mortgage processor” is an individual who is engaged by a real estate broker or mortgage broker to perform services, which may be continuous in nature, as a mortgage processor under an agreement with such real estate broker or mortgage broker, regardless of whether the mortgage processor is also licensed as a mortgage broker under the laws of the State of California.
(d) All compensation, including all pass-through compensation for services paid to, on behalf of, or for the benefit of owners of a pass-through entity, shall be included in the calculation of such entity's payroll expense for purposes of determining such entity's tax liability under this Article. For purposes of this section, the "pass-through compensation for services" of a pass-through entity shall be the aggregate compensation for personal services rendered by all such owners, and shall not include any return on capital investment. Pass-through entities, at their option, may calculate the amount of "pass-through compensation for services" for any given tax year using one of the following methods:

(1) The amount of such entity's net earnings from self-employment for federal income tax purposes; or

(2) Ninety percent (90%) of all amounts paid to, on behalf of, or for the benefit of all the owners of such entity; or

(3) For each such owner, an amount that is one hundred and fifty percent (150%) of the average annual compensation paid to, on behalf of, or for the benefit of all employees of the pass-through entity whose compensation is in the top quartile (i.e., 25%) of the entity's highest paid employees who are based in the City; provided, the total number of employees of the entity based in the City is not less than twenty.

(e) If a pass-through entity establishes to the satisfaction of the Tax Collector that all of the methods set forth in Subsection (d) are inapplicable and/or overstate the amount of compensation reasonably attributable to work performed or services rendered by such owners because of the particular nature of the services rendered or work performed, or on account of the unusual basis of such compensation, or for any other reason, then the amount of pass-through compensation shall be determined on the basis of all relevant facts and circumstances of the particular case, in accordance with any rulings or regulations issued or promulgated by the Tax Collector for such purpose or with the written approval of the Tax Collector.

Mayor Gavin Newsom

(b) The Payroll Expense Tax is imposed for general governmental purposes and in order to require commerce and the business community to carry a fair share of the costs of local government in return for the benefits, opportunities and protections afforded by the City. Proceeds from the tax shall be deposited in the City’s general fund and may be expended for any purposes of the City.

(c) The voters intend by approving this measure to authorize application of the Payroll Expense Tax in the broadest possible manner consistent with the provisions of this Article and the requirements of California Constitution Article XIIIIC, the United States Constitution and any other applicable provision of federal and state law.

Mayor Gavin Newsom
(d) The Tax Collector may promulgate all reasonable regulations and issue all reasonable rules, determinations and interpretations necessary or appropriate to implement and administer the Payroll Expense Tax upon all commerce and business activities occurring within, attributable to or having sufficient nexus with the City to lawfully impose the tax, regardless of the form (corporate or otherwise) of the person or other legal entity engaging in business in the City.

(e) The Payroll Expense Tax imposed hereunder is in addition to the Business Tax imposed under Article 12-A-1. Persons not otherwise exempt from the Payroll Expense Tax or Business Tax shall pay both taxes. Amounts paid or credited to those having an ownership interest in such Association prior and in addition to the distribution of ownership profit or loss shall be presumed to be distributions "by way of salary" and for personal services rendered, unless the taxpayer proves otherwise by clear and convincing evidence.

SEC. 906.1. BIOTECHNOLOGY EXCLUSION. (a) Any person engaging in business within the City may exclude from the person's payroll expense all compensation paid to, on behalf of, or for the benefit of all individuals and pass-through entities who or that perform substantially all work or render substantially all services in direct support of such person's biotechnology business, subject to the conditions and limitations set forth in this Section. For
purposes of this Section, "biotechnology business" means conducting biotechnology research and experimental development, and operating laboratories for biotechnology research and experimental development, using recombinant DNA, cell fusion, and bioprocessing techniques, as well as the application thereof to the development of diagnostic products and/or devices to improve human health, animal health, and agriculture.

(b) Unless exempted under Sections 906 of this Article, every person engaging in the biotechnology business in the City shall pay the tax imposed under this Article on the full amount of the person's payroll expense attributable to the City from and after the expiration of this Section.

(c) If a person's calculated liability for the Payroll Expense Tax does not exceed $2,500 for the tax year after applying the biotechnology exclusion under this Section, the person shall be exempt from payment of the Payroll Expense Tax for that tax year as provided in Section 905-A.

suggest that the fee is a tax.

(a) In addition to any information or records the Tax Collector may require from any person on any return or statement, or pursuant to a request under Section 6.5-1 or otherwise, the Controller may require any person engaging in business in the City to furnish information and records regarding the particulars of the person's business or businesses. Such particulars may include but are not limited to the person's gross receipts, income, payroll expenses, payments to independent contractors, costs for materials and other business expenses, industry codes, business and industrial classification(s), ownership and management structure of the business, ownership interests in other legal entities, businesses and joint ventures, federal and state tax filing.

status, and other information the Controller deems necessary or appropriate for purposes of evaluating business activities in the City, tax and economic policies and practices, revenue projections and trends, and other matters.

(b) The Controller may require information and records under Subsection (a) as part of annual, quarterly, monthly or per event tax returns or statements filed with Tax Collector pursuant to Article 6, or otherwise. The Tax Collector shall provide all necessary cooperation and assistance to effectuate the collection of information and records as directed by the Controller pursuant to this Section.

(c) The Controller and all City officials and employees shall maintain the confidentiality of trade secrets and other confidential taxpayer information and records obtained pursuant to this Section, and may disclose such trade secrets and confidential taxpayer information and records only as permitted or required by Section 6.22-1 of Article 6 or other applicable law.

SEC. 6.6-1. CERTIFICATE OF AUTHORITY FOR THIRD-PARTY TAXES. (a) These additional provisions shall apply to operators under the transient hotel occupancy tax (Article 7), the parking space occupancy tax (Article 9), the utility users tax (Article 10) and the emergency response fee (Article 10A).

(b) Every operator engaging in or about to engage in business within the City who is required to collect or remit any third-party tax shall immediately apply to the Tax Collector for a certificate of authority on a form provided by the Tax Collector.

(c) The application for a certificate of authority shall set forth the name under which the person transacts or intends to transact business, the location of each of the person’s places of business in the City, and such other information as the Tax Collector may require. The application shall be signed by the owner if a sole proprietor, by a member or partner, in
the case of an association, or by an executive officer or some person specifically authorized
by the corporation to sign the application, in the case of a corporation.
(d) Except as provided in Subsections (f), (g) and (h) below, the Tax Collector, within 30 days after the application is complete, shall issue without charge a separate certificate of authority to the operator to collect third party taxes from customers for each location at which the operator is required to collect such taxes. Each certificate shall state the location of the place of business to which it applies and shall be prominently displayed at such location in plain view of all customers. Certificates of authority may not be assigned or transferred. The operator shall immediately surrender to the Tax Collector the certificate for that location upon the operator's cessation of business at that location or upon the sale or transfer of the business.

(e) The holder of a certificate of authority to collect parking taxes under Article 9 shall remain presumptively liable for the collection of parking taxes at the location named in the certificate, and for the reporting and remittance of such taxes to the Tax Collector, unless and until the holder of the certificate both (i) notifies the Tax Collector in writing that the holder has ceased to conduct a parking business at such location, and (ii) surrenders the certificate for that location to the Tax Collector.

(f) The Tax Collector may refuse to issue the certificate where, within the 30-day period referred to in Subsection (d) above, the Tax Collector determines that the operator, or any signatory to the application, or any person holding a 10 percent or greater legal or beneficial interest in said operator ("10% owner") is not in compliance with any provision of Articles 6, 7, 9, 10, 10A, 12A.12-A or 12-A.1. Solely for purposes of determining under this Section whether any such operator, signatory or 10% owner is not in compliance with such Articles, the Tax Collector may disregard any corporation or association owned or controlled, directly or indirectly, by any such operator, signatory or 10% owner and consider such corporation or association's operations and liabilities as conducted by or as owned by any one or more of such corporation or association's officers, directors, partners, members or owners.
For purposes of this Section, (i) the term “owned” means ownership of 50 percent or more of the outstanding ownership interests in such corporation or association, and (ii) the term “controlled” includes any kind of control, whether direct or indirect, whether legally enforceable, and however exercisable or exercised over such corporation or association. A presumption of control arises if the operator, signatory or 10% owner is (or was) an officer, director, partner or member of such corporation or association.

(g) Further, if any person subject to this Section violates any provision of Articles 6, 7, 9, 10, 10A, 12, 12-A or 12-A-1, or a rule or regulation promulgated by the Tax Collector, including but not limited to failing to maintain accurate registration information, failure to sign any return or pay any tax when due, failure to timely respond to any request for information, order for records or subpoena, or for any person subject to Article 9 for failure to comply with the requirements of Article 49 of the Police Code, the Tax Collector may, after serving the person with written notice of his or her determination in the manner provided in Section 6.11-2 and an opportunity to be heard pursuant to the notice and review provisions of Sections 6.13-1 et seq., revoke or suspend that person’s certificate of authority. The Tax Collector may refuse to issue that person a new certificate of authority or to withdraw the suspension of an existing certificate until the person, signatory to the application for the certificate revoked or suspended, signatory to the application for a new certificate or withdrawal of the suspension, and all 10% owners have complied with the provisions of Articles 6, 7, 9, 10, 10A, 12, 12-A or 12-A-1 and corrected the original violation to the satisfaction of the Tax Collector.

(h) Before any certificate of authority shall be issued to any applicant to engage in the business of renting parking space in a parking station in this City, such applicant shall file with the Tax Collector a bond naming the City as exclusive beneficiary, at all times the applicant engages in such business. For any parking station with annual gross receipts less than $100,000, such bond shall be in the amount of $5,000. For any parking station with

Mayor Gavin Newsom
annual gross receipts of $100,000 or more, such bond shall be in the amount of $25,000. Such bond shall be executed by the applicant as principal, and by a corporation or association which is licensed by the Insurance Commissioner of this State to transact the business of fidelity and surety insurance, as surety. The applicant shall keep the bond in full force and effect for the duration of the certificate of authority and all renewals thereof issued to such applicant. If the bond provides that the term thereof shall be continuous until cancelled, the applicant shall provide the Tax Collector with certification from the surety of the renewal or continuation of the bond: (i) when applying for renewal of an existing certificate of authority, (ii) when requesting the withdrawal of a suspension of an existing certificate of authority, or (iii) upon written request of the Tax Collector.

The bond shall contain conditions that require the applicant to comply fully with all the provisions of Business and Tax Regulations Code concerning the collection of third-party taxes from occupants of parking stations and the remittance of such taxes to the Tax Collector. The bond shall be payable to this City in the amount of all unpaid parking taxes on amounts of taxable rents collected by the applicant, together with all administrative collection costs, interest, penalties, and other costs and charges applicable thereto; provided, however, that the aggregate liability of the surety for any and all claims which may arise under such bond shall in no event exceed the face amount of such bond regardless of the amount due and owing to the City. The City may bring an action upon the bond for the recovery of any unpaid parking taxes, administrative collection costs, interest, penalties and other costs and charges at any time prior to the expiration of the period of limitations applicable to the collection of such unpaid taxes by the Tax Collector.
SEC. 6.8-1. CITY, PUBLIC ENTITY AND CONSTITUTIONAL EXEMPTIONS. Nothing in Articles 6, 7, 10, 10A, 11, 12, 12-A or 12-A-1 shall be construed as imposing a tax upon:

(1) The City;

(2) The State of California, or any county, municipal corporation, district or other political sub-division of the State, except where any constitutional or statutory immunity from taxation is waived or is not applicable;

(3) The United States of America, or any of its agencies or subdivisions, except where any constitutional or statutory immunity from taxation is waived or is not applicable; or

(4) Any person exempted from the particular tax by the Constitution or statutes of the United States or the Constitution or statutes of the State of California.

SEC. 6.9-1. DETERMINATIONS, RETURNS AND PAYMENTS; DUE DATE OF TAXES. Except for jeopardy determinations under Section 6.12-2, and subject to prepayments required under Section 6.9-2, all amounts of taxes and fees imposed by Articles 6, 7, 9, 10, 10A, 11, 12-A and 12-A-1 are due and payable, and shall be delinquent if not paid to the Tax Collector on or before the following dates:

(a) For the transient hotel occupancy tax (Article 7) and the parking space occupancy tax (Article 9), for each calendar quarter, on or before the last day of the month following each respective quarterly period;

(b) For the payroll expense tax (Article 12-A) and Business Tax (Article 12-A-1), on or before the last day of February of each year;

(c) For the utility users taxes (Article 10) and the emergency response fee (Article 10A), for each monthly period, on or before the last day of the following month; and

(d) For the stadium operator admission tax (Article 11), within five days after the event, subject to the provisions of Article 11, Section 804.
SEC. 6.9-3. DETERMINATIONS, RETURNS AND PAYMENTS; PREPAYMENTS.

(a) Prepayments. Notwithstanding the due dates otherwise provided in Section 6.9-1, taxpayers shall make prepayments of taxes and third party taxes ("tax prepayments") to the Tax Collector as follows:

(1) Hotel and Parking Taxes. The Hotel Tax (Article 7) and the Parking Tax (Article 9) shall be paid in monthly installments. Such monthly installments shall be due and payable to the Tax Collector on or before the last day of the month immediately following the month for which the prepayment is due. Taxes paid in the first two monthly installments of any quarterly period shall be a credit against the total liability such third party taxes for the quarterly period. Estimated tax prepayments shall be computed based on the estimated tax accrued during the month in question, but in no instance shall a prepayment be equal to a sum less than 30 percent of the tax collected in the immediately preceding quarterly period. If the taxpayer can establish by clear and convincing evidence that the amount of any prepayment will exceed the total tax liability for the quarterly period for which the tax prepayment becomes due, the Tax Collector may, in writing, adjust the amount of the tax prepayment. The third monthly installment of any quarterly period shall be in an amount equal to the total tax liability for the quarterly period, less the amount of any tax prepayments actually paid.

(2) Payroll Expense Tax and Business Tax. The Payroll Expense Tax (Article 12-A) and Business Tax (Article 12-A-1) shall be paid in biannual or quarterly installments as follows:

(A) Small Firm Prepayments. Every person liable for payment of a total Payroll Expense Tax in excess of $2,500 or a total Business Tax in excess of $500, but less than a combined total of $50,000 for both such taxes, for any tax year shall pay such taxes for the following tax year in two installments. The first installment shall be due and payable, and shall be delinquent if not paid on or before, August 1st. The first installment shall be a credit against
the person’s total liability under the Payroll Expense Tax and Business Tax for the tax year in which the first installment is due. The first installment shall be in an amount equal to one-half (1/2) of the person’s estimated total liability under the Payroll Expense Tax and Business Tax for such tax year. The estimated liability for a tax year shall be computed by using $2102% of the person’s total taxable payroll expense (as defined in Section 902.2 902.1 of Article 12-A) and taxable gross receipts (as defined in Section 952.23 of Article 12-A-1) for the preceding tax year, and the corresponding rates of tax applicable to the tax year in which the first installment is due. The second installment shall be reported and paid on or before the last day of February of the following year. The second installment shall be in an amount equal to the person’s combined total liability under the Payroll Expense Tax and Business Tax for the subject tax year, less the amount of the first installment and other tax prepayments for such tax year, if any, actually paid. The estimated liability for the 2005 tax year shall be computed by using 102% of the person’s taxable payroll expense for the 2004 tax year, plus the person’s estimated taxable gross receipts for the 2005 tax year.

(B) Large Firm Prepayments. Every person liable for payment of a combined total Payroll Expense Tax and Business Tax in excess of $50,000 for any tax year shall pay such tax for the following tax year in four quarterly installments. The first, second and third quarterly installments shall be due and payable, and shall be delinquent if not paid on or before, May 1st, August 1st and November 1st, respectively. The first, second and third quarterly installments shall be a credit against the person’s total liability under the Payroll Expense Tax and Business Tax for the tax year in which such first, second and third quarterly installments are due. Such quarterly installments each shall be in an amount equal to one-quarter (1/4) of the person’s estimated total liability under the Payroll Expense Tax and Business Tax liability for such tax year. The estimated liability for such tax year shall be computed by using 104% 102% of the person’s total taxable payroll expense (as defined in Section 902.1 of Article 12-A) and
taxable gross receipts (as defined in Section 952.23 of Article 12-A-1) for the preceding tax year, and the rate of tax applicable to the tax year in which the first, second and third quarterly installments are due. The fourth installment shall be reported and paid on or before the last day of February of the following year. The fourth quarterly installment shall be in an amount equal to the person's total combined liability under the Payroll Expense Tax and Business Tax liability for the subject tax year, less the amount of the first, second and third quarterly installments and other tax prepayments, if any, actually paid. The estimated liability for the 2005 tax year shall be computed by using 102% of the person's taxable payroll expense for the 2004 tax year, plus the person's estimated taxable gross receipts for the 2005 tax year.

(b) Tax Prepayment Penalties. Every person who fails to pay any tax prepayment required under this Section before the relevant delinquency date shall pay a penalty in the amount of five percent (5%) of the amount of the delinquent tax prepayment per month, or fraction thereof, up to twenty percent (20%) in the aggregate, and shall also pay interest on the amount of the delinquent tax prepayment from the date of delinquency at the rate of one percent (1%) per month, or fraction thereof, for each month the prepayment is delinquent, until paid.

(c) Hotel and Parking Taxes. Upon commencing business, an operator subject to the Hotel Tax (Article 7) or the Parking Tax (Article 9) shall have the option of making prepayments in the amount of the actual tax owed or making an estimate of the prepayment for the month based on the estimated tax accrued during the month in question. Once the operator has selected an option, the operator must continue to follow that procedure unless prior written permission to use the alternative procedure has been obtained from the Tax Collector.

In no instance shall an estimated prepayment of hotel or parking taxes be less than 30 percent of such tax collected in the immediately preceding quarterly period. If such estimated
prepayment is less than 30 percent of the tax collected in such preceding quarterly period, the
operator shall be subject to penalties and interest for the deficiency pursuant to Section 6.17-
1. If a prepayment based on actual tax owed is less than 90 percent of the actual liability for
the month, the operator shall be subject to penalties and interest for the deficiency pursuant to
Section 6.17-1.

(d) Forms and Adjustments. Tax prepayments required under this Section shall be
accompanied by a tax prepayment form prepared by the Tax Collector, but failure of the Tax
Collector to furnish the taxpayer with a tax prepayment form shall not relieve the taxpayer
from any tax prepayment obligation. The Tax Collector may, in writing, adjust the amount of a
tax prepayment if the taxpayer can establish by clear and convincing evidence that the first
installment of biannual tax prepayments, or first, second or third monthly installment of a
quarterly tax prepayment, will amount to more than one half or one quarter, respectively, of
the person's total tax liability for the tax year in which the installment is due.

SEC. 6.9-5. DETERMINATIONS, RETURNS AND PAYMENTS; CREDITS AND
EXEMPTIONS. The credits and exemptions set forth in Articles 7, 9, 10, 10A, 11, 12,
and 12-A-1 are provided on the assumption that the City has the power to offer such credits
and exemptions. If a credit or exemption is invalidated by a court of competent jurisdiction, the
taxpayer must pay any additional amount that the taxpayer would have owed but for such
invalid credit or exemption. Amounts owed as a result of the invalidation of a credit or
exemption that are paid within three years after the decision of the court becomes final shall
not be subject to interest or penalties.
SEC. 6.21-1. TRANSFEREE AND SUCCESSOR LIABILITY. (a) The liability at law or in equity of a successor, transferee or alter ego of any taxpayer or other person determined to be liable for any tax, interest, cost or penalty subject to this Article, imposed upon a taxpayer shall be determined, collected and paid in the same manner and subject to the same provisions and limitations as in the case of a deficiency determination pursuant to Sections 6.12-1 et seq. and 6.13-1 et seq. Nothing in this subsection shall be construed to limit the rights or procedures available to the Tax Collector to collect from any successor, transferee or alter ego, at law or in equity, as may be provided by statutory or decisional law.

(b) No person shall purchase or acquire an interest in a business subject to any tax imposed under Articles 7, 9, 12-A or 12-A-1, without first obtaining either a receipt from the Tax Collector showing that all of the seller's taxes on the business have been paid, or a certificate stating that no amount is due. For purposes of this Section, "purchase" shall include any other voluntary transfer for consideration of a business, except for purchase of stock of a publicly-traded company.

(c) The Tax Collector shall issue such a receipt or certificate, or a notice of the amount that must be paid as a condition of issuing the certificate, to the buyer within 30 days after receiving a written request. However, failure of the Tax Collector to timely mail the notice will not release the buyer from his or her obligations under this Section, except to the extent of penalties and interest in the event that the Tax Collector enforces the buyer's obligation in a civil action authorized pursuant to the Business and Tax Regulations Code.

(d) If the buyer purchases or acquires an interest in a business owing any taxes, interest or penalties imposed under Articles 7, 9, 12-A or 12-A-1, the buyer shall withhold from the purchase price and pay to the Tax Collector a sufficient amount to satisfy said taxes, interest and penalties.
(e) If the buyer purchases or acquires an interest in a business in violation of this Section, the buyer shall become personally liable for the amount of taxes, interest and penalties owed on the business.

(f) The buyer's obligations shall accrue at the time the business is purchased or the interest acquired, or at the time the Tax Collector determines the seller's final liability, whichever is later.
