Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings. The Board of Supervisors of the City and County of San Francisco hereby finds and declares as follows:

(a) The Planning Department has determined that the actions contemplated in this Ordinance are in compliance with the California Environmental Quality Act (California Public Resources Code sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 041353 and is incorporated herein by reference.

(b) The California Court of Appeals issued a published decision in Case No. A101950 entitled Tom v. City and County of San Francisco (120 Cal. App. 4th 674 (2004)) that affirmed the San Francisco Superior Court's decision to invalidate Ordinance No. 161-01, "Ordinance to Provide Tenant Home Ownership and to Regulate the Formation of Condominium-Type Ownership Structures" (the "Invalidated Ordinance"), a copy of which is on file with the Clerk of the Board of Supervisors in File No. 010891. To comply with the Court's order and to appropriately reflect the applicable provisions of the Subdivision Code, the Board of Supervisors repeals the Invalidated Ordinance.
Section 2. The San Francisco Subdivision Code is hereby amended by repealing portions of Sections 1308, 1359, 1396, and 1396.1 and by repealing Section 1316 in its entirety, to read as follows:

SEC. 1302. PURPOSES.

(a) This Code is enacted to establish procedures and requirements for the control and approval of subdivision development within the City and County of San Francisco in accordance with SMA.

(b) This Code is enacted to encourage and ensure the development of subdivisions consistent with the objectives of the San Francisco Master Plan.

(c) Recognizing that, by their unique character and impact on the City's population and housing stock, condominium, community apartment, and stock cooperative conversion subdivisions differ from other subdivisions, implementation of Subsections (a) and (b) of this Section requires the adoption of special requirements for conversions, the purposes of which are:

   (1) To preserve a reasonable balance of ownership and rental housing within the City and County of San Francisco by providing for an annual limitation on the number of units which may be converted to condominiums, community apartments, and stock cooperatives in any year.

   (2) To promote the meaningful expansion of homeownership opportunities for existing tenants and to prevent the displacement of existing tenants by requiring a high degree of tenant intent to purchase their rental units as a condition of approval.

   (3) To reduce the impact of conversions on nonpurchasing tenants who may be required to relocate, by providing for procedures for notification and adequate time and assistance for relocation, and providing for the reimbursement of costs resulting from such relocation.
(4) To prevent the displacement of elderly and disabled tenants by assuring them of extended leases to remain in their units subsequent to conversion.

(5) To assure that purchasers of converted housing have been properly informed as to the physical condition of the structure which is offered for purchase.

(6) To prevent the effective loss of the City's low or moderate income housing stock by requiring sales price limitations on those units proposed for conversion which are found to be part of the low or moderate income housing stock.

(7) To expand the supply of the City's low or moderate income housing stock by provision of a minimum of 10 percent low or moderate income housing units in any condominium subdivision, or by construction of an equivalent number of such units elsewhere, or by in-lieu payments into a City housing development fund.

(d) Tenancies in common where there is an exclusive right of occupancy that is not specified in the deed are similar to condominiums and community apartments and have the same impact on population and housing stock, and raise significant consumer protection issues regarding the disclosure of the exclusive right of occupancy. For these reasons and for the foregoing reasons in subsections 1 through 7, the City finds that tenancies in common where the exclusive right of occupancy is not specified in the deed are not in the best interest of the public health, safety and welfare.

Each lease shall contain a provision
allowing the tenant to terminate the lease and vacate the unit upon 30 days' notice. The lease in effect at the time of subdivision application shall be extended on the same terms and conditions except that rents may be adjusted only pursuant to the provisions set forth in Administrative Code Section 37.3. Moreover, the Department, the Director, or other authorized person or entity may also enforce the provisions of this Subsection under Section 1304 or any other applicable provision of law as warranted.

Section 4. After repealing portions of the San Francisco Subdivision Code as set forth in Section 2 above, the Subdivision Code is hereby amended by amending Section 1396, to read as follows:

SEC. 1396. ANNUAL CONVERSION LIMITATION.

This Section governing annual limitation shall apply only to conversion of residential units.

Supervisor Daly
BOARD OF SUPERVISORS
Applications for conversion of residential units, whether vacant or occupied, shall not be accepted by the Department of Public Works during the period of January 1, 1994 through December 31, 2002, inclusive, except that a maximum of 200 units as selected yearly by lottery by the Department of Public Works from all eligible applicants, may be approved for conversion per year during the aforementioned period for the following categories of buildings:

(a) buildings consisting of four units or less in which one of the units has been occupied continuously by one of the applicant owners of record for three years prior to the date of registration for the lottery as selected by the Director; or

(b) Buildings consisting of six units or less in which 50 percent or more of the units have been occupied continuously by the applicant owners of record for three years prior to the date of registration for the lottery as selected by the Director; or

(c) Community apartments as defined in Section 1308 of this Code, which, on or before December 31, 1982, met the criteria for community apartments in Section 1308 of this Code and which were approved as a subdivision by the Department of Public Works on or before December 31, 1982, and where 75 percent of the units have been occupied continuously by the applicant owners of record for three years prior to the date of registration for the lottery as selected by the Director.

The conversion of a stock cooperative as defined in Section 1308 of this Code to condominiums shall be exempt from the annual limitation imposed on the number of conversions in this Section and from the requirement to be selected by lottery where 75 percent of the units have been occupied continuously by the applicant owners of record for three years prior to the date of registration for the lottery as selected by the Director.

No application for conversion of a residential building submitted by a registrant shall be approved by the Department of Public Works to fill the unused portion of the 200-unit annual limitation for the previous year.
After repealing portions of the San Francisco Subdivision Code as set forth in Section 2 above, the San Francisco Subdivision Code is hereby amended by amending Section 1399.6, to read as follows:

SEC. 1396.1. ANNUAL CONVERSION LIMITATION LOTTERY PROCEDURES.

This Section shall govern conduct of the lottery required by Section 1396 for the conversion of residential units.

(a) The lottery shall be comprised of two pools (Pool A and Pool B).

(b) Pool A.

(1) For the 1995 lottery, Pool A shall consist only of those eligible buildings which participated but which failed to be selected in any previous lottery held during the years 1990 through 1994. For the 1996 lottery, Pool A shall consist of only those eligible buildings which participated but failed to be selected in any lottery held during the years 1990 through 1994 and the 1995 lottery. For all subsequent lotteries after 1996, Pool A shall consist of only those eligible buildings which participated but which have failed to be selected for conversion in at least three previous lotteries, two of which must be lotteries held after 1994. If all buildings eligible in Pool A comprise 100 or fewer units, all such buildings shall automatically be approved for conversion. Any unallocated units in Pool A shall be added to Pool B.

(2) If all buildings eligible in Pool A comprise more than 100 units, the Director of the Department of Public Works (Director) shall conduct a lottery among the buildings eligible for Pool A so that no more than 100 units are selected for conversion in Pool A. All buildings not selected for conversion through the Pool A lottery shall then participate in Pool B, under the procedures set forth below.

(c) Pool B.
(1) Pool B shall consist of all eligible buildings pursuant to Section 1396 above, together with any buildings from Pool A that were not selected for conversion in the Pool A lottery.

(2) Buildings from Pool B shall be selected for conversion by random selection of lottery tickets submitted for eligible buildings.

(3) Each building in Pool B shall receive one lottery ticket for the current lottery, plus a maximum of one lottery ticket for any and all lotteries held during the years 1990 through 1994 in which the building participated but failed to be selected for conversion in the lottery, plus one lottery ticket for every lottery after 1994 in which the building participated but failed to be selected for conversion.

(4) No building in Pool B shall receive more than five tickets.

(d) Applicants shall provide proof of participation in past lotteries to the Director.

(1) Proof of participation in any lottery held during the years 1990 through 1994 shall be as follows:

(i) Presentation by the registrant of a letter of regret from the Director for any lottery held during the years 1990 through 1994; or

(ii) Presentation by the registrant of a cancelled check for payment of lottery registration fees from any lottery held during the years 1990 through 1994; or

(iii) Any other proof of participation in any lottery held during the years 1990 through 1994, as determined acceptable by the Director.

(2) Proof of participation in any lottery held in or after 1995 shall be determined upon presentation by the registrant of a letter of regret from the Director.

(e) Commencing with the 1997 lottery, any building seeking more than one lottery ticket shall demonstrate to the satisfaction of the Director that one or more of the qualified
owners of the building were owners of the building at the time of the lotteries in which the
building participated but failed to be selected for conversion.

(f) For purposes of determining whether a building failed to be selected for
conversion in a previous lottery:

(1) Those buildings which were chosen in a previous lottery but were not
converted for any reason whatsoever shall not be considered as having failed to be selected
in that lottery.

(2) Any previous failures to be selected by lottery do not have to occur in
consecutive years.

(3) No credit shall be given for any year in which the building did not
participate in the lottery.

(gh) In addition to the other provisions relating to Pool AB and Pool BG described in
subsections (bc) through (f) above:

(1) the first 175 units selected by lottery in Pools AB and BG must meet the
following requirements: the Applicant for the lottery must certify under penalty of perjury and the
Department must verify with the Rent Stabilization and Arbitration Board, and with the Human Rights
Commission as applicable, that within 5 years prior to the effective date of this legislation since
November 16, 2004, no eviction or threat of eviction as defined in San Francisco Administrative
Code Section 37.9(a)(8) – (14) of a senior, disabled person, or catastrophically ill tenant as defined
below has occurred, or if an eviction has taken place under Administrative Code Section 37.9(a)(11) or
(14,) that the original tenant reoccupied the unit after a temporary eviction. For purposes of this
section a “senior” shall be a person who is 60 years or older and has been residing in the unit for 10
years or more at the time of the lottery; a “disabled” tenant is defined for purposes of this Section as a
person who is disabled or blind within the meaning of Section 12955.3 of the California
Government Code the federal Supplemental Security Income/California State Supplemental

BOARD OF SUPERVISORS
Program (SSI/SSP), and who is determined by SSI/SSP to qualify for that program or who satisfies such requirements through any other method of determination as approved by the Rent Stabilization and Arbitration Board Title 42 U.S.C. Section 12102(2)(A); and a "catastrophically ill" tenant is defined for purposes of this Section as a person who is disabled as defined by above, and who is suffering from a life threatening illness as certified by his or her primary care physician.

(2) If there are not 175 units that meet the requirements of subsection (gh)(1) above, then the remaining units will not be awarded by lottery in that year’s lottery or any future lottery. If there are more than 175 units that meet the requirements of subsection (gh)(1) above, then those units may compete for the remaining 25 units as described in subsection (gh)(3) below.

(3) The remaining 25 units in Pool AB and Pool BC will be selected as described in subsections (bc) through (f) and may, but do not need to, meet the additional requirements of subsection (gh)(1) above.

(4) If the Department determines that an Applicant has knowingly provided false material information under subsection (gh)(1) above, the Department shall immediately deny the application for the lottery, or if the Applicant has submitted an application for conversion, shall immediately deny the application for conversion. Moreover, the Department, the Director or other authorized person or entity may also enforce the provisions of this Section under Section 1304 or any other applicable provision of law as warranted.
