12 design guidelines for specific areas adopted by the Planning Commission, or with any

2 or its area shall be included in the notification group for the proposed project. Notice to these
3 groups shall be verified by a declaration of mailing signed under penalty of perjury. In the
4 event that such an organization is not included in the notification group for a proposed project
5 as required under this subsection, the proposed project must be re-noticed.

6 (3) Notification Period. All building permit applications shall be held for a period of
7 30 calendar days from the date of the mailed notice to allow review by residents, occupants,
8 owners of neighboring properties and by neighborhood groups.

10 waived by the Zoning Administrator for building permit applications for projects that have
11 been, or before approval will be, the subject of a duly noticed public hearing before the
12 Planning Commission or Zoning Administrator, provided that the nature of work for which the
13 building permit application is required is both substantially included in the hearing notice and
14 is the subject of the hearing.

15 (*ed*) Requests for Planning Commission Review. A request for the Planning
16 Commission to exercise its discretionary review powers over a specific building permit
17 application shall be considered by the Planning Commission if received by the Planning
18 Department no later than 5:00 p.m. of the last day of the notification period as described
19 under Subsection (*de*)(3) above, subject to guidelines adopted by the Planning Commission.

20 The project sponsor of a building permit application may request discretionary review
21 by the Planning Commission to resolve conflicts between the Director of Planning and the
22 project sponsor concerning requested modifications to comply with relevant design guidelines
23 of the General Plan.

24 (1) Scheduling of Hearing. The Zoning Administrator shall set a time for hearing
25 requests for discretionary review by the Planning Commission within a reasonable period.

1 (2) Notice. Mailed notice of the discretionary review hearing by the Planning
2 Commission shall be given not less than 10 days prior to the date of the hearing to the
3 notification group as described in Paragraph 312(~~de~~)(2) above. Posted notice of the hearing
4 shall be made as provided under Planning Code Section 306.8.

5 (~~fe~~) Demolition of Dwellings, Approval of Replacement Structure Required. Unless
6 the building is determined to pose a serious and imminent hazard as defined in the Building
7 Code an application authorizing demolition in any NC District of an historic or architecturally
8 important building or of a dwelling shall not be approved and issued until the City has granted
9 final approval of a building permit for construction of the replacement building. A building
10 permit is finally approved if the Board of Appeals has taken final action for approval on an
11 appeal of the issuance or denial of the permit or if the permit has been issued and the time for
12 filing an appeal with the Board has lapsed with no appeal filed.

13 (1) The demolition of any building whether or not historically and architecturally
14 important may be approved administratively where the Director of the Department of Building
15 Inspection or the Chief of the Bureau of Fire Prevention and Public Safety determines, after
16 consultation with the Zoning Administrator, that an imminent safety hazard exists, and the
17 Director of the Department of Building Inspection determines that demolition or extensive
18 alteration of the structure is the only feasible means to secure the public safety.

1 Section 3. The Planning Department concluded environmental review of this ordinance
2 pursuant to the California Environmental Quality Act. Documentation of that review is on file
3 with the Clerk of the Board of Supervisors in File No. 040365.
