9 Be it ordained by the People of the City and County of San Francisco:

10 Section 1. (a) This legislation supports and furthers the purposes of the San Francisco  
11 Subdivision Code, including Section 1302(b) and (c)(1)-(5).

12 (b) This legislation supports and furthers provisions in the Housing Element of the  
13 City's General Plan, in particular its Policies 2.3, 3.1, 6.1, 6.3, and 8.9.

14 (c) With the City's annual condominium conversion limit of 200 units, this legislation  
15 also will create greater opportunities for conversion of those buildings: (1) where evictions  
16 have not occurred and (2) where non-owning tenants are afforded the ability to purchase the  
17 units in which they reside.

18 (d) This Ordinance will limit the displacement of some of the City's most vulnerable  
19 tenants, particularly senior, disabled, and catastrophically ill tenants and protect the City's  
20 dwindling supply of existing rental housing stock.

21 (e) This legislation also is an effort to discourage real estate speculation and predatory  
22 practices that target tenants by allowing committed, long-term property owners to convert their  
23 properties to condominiums through applicable procedures even though certain evictions may  
24 have occurred. The provisions of this legislation that allow for subsequent conversion will  
25 promote stable neighborhoods and communities by rewarding property owners who invest in

1 the long-term occupancy and improvement of their properties. These provisions also provide  
2 affordable homeownership opportunities for a wide array of individuals, spouses, partners,  
3 and families who are committed to purchasing the individual unit in which reside.

4 (f) In enacting this Ordinance the City has considered the housing needs of the region  
5 and balanced these needs against the public service needs of its residents and available  
6 fiscal and environmental resources.

7 Section 2. Environmental Findings. The Planning Department has determined that the  
8 actions contemplated in this Ordinance are in compliance with the California Environmental  
9 Quality Act (California Public Resources Code sections 21000 et seq.). Said determination is  
10 on file with the Clerk of the Board of Supervisors in File No. 060443 and is incorporated herein  
11 by reference.

12 Section 3. The San Francisco Subdivision Code is hereby amended by adding Section  
13 1396.2, to read as follows:
