20 (b) Payment.

21 (1) The fee specified in Subsection (a)(1) shall be paid to the Planning Department

10 organization is exempt from taxation under the Internal Revenue laws of the United States
11 and the Revenue and Taxation Code of the State of California as a bona fide fraternal,
12 charitable, benevolent or other nonprofit organization, may defer payment of the fees
13 specified herein, with the exception of the fees payable pursuant to Section 31.22(a)(3) and
14 Section 31.22(a)(10) herein, until the time of issuance of the building permit, before the

16 the environmental review document, whichever is sooner, provided that the application is for
17 the development of residential units all of which units are affordable to low and moderate

21 uses.

22 (4) An exemption from paying the full fees set forth in Section 31.22(a)(3) and
23 Section 31.22(a)(10) herein may be granted when the requestor's income is not enough to
24 pay the fee without affecting his or her abilities to pay for the necessities of life, provided that
25

1 the person seeking the exemption demonstrates to the Environmental Review Officer that he
2 or she is substantially affected by the proposed project.

3 (5) Exceptions to the payment provisions noted above may be made when the
4 Environmental Review Officer has authorized phased collection of the fee for a project whose
5 work is projected to span more than one fiscal year.

6 (c) Refunds. When a request for an initial evaluation or for preparation of an
7 environmental impact report is (1) either withdrawn by the applicant prior to publication of an
8 environmental document or (2) deemed canceled by the Planning Department due to inactivity
9 on the part of the applicant, then the applicant shall be entitled to a refund of the fees paid to
10 the Department less the time and materials expended minus a \$200 processing fee.

11 (d) Late Charges and Collection of Overdue Accounts. A surcharge of one percent
12 per month shall be added to the fee amount owing the Department for fee accounts in arrears
13 more than 30 days. The Zoning Administrator may call upon other City agencies or duly
14 licensed collection agencies for assistance in collecting delinquent accounts more than six
15 months in arrears, in which case any additional costs of collection may be added to the fee
16 amount outstanding. If the Department seeks the assistance of a duly licensed collection
17 agency, the approval procedures of Administrative Code Article 5, Section 10.39-1 et seq. will
18 be applicable.

1 (e) These amendments to fees related to the Planning Department are intended to
2 provide revenues for the staffing and other support necessary to provide more timely
3 processing of applications within that Department.
