Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Administrative Code is hereby amended by adding Sections 5.300 and 5.305, to read as follows:

SEC. 5.300. ESTABLISHMENT AND MEMBERSHIP OF FOSTER CARE IMPROVEMENT TASK FORCE.

(a) Foster Care Improvement Task Force. There is hereby established a Foster Care Improvement Task Force ("Task Force") of the City and County of San Francisco. Generally, the task force shall address the overrepresentation of African American children in foster care and the circumstances of African American families in San Francisco.

(b) Membership. The Task Force shall consist of 15 voting members and 8 nonvoting members as provided below. Voting members shall serve at the pleasure of the Board of Supervisors. The chair shall monitor the attendance of Task Force members. In the event that any member misses three regularly scheduled meetings of the Task Force without prior notice to the Task Force, the chair shall send a warning notice to that member. The member who has received a warning notice must respond to the chair within five days with an explanation for the absences. If the member does not respond to the chair within the required period or continues to miss meetings, the task force may vote...
to recommend to the Board of Supervisors removal of the member from the Task Force. If the Board of Supervisors votes to remove the member, the chair shall request the appointment of a new member.

1. Voting Members. The Board of Supervisors shall appoint voting members from the categories stated below.

Voting members shall be appointed for a term of two years. In the event a vacancy occurs, the Board of Supervisors shall appoint a successor to complete the remainder of that term. Members of the Foster Care Improvement Task Force shall serve without compensation or reimbursement for expenses.

The Board of Supervisors shall appoint the voting members of the Foster Care Improvement Task Force from the following categories:

(A) Six representatives of neighborhood organizations, with one each from the following six neighborhoods in which there is a significant number of African American children in foster care: 1) Oceanview/Merced/Ingleside, 2) Potrero Hill, 3) South of Market/Tenderloin, 4) Visitation Valley, 5) Western Addition; and 6) Bayview/Hunter’s Point;

(G) One representative of a foster care advocacy organization;

(H) One representative who is a foster care parent;

(I) One representative who is an emancipated youth;
(J) One representative of a child welfare organization;

(2) Nonvoting Members. The Task Force shall consist of up to eight nonvoting members on the task force: (i) a representative of the Department of Children, Youth and Their Families; (ii) a representative of the Juvenile Probation Department; (iii) a representative of the Adult Probation Department; (iv) a representative from the Department of Public Health's Children's System of Care Initiative; (v) a representative from the Human Services Agency's Foster Care System; and (vi) a representative from the Economic and Workforce Development Department. In addition, San Francisco United School District and the San Francisco Housing Authority each shall be invited to provide a representative as the seventh and eighth nonvoting members, respectively, of the task force.

(c) Staffing. The Human Services Agency shall provide such staff support to the Task Force as is necessary to notice meetings, maintain minutes of the meetings, produce and distribute agendas and materials for meetings and comply with the requirements of the City's Sunshine Ordinance.

(d) Purposes of the Task Force: Strategic Plan. On December 9, 2004, Supervisor Sophie Maxwell held a hearing to address foster care improvement and disproportionality issues. For purposes of this ordinance, disproportionality shall mean the overrepresentation of African American children in foster care. Among the objectives raised at the December 9, 2004 hearing was the creation of a task force to ensure that the Department of Human Services carries out the recommendations of the Disproportionality Project in a timely manner. Therefore, the Foster Care Improvement Task Force shall recommend to the Board of Supervisors legislative action and citywide strategies to implement the proposals of the Disproportionality Project, which include: 1) implement circles of support within the community that support and mentor individuals/families struggling to move out of crisis; 2) launch a targeted, focused, "positive message" campaign that saturates the city, especially the five priority areas, as defined by the Disproportionality Project Report dated November 2004, to influence community thinking and actions regarding disproportionality in foster care; 3) develop
effective family support strategies and programs for priority areas and populations; 4) strengthen interdepartmental collaboration among the Department of Human Services, the Department of Public Health, and other key City departments to support parents and adult caregivers who are substance abusers (and related problems, such as mental illness); 5) focus on youth permanence, i.e. permanent placement of foster youth through legal guardianship, adoption or reunification; 6) implement policies and practices that ensure continuity, consistency, equity and effectiveness within the San Francisco Department of Human Services, especially in family placements; 7) focus on preventative, culturally competent and family responsive services; 8) improve and expand City departments' data systems; and 9) initiate and maintain interdepartmental and community collaborations. The Foster Care Improvement Task Force shall provide a written report to the Board of Supervisors every six months to inform the Board of the Task Force’s progress towards meeting these goals.

SECTION 5.305. SUNSET PROVISION.

The Foster Care Improvement Task Force shall submit a recommendation to the Board of Supervisors two years after the passage of this ordinance regarding whether the Foster Care Improvement Task Force should continue in effect. Unless this Article is reauthorized and extended by the Board by resolution before August 31, 2007, this Article shall expire by operation of law. The Board may reauthorize and extend the task force every two years, but the task force shall not continue in effect beyond August 31, 2011.
