9 Police Commission. The cameras shall record areas perceptible to the human eye from public streets
10 and sidewalks only. Images obtained by the community safety cameras may be released to sworn
11 members of the San Francisco Police Department holding the rank of Inspector or higher only. Police

21 to the Police Commission. The Police Commission shall calendar consideration of the matter no
22 sooner than 30 days and no later than 60 days from MOCJ's notification.

12 location is experiencing substantial crime, the potential to deter criminal activity outweighs any
13 concerns asserted by the affected community, and there exists significant support from the affected
14 community for the camera.

15 (d) **Annual Report to the Board of Supervisors and to the Police Commission.** The Police
