12 Be it ordained by the People of the City and County of San Francisco:

13 Section 1. Findings. The Board of Supervisors of the City and County of San  
14 Francisco hereby finds and determines that:

15 (a) City Charter Section 4.105 requires that the San Francisco Planning Commission  
16 (the "Planning Commission") consider any proposed amendments to the City's Zoning Map  
17 and make a recommendation for approval or rejection to the Board of Supervisors before the  
18 Board of Supervisors acts on the proposed amendments.

19 (b) Approval of the Transbay Redevelopment Plan requires certain Zoning Map  
20 amendments to Sectional Maps 1, 1H, and 1 SU (the "Zoning Map Amendments"). The  
21 Zoning Map Amendments are contained in this Ordinance and the creation of special districts  
22 within the Transbay Redevelopment Plan and various Planning Code text amendments are  
23 contained in companion legislation, a copy of which is on file with the Clerk of the Board of  
24 Supervisors in File No. 050182. In addition, this Board adopted Ordinance No. 125-05 to  
25

1 amend the City's General Plan in relation to the Transbay Redevelopment Plan. Said  
2 Ordinance is on file with the Clerk of the Board of Supervisors in File No. 050181.

3 (c) The proposed amendments to Sectional Zoning Map 1 are intended to address the  
4 new Transbay Downtown Residential District. The proposed amendments to Sectional  
5 Zoning Map 1H are intended to address the new Transbay Special Height and Bulk District  
6 within this same area. These districts will establish general intent as to land use, urban form,  
7 and development requirements within the Transbay Redevelopment Plan and will refer to this  
8 Plan for specific regulations. Both districts are proposed to cover Zone 1 as designated in the  
9 Transbay Redevelopment Plan, generally bounded by Folsom, Essex, Clementina, Beale,  
10 Natoma, Main, Clementina, and Spear Streets.

11 (d) The proposed amendments to Sectional Zoning Map 1 SU are intended to address  
12 the new Transbay C-3 Special Use District. This district will impose certain design guidelines,  
13 direct certain development fees to be administered by the Redevelopment Agency, and  
14 increase the minimum inclusionary housing requirement to 15%. This district is proposed to  
15 cover Zone 2, as designated in the Transbay Redevelopment Plan, generally bounded by  
16 Second, Mission, Main, Natoma, Beale, and Clementina Streets.

17 (e) Copies of the proposed amendments to the City's Zoning Map are on file with the  
18 Clerk of the Board in File No. 050183 and are incorporated herein by reference as though fully  
19 set forth herein.

20 (f) On January 13, 2005, the Planning Commission conducted a duly noticed public  
21 hearing on the Zoning Map Amendments. Following such hearing, the Planning Commission,  
22 in Resolution No. 16926, found such amendments to be consistent with the Priority Policies of  
23 Planning Code Section 101.1 and recommended such amendments for approval by the Board  
24 of Supervisors. On December 9, 2004, the Planning Commission conducted a duly noticed  
25

1 public hearing on conformance of the Transbay Redevelopment Plan and related  
2 implementing documents with the General Plan. Following such hearing, the Planning  
3 Commission, in Motion No. 16907, found the Redevelopment Plan and related documents  
4 consistent with the General Plan. Said Resolution and Motion are on file with the Clerk of the  
5 Board in File No. 050183 and are incorporated herein by reference as though fully set forth  
6 herein.

7 Section 2. General Findings.

8 (a) The Board of Supervisors finds that this Ordinance is in conformity with the priority  
9 policies of Section 101.1 of the Planning Code and consistent with the General Plan, for the  
10 reasons specified in Planning Commission Motion No. 16907 and Resolution No. 16926.

11 (b) Pursuant to Planning Code Section 302, the Board finds that the proposed Zoning  
12 Map Amendments will serve the public necessity, convenience, and welfare for the reasons  
13 set forth in Planning Commission Resolution No. 16926.

14 Section 3. Environmental Findings.

15 On September 28, 2004, this Board, in Resolution No. 612-04 adopted findings that  
16 various actions related to the Transbay Redevelopment Project were in compliance with the  
17 California Environmental Quality Act (California Public Resources Code sections 21000 et  
18 seq.). Said findings and all documents and materials related to said findings are on file with  
19 the Clerk of the Board of Supervisors in File No. 041079 and are incorporated herein by  
20 reference. Said findings remain valid for the actions contemplated in this Ordinance and are  
21 made part of this Ordinance by reference herein. Said findings also are supplemented by the  
22 environmental findings that the Planning Commission adopted on December 9, 2004, in  
23 Motion No. 16905. The Planning Commission Motion is on file with the Clerk of the Board in  
24 File No. 050183 and is incorporated herein by reference as though fully set forth herein.

1 Section 4. Additional Findings.

2 The Board of Supervisors in a companion Ordinance regarding adoption of the  
3 Transbay Redevelopment Project Area Tax Increment Allocation and Sales Proceeds Pledge  
4 Agreement and an Option Agreement approved certain findings. A copy of said Ordinance is  
5 on file with the Clerk of the Board of Supervisors in File No. 060347 and is incorporated herein  
6 by reference. As part of this legislation, the Board hereby adopts and incorporates by  
7 reference as though fully set forth the findings in Section 1(a)-(e) and the environmental
