10 Be it ordained by the People of the City and County of San Francisco:

11 Section 1. The San Francisco Health Code is hereby amended by amending Sections  
12 41.12 and 41.13 to read as follows:

13 Sec. 41.12. DUTIES OF OWNERS OR GUARDIANS.

14 (a) It shall be unlawful for the owner or guardian of any animal, other than a domestic  
15 cat, to permit said animal to run at large within the City and County; provided, however, that  
16 the provisions of this subsection shall not be applicable to any area under the jurisdiction of  
17 the Recreation and Park Commission of the City and County, and which has been designated  
18 by said Commission as an animal exercise area.

19 1. It shall be unlawful for the owner or guardian of any animal to permit said animal to  
20 be within an area designated as an animal exercise area unless said owner or guardian is  
21 physically present at all times during which the animal is within said area.

22 (b) It shall be unlawful for the owner or guardian of any animal to permit said animal to  
23 breed on public property; provided, however, that the provisions of this subsection shall not be  
24 applicable to departments of the City and County, recognized educational institutions,  
25

1 licensed clinical laboratories, or medical research facilities which are in conformity with  
2 Federal or State laws.

3 (c) The owner or guardian of any animal shall provide proper and adequate food,  
4 water, shelter, care, exercise and attention for such animals.

5 1. SHELTER REQUIREMENTS

6 No Person, except those persons who, due to financial hardship, are unable to provide  
7 shelter for themselves, shall keep, use, or maintain a dog on any premises unless the dog is provided  
8 full access to an enclosed building, dog house, or similar shelter at all times. The dog must have equal  
9 space outside its shelter to move around and relieve itself away from its confinement. Said shelter  
10 shall:

11 A) Have five sides, including a top, a bottom and three sides.

12 B) Have a floor raised off the ground, free of cracks, depressions and rough areas  
13 where insects, rodents or eggs from internal parasites may lodge. An effective program for the control  
14 of insects, ectoparasites, and other pests shall be established and maintained.

15 C) Be cleaned and maintained in a manner designed to insure the best possible sanitary  
16 conditions. Excreta shall be removed from the shelter as often as necessary. Rugs, Blankets or other  
17 bedding material shall be kept clean and dry.

18 D) Be of adequate size to allow the dog to stand up and turn about freely, stand easily,  
19 sit and lie in a comfortable normal position.

20 E) Have a floor constructed so as to protect the dog's feet and legs from injury.

21 F) Allow dogs kept outdoors to remain dry during rain.

22 G) Have sufficient clean bedding material or other means of protection from the  
23 weather elements provided when the ambient temperature falls below that temperature to which the  
24 dog is acclimated.

1                   H) Provide sufficient shade to allow the dogs kept outdoors to protect themselves from  
2 the direct rays of the sun, when sunlight is likely to cause overheating or discomfort.

3                   I) Be structurally sound and maintained in good repair to protect the dog from injury.

4                   J) Be constructed and maintained so that the dog contained therein has convenient  
5 access to clean food and water.

6                   2. WATER REQUIREMENTS

7                   No person shall keep, use or maintain any dog on any premises unless the dog has access to  
8 clean and fresh water at all times. Clean potable water shall be available to the dog unless restricted  
9 for veterinary care, and:

10                  A) If the water is kept in a container, this container shall be designed sufficiently to  
11 prevent tipping and spilling of the water contained therein. If necessary to accomplish this, the  
12 container shall be secured to a solid structure or secured in the ground. Watering containers shall be  
13 kept clean, kept out of sun, and must be emptied and refilled with fresh water at least once a day; or

14                  B) If the water is provided by an automatic or demand device, the water supply  
15 connected to the device must function 24 hours a day.

16                  3. FEEDING REQUIREMENTS

17                  No person shall keep, use or maintain any dog on any premises unless the dog is provided  
18 sufficient food daily to maintain proper bodyweight and good health.

19                  A) The dog shall be provided food, which shall be free from contamination, wholesome,  
20 palatable, and sufficient quantity and nutritive value to meet the normal daily requirements for the  
21 condition and size of the animal.

22                  B) Food receptacles shall be accessible to the dog and shall be located so as to  
23 minimize contamination by excreta and/or insects. Feeding pans shall be durable and kept clean.  
24 Disposable food receptacles may be used but must be discarded after each feeding. Self-feeders may be  
25

1 used for the feeding of dry food, and they shall be sanitized regularly to prevent molding, deterioration  
2 or caking of feed. Spoiled or contaminated food shall be disposed of in a sanitary manner.

3  
4 4. CONFINEMENT REQUIREMENTS

5 Though highly discouraged, tethering is only acceptable if:

6 A) The tether is attached to a stake in the ground with a pulley like system.

7 B) The tether is attached to the dog by a non-choke type collar or body harness at least  
8 10 feet in length which would allow the dog access to food, water and shelter, but free of obstructions.

9 C) Any person violating the provisions of section 41.12(c) of this Article shall: (1)  
10 upon the first offense in any 12-month period, be deemed guilty of an infraction and upon  
11 conviction thereof shall be punished by a fine not to exceed \$50.00; (2) upon the second  
12 offense in any 12-month period, be deemed to be guilty of an infraction and upon conviction  
13 thereof shall be punished by a fine not to exceed \$100.00; (3) upon the third and any  
14 additional offense in any 12-month period, be deemed to be guilty of a misdemeanor and upon  
15 conviction thereof shall be punished by a fine of not more than \$1,000.00 or by imprisonment  
16 in the County Jail for a period of no more than 1 year, or by both such fine and imprisonment.

17 5. ADEQUATE EXERCISE

18 All dogs must be provided with adequate exercise. "Adequate exercise" means the opportunity  
19 for the animal to move sufficiently to maintain normal muscle tone and mass for the age, size and  
20 condition of the animal.

21 6. PENALTIES

4 for a period of no more than 1 year, or by both such fine and imprisonment.

6 and County of San Francisco any "Barking Dog" as defined in Section 41(i) of this Code, is

10 location of the disturbance who are disturbed by a "Barking Dog" as defined in Section 41(i) of
