3 B. Working in conjunction with the City's Planning Department, the Redevelopment
4 Agency of the City and County of San Francisco (the "Redevelopment Agency") has proposed
5 an amendment to the Redevelopment Plan for the Western Addition Project Area (the
6 "Redevelopment Plan Amendment") by changing the allowed parking, height and bulk
7 restrictions on five sites in the Project Area to: (1) permit affordable senior housing at a
8 greater density than currently allowed on three of the sites (Parcels A and C and Rosa Parks);
9 (2) reduce the amount of parking required for senior housing (Parcels A and C and Rosa
10 Parks); (3) increase the height limit on two of the Sites formerly occupied by the Central
11 Freeway (Parcels A and C); (4) permit market-rate housing at a greater density than currently
12 allowed as part of a mixed-use development that would include a jazz club and a public
13 garage (Jazz Center Site); and (5) provide for a non-residential density bonus for mixed-use
14 development involving the rehabilitation of an historic Muni Substation building at Turk and
15 Fillmore streets.

16 C. The Redevelopment Agency has transmitted to this Board of Supervisors
17 certified copies of its Resolution No. 21-2005, adopted following a duly noticed public hearing

21 Amendment are on file with the Clerk of the Board of Supervisors in File No. 050218.
22 The Report on the Plan Amendment was prepared pursuant to and in accordance with
23 Sections 33457.1 and 33352 of the California Health and Safety Code and has been made
24 available to the public before the date of the hearing on this Ordinance approving the
25 Redevelopment Plan Amendment.

1 D. Pursuant to Sections 33220, 33343, 33344 and 33370 of the California Health
2 and Safety Code, and in order to promote development in accordance with objectives and
3 purposes of the Redevelopment Plan Amendment and documents relating to the
4 Redevelopment Plan Amendment, the City intends to aid and cooperate with the Agency to
5 undertake and complete proceedings and actions necessary to be carried out by the City
6 under the provisions of the Redevelopment Plan Amendment.

7 E. The Planning Commission received the proposed Redevelopment Plan
8 Amendment on December 1, 2004, and on December 16, 2004, the Planning Commission
9 adopted Resolution No. 16903 finding that the proposed Redevelopment Plan Amendment is
10 in conformity with the General Plan of the City and County of San Francisco, including, but not
11 limited to, the housing element of the General Plan, and consistent with the eight Priority
12 Policies of City Planning Code Section 101.1, and recommended the adoption of the

17 F. On May 18, 2004, the Redevelopment Commission adopted Resolution No. 55-
18 2004 in which the Redevelopment Commission determined that the proposed Redevelopment
19 Plan Amendment could not have a significant effect on the environment based on the criteria
20 of California Environmental Quality Act (California Public Resources Code Sections 21000
21 et seq.)("CEQA") and the CEQA Guidelines and adopted and approved the Negative
22 Declaration for the proposed Redevelopment Plan Amendment. This Board of Supervisors

6 the Redevelopment Plan Amendment. The hearing has been closed. Notice of such hearing
7 was published in accordance with Section 33452 of the California Health and Safety Code
8 and Section 6063 of the California Government Code, in a newspaper of general circulation,
9 printed, published and distributed in the City and County of San Francisco. At such hearing
10 the Board considered the report and recommendations of the Redevelopment Agency and the
11 Planning Commission, the Preliminary Negative Declaration, and all evidence and testimony
12 for and against the proposed Redevelopment Plan Amendment. The Board hereby adopts
13 written findings to the extent required by the Community Redevelopment Law as set forth in

19 Center Site as set forth in the DDA, the Redevelopment Commission found that: (1) the
20 public garage of the Jazz Center Site is of benefit to the Western Addition Project Area; (2) no
21 other reasonable means of financing the construction of the garage are available; (3) the use
22 of Agency funds to construct the public garage will assist in the elimination of blighting
23 conditions in the Western Addition Project Area, specifically, the elimination of a surface
24 parking lot and the lack of private investment in the Western Addition Project Area; and,
25 (4) such actions are consistent with the Redevelopment Agency's Implementation Plan for the

9 required for senior housing on those sites; 3) increase the height limit on two of those sites
