24 Section 1. Environmental Findings. The Planning Department has determined that the
25 actions contemplated in this Ordinance are exempt from the California Environmental Quality
Act (California Public Resources Code section 21000 et seq.). Said determination is on file

1 with the Clerk of the Board of Supervisors in File No. 051792 and is incorporated herein by
2 reference.

3 Section 2. The San Francisco Administrative Code is hereby amended by adding
4 Chapter 26, Sections 26.1 through 26.287 to read as follows:

5 CHAPTER 26

6 SEC. 26.1 FINDINGS.

7 The Board hereby finds and declares as follows:

8 (1) San Francisco has the highest ratio of off-sale alcohol uses per capita in California, the
9 great majority of which are liquor stores; and,

10 (2) Nuisance and criminal activities such as drug dealing, public drunkenness, loitering, and
11 other behaviors that negatively impact neighborhoods occur with disproportionate frequency at and
12 around the premises of off-sale alcohol uses; and,

13 (3) Neighborhood character can change over time and the careful regulation of nuisance
14 activity by off-sale alcohol uses will help to ensure that such uses do not contribute to the deterioration
15 of neighborhoods; and,

16 (4) Poorly regulated off-sale alcohol uses increase the availability of alcohol in the
17 communities in which they are located, and studies have demonstrated a link between the availability of
18 alcohol and numerous negative consequences, including violence, fatal traffic crashes, and nuisance
19 law violations; and,

20 (5) Research published in the American Journal of Public Health found that communities and
21 neighborhoods that have a high number of bars and liquor stores per capita experience more violent
22 assaults; and,

23 (6) Researchers at Columbia University found that 25 to 40 percent of all patients in U.S.
24 general hospital beds (not in maternity or intensive care) are being treated for complications of
25 alcohol-related problems; and,

1 (7) The Center for Substance Abuse Prevention has determined that the three leading causes of
2 death for teenagers are associated with alcohol use: car crashes, homicides, and suicides; and,

3 (8) A study conducted by the Youth Leadership Institute found that 50 percent of stores in the
4 South of Market, Tenderloin, and Mission neighborhoods of the City are not in compliance with the
5 State's "Lee Law" which requires that no more than 33 percent of a liquor store's windows and doors
6 are to be covered with any kind of advertising; and,

7 (9) The City currently lacks a targeted administrative mechanism to enforce its existing Alcohol
8 Restricted Use Districts in the Mission, Haight, Third Street, Divisadero, and North of Market
9 neighborhoods, and to enforce its existing nuisance laws based on the past activities of off-sale uses on
10 a store-by-store basis through the attachment of conditions, the imposition of administrative penalties,
11 or the revocation of use permits; and,

12 (10) Educational campaigns directed at off-sale alcohol uses have been shown to improve their
13 appearance, reduce nuisance activity, and benefit the local community; and

14 (11) Off-sale alcohol uses operating outside of the law negatively impact those uses operating
15 within the law and as good neighbors; and

16 (12) The City recognizes its responsibility to enforce the law and the need for a
17 partnership with off-sale alcohol uses and the City, including the Police Department and the
18 City Attorney, to address illegal activities in proximity to an off-sale alcohol use. The City also
19 recognizes that there are occasions when owners and employees of off-sale alcohol uses
20 would fear for their personal safety in requesting that persons engaging in illegal activities
21 cease those activities; and

22 (13) Good faith efforts on the part of the owners and employees of off-sale alcohol
23 uses to address illegal activities in proximity to their stores, including: timely calls to the Police
24 Department; the installation of lighting and security cameras; clear unobstructed windows; and
25

1 clean sidewalks, among others, can reduce the nuisance impacts of such off-sale alcohol
2 uses; and

3 (14) Given the successful implementation of similar programs in other California
4 municipalities, the Youth Leadership Institute worked with the Board of Supervisors to develop
5 legislation to help San Francisco to address nuisances associated with off-sale alcohol uses.

6 SEC. 26.2 DEEMED APPROVED OFF-SALE ALCOHOL USE NUISANCE
7 REGULATIONS.

8 The provisions of Chapter 26 shall be known as the "Deemed Approved Off-Sale Alcohol Use

12 adoption of these regulations, or ~~which~~that are permitted or conditionally permitted by the City after
13 the adoption of these regulations, comply with the Deemed Approved Performance Standards as

21 alcoholic beverages, such as litter, loitering, graffiti, unruly behavior, and escalated noise levels.

22 (4) To ensure that businesses ~~which~~that sell alcoholic beverages for off-site consumption are
23 not the source of undue public nuisances in the community.

1 (5) To ensure that sites where alcoholic beverages are sold for off-site consumption are
2 properly maintained so that negative impacts generated by these activities are not harmful to the

14 SectionChapter.

23 threatened in making that request.

24 (3) Making improvements to the use's property or operations, including but not
25 limited to the installation of lighting sufficient to illuminate the area within the use's property

1 line, the installation of security cameras, clear unobstructed windows, clean sidewalks, and

3 (e) The decision of the Hearing Officer shall be based upon all information received at the
4 administrative hearing, including, but not limited to, information compiled by City staff, testimony from
5 the owner of the Deemed Approved Off-Sale Alcohol Use, and the testimony of all other interested
6 persons. Any conditions imposed by the Hearing Officer shall be a condition of the Deemed Approved
7 Off-Sale Alcohol Use's continued operation. Any condition imposed by the Hearing Officer shall not be
8 considered a suspension, revocation, or withdrawal of a Deemed Approved Off-Sale Alcohol Use's use
9 permit.

10 (f) All determinations, decisions, and conditions made or imposed under this
11 Chapter regarding the use of a Deemed Approved Off-Sale Alcohol Use shall run with the
12 land; provided, however, that upon legal transfer of a use's State of California Department of
13 Alcohol Beverage Control Board License, the fact that a use has been the subject of an
14 administrative hearing at which a finding of violation of the Performance Standards was made
15 may only be used as a basis for revoking the use's Deemed Approved Status within 18
16 months of the transfer or within three years of the prior administrative hearing, whichever is
17 less.

18 SEC. 26.21 ADMINISTRATIVE PENALTIES.

19 The Hearing Officer may assess administrative penalties against the owner of the Deemed
20 Approved Off-Sale Alcohol Use of no less than \$500.00 and no more than \$1,000.00 for each violation
21 of a Performance Standard. If the violation is of a continuing nature, the Hearing Officer may impose
22 a penalty for each day the violation remains. In reaching a determination as to the
23 appropriateness of administrative penalties or the amount of administrative penalties to
24 assess the Hearing Officer may consider:

1 (1) ~~— The length of time the Deemed Approved Off-Sale Alcohol Use has been out of~~
2 ~~compliance with the Performance Standard(s); and~~

11 ~~Performance Standards cease those activities, unless the owner of the Deemed Approved~~
12 ~~Off-Sale Alcohol Use, or his employees or agents feels that their personal safety would be~~
13 ~~threatened in making that request.~~

14 *If payment of any administrative penalty imposed by the Hearing Officer is not received by the*
15 *City Administrator within the period of time set forth in the decision, and the decision has not been*
16 *appealed under the time periods set forth in Section 26.22, the City Administrator shall request that the*

21 *is owed by an owner of a Deemed Approved Off-Sale Alcohol Use who is not also the property owner of*
22 *the building in which the Use is located, the City Administrator may request that the City Attorney*
23 *pursue collection of the penalties.*

1 Any administrative penalties collected under this Chapter shall be deposited in the
2 Deemed Approved Off-Sale Alcohol Use Continuing Project Account, as set forth in Section
3 26.27.

4 SEC. 26.22 METHOD AND FORM OF DECISION OF THE HEARING OFFICER.

5 (a) The Hearing Officer shall, within a reasonable time, not to exceed thirty 30 days from
6 the date the hearing is closed, submit to the City Administrator a written decision containing a brief
7 summary of the information considered and the Hearing Officer's findings and conclusions, including
8 any conditions that are to be placed on the Deemed Approved Off-Sale Alcohol Use and any
9 administrative penalties to be imposed. The Hearing Officer's written decision shall also inform the
10 parties of their right to appeal the written decision and describe the appeal process. The Hearing
11 Officer's written decision shall be a public record. The City Administrator shall serve a copy of the
12 decision on each party by personal service or by U.S. mail. Service of the decision shall be deemed
13 complete at the time it is personally served or deposited in the mail with the correct amount of postage
14 affixed. Failure to receive a copy of the decision served pursuant to this section shall not affect the
15 validity of the decision. The City Administrator shall also provide a copy of the written decision to the
16 Director of the Planning Department, the Chief of the Police Department, the Director of the
17 Department of Public Health, the Director of the Department of Building Inspection, and the Board of
18 Supervisors.

19 (b) The decision of the Hearing Officer shall become final ten days after the service of the
20 decision is deemed complete unless appealed to the Board of Appeals, or, in the case of a decision to
21 revoke a Deemed Approved Off-Sale Alcohol Use that was permitted as a conditional use, to the Board
22 of Supervisors, in accordance with Section 26.24.

23 SEC. 26.23 PROCEDURE FOR CONSIDERATION OF VIOLATIONS TO CONDITIONS
24 IMPOSED ON DEEMED APPROVED OFF-SALE ALCOHOL USES.

1 In the event of a failure to comply with any prescribed condition imposed by the Hearing
2 Officer or to comply with any Performance Standard, at the request of the City Attorney, another
3 administrative hearing may be set. Notification of this hearing shall be in accordance with Sections
4 26.17 - 26.18.

5 The purpose of this administrative hearing is to receive information and determine whether
6 violations to any condition attached to the Deemed Approved Off-Sale Alcohol Use have occurred. The
7 hearing shall be conducted as provided in Sections ~~26.20~~26.15 – 26.22. The Hearing Officer may
8 add to or amend the existing conditions based upon the information presented; may impose additional
9 administrative penalties, or, alternatively, if the previous conditions were imposed within the three
10 years prior to the City Attorney's request for an administrative hearing, may revoke the Deemed
11 Approved Use's Deemed Approved status and/or impose administrative penalties. The provisions of
12 Section 26.22 concerning the Hearing Officer's written decision shall be followed. The decisions of the
13 Hearing Officer shall become final in the same manner as provided for in Section 26.22.

14 SEC. 26.24 APPEAL TO THE BOARD OF APPEALS OR BOARD OF SUPERVISORS.

15 A decision of a Hearing Officer, except a decision to revoke a Deemed Approved Off-Sale
16 Alcohol Use that was permitted as a conditional use, may be appealed to the Board of Appeals in the
17 manner prescribed in Article I of the San Francisco Business and Tax Regulations Code. A decision of
18 a Hearing Officer to revoke a Deemed Approved Off-Sale Alcohol Use that was permitted as a
19 conditional use may be appealed to the Board of Supervisors in the manner prescribed in Section 303
20 of the Planning Code. An appeal shall stay the decision of the Hearing Officer. All appeals must be in
21 writing and shall state specifically any claims that there was an error or abuse of discretion by the
22 Hearing Officer or why the Hearing Officer's decision is not supported by information contained in the
23 record. Notice to parties of the public hearing on the appeal shall be delivered personally, or served or
24 deposited in the mail with the correct amount of postage affixed. As long as service has been made as

1 set forth above, failure to receive notice given pursuant to this section shall not affect the validity of any
2 appeal hearing hereunder.

3 The City Administrator shall forward a copy of the record before the Hearing Officer at the
4 administrative hearing and a copy of the Hearing Officer's written decision to the Executive Secretary
5 of the Board of Appeals or the Clerk of the Board of Supervisors at least 10 days before the date of the
6 appeal hearing. If any party has obtained a certified transcript of the administrative hearing, that
7 transcript may be submitted to the Executive Secretary of the Board of Appeals or to the Clerk of the
8 Board of Supervisors by any party, no later than 10 days before the date of the appeal hearing, and
9 shall be considered part of the record of the administrative hearing.

10 The Board of Appeals or Board of Supervisors shall determine whether the Deemed Approved
11 Off-Sale Alcohol Use conforms to the applicable Performance Standards and/or any conditions that
12 have in the past been imposed on the Deemed Approved Off-Sale Alcohol Use, and may continue or
13 revoke a Deemed Approved use; and/or may impose conditions on the Deemed Approved Off-Sale
14 Alcohol Use as are, in its judgment, necessary to ensure conformity to the Performance Standards. The
15 Board of Appeals or Board of Supervisors may also continue, reduce, remove, or increase any
16 administrative penalties that have been assessed by the Hearing Officer. The Board of Appeals or
17 Board of Supervisors may not remove administrative penalties unless it also makes a finding that the
18 Deemed Approved Off-Sale Alcohol Use in question is not in violation of any Performance Standards.
19 In the event that the Board of Appeals or Board of Supervisors determines that the administrative
20 penalties shall be increased, such a determination shall be based on specific information and based on
21 the same factors listed in Section 26.21.

22 The Board of Appeals or Board of Supervisors shall direct its staff to reduce their decision to
23 writing within 10 days. The decision shall contain findings of fact, a determination of the issues
24 presented, and any conditions to be imposed or administrative penalties to be paid. A copy of the
25 decision shall be served on the parties by personal service or by U.S. mail. Service of this decision

1 shall be deemed complete at the time it is personally served or deposited in the mail with the correct
2 amount of postage affixed. As long as service has been made as set forth above, failure to receive a
3 copy of the decision served pursuant to this section shall not affect the validity of the decision rendered
4 herein.

5 A decision of the Board of Appeals or Board of Supervisors is final. The Board of Appeals or
6 the Board of Supervisors written decision shall apprise parties of their right to seek judicial review in
7 the Superior Court of San Francisco pursuant to Section 1094.6 of the California Code of Civil
8 Procedure. Any condition imposed by the Board of Appeals or the Board of Supervisors shall not be
9 considered a suspension, revocation or withdrawal of a Deemed Approved Off-Sale Alcohol Use's
10 permit to operate.

11 SEC. 26.25 ILLEGAL USE.

12 A Deemed Approved Off-Sale Alcohol Use, which that has been finally revoked shall lose its
13 Deemed Approved Off-Sale Alcohol Use Status and shall no longer be considered a legal use of the
14 building, structure, site, or portion thereof, and shall cease operation immediately.

15 SEC. 26.26 FEE.

16 The owner of the Deemed Approved Off-Sale Alcohol Use shall each be required to pay an
17 annual fee of \$264.00 to cover the cost of administering the Deemed Approved Off-Sale Alcohol Use
18 Education and Outreach Program and the cost of conducting administrative hearings, including
19 the costs of the Director of Administrative Services and the City Attorney. This annual fee shall
20 be billed by and paid to the Office of the Treasurer & Tax Collector, which shall deposit the
21 monies collected in the Deemed Approved Off-Sale Alcohol Continuing Project Account, as
22 set forth in Section 26.27. In the event that the owner of the Deemed Approved Off-Sale Alcohol Use
23 fails to pay the fee during a given fiscal year, the ~~Police Department~~ Office of the Treasurer & Tax
24 Collector shall notify the Department of Public Health, which may request that the City Attorney
25 pursue collection of the penalties.

1 Beginning with fiscal year 2006-2007, the annual fee may be adjusted each year, without
2 further action by the Board of Supervisors, to reflect changes in the relevant Consumer Price Index, as
3 determined by the Controller. No later than April 15th of each year, the ~~Police~~
4 Department of Public Health shall submit the annual fee to the Controller, who shall
5 apply the price index adjustment to produce a new annual fee for the following year. No later than
6 May 15th of each year, the Controller shall file a report with the Board of Supervisors reporting the
7 new annual fee and certifying that: (a) the annual fee produces sufficient revenue to support the
8 proposed costs of providing the services in the upcoming fiscal year for which the annual fee is
9 being charged and (b) the annual fee ~~does~~ will not produce revenue that exceeds the proposed costs of
10 providing the services in the upcoming fiscal year for which the annual fee is charged.
11 Notwithstanding the procedures set forth in this Section, the Board of Supervisors, in its discretion,
12 may modify the annual fee by ordinance at any time.

13 A new Deemed Approved Off-Sale Alcohol Use or a Deemed Approved Off-Sale Alcohol Use
14 that undergoes a change in ownership after the enactment of the Deemed Approved Off-Sale Alcohol
15 Use Ordinance shall pay its first annual fee within 60 days of commencing operation or of the change
16 in ownership. This first annual fee payment shall be pro-rated based of the number of days left in the
17 fiscal year.

18 Upon the request of the owner of a Deemed Approved Off-Sale Alcohol Use, the
19 Department of Public Health may waive payment of the annual fee provided that the owner
20 can show to the satisfaction of the Department of Public Health all of the following:

- 21 (1) that the Deemed Approved Off-Sale Alcohol Use has been under the same
22 ownership for not less than the previous three years;
- 23 (2) that the annual fee for the Deemed Approved Off-Sale Alcohol Use has been
24 paid in a timely manner for not less than the previous three years; and

1 (3) that the Deemed Approved Off-Sale Alcohol Use has not been the subject of a
2 City Department-referred complaint or any administrative penalties or conditions imposed by a
3 Hearing Officer, the Board of Appeals, or the Board of Supervisors under the provisions of this
4 Chapter.

5 If the owner of the Deemed Approved Off-Sale Alcohol Use can show all of the above,
6 the Department of Public Health shall waive the fee indefinitely, provided, however, that if the
7 Deemed Approved Off-Sale Alcohol Use changes ownership or becomes the subject of a City
8 Department-referred complaint or any administrative penalties or conditions imposed by a
9 Hearing Officer, the Board of Appeals, or the Board of Supervisors under the provisions of this
10 Chapter the annual fee shall be immediately reimposed.
