9 Section 1. Findings. The Planning Department has determined the proposed fee
10 adjustments to be exempt from the requirements of the California Environmental Quality Act
11 (CEQA) pursuant to CEQA Guidelines Section 15273(a), which exempts rates, tolls, fares and
12 charges such as those proposed here.

13 Section 2. The San Francisco Planning Code is hereby amended by amending Article
14 3.5, to read as follows:

15 SEC. 350. FEES, GENERAL.

16 Fees shall be imposed in order to compensate the Planning Department for the
17 cost of processing permit applications for the establishment, abolition or modification of a
18 setback line, for signs, demolition, reclassification of property, conditional use authorization,
19 variance, or coastal zone permit; reviewing permit applications filed in and issued by other
20 City departments, institutional master plans, General Plan amendments and referrals, projects
21 which require review under Section 295 of this Code (park shadow ordinance) and permits
22 requiring additional review by nature of their location within the C-3 District (Section 309(b)) or
23 exceptions from the Planning Code (Section 309(a)), permits required under the Office
24 Development Limitation Program (Sections 320-325), review of redevelopment plans,
25 transferable development rights applications, projects requiring special review pursuant to

1 Section 306.7; providing transportation review associated with project applications, providing
2 policy and code review and interpretation, Zoning Administrator written determinations
3 pursuant to Section 307(a), research, document retrieval and technical reports, Planning
4 Commission and Landmarks Preservation Advisory Board agendas, and notification of project
5 applications. Fees shall be charged and collected as indicated for each class of application,
6 permit, filing request or activity listed in Sections 351 through 357 below.

7 (a) Estimated construction costs are as defined by the San Francisco Building
8 Code.

9 (b) All fees are payable at time of filing application or request, except where noted
10 otherwise. However, the Director of Planning may authorize phased collection of the fee for a
11 project whose work is projected to span more than one fiscal year.

12 (c) Time and Materials. The Planning Department shall charge the applicant for any
13 time and materials cost incurred in excess of the fee paid. The total additional charge shall not
14 exceed two times the initial fee paid without providing an estimate of cost, except as provided
15 below:

16 (1) Where initial fee is based upon two hours or less of staff time, the total additional
17 charges shall not exceed four times the initial fee without providing an estimate of costs.

18 (2) Applications with verified violations of this Code shall be charged time and
19 materials in excess of fee for renotification, investigation and research relating to processing
20 applications, where the applicant has failed to respond fully, and within the time requested, to
21 a notice of incomplete application citing the code violations with direction for their correction,
22 not to exceed five times the amount of the initial fee.

23 (3) Where a different limitation on time and material charges is set forth elsewhere
24 in this Article, that limitation shall prevail.

1 (4) The Planning Department may also charge for any time and material costs
2 incurred by other departments or agencies of the City and County of San Francisco.

3 (d) Refunds. When an application is withdrawn by the applicant prior to a public
4 hearing, or deemed canceled by the Planning Department due to inactivity on the part of the
5 applicant then the applicant shall be entitled to a refund of the fee paid to the Department less
6 the time and materials expended minus a \$200 processing fee.

7 (e) Deferred or Reduced Fee.

8 (1) Any fraternal, charitable, benevolent or any other nonprofit organization, which
9 organization is exempt from taxation under the Internal Revenue laws of the United States
10 and the Revenue and Taxation Code of the State of California as a bona fide fraternal,
11 charitable, benevolent or other nonprofit organization, shall pay fees for applications specified
12 in Section 352(a), (g), (h), and (i) based on time and materials only, up to the full fee, and may
13 defer payment of the fee until (1) before final Planning Department approval of the building
14 permit, preparatory to issuance of the building permit, before the building permit is released to
15 the applicant, or (2) within one year of the date of action on the application, whichever comes
16 first; provided that the application is for the development of residential units all of which are
17 affordable to low and moderate income households, as defined in the Guidelines of the United
18 States Housing and Urban Development Department, for a period of 20 years, which
19 exemption shall apply notwithstanding the inclusion in the development of other nonprofit
20 ancillary or accessory uses.

21 (2) An exemption from paying the full fees specified under Section 352(b) may be
22 granted when the requestor's income is not enough to pay for the fee without affecting their
23 abilities to pay for the necessities of life, provided that the person seeking the exemption
24 demonstrates to the Zoning Administrator that they are substantially affected by the proposed
25 project.
