SEC. 14A.04 ENACTING CHAPTER 14A AS A NON-EMERGENCY ORDINANCE.

(A) This Chapter 14A, which was initially enacted by the Board of Supervisors as an emergency ordinance, is hereby enacted as a non-emergency ordinance. Chapter 14A shall apply to (1) all contracts in which the Contractor agreed to comply with Chapter 14A and any amendment to those contracts and (2) all contracts initiated on or after July 26, 2004 and before July 26, 2006 and any amendment to such contracts; provided, however, that if a competitive solicitation for an agreement to the proposed changes to the contract is required by law, or the law would otherwise require execution of a new contract, rather than an amendment to an existing contract, the provisions of Chapter 14B and not Chapter 14A shall apply.

(B) Any amendment to a contract initiated before July 26, 2004 in which the Contractor agreed to comply with Chapter 12D.A shall be governed by Chapter 12D.A; provided, however, that if a competitive solicitation for an agreement to the proposed changes to the contract is required by law,
or the law would otherwise require execution of a new contract, rather than an amendment to an
existing contract, the provisions of Chapter 14B and not Chapter 12D.A shall apply.

(C) All contracts initiated on or after May September 1, 2006 shall be governed by
Chapter 14B.

Section 2. The San Francisco Administrative Code is hereby amended by adding
Chapter 14B to read as follows:

SEC. 14B.1 PURPOSE AND FINDINGS.

(A) Short Title. This ordinance shall be entitled “Local Business Enterprise and Non-
Discrimination in Contracting Ordinance.”

(B) Findings.

(1) The Board finds that San Francisco’s small businesses are a significant sector of the
local economy and form the backbone of our neighborhoods. Small businesses contribute hundreds of
millions of dollars to San Francisco’s economy each year. Through payroll taxes alone, small
businesses make a significant investment in the economic health of our City and the quality of life of its
citizens and visitors.

(2) Because San Francisco’s small businesses experience higher costs than large businesses
or businesses located outside the City, they suffer disadvantage in any competition with those
businesses. The Board finds that small local businesses are at a competitive disadvantage in competing
for work on public contracts. Because of their size, very small, or “micro,” local businesses are at an
even greater competitive disadvantage in competing for work on public contracts.

(3) The public has an interest in fostering a strong and vibrant network of small and very
small micro businesses in San Francisco. In part, San Francisco can accomplish this goal by ensuring
that small and micro local businesses can compete for public contracts on a level playing field.
(4) The Board finds that the disadvantages suffered by very small and micro local businesses in competing as prime contractors on public contracts can be reduced by discounting their bids and ratings by ten percent. Granting a ten percent discount does not unduly burden businesses not eligible for such discounts, and is similar to the corrective adjustments given to small and very small micro businesses in other jurisdictions. The Board finds that the additional disadvantages suffered by micro local businesses can be reduced by setting aside appropriate small contracts for competition only among micro businesses.

(5) San Francisco has a long history of working to end discrimination in all aspects of public contracting. The City must continue to award and administer its public contracts in a manner that is fair and provides equal opportunity to all local businesses, regardless of race, gender or other category protected by law. San Francisco must ensure that it does not discriminate and does not contract with any business that discriminates on the basis of race, gender or other protected category.

Specifically, this Board initially passed Ordinance No. 139-84 on April 2, 1984 to combat the City and County of San Francisco's own active and passive participation in discrimination against minority- and women-owned businesses, both in its own contracting for goods and services and in the private market for such goods and services. At the time of passage, women- and minority-owned businesses were virtually excluded as contractors on prime City contracts.

Since that time, this Board and the City's Human Rights Commission have actively and extensively documented and studied discrimination against and disadvantages faced by these groups to gauge the effectiveness of the prior Minority, Women and Local Business Enterprise Ordinances (the "M/W/LBE Ordinances") and to assess the need for further and continuing action. The earlier studies are documented in the legislative history of the previous amendments and re-enactments of the ordinance, including Ordinance Nos. 175-89, 155-92, 210-97, 457-97, 82-98, 296-98, 210-99, 283-99 and 134-03. The findings underlying these ordinances have been reviewed and analyzed in the preparation of this ordinance and are hereby incorporated by reference into the legislative history of
this ordinance. These materials include disparity studies, transcripts of live testimony by dozens of
witnesses, case studies of discrimination, and voluminous other materials. An index and a separate
synopsis of this material are on file with the Clerk of this Board in File No. 98-0612. These materials
are all incorporated by reference into the legislative history of this ordinance. The collection and
analysis of relevant information is ongoing.

421249), the San Francisco Superior Court enjoined the City from enforcing certain provisions of the
M/W/LBE Ordinance. In a subsequent order, the court clarified that the injunction applied to Sections
12D.A.6, 12D.A.7, 12D.A.8, 12D.A.9, 12D.A.10, 12D.A.14, and 12D.A.17 of the Administrative Code,
for all contracts for which bids or proposals are advertised or solicited on or after July 26, 2004. The
injunction became effective immediately.

In issuing its injunction, the Superior Court did not dispute the accuracy of the City’s disparity
studies or otherwise take issue with the City’s underlying findings of discrimination and disparity.
However, the Court ruled that California’s Proposition 209 does not allow the City to address the
identified problem through its prior methods. The Board finds and declares that the need for the City
to identify, rectify, and prevent discrimination in its public contracting still exists, and the City is
committed to ensuring that neither MBEs nor WBEs nor any other business is arbitrarily or unfairly
excluded from contracting opportunities. The City remains committed to addressing discrimination in
public contracting to the fullest extent allowed by law, in a manner that is consistent with all
requirements of federal and state law.

(C) Purpose.

businesses to increase their ability to compete effectively for the award of City contracts. The Mayor

(2) Nondiscrimination. Neither the City nor any of its officers or employees shall

regulations necessary to carry out this ordinance.

SEC. 14B.7 PRIME CONTRACTS.

(A) Good Faith Efforts to Obtain LBE Bids on Contracts Subject to this Ordinance.

Contract awarding authorities shall use good-faith efforts for all contracts subject to the discount provisions of this ordinance to solicit and to obtain bids from the broadest possible range of LBEs and to ensure that neither MBEs nor WBEs nor OBEs are arbitrarily excluded from participation. accomplishment of the purpose of the subject contract or contracts. (6) When allowed by local laws governing City contracting, negotiating with LBEs in good faith.

(7) Using the services of community and contractors' groups to assist in the recruitment of LBEs.

(8) For professional services, general services, architectural/engineering and commodities contracts, the estimated cost of which exceeds $10,000 but is less than the minimum competitive amount or for public works/construction contracts, the estimated cost of which exceeds $10,000 but is less than the threshold amount, contract awarding authorities are not required to undertake the good faith efforts steps set forth in Sections 14B.7(A)(3) or 14B.7(A)(4), when it is impracticable to do so.

(B) Best Efforts on Contracts Not Otherwise Subject to this Ordinance. In the award of leases, franchises, concessions, and other contracts not subject to the discount provisions of this
ordinance, contract awarding authorities shall utilize the good faith efforts steps unless impracticable to do so. At a minimum, contract awarding authorities should notify LBEs that are certified to perform the work contemplated in a contract and solicit their interest in the contract.

(C) Non-Discrimination in Prime Contracting. Contract awarding authorities shall ensure that all aspects of the contracting process are free from discrimination against any person on any basis prohibited by law, and ensure broad contracting opportunities for all categories of LBEs. Contract awarding authorities shall maintain such documentation of their selection process as required by the Director to monitor and ensure compliance with this provision.

(D) Contracts Subject to Prime Bidding Discounts. Unless otherwise provided in this ordinance, contract awarding authorities shall apply discounts to all contracts the estimated cost of which exceeds $10,000.

(E) Amount of Discount. Unless otherwise provided in this ordinance, contract awarding authorities shall apply a 10% discount to any bid from a Small – LBE or Micro – LBE. Contract awarding authorities shall apply these discounts to each stage of the selection process, including qualifications, proposals and interviews.

(F) Joint Ventures For Professional Services and Architecture/Engineering. Unless otherwise provided in this ordinance, contract awarding authorities shall extend the following bid/rating discount to all bids, proposals and contracts from LBEs on professional services and architecture/engineering contracts: (1) five percent to a joint venture with LBE participation that equals or exceeds 35 percent but is under 40 percent; (2) seven and one-half percent to a joint venture with LBE participation that equals or exceeds 40 percent; (3) ten percent to a LBE or a joint venture among LBEs. Contract awarding authorities shall apply the bid/rating discount to each stage of the selection process, including qualifications, proposals and interviews.

The contract awarding authority shall apply the joint venture bid/ratings discount only to professional services and architecture/engineering contracts and only to a joint venture (1) that meets
the requirements contained in this ordinance, and (2) when the LBE is an active partner in the joint
venture, performs work, manages the job and takes financial risks in proportion to the required level of
participation stated in the bid documents, is responsible for a clearly defined portion of the work to be
performed, and shares proportionately in the ownership, control, management responsibilities, risks,
and profits of the joint venture. The portion of the LBE joint venture's work shall be set forth in detail
separately from the work to be performed by the non-LBE joint venture partner. The LBE joint
venture's portion of the contract must be assigned a commercially reasonable dollar value.

(G) Affidavit. Each bidder, proposer and contractor shall be required to sign an affidavit
declaring under penalty of perjury its intention to comply fully with the provisions of this ordinance
and attesting to the truth and accuracy of all information provided regarding such compliance.

(H) Additional Requirements and Required Contract Terms. Contract awarding authorities
shall include in all contracts with their contractors, and all contractors shall include in their contracts
with subcontractors the following requirements, in addition to other requirements set forth in the
municipal code. For the purposes of this section, "contractor" includes all subcontractors.

(I) Each contract shall incorporate this ordinance by reference, shall require contractors
to comply with its provisions in awarding and administering such contracts, and shall provide
that the willful failure of any bidder or contractor to comply with the requirements of this ordinance or
rules and regulations implementing this ordinance shall be deemed a material breach of contract.

(2) Contracts shall provide that in the event that the Director finds that any bidder,
subcontractor or contractor willfully fails to comply with any of the provisions of this ordinance, rules
and regulations implementing the ordinance, or contract provisions pertaining to LBE, MBE, WBE,
OBE or Micro-LBE participation, outreach, or non-discrimination, the bidder, subcontractor or
contractor shall be liable for liquidated damages for each contract in an amount equal to the bidder's
or contractor's net profit on the contract, 10 percent of the total amount of the contract or $1,000,
whichever is greatest, as determined by the Director. All contracts shall also contain a provision in
which the bidder, subcontractor or contractor acknowledges and agrees that the liquidated damages assessed shall be payable to the City upon demand and may be set off against any monies due to the bidder, subcontractor or contractor from any contract with the City.

(3) Contracts shall require all contractors to maintain records, including such information requested by the Director or Commission, necessary for monitoring their compliance with this ordinance. Contracts shall require prime contractors to include in any subcontract with a LBE a provision requiring the subcontractor to maintain the same records. Contracts shall require contractors and subcontractors to maintain such records for three years following completion of the project and shall permit the Director, Commission and Controller to inspect and audit such records.

(4) Contracts shall require prime contractors, during the term of the contract, to fulfill the LBE participation commitments submitted with their bids. Willful failure to comply with the level of LBE subcontractor participation specified in the contract shall be deemed a material breach of contract.

(5) Contracts shall require, and shall require prime contractors to include in any subcontract with a LBE a provision requiring, the prime contractor to compensate any LBE subcontractor for damages for breach of contract or liquidated damages equal to 5% of the subcontract amount, whichever is greater, if the prime contractor willfully fails to comply with its commitment to use the LBE subcontractor as specified in the bid/proposal unless the Commission and the contract awarding authority both give advance approval to the prime contractor to substitute subcontractors or otherwise modify the commitments in the bid/proposal documents. This provision shall also state that it is enforceable in a court of competent jurisdiction.

(6) Contracts shall require prime contractors, whenever amendments, modifications, supplements, or change orders cumulatively increase the total dollar value of the contract by more than 10 percent, to comply with those provisions of this ordinance that applied to the original contract with respect to the amendment, modification, supplement or change order.
(7) Contracts shall require prime contractors to submit to the Director for approval all contract amendments, modifications, supplements, and change orders that cumulatively increase by more than 20 percent the total dollar value of all contracts originally valued at $50,000 or more. The Director shall review the proposed amendment, modification, supplement or change order to correct any contracting practices that exclude any category of LBEs from new contracting opportunities.

(8) Contracts in which subcontracting is used shall prohibit back contracting to the prime contractor or lower-tier subcontracting for any purpose inconsistent with the provisions of this ordinance, rules and regulations adopted pursuant to this ordinance, or contract provisions pertaining to LBE utilization.

(9) Contracts in which subcontracting is used shall require the prime contractor to pay its subcontractors within three working days after receiving payment from the City unless the prime contractor notifies the Director in writing within 10 working days prior to receiving payment from the City that there is a bona fide dispute between the prime contractor and the subcontractor, in which case the prime contractor may withhold the disputed amount but shall pay the undisputed amount. The Director may, upon making a determination that a bona fide dispute exists between the prime contractor and subcontractor, waive this three-day payment requirement. In making the determination as to whether a bona fide dispute exists, the Director shall not consider the merits of the dispute.

Contracts in which subcontracting is used shall also require the contractor, within 10 working days following receipt of payment from the City, to file an affidavit, under penalty of perjury, that he or she has paid all subcontractors. The affidavit shall provide the names and address of all subcontractors and the amount paid to each.

(I) Exceptions.

(1) The bid discount provisions of this ordinance are not applicable to any contract estimated by the contract awarding authority to cost in excess of $10,000,000.
(2) Notwithstanding any other provision of this Section, contract awarding authorities shall not apply a discount where to do so would result in a contract being awarded to a business without the capacity to perform it. The Commission may adopt rules and regulations setting standards for determining that an LBE has sufficient skill, experience, and financial capacity to perform the contract.

(J) Waivers. The Director shall waive the LBE bid discounts, and report the waiver to the Commission, if:

(1) The Director finds, with the advice of the contract awarding authority and the Office of Contract Administration, that needed goods or services are available from a sole source that is qualified to do business with the City;

(2) The contract awarding authority certifies in writing to the Director, prior to the Controller’s contract certification, that the contract is being awarded under the emergency provisions of Administrative Code Section 6.60 or Administrative Code Section 21.15 and that there is either (i) no time to apply bid discounts or establish subcontracting goals, or (ii) no immediately available LBEs that are capable of performing the emergency work; or

(3) For contracts in excess of $5,000,000, a contract awarding authority establishes that sufficient qualified LBEs capable of providing the needed goods and services required by the contract are not available, or the application of the LBE discount will result in significant additional costs to the City if the waiver of the bid discount is not granted.

(K) Pilot Set-Aside Program. The Director may set aside for competitive award to Micro-LBEs any of the following contracts:

(1) Public work/construction contracts where the contract amount is equal to or less than $250,000;

(2) Contracts other than public work/construction contracts where the contract amount is equal to or less than $100,000.
(3) The competitive award requirements of the Municipal Code shall otherwise apply to contracts in the set-aside program, except that if (a) fewer than two Micro – LBEs submit bids, or (b) the contract awarding authority determines that the contract would not be awarded at a fair market price, then the contract awarding authority may reject all bids and remove the contract from the set-aside program.

(4) The Director shall have a goal of setting aside in each fiscal year 25% of all contracts that are eligible to be set aside in each fiscal year.

(5) Contracts that are set-aside for award to Micro – LBEs shall not be subject to subcontracting goals under Section 14B.8. Micro – LBEs that subcontract any portion of a set-aside contract should subcontract to businesses certified as Micro – LBEs, to the maximum extent possible. Micro – LBEs that subcontract any portion of a set-aside contract must serve a commercially useful function based on the contract’s scope of work, and must perform at least 50% of the contract work.

(L) Prompt payment. The City shall pay LBEs within 30 days of the date on which the City receives an invoice for work performed for and accepted by the City. The Controller shall work with the Director and contract awarding authorities to implement this Citywide prompt-payment policy. The City shall consult with affected community members and relevant City officials, including the Director, the Controller, and contract awarding authorities, to design and implement a prompt payment program within six (6) months of the effective date of this ordinance. Such program shall include procedures for the payment of late penalties where prompt payment does not occur.

SEC. 14B.8 SUBCONTRACTING.

(A) LBE Participation Goals. Prior to soliciting bids or proposals, contract awarding authorities shall provide the Director with a proposed job scope for all public work/construction, and for all architect/engineering, professional service and general service contracts that exceed the minimum competitive amount. The contract awarding authority may ask the Director to waive
subcontracting goals where it anticipates that there are no subcontracting opportunities or there are not sufficient LBEs available to perform the subcontracting work available on the contract.

The Director shall set LBE participation goals for each such contract, where appropriate, based on the following factors:

1. The extent of subcontracting opportunities presented by the contract: and
2. The availability of LBE subcontractors capable of providing goods and services on the contract.

Bids that do not meet the LBE participation goal set under 14B.8(A) will be rejected as non-responsive unless the Director finds that the bidder diligently undertook all the good faith efforts required by this Ordinance and that the failure to meet the goal resulted from an excusable error. The contract awarding authority shall require bidders or proposers on the contracts to contact a LBE before listing that LBE as a subcontractor in the bid or proposal. A bid that fails to comply with this requirement will be rejected as non-responsive. In addition only LBEs that have been contacted and agreed to be listed as subcontractors shall be credited toward meeting the LBE participation goal.

(C) Good Faith Outreach All bidders shall undertake good faith outreach as set forth in this Section 14B.8(C) to select subcontractors to meet LBE goals, except that bidders on public works/construction contracts for less than the threshold amount are not required to undertake the good faith efforts steps set forth in Sections 14B.8(C)(3) or 14B.7(C)(4), when it is impracticable to do so. Bids from bidders who fail to undertake the following required good faith outreach steps and/or who fail to submit the documentation of good faith outreach required in Section 14B.8(D) shall be declared nonresponsive:

1. Attending any presolicitation or prebid meetings scheduled by the City to inform all bidders of LBE program requirements for the project for which the contract is awarded;
2. Identifying and selecting subcontracting opportunities to meet LBE goals;
(3) Advertising for LBE subcontractors by posting the opportunity in an accessible location, specified by the City, not less than 10 calendar days before the date the bids can first be submitted. This paragraph applies only if the City gave public notice of the project not less than 15 calendar days prior to the date the bids can first be submitted:

(4) Contacting LBEs certified to perform the identified work;

(5) Providing LBEs that have notified the bidder of their interest with adequate information about the plans, specifications, and requirements for the work, provided that the Director may cap the number of contacts required:

(6) Negotiating in good faith with LBEs, and not unjustifiably rejecting their bids or proposals; and

(7) Advising and assisting interested LBEs to obtain bonds, lines of credit, or insurance required by the City or the bidder.

(D) Each bid shall document good faith outreach and include the documentation with the bid. Such documentation shall include: (a) the dollar amount of each subcontract and a statement of the scope of work to be performed under the subcontract; and (b) the identification of each subcontract awarded to an LBE. Bidders shall also maintain the following documentation, which shall be submitted upon request of the Director: (a) and, (c) for each subcontract, copies of the subcontractor bids submitted. Such documentation shall contain at least the bid amount and a description of the scope of work. If no written bids were submitted by some or all of the subcontractors who bid the job, the bidder shall maintain a written statement containing (i) the amount of each oral bid; and (b) separately, for each subcontract, a full and complete statement of the reason(s) for selection of the subcontractor. If the reason is based on relative qualifications, the statement must address the particular qualifications at issue. If the reason is the respective dollar amounts bid, the statement must state the amounts and describe the similarities and/or dissimilarities in the scope of

Supervisor Ma

work covered by the bids. Bidders also shall maintain the documentation described in this paragraph for three years following submission of the bid or completion of the contract, whichever is later.

SEC. 14B.9 ENSURING NON-DISCRIMINATION IN SUBCONTRACTING.

(A) Prohibition on Discrimination. A bidder may not discriminate in its selection of subcontractors against any person on the basis of race, gender, or any other basis prohibited by law.

(B) Availability Data. In order to prevent unlawful discrimination in the selection of subcontractors, and to identify and correct unlawful practices, the City will monitor the administration of City contracts, including the selection of subcontractors, as provided in this Section. For public work/construction, architect/engineering, professional service, and general service contracts which the contract awarding authority reasonably anticipates will include subcontractor participation, prior to the solicitation of bids or proposals, the Director shall assemble data regarding the availability of MBEs, WBEs and OBEs to provide work that is likely to be subcontracted. The Director, in the Director's sole discretion, shall determine the appropriate methodology.

(C) Requirements for Solicitations. In all solicitations of public work/construction, architect/engineering, professional service, and general service contracts which the contract awarding authority reasonably anticipates will include subcontractor participation, the contract awarding authority shall include the availability data described above. Bidders shall undertake all required good faith efforts outreach steps in such a manner as to ensure that neither MBEs nor WBEs nor OBEs are unfairly or arbitrarily excluded from the required outreach.

(D) Review of Bid. The Director may review or investigate any bid, including the selection of the bidder's subcontractors, to determine whether discrimination may have occurred. The Director shall review bids, during the bid protest period, to determine whether: (1) a potential subcontractor or other person has filed a complaint of discrimination; (2) there is a significant difference between the percentages of MBEs, WBEs, or OBEs available to provide goods and services as subcontractors on the contract and the percentages of the bidder's subcontractors who are MBEs, WBEs, or OBEs; or (3)
other facts and circumstances suggest that further inquiry is warranted. The Director, in the Director's sole discretion, shall determine whether and when to investigate further the conduct of a bidder or contractor. Investigations will be conducted under the procedures in Section 14B.17.

SEC. 14B.10 POWERS AND DUTIES OF THE COMMISSION AND THE DIRECTOR.

(A) Human Rights Commission. In addition to the duties and powers given to the Human Rights Commission elsewhere, the Commission shall:

(2) Adopt rules and regulations establishing standards and procedures for effectively carrying out this ordinance.

(3) Issue forms for the Controller or contract awarding departments to collect information from contractors as prescribed by this ordinance.

(4) Hear appeals challenging: (i) the Director's disqualification of a bidder or Contractor, (ii) the Director's denial of an application for or revocation of the certification of a business as a Small-LBE, Micro-LBE, MBE, WBE, or OBE or (iii) the Director's denial of a request to waive or to reduce subcontractor participation goals.

(5) By regulation require contract awarding authorities, departments and the Controller to provide to the Director such information as will be necessary to enable the Director to report to the Mayor and the Board of Supervisors at the end of each fiscal year on the progress each City department has made towards the achievement of LBE participation goals and towards the goal of ensuring against discrimination and exclusion of MBEs, WBEs, or OBEs, and to perform his/her other duties. The database is a public record available to the public as provided by state and local law.
(6) Adopt rules and regulations as deemed necessary by the Director to ensure that the joint venture bid/rating discount is applied only to joint ventures where the LBE has sufficient skill, experience, and financial capacity to perform the portion of the work identified for the LBE.

(B) HRC Director. In addition to the duties and powers given to the HRC Director elsewhere, the Director shall:

(1) Levy the same sanctions that a contracting awarding authority may levy as specified in Section 14B.17.

(2) Ensure that the necessary data is collected and analyzed. Annually, and more often if the Director deems necessary, the Director shall identify areas of contracting where the City or any of its departments are failing to meet LBE participation goals or are contracting with MBEs, WBEs, or OBEs at rates less than would be expected in the absence of discrimination. The results of this study shall be included in the Commission's annual report required by Section 14B.15(B).

(3) Provide information and other assistance to LBEs to increase their ability to compete effectively for the award of City contracts.

(4) Grant waivers as set forth in Sections 14B.7(J) and 14B.8(A), and disqualify a bidder or contractor as set forth in Section 14B.17.

(5) In cooperation with the Controller, randomly audit at least three prime contractors each fiscal year in order to insure their compliance with the provisions of this ordinance. The Director, in cooperation with the Controller, shall furthermore randomly audit 10 percent of the joint ventures granted bid discounts in each fiscal year. The Controller shall have the right to audit the books and records of the contractors, joint venture participants, and any and all subcontractors to insure compliance with the provisions of this ordinance.

(6) Take actions to ensure compliance with the provisions of this ordinance, including without limitation, intervening in the selection process, by modifying the criteria used for selecting
selection panelists or contractors to correct any practices that hinder equal business opportunities for LBEs or Micro-LBEs, and for MBEs, WBEs, and OBEs.

SEC. 14B.11 POWERS AND DUTIES OF THE CONTROLLER.

(A) In addition to the duties given to the Controller elsewhere, the Controller shall work cooperatively with the Director to provide such contractual encumbrance and payment data as the Director advises are necessary to monitor the participation of Small – LBEs, Micro – LBEs, MBEs, WBEs, and OBEs in City prime contracts. If any department refuses or fails to provide the required data to the Controller, the Controller shall immediately notify the Mayor, this Board and the Director.

(B) The Controller shall not certify the award of any contract subject to this ordinance where the Director has notified the Controller that the contract awarding authority has not provided the information the Director advises is necessary under this ordinance.

(C) Each request for payment to a City contractor submitted to the contract awarding authority shall be accompanied by a subcontractor participation form approved by the Commission. That form shall contain information that the Commission has determined is necessary to enable the Commission and the Director (1) to monitor compliance by City departments and their prime contractors with their obligations under this ordinance (2) to determine whether City departments are achieving their prime and subcontracting goals under this ordinance and (3) to make such other reports and analyses as are required by this ordinance.

In the event that a request for payment fails to include the information required pursuant to this Section, the contract awarding authority shall, within two working days, notify the Director and the affected prime contractor[s] of the failure and afford each affected prime contractor an opportunity to be heard promptly. That notice shall inform the contractor that the contract awarding authority has tentatively determined that the information has not been provided, what information is missing and that if this failure is substantiated, then the Controller will be notified to withhold 20 percent of the requested payment until the information is provided. If the Controller finds, after consultation with the
Director and notice and opportunity to be heard, that the information has not been provided, the Controller shall withhold 20 percent of the payment otherwise due until the information is provided.

(D) The contract awarding authority shall require all prime contractors to submit, within 10 days following payment to the prime contractor of moneys owed for work completed on a project, an affidavit under penalty of perjury, that all subcontractors on the project or job have been paid and the amounts of each of those payments. The name, telephone number and business address of every subcontractor shall be listed on the affidavit. If a prime contractor fails to submit this affidavit, the contract awarding authority shall notify the Director who shall take appropriate action as authorized under Section 14B.17.

SEC. 14B.12 POWERS AND DUTIES OF THE MAYOR.

In addition to the duties given to the Mayor elsewhere, the Mayor shall:

(A) By July 1st of each fiscal year, issue notices to all City departments informing them of their duties under this ordinance. The notice shall contain the following information: (1) the City-wide and department-specific LBE goals that departments are expected to use good-faith efforts to attain during the fiscal year and that a department's failure to use good-faith efforts to attain the participation goals shall be reported to this Board in the Commission's annual report; (2) the availability of MBEs, WBEs, and OBEs to perform City contracting, both City-wide and department-specific, and that departments are expected to take all steps necessary to ensure against illegal or arbitrary discrimination or exclusion of any certified business; and (3) the data each department is required to provide the Controller on each contract award.

(B) Coordinate and enforce cooperation and compliance by all departments with this ordinance.

(C) Designate a liaison to the Human Rights Commission to facilitate communication and compliance with this ordinance.

A contract awarding authority must obtain a waiver from its commission, or in the case of a department that has no commission, from the Board of Supervisors, if it cannot meet the requirements of this Section.

(8) Where feasible, provide technical assistance to LBEs to increase their ability to compete effectively for the award of City contracts.

(9) Work with the Director and the Controller to implement a City-wide prompt-payment policy requiring that LBEs be paid by the City within 30 days of the date on which the City receives an invoice from a LBE for work performed for the City.

(10) Provide the Director with written notice of all contract amendments, modifications, supplements and change orders that cumulatively result in an increase or decrease of the contract's dollar amount of more than 10 percent. Such notice shall be provided within 10 days of each such contract modification.

(11) Whenever contract amendments, modifications, supplements or change orders cumulatively increase the total dollar value of a contract by more than 10 percent, the contract awarding authority shall require compliance with those provisions of this ordinance that applied to the original contract.
(12) All contract amendments, modifications, supplements or change orders that cumulatively increase by more than 20 percent the total dollar value of all contracts originally valued at $50,000 or more shall be subject to prior approval of the Director, who shall review the proposed amendment, modification, supplement or change order to correct contracting practices that exclude Small-LBEs or Micro-LBEs from new contracting opportunities or discriminate against MBEs, WBEs or OBEs.

(B) Contract awarding authorities or departments may invite, encourage or request businesses to joint venture on any professional services or architecture/engineering contact to promote LBE participation.

(C) For the purpose of determining LBE participation, contracts awarded to joint ventures in which one or more LBEs are combined with one or more business that are not LBEs shall be deemed by the contract awarding authority to be awarded to LBEs only to the extent of the LBE participation in the joint venture.

(D) Subject to the budgetary and fiscal provisions of the San Francisco Charter and to any limitations or requirements associated with the issuance of municipal financings, including but not limited to the use of tax-exempt financing and other long-term obligations, contract awarding authorities shall set aside the following percentage of the value of each contract, as defined in Section 14B.2, to fund the administration and enforcement of this Chapter 14B by the HRC. Such funds shall be used solely for the actual costs of administering and enforcing this Chapter. The HRC shall provide monthly statements to contract awarding authorities and the Controller's Office that account for all expenditures related to administering and enforcing this Chapter, broken down by staff member, project, and activity. Any funds that are not expended on the actual costs of administration and enforcement relating to the subject contract shall be returned to the source fund as soon as practicable. This Section 14B.13(D) shall not apply to contracts that are funded by bonds that were authorized prior to the effective date of his ordinance.
(1) For contracts having an estimated value under $1 million, the contract awarding authority shall set aside 2% of the value of the contract for the purpose described in this Section.

(2) For contracts having an estimated value of at least $1 million but less than $10 million, the contract awarding authority shall set aside 1% of the value of the contract for the purpose described in this Section.

(3) For contracts having an estimated value of at least $10 million but less than $50 million, the contract awarding authority shall set aside .5% of the value of the contract for the purpose described in this Section.

(4) For contracts having an estimated value of $50 million or more, the HRC Director, in consultation with the contract awarding authority, shall determine the level of funding necessary to administer and enforce this ordinance with respect to the subject contract, provided that the funding shall not exceed .5% of the value of the contract. (5) Notwithstanding Sections 14B.13(D)(1), (2), (3) and (4), for the Port of San Francisco, the San Francisco Public Utilities Commission, the San Francisco Department of Public Works and the San Francisco International Airport, each such contract awarding authority and the HRC Director shall confer and jointly shall estimate the costs of administering and enforcing this Chapter with respect to each contract to be issued by each such contract awarding authority. The contract awarding authority shall set aside the agreed-upon funds to be used solely for the purpose described in this Section.

The Human Rights Commission shall report on compliance by contract awarding authorities with set-asides determined under this Section 14B.13(D)(5) and on the agreed upon funds for contract awarding authorities under 14B.13(D)(5) in the Commission's annual report under Section 14B.15(B).

The Board of Supervisors shall assess the operation of this Section 14B.13(D)(5) in its three-year review under Section 14B.18(H).

SEC. 14B.14 Powers and Duties of the Office of Contract Administration

In addition to the duties given the Office of Contract Administration elsewhere, the Office of Contract Administration shall:

(A) Maintain, with the assistance of the Director, a current list of Small-LBEs, Micro-LBEs, MBEs, WBEs, and OBEs to provide each of those commodities or services subject to this ordinance that the Office of Contract Administration indicates are required by the City.

(B) Maintain a central office where all bids, requests for proposals and solicitations will be listed and kept current.

(C) Cause to be posted upon a website the following information concerning current bids, requests for proposals and solicitations: the title and number; the name of the contract awarding authority; and the name and telephone number of the person to be contacted for further information. Such information shall be posted with sufficient lead time to provide adequate notice and opportunity to potential City contractors and vendors to participate in the bid opportunity, request for proposals or solicitation, but in no event less than 10 calendar days prior to the due date for such bid opportunity, request for proposals or solicitation.

SEC. 14B.15 Reporting and Review

(A) Reporting by the Director. Commencing January 1, 2007, and no later than the first day of every third month thereafter, the Director shall issue a written report to this Board. That report
shall document each City department's performance under the terms of this ordinance, including,
among other things, each City department's progress in meeting LBE goals and ensuring non-
discrimination against MBEs, WBEs, and OBEs, and the success of each department's prime
contractors in complying with the LBE subcontracting provisions of this ordinance and ensuring non-
discrimination against MBEs, WBEs, and OBEs. That report shall also state the level of participation
of all categories of LBEs and whether or not each City department has fully reported all data
required by this ordinance or requested by HRC or the Controller.

(1) Whenever the Director's report concludes that a department management's intentional
disregard or negligent performance of obligations imposed by this ordinance has contributed to that
department's failure to meet its prime contracting goals or requirements of this ordinance, or the
failure of its prime contractors to meet their subcontracting goals or requirements of this ordinance, or
whenever the Director's report concludes that a City department has failed to provide any data
required by this ordinance or requested by the HRC or the Controller, the Clerk of this Board shall
schedule before the appropriate committee of the Board a hearing on that report. The Clerk shall also
give notice of that hearing to the heads of the departments identified in the report and request the
attendance of the heads of those departments at the committee hearing. The Clerk's notice shall inform
the department heads that they must be prepared to respond to the Director's finding of intentional
disregard and/or negligent performance and to explain what steps they intend to take to forestall
repetition of the problems identified in the Directors' report. The same procedure shall be followed
whenever the Director's report identifies any department as having failed to meet its prime or
subcontracting goals for three consecutive quarters. If the Director's report indicates that a City
department has not met its goals for three consecutive quarters, HRC and the City department shall
institute a targeted program to remedy lack of participation by LBEs in any affected industry.
(2) The Director shall report to the Commission all waivers acted upon pursuant to Section 14B.7(J) and 14B.8(A). Such report shall be made on a monthly basis following the granting of the waiver.

(B) Reporting by City Departments. By the last day of each fiscal year, all contract awarding authorities and City departments shall report annually to the Mayor on their progress in the preceding fiscal year toward the achievement of the LBE goals and their steps to ensure non-discrimination against MBEs, WBEs, and OBEs.

(C) Reporting by the Commission. By July 1st of each fiscal year subject to this ordinance, the Commission shall submit an annual report to the Mayor and this Board on the progress of the City toward the goals of this ordinance, together with an identification of problems and specific recommendations for: (1) improving the City's performance in fostering LBE participation in City contracting, and (2) ensuring non-discrimination against MBEs, WBEs, and OBEs. The Commission's report shall include an analysis of the bidding environment in the various industries that participate in City contracts.

Each year, after receiving the Commission's annual report, the Board shall hold a hearing to review the City's performance under this ordinance, the administration of this ordinance by the HRC, and the progress of City departments towards the purposes of this ordinance, and other subjects pertaining to the ordinance.

The Board shall act upon the Commission's recommendations by the first Board meeting of January in each fiscal year subject to this ordinance.

SEC. 14B. 16 BONDING AND OTHER ASSISTANCE.

(A) Bonding and Financial Assistance Program.

(i) Program Description. The City and County of San Francisco, acting through the Commission, intends to provide guarantees to private bonding companies and financial institutions in order to induce those entities to provide required bonding and financing to eligible contractors and
subcontractors bidding on and performing City public work and construction contracts. This bonding
and financial assistance program is subject to the provisions of this Section 14B.16(A).

(2) Eligible Contracts. The assistance described in this Section 14B.16(A) shall be available
for any City public works or construction contract to which this ordinance applies.

(3) Eligible Businesses. Businesses must meet the following criteria to qualify for
assistance under this Section 14B.16(A).

(a) The business may be either a prime contractor or subcontractor; and

(b) The business must be certified by the Director as an LBE according to the requirements
of Section 14B.3;

(c) The business may be required to participate in a "bonding assistance training program"
as offered by the Commission, which is anticipated to provide the following:

(i) Bond application assistance,

(ii) Assistance in developing financial statements,

(iii) Assistance in development of a pre-bond surety profile,

(iv) Identification of internal financial control systems, and

(v) Development of accurate financial reporting tools.

(4) Agreements Executed by the Human Rights Commission. The Director is hereby
authorized to enter into the following agreements in order to implement the bonding and financial
assistance program described in this Section 14B.16(A):

(a) With respect to a surety bond, the agreement to guaranty up to 40 percent of the face
amount of the bond or $750,000, whichever is less;

(b) With respect to a construction loan to be made to a contractor or subcontractor, an
agreement to guaranty up to 50 percent of the original principal amount of the construction loan or 50
percent of the actual loss suffered by the financial institution as a result of a loan default, whichever is

less: provided that in any event the City's obligations with respect to a guaranty shall not exceed $750,000:

(c) Any other documents deemed necessary by the Director to carry out the objectives of this program, provided that such documents shall be subject to review and approval by the City Attorney's Office.

(5) Monitoring and Enforcement. The Director shall maintain records on the use and effectiveness of this program, including but not limited to (1) the identities of the businesses and bonding companies participating in this program, (2) the types and dollar amounts of public work contracts for which the program is utilized, and (3) the types and dollar amounts of losses which the City is required to fund under this program. The Director shall submit written reports to the Board of Supervisors every six months beginning January 1, 2007, advising the Board of the status of this program and its funding capacity, and an analysis of whether this program is proving to be useful and needed.

(6) Funding and Accounts. As of July 1, 2006, funding for this program may be derived from the following sources:

(a) The Board of Supervisors has appropriated or will appropriate funds for the operation of this program.

(b) Each Department authorized to contract for public works or improvements pursuant to San Francisco Administrative Code Chapter 6 may commit to this program up to ten percent (10%), but not less than one percent (1%), of the budget for every public work or improvement undertaken. (A "public work or improvement" is defined in San Francisco Administrative Code Chapter 6).

(c) The Treasurer of the City and County of San Francisco is hereby authorized to negotiate a line(s) of credit or any credit enhancement program(s) or financial products(s) with a financial institution(s) to provide funding; the program's guaranty pool may serve as collateral for any such line of credit.
In the event the City desires to provide credit enhancement under this Subsection for a period in excess of one fiscal year, the full aggregate amount of the City's obligations under such credit enhancement must be placed in a segregated account encumbered solely by the City's obligations under such credit enhancement.

(7) Term of Bonding Assistance Program. The Director is authorized to enter into the agreements described in this Subsection for a period ending on the earlier of (1) June 30, 2008 or (2) the date on which the Controller is no longer able to certify the availability of funds for any new guarantee agreement.

(8) Default on Guarantees. The Human Rights Commission shall decertify any contractor that defaults on a loan or bond for which the City has provided a guarantee on the contractor's behalf. However, the Human Rights Commission may in its sole discretion refrain from such decertification upon a finding that the City has contributed to such default.

(B) Education and Training. The Director shall continue to develop and to strengthen education and training programs for LBEs and City contract awarding personnel.

(C) Cooperative Agreements. With the approval of the Commission and the Board of Supervisors, the Director may enter into cooperative agreements with agencies, public and private, concerned with increasing the use of LBEs in government contracting.

SEC. 14B.17 ENFORCEMENT.

(A) The Director shall monitor the City's utilization of Small-MBEs, Micro-LBEs, MBEs, WBEs, and OBEs in City contracting. The Director shall issue an exit report for any contract that includes LBE subcontracting participation and/or LBE prime contract participation as a joint venture partner. The purpose of this exit report is to ensure that prime contractors are complying with their commitments to use LBE subcontractors and LBEs are performing services as set forth in the bid/proposal and contract documents for the joint ventures.

(B) Investigations. The Director shall investigate potential violations of this ordinance.
Bidders, contractors, subcontractors and applicants for certification shall provide to the City any information that the City deems relevant, and shall cooperate in all other respects with such an investigation. A request for information from a bidder, contractor, subcontractor or applicant shall identify the records required and the time for response. If the bidder, contractor, subcontractor or applicant fails to respond to the request for information, or otherwise fails to cooperate in the investigation, appropriate sanctions, as provided in Section 14B.17(C), may be imposed. In an investigation of potential discrimination by a prime bidder prior to contract award, if the bidder fails to respond to the request for information, or otherwise fails to cooperate in the investigation, the bid will be rejected as non-responsive, and additional sanctions may be imposed.

(C) Conference and Conciliation.

In the Director's sole discretion, the Director may attempt to resolve noncompliance with this ordinance by any bidder, contractor, subcontractor or applicant for certification through informal processes, including conference and conciliation.

(D) Sanctions. The City, including the Director and contract awarding authorities, as appropriate, may impose any of the following sanctions on a bidder, contractor, subcontractor or applicant for certification who fails to comply with this ordinance, provided that, except as may otherwise be provided by duly promulgated rules, if any, under Section 14B.5 for PUC-LBEs, any violation related to certification must be based on a finding by the Director:

(1) Reject all bids;
(2) Declare a bid non-responsive;
(3) Suspend a contract;
(4) Withhold funds;
(5) Assess penalties;
(6) Debar a bidder;
(7) Deny certification;
(8) Revocation of Certification.

(E) Procedures for Denials or Revocation of Certification. Whenever the Director proposes to deny an application for or revoke the certification of a business, the Director shall notify the applicant or certified business in writing of the basis for the denial or revocation, and the date on which the business will be eligible to reapply for certification. The Director shall provide the applicant or certified business with an opportunity to be heard before a final determination is made. The Director shall require a business to wait at least six months but not more than two years after the denial or revocation before reapplying for certification in the same category.

(F) Procedures for Director Findings of Discrimination.

In determining whether a bidder, contractor, or subcontractor has engaged in discrimination in violation of this ordinance, the Director may consider: (1) direct evidence of discrimination, (2) procedures used to select subcontractors, including relative qualifications, (3) significant differences not attributable to any legitimate non-discriminatory business reason between the available percentages of MBEs, WBEs, or OBEs capable of providing goods and services as subcontractors on a contract or a series of contracts and the percentages of the bidder's subcontractors who are MBEs, WBEs, or OBEs, or (4) any other relevant evidence.

Whenever the Director proposes to issue a finding of discrimination against any bidder, contractor, or subcontractor, the Director shall notify the bidder, contractor, or subcontractor in writing of the basis for the finding, provided that any proposal to debar a business shall be governed by Section 14B.17(G) The Director shall provide the bidder, contractor, or subcontractor with an opportunity to be heard before a final determination is made.

(G) Procedures for Debarment. The Director shall have the authority to act as a charging official under San Francisco Administrative Code Chapter 28 to debar a bidder or contractor for violations of this Chapter. The debarment procedures of Chapter 28 shall govern.
(H) Commission to Hear Appeals. Except as provided in Section 14B.17(G), the Commission shall hear appeals challenging any determination of the Director under this section. The Commission may sustain, reverse or modify the Director's findings and sanctions imposed, or take such other action to effectuate the purpose of this ordinance. Unless the Commission so orders, an appeal shall not stay the Director's findings and the imposition of sanctions.

(I) Referral to Other Agencies. No person shall knowingly make, file or cause to be filed with the City any materially false or misleading statement or report in connection with this ordinance. If the Director has reason to believe that any person has knowingly made, filed, or caused to be filed with the City any materially false or misleading statement or report made in connection with this ordinance, the Director shall report that information may impose any sanction described in this Section 14B.17, or may refer the matter to the City Attorney or the District Attorney for appropriate action.

(J) Willful Noncompliance by Contract Awarding Authority. Whenever the Director finds after investigation that a contract awarding authority has willfully failed to comply with its duties under this ordinance, the Director shall transmit a written finding of noncompliance specifying the nature of the noncompliance, to the contract awarding authority, the Commission, the Mayor and this Board.

The Director shall attempt to resolve any noncompliance through conference and conciliation. Should such attempt fail to resolve the noncompliance, the Director shall transmit a copy of the finding of noncompliance along with a finding that conciliation was attempted and failed to the Commission and this Board.

The finding of noncompliance shall be communicated to the Mayor for appropriate action to secure compliance.

SEC. 14B.15. APPLICABILITY, OPERATIVE DATE AND TRANSITION PROVISIONS.

(A) Suspension of Chapter 12D.A. All provisions of Administrative Code Chapter 12D.A that were invalidated by the Superior Court orders dated July 26 and August 23, 2004, in Coral

Supervisor Ma
BOARD OF SUPERVISORS
Construction, Inc. v. City and County of San Francisco (Sup. Ct. No. 421249) shall be and are
suspended and are of no force and effect; provided, however, the provisions of Chapter 12D.A that
were invalidated by the court's orders shall be suspended only so long as, and only to the extent that,
the City is enjoined by the court from enforcing the provisions of Chapter 12D.A. If the injunction is
lifted or stayed in its entirety, Chapter 12D.A shall automatically become effective and enforceable,
and this Chapter 14B shall be suspended.

(B) Operative date of this Chapter. Chapter 14B shall become operative on July
September 1, 2006, and shall govern all contracts initiated on or after that date.

(C) Applicability.

Chapters 12D.A, 14A and 14B shall apply as follows:

(1) Any amendment to a contract initiated before July 26, 2004 in which the Contractor
agreed to comply with Chapter 12D.A shall be governed by Chapter 12D.A; provided, however, that if
a competitive solicitation for an agreement to the proposed changes to the contract is required by law,
or the law would otherwise require execution of a new contract, rather than an amendment to an
existing contract, the provisions of Chapter 14B and not Chapter 12D.A shall apply.

Chapter 14A shall apply to (1) all contracts in which the Contractor agreed to comply with
Chapter 14A and any amendment to those contracts and (2) all contracts initiated on or after July 26,
2004 and before July September 1, 2006 and any amendment to such contracts; provided, however,
that if a competitive solicitation for an agreement to the proposed changes to the contract is required
by law, or the law would otherwise require execution of a new contract, rather than an amendment to
an existing contract, the provisions of Chapter 14B and not Chapter 14A shall apply.

(2) This Chapter 14B shall govern all contracts initiated on or after July September 1,
2006, and any amendments thereto.

(3) For all contracts described in Section 14B.18(C)(1) and Section 14B.18(C)(2) to which
this Chapter 14B applies, when any provision of the San Francisco Municipal Code or other local law
refers to Chapter 12D.A or 14A of the San Francisco Administrative Code, it shall be read as referring instead to Chapter 14B.

(D) Transition Provisions.

In order to effect an orderly transition from Chapter 14A to this ordinance, any business certified as an LBE under Chapter 12D.A or a DBE under Chapter 14A shall be deemed an LBE under this Chapter 14B until the earlier of (1) the expiration of the business' certification under 12D.A or 14A, (2) the business' failure to maintain the certification criteria under which it was certified, or (3) January 1, 2007. The Director may, by appropriate rules and regulations, establish procedures to allow such businesses certified as LBEs or DBEs under 12D.A or 14A to demonstrate their eligibility for certification under Section 14B.3 of this ordinance on an expedited basis, prior to the expiration of their existing certification.

The Director shall deem any application for DBE certification under Chapter 14A that is pending on the effective date of this ordinance to be an application for certification under Chapter 14B.

(E) State or Federal Provisions. In contracts which involve the use of any funds furnished, given or loaned by the government of the United States or the State of California, all laws, rules and regulations of the government of the United States or the State of California or of any of its departments relative to the performance of such work and the conditions under which the work is to be performed, shall prevail over the requirements of this ordinance when such laws, rules or regulations are in conflict.

(F) Severability. The provisions of this ordinance are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section or portion of this ordinance, or the invalidity of the application thereof to any person or circumstances shall not affect the validity of the remainder of this ordinance, or the validity of its application to other persons or circumstances.
(G) General welfare clause. In undertaking the enforcement of this ordinance, the City is assuming an undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an obligation for breach of which it is liable in money damages to any person who claims that such breach proximately caused injury.

(H) Three-year review. No later than three years from the effective date of this ordinance, the Board of Supervisors shall hold a hearing for the purpose of conducting a comprehensive review of this ordinance. The Board shall take testimony from all affected parties, and shall enact any changes that it deems appropriate.

(I) Municipal Transportation Agency. Consistent with Charter section Section 8A.101(g), the Municipal Transportation Agency shall comply with the provisions of this Chapter 14B.
